Steps for downloading files for Equity Capital Market new version

- a) Members are advised to log-in to the Member Administrator Terminal (MAT) and Trader Workstation (TWS) with the user id and password as being used in the production environment.

Download **MAT, TWS** setup file kept in the **\SETUP\Version25_Setup** folder and scrip.zip file kept in **Home \ScripMaster** folder in the SFTP (Extranet) Server using address <https://192.168.125.209> for downloading through Lease Line and <https://sftp.msei.in> for downloading through Internet to the members system. Files can be downloaded any time through Internet or can be downloaded through Leased Line on Friday, February,27, 2026, after Trading hours.

- b) **Install VC++Redistributable 2008 on the system**
- c) Double click **MSE-EQTWSCLIENT.msi**. It will install the MSE-EQ Trader Workstation for new TradingVersion 25.0.5.0
- d) Double click **MSE-EQMADMIN.msi**. It will install new MSE-EQ Member Administrator for new Trading Version 25.0.5.0
- e) Following steps are to be followed by members after installation of TWS/ MAT

(i) For Leased Line mode of connectivity

After installation start TWS / MAT and execute below-mentioned steps:

- Go to Tools → System Configuration
- Members need to select “**Dedicated**”.
- Members having bandwidth 2mbps or above needs to select Market Data Updates as “**HIGH**”. Other members need to select “**Normal**”
- Click on Modify.
- System will set the configuration as entered / selected and TWS / MAT will be closed.
- Start TWS / MAT and login to the Equity Capital Market.

(ii) Internet users:

Kindly use the URL <https://trading.msei.in> for SSL VPN login.

After installation start TWS and execute the below-mentioned steps:

- Go to Tools → System Configuration
- Select Mode of Connectivity as “**Internet**”
- After selection click on Modify
- System will set the configuration as selected and TWS will be closed.
- Start TWS and login to the Equity Capital Market.
