MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Annexure II

ECONOMIC SCENARIO

Indian economy is going through a period of rapid financial liberalisation. The segment consisting of NBFCs, such as equipment leasing/hire purchase finance, loan and investment companies, etc. have made great strides in recent years and are meeting the diverse financial needs of the economy. These NBFCs provide a variety of services including fund-based and fee-based activities and cater to retail and nonretail markets and niche segments.

The Delhi Safe Deposit Co. Ltd. (DSD), being a non-banking financial company having diversified interests in the financial services sector, has emerged as a strong & reliable player in a fiercely competitive market of financial services. Over the years, DSD has built a strong presence in the market through its cumulative experience, strong distribution network as well as sound systems and processes. The company's long-term aspiration is to play a significant role in meeting the financial requirements of retail customers as well as corporate clients. Membership No. 5313 / CP. No. 4149.

FUTURE OUTLOOK

The Outlook of the Company for the years ahead is to diversify risk and stabilize its asset quality. The Company will adopt a cautious approach and focus on key customer relationships. This division will look to grow its supply chain and structured finance business. A specialized team will focus on the recovery and rehabilitation of nonperforming assets (NPA). The Company will focus on changing its product mix and improving penetration in high yielding segments. The Company's Business is a thrust area and it shall increase its geographic presence and focus on the core and allied business strategy. The Company, as a whole, will focus on cross selling opportunities, digital and analytics.

RISKS AND CONCERNS

Credit risk, Market risk, Operational risk and Liquidity risk are the key risks faced by the Company. The Company has formulated a robust Enterprise-wide Risk Management program which involves risk identification, assessment and risk mitigation planning for business, strategic, operational, and financial and compliance related risks. The Company has a well qualified and experienced Risk Management and Treasury team to manage the same. Except for some unforeseen and extreme events, the Company is well placed on the liquidity front and appropriate policies exist for underwriting credit risk. The Company endeavours to continuously learn and modify its policies to manage the aforementioned risks. The Risk Committee of the Board periodically reviews compliance with policy and procedures set out by the Company.

INTEREST RATE VOLATILITY

Fluctuations in interest rates could adversely affect borrowing costs, interest income and net interest margins of companies in the financial sector. DSD is in a position to tide over such spells. Further, the Company ensures that it maintains an appropriate proportion of asset and liabilities at floating rate to avoid interest rate mismatches.

CREDIT RISK MANAGEMENT

DSD has established detailed procedures and policies for underwriting across various product categories, based on the credit profile of the customer. The Company underwrites loans on the basis of assessed cash flow capabilities of customers as well as LTV norms and Credit scoring. While it does lay emphasis on regular credit bureau inputs and detailed credit analysis processes, it considers various other factors too.

CHANGES IN POLICIES TOWARDS NBFC

There is a growing trend towards more stringent yet structurally beneficial regulation in the NBFC sector. Anticipating such regulations and implementing good governance norms before they are mandated has been a constant practice at DSD. Accordingly, the Company stands to benefit by policy notifications.

SUBSIDIARY COMPANY

As there are no subsidiaries of the Company, investment made in subsidiaries is NIL.

HUMAN RESOURCES

Your Company's belief in trust, transparency and teamwork improved employee productivity at all levels. The Company continue to lay emphasis on relations with the employees and continue to be cordial.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUENCY

The Company's internal control systems are commensurate with the nature of its business and the size and complexities of its operations. These systems are designed to ensure that all assets of the Company are safeguarded and protected against any loss and that all transactions are properly authorized, recorded and reported. The well defined delegation of power with authority limits for approving revenue as well as expenditure is internal control management technique. The Audit Committee of the Board of Directors reviews the adequate control systems and audit reports submitted by the internal auditors.

CAUTIONARY STATEMENT

Statement in this Management Discussion and analysis describing the Company's objective, projects, estimates and expectations may be 'forward looking statement' within the meaning of applicable laws and regulations. Actual results may vary significantly from the forward-looking statements contained in this document due to various risks and uncertainties. Several factors could make a significant difference to the Company's operations. These include economic conditions, Government regulations and Tax Laws, Political situation, natural calamities etc. over which the Company does not have any direct control.

ANNEXURE - B To Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of The Delhi Safe Deposit Company Limited ("the Company") as of 31 March, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of the India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorizations of management and directors of the company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Reporting issued by the Institute of Chartered Accountants of India.

The reported assets & liabilities are classified as current or non-current in accordance with the general instructions for preparation of balance sheet as per revised schedule II of Companies Act, 2013 and subject to estimates/assumptions made by the management.

(m) Provision / Contingencies

A provision is recognised when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are determined based on best estimate of the amount required to settle the obligation at the balance sheet date. Contingent liabilities are not provided for and are disclosed in the notes on accounts.
