Department: Market Operations	Segment: Equity Derivatives Segment
Circular No: MSE/TRD/10890/2021	Date : Sep 15, 2021

Subject: Mock Trading in Futures & Options Segment on Saturday, September 18 2021

To All Members,

Exchange shall be conducting a mock trading session on Saturday, September 18, 2021.The schedule of the mock trading is as follows:

Particulars	
Log-in time	10:15 hrs onwards
Normal Market open time	11:15 hrs
Normal Market close time	15:30 hrs
Trade modification end time	15:40 hrs

Exchange will be performing intraday shift from DC to DR during the Mock trading session.

The procedure for downloading the files for participating in mock trading is specified in Annexure.

Members may note that the trades resulting from such mock trading will not attract any margin obligation, pay-in and pay-out and do not create any rights and liability on members. Members using CTCL facility are requested to actively participate in the mock trading session using CTCL software.

For any clarifications, contact Customer Service on 011-46793800 or send an email at customerservice@msei.in.

Steps for downloading files for participating in Futures & Options segment Mock Trading.

a) Members are advised to log-in to the Member Administrator Terminal (MAT) and Trader Workstation (TWS) with the user id and password as being used in the live environment.

Download all the files kept in the DerivativesCOMMON\SETUP\MockSetup folder in the SFTP (Extranet) Server using address https://192.168.125.209 for downloading through Lease Line and https://sftp.msei.in for downloading through Internet to the members system. Files can be downloaded any time through Internet or can be downloaded through Leased Line on Friday, September 17, 2021 after Trading hours.

b) **Install VC++Redistributable 2008 on the system**

c) Member opting to connect using THRU are required to refer to the **Mock THRU** Installation Guide kept on the SETUP\MockSetup folder in the SFTP (Extranet) Server.
   - Members are required to communicate THRU machine IP address to the Exchange on customerservice@msei.in along with User IDs / MAT IDs details connecting through particular THRU machine. Mail subject should be "MOCK-THRU Connection detail-Futures & Options Segment"
   - The details to be provided in following format. The details should be provided latest by 06.00 pm – Friday, September 17, 2021.

Sr. No.	Member ID	Segment	THRU Machine IP Address (as provided in Exchange Network Interface in THRU configuration)	User IDs / MAT IDs connecting through particular THRU machine (in Single line comma separated)

d) Double click MSE-EDSTWSCLIENT.msi. It will install the MSE-EDS Trader Workstation for mock Trading Version 11.6.16.

e) Double click MSE-EDSMEMADMIN.msi. It will install new MSE-EDS Member Administrator for mock Trading Version 11.6.16.

f) Following steps are to be followed by members after installation of TWS/ MAT

   i. **For Leased Line mode of connectivity**
   After installation start TWS / MAT and follow below mentioned steps:
   - Go to Tools → System configuration
   - Member using THRU needs to select "**THRU**" in Mode of Connectivity. Other members need to select "**Dedicated**".
   - Members having bandwidth 2mbps or above needs to select Market Data Updates as "**HIGH".** Other members need to select "**Normal"**
   - If Member is using THRU, enter THRU machine IP address in "Host IP Address" under Interactive settings. THRU machine IP address is same as entered in THRU configuration – "Client Network Interface"
   - Click on Modify.
   - System will set the configuration as entered / selected and TWS / MAT will be closed.
   - Start TWS / MAT and login to the mock environment of MSE Futures & Options Market.

ii.   Internet users:
Kindly use the URL <u>https://trading.msei.in</u> for SSL VPN login.
After installation start TWS and follow below mentioned steps:

- Go to Tools → System configuration
- Select Mode of Connectivity as "**Internet**"
- After selection click on Modify
- System will set the configuration as selected and TWS will be closed.
- Start TWS and login to the mock environment of MSE Futures & Options Market.
