Circular No.: MSEI/ECM/TRD/4975/2017

March 9, 2017

New Version Release of Trading Software (11.6.13) in Capital Market Segment

In terms of provisions of the Rules, Bye-Laws and Regulations of the Exchange, members are notified as under.

Pursuant to successful completion of mock trading, MSEI TWS 11.6.13 and MSEI Member Admin 11.6.13 will be implemented in live environment of Capital Market Segment with effect from Monday, March 27, 2017.

Members are requested to take note of the following:

- The new version of trading software (MSEI TWS 11.6.13 and MSEI Member Admin 11.6.13) can be downloaded from SFTP server (Extranet) any time after 6.30 pm on Friday, March 24, 2017.
- The new version of trading software should be installed only after end of market hours on Friday, March 24, 2017 after completion of all daily activities like taking the online back-up, trade report, etc. for the day.
- CTCL users should use CTCL software Non FIX API version 11.9, w.e.f. Monday, March 27, 2017.
- The file formats (Version 11.3.5.6) will have the exchange name change from MCX-SX to MSEI.
- Procedures for downloading and installation of new trading software are specified in Annexure 1.
- The features of the new trading software are specified in **Annexure 2**.
- **This is a compulsory download release for trading software as well as THRU setup. Hence, members are, once again, requested to install the new version to ensure uninterrupted trading from Monday, March 27, 2017.**
- For THRU Configuration, before installation, kindly take snapshot of previous THRU configuration to refer the same configuration after installing new THRU Application Setup to avoid connectivity issues.
- As TWS/MAT/VTC is compulsory deployment, respective users are required to re-create Portfolio, Workspace, Client Master.

For any clarifications, contact Customer Service on 022-61129010 or send an email to customerservice@msei.in.
