CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITORS REPORT

The Members CORPORATE MERCHANT BANKERS LIMITED

Report on Consolidated Financial Statements

We have audited the accompanying financial statements of **M/s Corporate Merchant Bankers Limited** (“the Holding Company”) and its 100% subsidiary M/s Solis Industries Limited (the Holding Company and its subsidiary together referred to as “the Group”) comprising of the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

Management’s Responsibility for the Financial Statements

The Holding Company’s Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as “the Act”) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor’s Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company’s preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of

expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by section 143 (3) of the Act, we report that:

- (i) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (ii) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (iii) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (iv) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (v) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2017 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group companies incorporated in India is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (vi) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'.

Annexure A to Independent Auditors' Report for the year ended March 31, 2017

(Referred to in Paragraph 2(f) under the Heading of "Report on Other Legal and Regulatory Requirements" of our Report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls over financial reporting of Corporate Merchant Limited ('the Holding Company') as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date. We have obtained and relied on a report on the Internal Financial Controls over Financial Reporting issued by the Statutory Auditors of the Company's subsidiaries (the Holding Company and the Subsidiary companies hereafter together referred to as 'the group')

Management's Responsibility for Internal Financial Controls

The Group's Management is responsible for establishing and maintaining Internal Financial Controls based on "the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial control over financial reporting includes those policies and procedures that

- i. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the group;
- ii. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the group are being made only in accordance with authorisations of management and directors of the group; and
- iii. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Group considering the essential components of Internal Financial Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

CORPORATE MERCHANT BANKERS LIMITED**Significant accounting policies and notes to the consolidated accounts for the year ended on March 31, 2017****Corporate Information**

Corporate Merchant Bankers Limited ["CMBL"] was incorporated on August 26, 1994 as a public limited company under the provisions of Companies Act, 1956. CMBL is registered with the Reserve Bank of India as Non-Banking Financial Company [Non-Deposit taking]. CMBL is primarily engaged in the business of financial consultancy and investment activities.

1 Significant accounting policies**a Basis of preparation of financial statements**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

b Use of estimates

The preparation of financial statements in conformity with the generally accepted accounting principles ('GAAP') in India requires management to make estimates and assumptions that affect the reported amounts of income and expenses of the period, assets and liabilities and disclosures relating to contingent assets & contingent liabilities as of the date of the financial statements and the results of operations during the reporting period. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current & future periods.

c Fixed Assets**Tangible Assets**

Fixed assets are stated at the cost of acquisition including incidental costs related to acquisition and installation less accumulated depreciation. The actual cost capitalized includes material cost, freight, installation costs, duties and taxes, finance charges and other incidental expenses incurred during the construction / installation stage.

Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

d Depreciation /Amortization

Depreciation on tangible fixed assets is charged on Straight Line Method over their estimated useful lives as prescribed under Part C of Schedule II to the Companies Act, 2013. Depreciation is charged on a pro-rata basis for assets purchased/sold during the year. Intangible assets are amortized over the useful life of the underlying assets. Computer software being intangible assets are amortized based on estimated useful life of 10 years.

e Lease**Operating lease**

Lease where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight line basis over the lease term.

f Impairment of tangible and intangible assets

Impairment loss, if any, is provided to the extent, the carrying amount of assets exceeds their recoverable amount.

Recoverable amount is higher of an asset's net selling price, and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

CORPORATE MERCHANT BANKERS LIMITED**Significant accounting policies and notes to the consolidated accounts for the year ended on March 31, 2017****g Investments**

Trade investments are the investments made to enhance the company's business interests. Investments are either classified as long term or current investments, based on management's intention at the time of purchase. Long-term investments are stated at cost and provision is made to recognise any decline, other than temporary, determined separately for each investment. Current investments are stated at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investments.

h Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of Services : Revenue from services is recognised under the proportionate completion method provided the consideration is reliably determinable and no significant uncertainty exists regarding the collection of the consideration. The amount recognised of revenue is exclusive of service tax and is net of returns.

Interest : Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

Dividend : Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

i Foreign Currency Transactions

Initial Recognition : Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion: Foreign currency monetary items are reported using the closing rate. Non-monetary items, which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of transaction.

Exchange Differences: Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expense in the year in which they arise.

j Tax Expenses

Income tax expense comprises current tax as per Income Tax Act, 1961 and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized only to the extent there is reasonable certainty that the asset can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of earning sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably / virtually certain, as the case may be, to be realized.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

CORPORATE MERCHANT BANKERS LIMITED**Significant accounting policies and notes to the consolidated accounts for the year ended on March 31, 2017****k Employee Benefits**

The Company's obligations towards various employee benefits have been recognized as follows:

Short-term employee benefits

All employee benefits payable within twelve months of rendering service are classified as short-term employee benefits. Benefits such as salaries, allowances, short-term compensated absences and the expected cost of other benefits is recognised in the period in which the employee renders the related service.

l Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of the equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

m Provisions

A provision is recognized when the Company has a present obligation as a result of past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

n Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

STANDALONE FINANCIAL STATEMENTS

INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF CORPORATE MERCHANT BANKERS LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **Corporate Merchant Bankers Limited** ("the Company") which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year ended on that date and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143 (11) of the Act.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical

requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, its Profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of sub-section (11) of section 143 of the Companies Act, 2015, we give in the "Annexure A" a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by section 143 (3) of the Act, we report that:
 - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

- (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement comply with the Accounting Standards notified specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of written representations received from the directors as on March 31, 2017, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017, from being appointed as a director in terms of sub-section (2) of section 164 of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigation which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure B to Independent Auditors' Report for the year ended March 31, 2017

(Referred to in Paragraph 2(f) under the Heading of "Report on Other Legal and Regulatory Requirements" of our Report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Corporate Merchant Bankers Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017 based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

CORPORATE MERCHANT BANKERS LIMITED**Significant accounting policies and notes to the accounts for the year ended on March 31, 2017****Corporate Information**

Corporate Merchant Bankers Limited ["CMBL"] was incorporated on August 26, 1994 as a public limited company under the provisions of Companies Act, 1956. CMBL is registered with the Reserve Bank of India as Non-Banking Financial Company [Non-Deposit taking]. CMBL is primarily engaged in the business of financial consultancy and investment activities.

1 Significant accounting policies**a Basis of preparation of financial statements**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

b Use of estimates

The preparation of financial statements in conformity with the generally accepted accounting principles ('GAAP') in India requires management to make estimates and assumptions that affect the reported amounts of income and expenses of the period, assets and liabilities and disclosures relating to contingent assets & contingent liabilities as of the date of the financial statements and the results of operations during the reporting period. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current & future periods.

c Fixed Assets**Tangible Assets**

Fixed assets are stated at the cost of acquisition including incidental costs related to acquisition and installation less accumulated depreciation. The actual cost capitalized includes material cost, freight, installation costs, duties and taxes, finance charges and other incidental expenses incurred during the construction / installation stage.

Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

d Depreciation /Amortization

Depreciation on tangible fixed assets is charged on Straight Line Method over their estimated useful lives as prescribed under Part C of Schedule II to the Companies Act, 2013. Depreciation is charged on a pro-rata basis for assets purchased/sold during the year. Intangible assets are amortized over the useful life of the underlying assets. Computer software being intangible assets are amortized based on estimated useful life of 10 years.

e Lease**Operating lease**

Lease where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight line basis over the lease term.

f Impairment of tangible and intangible assets

Impairment loss, if any, is provided to the extent, the carrying amount of assets exceeds their recoverable amount.

Recoverable amount is higher of an asset's net selling price, and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

CORPORATE MERCHANT BANKERS LIMITED**Significant accounting policies and notes to the accounts for the year ended on March 31, 2017****g Investments**

Trade investments are the investments made to enhance the company's business interests. Investments are either classified as long term or current investments, based on management's intention at the time of purchase. Long-term investments are stated at cost and provision is made to recognise any decline, other than temporary, determined separately for each investment. Current investments are stated at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investments.

h Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of Services : Revenue from services is recognised under the proportionate completion method provided the consideration is reliably determinable and no significant uncertainty exists regarding the collection of the consideration. The amount recognised of revenue is exclusive of service tax and is net of returns.

Interest : Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

Dividend : Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

i Foreign Currency Transactions

Initial Recognition : Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion: Foreign currency monetary items are reported using the closing rate. Non-monetary items, which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of transaction.

Exchange Differences: Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expense in the year in which they arise.

j Tax Expenses

Income tax expense comprises current tax as per Income Tax Act, 1961 and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized only to the extent there is reasonable certainty that the asset can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of earning sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably / virtually certain, as the case may be, to be realized.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

CORPORATE MERCHANT BANKERS LIMITED**Significant accounting policies and notes to the accounts for the year ended on March 31, 2017****k Employee Benefits**

The Company's obligations towards various employee benefits have been recognized as follows:

Short-term employee benefits

All employee benefits payable within twelve months of rendering service are classified as short-term employee benefits. Benefits such as salaries, allowances, short-term compensated absences and the expected cost of other benefits is recognised in the period in which the employee renders the related service.

l Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of the equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

m Provisions

A provision is recognized when the Company has a present obligation as a result of past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

n Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

I. INDUSTRY STRUCTURE AND DEVELOPMENT:

The year witnessed a highly dynamic situation of our Country; India must be consistent in regaining its position as a leading emerging market investment destination. This can only be possible if consistency and clarity continues in our policies.

Corporate Merchant Bankers Limited is an NBFC and is engaged mainly in the business of providing loans and advances to various Corporates. The main objective of the Company is to finance Industrial Enterprises by way of making loans and advances to industrial enterprises in India and to carry out all such activities as may be ancillary to the achievement of main objectives of the Company. The industry structure relevant to the Company's operations is mainly concerned with the capital market.

Indian economy is going through a period of rapid 'financial liberalization'. The NBFC sector is undergoing a significant transformation at present and has come to be recognized as an important element of the financial system. Today, the 'intermediation' is being conducted by a wide range of financial institutions through a plethora of customer friendly financial products. RBI has been setting right its regulatory and supervising policies from time to time to keep pace with the changes in the economic environment. The segment consisting of NBFCs, such as equipment leasing/hire purchase finance, providing loans and investment to other companies, etc. have made great strides in recent years and are meeting the diverse financial needs of the economy. They are being recognized as complementary to the banking sector due to their customer-oriented services, simplified procedures, attractive rates of return on deposits, flexibility and timeliness in meeting the credit needs of specified sector.

Your Company's performance for the year 2016- 17 has to be viewed in the context of aforesaid economic and market environment.

II. OPPORTUNITIES AND THREATS:

The sector uses the loans for various business activities ranging from the business of hire Purchase Company and to acquire, to provide on all type hire purchase basis of industrial and official plant, equipment machinery, vehicles, Agriculture, Handicrafts, Trading, Services, Shops, Livestock, and Production to others. As banks are unable to appraise the credit requirements of the micro and small businesses they are unable to extend credit facilities with collateral security. The banking system will not be able to meet this demand and a wide gap exists giving the Company an opportunity to grow in its financing of Small Business/ Industrial Loans. Major threat faced by Corporate Merchant Bankers Limited would be circumstances of not being able to raise funds for its future business operations.

III. SEGMENT-WISE PERFORMANCE:

The Company is engaged in a single segment i.e. finance/lending. Details of performance have been provided in this report.

IV. OUTLOOK:

Corporate Merchant Bankers Limited expects to improve its performance in financial year 2017-18 and hopes to grow at rate faster than the growth of bank credit. The approach would be to continue with the growth momentum while balancing risk. The Company will continue to invest in strengthening risk management practices; and in maintaining its investment in human resources to consolidate its position as a potentially big NBFC in India.

V. RISK MANAGEMENT:

Risk Management is an integral part of our Company's business strategy. A dedicated team is a part of the management processes governed by the senior management team. This team reviews compliance with risk policies, monitors risk tolerance limits, reviews and analyzes risk exposure related to specific issues and provides oversight of risk across the organization. The team nurtures a healthy and independent risk management function to avoid any kind of misappropriations in the Company. As part of the Risk Management framework, the management of Credit Risk, Market Risk, Operational Risk and Fraud Risk are placed under the Head – Risk. The Credit Risk management structure includes separate credit policies and procedures for various businesses. The risk policies define prudential limits, portfolio criteria, exceptional approval metrics, etc. and cover risk assessment for new product offerings. Concentration Risk is managed by analyzing counter-party, industry sector, geographical region, single borrower and borrower group. Retail Finance credit approval is based on product / programs and monitoring is primarily done at the portfolio level across products and programs. Casual analysis is carried out and corrective actions are implemented on key risk indicators. A Senior Management oversight committee meets periodically to review the operational risk profile of the organization. Fraud risks are mitigated through a fraud risk management team.

VI. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company's internal control system is designed to ensure operational efficiency, protection and conservation of resources, accuracy and promptness in financial reporting and compliance with laws and regulations. The internal control system is supported by an internal audit process for reviewing the adequacy and efficiency of the Company's internal controls, including its systems and processes and compliance with regulations and procedures. Internal Audit Reports are discussed with the Management and are reviewed by the Audit Committee of the Board which also reviews the adequacy and effectiveness of the internal controls in the Company. The Company's internal control system is commensurate with the size, nature and operations of the Company.

VII. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE.

The financial performance of the Company during the year under reference was reasonably good. For detailed information, please refer to Directors' Report, which forms part of this Annual Report.

VIII. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

We recognize people as our most valuable asset and we have built an open, transparent and meritocratic culture to nurture this asset. Talent Management is a key people planning tool that provides an integrated means of identifying, selecting, developing and retaining top talent within our Organization. Attrition has been managed well and has been below industry benchmarks. Corporate Merchant Bankers Limited has kept a sharp focus on Employee Engagement. We follow 360 degree feedback to ensure the satisfaction of our people. We have a strong system of grievance handling too. No concern of our people goes without addressing. We strive for excellence by thriving on Corporate Merchant Bankers Limited's positivity. As on March 31, 2017, total number of employee on the pay roll of the Company is three (3).
