Department: Market Operations	Segment: Equity Derivatives
Circular No: MSE/TRD/18601/2026	Date: February 13, 2026

Subject: Mock Trading in Equity Derivatives Segment on Saturday February 14, 2026

To All Members,

In terms of provisions of the Rules, Bye-Laws & Regulations of the Exchange members may please note that Exchange will be conducting Mock session in Equity Derivatives on Saturday, February 14, 2026, as per the following Schedule:

Schedule for Mock Trading Session:

	Start Time	End Time
Log-in Time	10:15 hrs onwards	
Pre – open session		
Order Entry period	11:00 hrs	11:07/08 hrs*
Continuous Trading	11:15 hrs	15:30 hrs
Trade modification end time	15:40 hrs	

*Random closure in one minute

Exchange will be performing intraday switchover from DC to DR during the Mock trading session.

The procedure for downloading the files for participating in mock trading is specified in Annexure.

Members may note that the trades resulting from such mock trading will not attract any margin obligation, pay-in and pay-out and do not create any rights and liability on members. Members are requested to participate actively in the Mock Trading Session.

Members with approved algorithmic software should take part in at least one mock trading session each month using all User IDs approved for Algo trading.

For any clarifications, contact Customer Service on 022-61129010 or send an email at customerservice@msei.in.

For and on behalf of
Metropolitan Stock Exchange of India Limited

Darshan Arwade
Assistant Vice President – Market Operations

Steps for downloading files for participating in Futures & Options segment Mock Trading.

a) Members are advised to log-in to the Member Administrator Terminal (MAT) and Trader Workstation (TWS) with the user id and password as being used in the live environment.

Download all the files kept in the DerivativesCOMMON\SETUP\Mock Setup folder in the SFTP (Extranet) Server using address https://192.168.125.209 for downloading through Lease Line and https://sftp.msei.in for downloading through Internet to the members system. Files can be downloaded any time through Internet or can be downloaded through Leased Line on Friday, February 13, 2026, after Trading hours.

b) **Install VC++Redistributable 2008 on the system**

c) Double click MSE-EDSTWSCLIENT.msi. It will install the MSE-EDS Trader Workstation for mock Trading Version 11.6.24.0

d) Double click MSE-EDSMEMADMIN.msi. It will install new MSE-EDS Member Administrator for mock Trading Version 11.6.24.0

e) Following steps are to be followed by members after installation of TWS/ MAT

    i. **For Leased Line mode of connectivity**
    After installation start TWS / MAT and follow below mentioned steps:
- Go to Tools → System configuration
- Members need to select "**Dedicated**".
- Members having bandwidth 2mbps or above needs to select Market Data Updates as "**HIGH".** Other members need to select "**Normal"**
- Click on Modify.
- System will set the configuration as entered / selected and TWS / MAT will be closed.
- Start TWS / MAT and login to the mock environment of MSE Futures & Options Market.

    ii. **Internet users:**
    Kindly use the URL https://trading.msei.in for SSL VPN login.
    After installation start TWS and follow below mentioned steps:
- Go to Tools → System configuration
- Select Mode of Connectivity as "**Internet**"
- After selection click on Modify
- System will set the configuration as selected and TWS will be closed.
- Start TWS and login to the mock environment of MSE Futures & Options Market.
