

About the Index

SX40 is the flagship Index of Metropolitan Stock Exchange of India Limited (MSEI). It is an adjusted free-float based index of 40 large-cap liquid stocks representing diversified sectors of the economy. SX40 is designed to measure the economic performance with better representation of various industries and sectors.

Objective

SX40 is designed to be a performance benchmark and facilitate creation of efficient investment and risk management instruments. It would also help in structuring passive investment vehicles.
