- 5. Your password details are given below:
 - a. If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b. If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need enter the 'initial password' and the system will force you to change your password.

- c. How to retrieve your 'initial password'?
 - i. If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - ii. If your email ID is not registered, your 'initial password' is communicated to you on your postal address.
- 6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a. Click on "<u>Forgot User Details/Password?</u>"(If you are holding shares in your demat account with NSDL or CDSL) option available on <u>www.evoting.nsdl.com</u>.
 - b. "Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c. If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
- 7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
- 8. Now, you will have to click on "Login" button.
- 9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically on NSDL e-Voting system.

- 1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
- 2. After click on Active Voting Cycles, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
- 3. Select "EVEN" of the Company.
- 4. Now you are ready for e-Voting as the Voting page opens.
- 5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.

- 6. Upon confirmation, the message "Vote cast successfully" will be displayed.
- 7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
- 8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders:

- 1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail cs@sigmalegal.in to with a copy marked to evoting@nsdl.co.in.
- 2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS

To the members of **Chamak Holdings Limited**

1. Report on Ind-AS Financial Statements

We have audited the accompanying Ind AS financial statements of **Chamak Holdings Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Financial Statements.

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

B. Bhushan & Co., Chartered Accountants, the Auditor of the Company merged with SBD & Co., Chartered Accountants, which merger was approved by the Institute of Chartered Accountants of India vide its approval dated May 10, 2018. The audit for the year ended March 31, 2018 of the Company has been carried out by the resulting merged Firm, i.e., SBD & Co., Chartered Accountants.

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit

report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind-AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at March 31, 2018, and financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

5. Report on Other Legal and Regulatory Requirements

ANNEXURE 'B' TO INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE IND AS FINANCIAL STATEMENTS OF CHAMAK HOLDING LIMITED

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of the section 143 of the Act

We have audited the internal financial controls over financial reporting of **CHAMAK HOLDINGS LIMITED** ("the Company") as of March 31, 2018, in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for laying down and maintaining internal financial controls based on 'the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (Guidance Note) issued by the Institute Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring an orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the Act).

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Standards of Auditing, to the extent applicable to an audit of internal financial controls and the Guidance Note, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain the reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obwtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of its inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Chamak Holdings Limited Annual Report 2017-18

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

1 Corporate Information

Chamak Holdings Limited (CIN: L51494DL1984PLC019684) is a public limited company domiciled in India and incorporated under the provisions of Companies Act, 1956. Its shares are listed on the Bombay Stock Exchange and Metropolitan Stock Exchange ofIndia Limited. The Company is primarily engaged in trading of steel scraps and other material used in Iron and Steel industries.

2 BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

A) Basis of preparation of financial statements

(a) Statement of Compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (the Act), (Ind AS compliant Schedule III), as applicable to the Company. The Company adopted Ind AS from April 01, 2017.

For all periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with the requirements of previous Generally Accepted Accounting Principles (GAAP), which includes Standard notified under the Companies (Accounting Standards) Rules, 2006. These are the Company's first Ind AS financial statements with April 01, 2016 being the transition date.

The Company has adopted all Ind AS standards and the adoption was carried out in accordance with Ind AS 101 'First Time Adoption of Indian Accounting Standards' issued by Ministry of Corporate Affairs. The Company has presented a reconciliation [from previous GAAP to Ind AS] of total equity as at April 01, 2016, March 31, 2017 and Statement of Profit and Loss for the year ended March 31, 2017 (Refer Note No. 34).

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(b) Functional and presentation currency

These financial statements are presented in Indian rupees (Rs.), which is the Company's functional currency. All amounts have been rounded to the nearest rupees.

(c) Basis of Measurement

The financial statements are prepared in accordance with the historical cost convention basis, except for certain items that are measured at fair values.

Determining the Fair Value

While measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques, which are as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value of trade receivables, trade payables, other current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short term nature. Where such items are non current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

(d) Use of Estimate

The preparation of financial statements in conformity with the Ind AS requires management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of the contingent asset and contingent liability at the date of the financial statements and reported amount of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from the estimates. Appropriate changes in estimate are made as the management become aware of the change in circumstances surrounding the estimates. Change in the estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effect are disclosed in the notes to financial statements.

(e) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements issued by the Ministry of Corporate Affairs based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

B) Recent accounting pronouncement

Ind AS 115- Revenue from Contract with Customers: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition:

- Retrospective approach Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8- Accounting Policies, Changes in Accounting Estimates and Errors.
- · Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative

catch - up approach) The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018.

The Company will adopt the standard on April 1, 2018 by using the cumulative catch-up transition method and accordingly comparatives for the year ending or ended March 31, 2018 will not be retrospectively adjusted. The effect on adoption of Ind AS 115 is expected to be insignificant.

C) Significant accounting policies

(a) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of Property, Plant and Equipment recognised as at April 1, 2016 measured as per the previous GAAP. Cost directly attributable to acquisition are capitalised until the Property, Plant and Equipment are ready for use as intended by the management.

Property, Plant and Equipment are derecognised from financial statements, either on disposal or when no economic benefits are expected from its use. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the Property, Plant and Equipment and the resultant gains or losses are recognized in the Statement of Profit and Loss. Property, Plant and Equipment, which are to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

Depreciation on Property, Plant and Equipment commences when the these assets are ready for their intended use. Items of Property, Plant and Equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of these assets, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a straight line basis. Depreciation on Property, Plant and Equipment purchased or sold during the year is proportionately charged.

Depreciation methods, useful lives and residual values of Property, Plant and Equipment are reviewed periodically, including at each financial year end by the management of the Company.

(b) Impairment of non financial assets

Property, Plant and Equipment are evaluated for recoverability, whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e., the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

(c) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date when the Company commits to purchase or sell the asset.

Financial Assets:

Recognition: Financial assets include investments, trade receivables, other financial assets, cash and cash equivalents including other bank balances etc. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

Classification: Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

- (a.) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- (b.) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- (c.) fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

In case of investment in equity shares

Investment in equity instruments, which are held for trading, are measured at FVTPL and equity instruments which are available for sale are measured at FVTOCI as per Ind As 109 "Financial Instruments".

Debt instruments:

Debt instruments are measured at amortised cost. Assets that are held for collection of contractual cash flows where those cash flows represent solely payment of principal and interest are measured at amortised cost. A gain or loss on a debt instrument that is subsequently measured at amortised cost is recognised in the Statement of Profit and Loss when the asset is derecognised or impaired. Interest income from these financial assets is included as part of other income using the effective interest rate method.

Other:

Trade receivables, financial assets, cash and cash equivalents etc., are reclassified for measurement at amortised cost.

Impairment: The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since its initial recognition.

Reclassification: When and only when the business model is changed, the Company shall reclassify all affected financial assets prospectively from the reclassification date as subsequently measured at amortised cost, fair value through other comprehensive income, fair value through profit or loss without restating the previously recognised gains, losses or interest and in terms of the reclassification principles laid down in the Ind AS relating to Financial Instruments.

De-recognition: Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership. Concomitantly, if the asset is one that is measured at:

- (a.) amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;
- (b.) fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

Financial Liabilities

Initial and subsequent recognition: Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption / settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

De-recognition: Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and settled on expiry.

Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

Equity Instruments

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

(d) Claims, Provisions, Contingent assets and Liabilities:

Claims lodged by and lodged against the Company are accounted in the year of payment or settlement thereof.

Provisions are recognised when, as a result of a past event, the Company has a legal or constructive obligation; it is probable that an outflow of resources will be required to settle the obligation; and the amount can be reliably estimated. The amount so recognised is the best estimate of the consideration required to settle the obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation.

In an event when the time value of money is material, the provision is carried at the present value of the cash flows estimated to settle the obligation.

Contingent liabilities are not recognised but are disclosed by way of notes to the financial statements, after careful evaluation by the management of the facts and legal aspects of each matter involved. Contingent assets are neither recognised nor disclosed in the financial statements.

Contingent liabilities are assessed continually to determine whether an outflow of resources embodying the economic benefit has become probable. If it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as contingent liability, a provision is recognised in the financial statements of the period in which the change in probability occurs.

(e) Recognition of revenue and expenditure

(i) Revenue is recognised to the extent that is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on the behalf of the government.

Revenue is recognised in the period in which the services are rendered and the amount of revenue can be measured reliably and recovery of the consideration is probable.

(ii) Interest and dividend income

Interest income is recognised using Effective Interest Method (EIR).

EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of financial instruments or a shorter period, where appropriate, to the gross carrying amount of the asset or to the amortised cost of financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit loss.

Dividend income is recognised in the Statement of Profit and Loss when the right to receive dividend is established.

(f) Employee benefits

Benefits such as salaries, wages and short term compensations etc. is recognized in the period in which the employee renders the related service.

(g) Borrowing cost

Borrowing Cost attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets upto the date when such assets are ready for intended use. Other borrowing costs are charged to Statement of Profit and Loss as expense in the year in which they are incurred.

(h) Taxes on income

Taxes on income comprises of current taxes and deferred taxes. Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amounts used for

taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period.

Deferred tax assets are recognised for the future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary differences can be utilised.

Income tax, in so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable.

Deferred tax assets and liabilities are offset when there is legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances related to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on net basis, or to realize the asset and settle the liability simultaneously.

(i) Foreign currency transactions and translation

Transactions denominated in foreign currency are accounted for at the exchange rate prevailing on the transaction date. Gains/ losses arising on settlement as also on translation of monetary items at the year end are recognised in the Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

(j) Prior period errors

Prior Period Errors are omissions from, and misstatements in, prior period financial statements resulting from the failure to use, or the misuse of, reliable information that was available, or could be reasonably expected to have been obtained, at the time of preparation of those financial statements.

Prior Period Errors has been corrected retrospectively in the financial statements. Retrospective application means that the correction affects only prior period comparative figures, current period amounts are unaffected. Comparative amounts of each prior period presented which contain errors are restated. If however, an error relates to a reporting period that is before the earliest prior period presented, then the opening balances of assets, liabilities and equity of the earliest prior period presented has been restated. (As per IAS 8).

(k) Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also, the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

(I) Cash flow statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(m) Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

C) Notes on first time adoption:

1. Property, Plant and Equipment

As on the transition date to Ind AS, i.e., April 1, 2016, the Company has elected to measure its tangible assets at cost as per Ind AS. The same are considered as deemed cost.

2. Investment

Investments which are held for trading are measure at FVTPL and which are available for sale are measured at FVTOCI.

35 Financial risk management

i) Financial instrument by category

- a) Investment in equity instruments are measured in accordance with Ind AS 109, "Financial Instruments" issued by "the Ministry of Corporate Affairs", Government of India.
- b) For amortised cost instruments, carrying value represents the best estimate of fair value.

ii) Risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits. Other financial assets measured at amortized cost includes loans to employees, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensures the amounts are within defined limits.

Notes to the financial statements as at and for the year ended March 31, 2018

Credit risk management: The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

- a) Low credit risk
- b) Moderate credit risk
- c) High credit risk

Credit risk exposures: The Company's trade receivables does not have any expected credit loss as they are generally within the credit period. In case of non recoverability in extreme cases, the Company, accordingly, provides for the same in its books of account instead of writing it off permanently.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains adequate liquidity for meeting its obligations by monitoring the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows from the operations.

C) Market risk

Market risk is the risk of changes in the market prices on account of foreign exchange rates, interest rates and Commodity prices, which shall affect the Company's income or the value of its holdings of its financial instruments. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimising the returns.

a) Currency risk

The Company undertakes transactions denominated in foreign currency (mainly US Dollar), which are subject to the risk of exchange rate fluctuations. Financial assets and liabilities denominated in foreign currency, except the Company's net investments in foreign operations (with a functional currency other than Indian Rupee), are subject to reinstatement risks.

b) Interest risk

- i) Assets: The company's fixed deposits, are carried at fixed rate. Therefore, not subject to interest rate risk as defined in Ind AS 107 issued by "the Ministry of Corporate Affairs", Government of India since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.
- ii) Liabilities: The Company does not have borrowings from the market except buyer's credit from bank on which interest is charged at rate of interest prevailing in the market and therefore, it is not subject to interest rate risk.
- 36 B. Bhushan & Co., Chartered Accountants, the Statutory Auditor of the Company merged with SBD & Co., Chartered Accountants, which was approved by the Institute of Chartered Accountants of India vide its approval dated May 10, 2018. The audit for the year ended March 31, 2018 of the Company has been carried out by the resulting merged Firm, i.e., SBD & Co. The Statutory Auditors of the Company have carried out the audit of the aforesaid financial statements in accordance with provisions of the Companies Act, 2013 and rules and regulations made thereunder incluiding rules and regulations as mandated by Securities Exchange Board of India.
- 37 In the opinion of the Board, the assets, other than fixed assets and non-current investments, do have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated.
- **38** Figures and words in brackets pertain to previous year unless otherwise specified.
- 39 Figures have been rounded off to the nearest Rupee.
- **40** Figures of the previous year have been regrouped/recast, wherever necessary, to confirm to current years presentation.
