

METROPOLITAN STOCK EXCHANGE

Department: Market Operations	Segment: Equity Derivatives
Circular No: MSE/TRD/16592/2025	Date : January 08, 2025

Subject: Mock Trading in Equity Derivatives Segment from Disaster Recovery (DR) Site on Saturday January 11, 2025

To All Members,

In terms of provisions of the Rules, Bye-Laws and Regulations of the Exchange, members of the Exchange are notified as under. Exchange will conduct a mock trading session in Equity Derivatives Segment on Saturday, January 11, 2025 from DR Site as per the following schedule:

Schedule for Mock Trading Session:

Particulars	Time
Log-in time	08:00 hrs onwards
Normal Market open time	09:15 hrs
Normal Market close time	12:00 hrs
Trade modification end time	12:10 hrs

The procedure for downloading the files for participating in mock trading is specified in Annexure.

Members may note that the trades resulting from such mock trading will not attract any margin obligation, pay-in and pay-out and do not create any rights and liability on members. Members are requested to participate actively in the Mock Trading Session.

All CTCL Members are also advised to actively participate in the mock trading session from all trading software.

For any clarifications, contact Customer Service on 022-61129010 or send an email at customerservice@msei.in.

Steps for downloading files for participating in Futures & Options segment Mock Trading.

- a) Members are advised to log-in to the Member Administrator Terminal (MAT) and Trader Workstation (TWS) with the user id and password as being used in the live environment.

Download all the files kept in the Derivatives COMMON\SETUP\Mock Setup folder in the SFTP (Extranet) Server using address <https://192.168.125.209> for downloading through Lease Line and <https://sftp.msei.in> for downloading through Internet to the members system. Files can be downloaded any time through Internet or can be downloaded through Leased Line on Friday, January 10, 2025 after Trading hours.

b) Install VC++Redistributable 2008 on the system

- c) Double click MSE-EDSTWSCLIENT.msi. It will install the MSE-EDS Trader Workstation for mock Trading Version 11.6.19.

- d) Double click MSE-EDSMEMADMIN.msi. It will install new MSE-EDS Member Administrator for mock Trading Version 11.6.19.

- e) Following steps are to be followed by members after installation of TWS/ MAT

i. For Leased Line mode of connectivity

After installation start TWS / MAT and follow below mentioned steps:

- Go to Tools → System configuration
- Members need to select “**Dedicated**”.
- Members having bandwidth 2mbps or above needs to select Market Data Updates as “**HIGH**”. Other members need to select “**Normal**”
- Click on Modify.
- System will set the configuration as entered / selected and TWS / MAT will be closed.
- Start TWS / MAT and login to the mock environment of MSE Futures & Options Market.

ii. Internet users:

Kindly use the URL <https://trading.msei.in> for SSL VPN login.

After installation start TWS and follow below mentioned steps:

- Go to Tools → System configuration
- Select Mode of Connectivity as “**Internet**”
- After selection click on Modify
- System will set the configuration as selected and TWS will be closed.
- Start TWS and login to the mock environment of MSE Futures & Options Market.
