

## Metropolitan Stock Exchange of India Limited

Department: Market Operation

Segment: Equity Derivatives

Circular No: MSE/TRD/5482/2017

Date: September 04, 2017

---

### Subject: Mock Trading in Equity Derivatives Segment on Saturday, September 09, 2017

---

To All Members,

In terms of provisions of the Rules, Bye-Laws and Regulations of the Exchange and in continuation to circular No.: MSEI/ TRD/4766/2016 dated December 07, 2016, Exchange will conduct a mock trading session in Equity Derivatives Segment on Saturday, September 09, 2017 as per the following schedule:

#### Schedule for Mock Trading Session:

Particulars	Timings
Log-in time	09:30 hrs onwards
Normal Market open time	10:15 hrs
Normal Market close time	15:00 hrs
Trade Modification/ Give-up approval end time	15:15 hrs

#### Live Re-login Activity:

Particulars	Timings
Live Re-login start time	16:00 hrs
Live Re-login close time	16:30 hrs

Exchange is planning to implement a new version of trading software (MSEI Member Admin 11.6.16 and MSEI TWS 11.6.16).

The procedure for downloading the files for participating in mock trading is specified in Annexure.

Members may note that the trades resulting from such mock trading will not attract any margin obligation, pay-in and pay-out and do not create any rights and liability on members. Members using CTCL facility are requested to actively participate in the mock trading session using CTCL software. My Exchange facility will not be available during mock trading and same would be available after live re-login session.

**Members having approved algorithmic software are required to mandatorily participate in mock trading session using all User Ids approved for Algo trading, irrespective of the algorithm having undergone change or not. Kindly refer to circular no. MCX-SX/CTCL/1477/2013 dated September 30, 2013. All CTCL Members are also advised to actively participate in the mock trading session from all trading software.**

Members are requested to re-login into live environment to check the connectivity and to avoid login problems on Monday, September 11, 2017.

For any clarifications, contact Customer Service on 022-61129010 or send an email at [customerservice@msei.in](mailto:customerservice@msei.in).

**For and on behalf of  
Metropolitan Stock Exchange of India Limited**

**Shalini Rebeiro  
Sr. Manager**

## Annexure

### Steps for downloading files for participating in Futures & Options segment Mock Trading.

- a) Members are advised to log-in to the Member Administrator Terminal (MAT) and Trader Workstation (TWS) with the user id and password as being used in the live environment.

Download all the files kept in the DerivativesCOMMON\SETUP\MockSetup folder in the SFTP (Extranet) Server using address <https://192.168.125.209> for downloading through VSAT/Lease Line and <https://sftp.msei.in> for downloading through Internet to the members system. Files can be downloaded any time through Internet or can be downloaded through VSAT / Leased Line on Friday, September 08, 2017 after Trading hours.

b) **Install VC++Redistributable 2008 on the system**

- c) Member opting to connect using THRU are required to refer to the **Mock THRU** Installation Guide kept on the SETUP\MockSetup folder in the SFTP (Extranet) Server.
- Members are required to communicate THRU machine IP address to the Exchange on [customerservice@msei.in](mailto:customerservice@msei.in) along with User IDs / MAT IDs details connecting through particular THRU machine. Mail subject should be “MOCK-THRU Connection detail-Futures & Options Segment”
  - The details to be provided in following format. The details should be provided latest by 06.00 pm – Friday September 08, 2017.

Sr. No.	Member ID	Segment	THRU Machine IP Address (as provided in Exchange Network Interface in THRU configuration)	User IDs / MAT IDs connecting through particular THRU machine (in Single line comma separated)

- d) Double click MSEIEDSTWSCLIENT11.msi. It will install the MSEI-EDS Trader Workstation for mock Trading Version 11.6.16.
- e) Double click MSEIEDSMEMADMIN11.msi. It will install new MSEI-EDS Member Administrator for mock Trading Version 11.6.16.
- f) Following steps are to be followed by members after installation of TWS/ MAT

i. **For VSAT mode of connectivity**

After installation start TWS / MAT and follow below mentioned steps:
