The procedure for downloading the files for participating in mock trading is specified in Annexure.

Members may note that the trades resulting from such mock trading will not attract any margin obligation, pay-in and pay-out and do not create any rights and liability on members. Members are requested to participate actively in the Mock Trading Session.

Members having approved algorithmic software are required to mandatorily participate in mock trading session using all User Ids approved for Algo trading, irrespective of the algorithm having undergone change or not. Kindly refer to circular no. MCX-SX/CTCL/1477/2013 dated September 30, 2013. All CTCL Members are also advised to actively participate in the mock trading session from all trading software.

For any clarifications, contact Customer Service on 022-61129010 or send email to customerservice@msei.in.

Steps for downloading files for participating in Capital Market segment Mock Trading.

a) Members are advised to log-in to the Member Administrator Terminal (MAT) and Trader Workstation (TWS) with the user id and password as being used in the live environment.

Download all the files kept in the \SETUP\Mock Setup folder in the SFTP (Extranet) Server using address https://192.168.125.209 for downloading through Lease Line and https://sftp.msei.in for downloading through Internet to the members system. Files can be downloaded any time through Internet or can be downloaded through Leased Line on Friday, March 06, 2026, after Trading hours.

b) **Install VC++Redistributable 2008 on the system**

c) Double click **MSE-EQTWSCLIENT.msi**. It will install the MSE-EQ Trader Workstation for mock Trading Version 25.0.5.0

d) Double click **MSE-EQMEMADMIN.msi**. It will install new MSE-EQ Member Administrator for mock Trading Version 25.0.5.0

e) Following steps are to be followed by members after installation of TWS/ MAT

   (i) **For Leased Line mode of connectivity**
   After installation start TWS / MAT and follow below mentioned steps:
   - Go to Tools → System configuration
   - Members need to select "**Dedicated**".
   - Members having bandwidth 2mbps or above needs to select Market Data Updates as "**HIGH**." Other members need to select "**Normal**"
   - Click on Modify.
   - System will set the configuration as entered / selected and TWS / MAT will be closed.
   - Start TWS / MAT and login to the mock environment of MSE Capital Market.

   (ii) **Internet users:**
   Kindly use the URL https://trading.msei.in for SSL VPN login.
   After installation start TWS and follow below mentioned steps:
   - Go to Tools → System configuration
   - Select Mode of Connectivity as "**Internet**"
   - After selection click on Modify
   - System will set the configuration as selected and TWS will be closed.
   - Start TWS and login to the mock environment of MSE Capital Market.
