Department: Market Operations	Segment: Currency Derivatives
Circular No: MSE/TRD/18600/2026	Date: February 13, 2026

Subject: Mock Trading in Currency Derivatives Segment on Saturday, February 14, 2026

To All Members,

In terms of provisions of the Rules, Bye-Laws & Regulations of the Exchange members may please note that Exchange will be conducting Mock session in Currency Derivatives on Saturday, February 14, 2026, as per the following schedule:

Schedule for Mock Trading Session:

Particulars	Time
Log-in time	**10:15 hrs onwards**
Normal Market open time	**11:00 hrs**
Normal Market close time	**15:30 hrs**
Trade modification end time	**15:40 hrs**

Exchange will be performing intraday switchover from DC to DR during the Mock trading session.

The procedure for downloading the files for participating in mock trading is specified in Annexure.

Members may note that the trades resulting from such mock trading will not attract any margin obligation, pay-in and pay-out and do not create any rights and liability on members. Members are requested to participate actively in the Mock Trading Session.

Members with approved algorithmic software should take part in at least one mock trading session each month using all User IDs approved for Algo trading.

For any clarifications, contact Customer Service on 022-61129010 or send email to customerservice@msei.in.

**For and on behalf of
Metropolitan Stock Exchange of India Limited**

**Darshan Arwade
Assistant Vice President – Market Operations**

Steps for downloading files for participating in Currency Derivatives Mock Trading:

a) Members are advised to log-in to the Member Administrator Terminal (MAT) and Trader Workstation (TWS) with the user id and default password as being used in the live environment.

Download the files kept in the COMMON\SETUP\MOCK Setup\Version 11.6.19 in the SFTP (Extranet) Server using address https://192.168.125.209 for downloading through Lease Line and https://sftp.msei.infor downloading through Internet to the members system. Files can be downloaded any time through Internet or can be downloaded through Leased Line on Friday, February 13, 2026 after trading hours.

b) Install VC++Redistributable 2008 on the system.

c) Double click **MSE-CDSTWSCLIENT.msi**. It will install the MSE Trader Workstation TEST for mock Trading Version 11.6.24

d) Double click **MSE-CDSMEMADMIN.msi**. It will install new MSE Member Administrator TEST for mock Trading Version 11.6.24

e) Following steps are to be followed by Members after installation of TWS / MAT

   i. **For Leased Line mode of connectivity**
