Notes to Financial Statements**1. Significant Accounting Policies****a. Basis of preparation of Financial Statements**

The accompanying financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention, on the basis of a going concern basis, while revenue, expenses, assets and Liabilities accounted/recognized on accrual basis. GAAP comprises mandatory accounting as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI) Accounting policies are consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. Management evaluates all recently issued or revised accounting standards on an ongoing basis.

b. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the required amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

c. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured.

d. Fixed Assets

Fixed Assets are stated at cost less accumulated depreciation. Cost comprises the purchase price, freight, duties, taxes and any attributable cost of bringing the asset to its working condition for its intended use.

e. Depreciation

Depreciation on fixed assets has been provided on Written Down Value method based on useful life of asset specified in Schedule II of the Companies Act, 2013 on pro-rata basis.
