OVERVIEW OF ECONOMY

The lingering impact of demonetization and a statistical base effect caused growth to plunge in the final quarter of FY 2017. A deceleration was seen across almost all components of GDP, with investment being a particular weak spot and contracting for the first time in two years as the stressed banking sector hurt activity. Early data for FY 2017 points to lackluster momentum: industrial production growth lost steam in April and the PMIs pointed in different directions in May. However, household consumption is on the mend as the impact of demonetization fades and a healthy monsoon is seen supporting rural spending. On the political front, despite speculation that the overhaul could be delayed, the sweeping GST reform appears set to be rolled out on 1 July, simplifying India's array of indirect taxes to four rates - 5%, 12%, 18% and 28%. While the reform is seen largely as positive in the long-run, it is uncertain if many firms in the country are prepared for the transition and the implementation could disrupt activity temporarily.

OVERALL PERFORMANCE & OUTLOOK

Gross Revenue from operations for the year stood at Rs 284.32 lakh in comparison to last year revenue of Rs 364.85 lakh. PBT Margin for the year stood at Rs (0.11) lakh in comparison to last years' profit of Rs 5.37 lakh whereas Profit after Tax and Extra-Ordinary items stood at Rs 0.25 lakh in comparison to last years' figure of Rs 3.97 lakh.

The Company is into the business of trading in textile products, investments in shares & securities and deploying its surplus fund in to treasury operations.

The business of the Company has shown slowing growth due to impact of reducing demand and lower interest rates. The Company has registered low revenue earnings in both the segments during

the year under review.

In regard to the capital market activities, high volatility and lack of retail participation as well as tightening norms for market participation have broadly affected the activities of the Company.

DIVIDEND AND RESERVES

Due to significant fall in profit margin and with a view to conserve resources to face future challenges, your Directors do not recommends any dividend for the year under review.

During the year under review, sum of Rs Nil were transferred to Special (General) Reserves.

SHARE CAPITAL

The paid up Equity Share Capital as on March 31, 2017 was Rs 1328.4474 lakh. During the year under review, the Company has not issued shares with differential voting rights nor granted stock options nor sweat equity. As on March 31, 2017, none of the Directors of the Company hold shares or convertible instruments of the Company.

FINANCE AND ACCOUNTS

Your Company prepares its financial statements in compliance with the requirements the Companies Act, 2013 and the Generally Accepted Accounting Principles (GAAP) in India. The financial statements have been prepared on historical cost basis. The estimates and judgments relating to the financial statements are made on a prudent basis, so as to reflect in a true and fair manner, the form and substance of transactions and reasonably present the Company's state of affairs, profits/(loss) and cash flows for the year ended 31st March 2017.

The Company continues to focus on judicious management of its working capital. Receivables, inventories and other working capital parameters were kept under strict check through continuous monitoring.

There is no audit qualification in the standalone financial statements by the statutory auditors for the year under review.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

Details of Loans, Guarantees and Investments, if any, covered under the provisions of Section 186 of the Companies Act, 2013 are given in the notes to the Financial Statements.

MANAGEMENT DISCUSSIONS & ANALYSIS

MACRO ECONOMIC ENVIRONMENT

The Indian Economy has sustained a macro-economic environment of relatively lower inflation, fiscal discipline and moderate current account deficit coupled with broadly stable rupee-dollar exchange rate. The Economic Survey 2016-17 presented in the Parliament by the Union Finance Minister Arun Jaitley states that such a sustenance is despite continuing global sluggishness. It says :

As per the advance estimates released by the Central Statistics Office, the growth rate of GDP at constant market prices for the year 2016-17 is placed at 7.1%, as against 7.6% in 2015-16. This estimate is based mainly on information for the first seven to eight months of the financial year. Government final consumption expenditure is the major driver of GDP growth in the current year.

For 2017-18, it is expected that the growth would return to normal as the new currency notes in required quantities come back into circulation and as follow-up actions to demonetisation are taken. On balance, there is a likelihood that Indian economy may recover back to 6 ¾% to 7 ½% in 2017-18.

REVIEW OF OPERATIONS

Gross Revenue from operations for the year stood at Rs 284.32 lakh in comparison to last year revenue of Rs 364.85 lakh. PBT Margin for the year stood at Rs (0.11) lakh in comparison to last years' profit of Rs 5.37 lakh whereas Profit after Tax and Extra-Ordinary items stood at Rs 0.25 lakh in comparison to last years' figure of Rs 3.97 lakh.

In term of Segment wise performance, your Company has registered gross revenue of Rs 160.08 lakh from textile segment and gross revenue of Rs 117.31 lakh from investment & financial services activities and Rs 6.94 lakh from other activities. In term of Net Profit (PBT) for the year, the Company has earned a profit of Rs 1.15 lakh from textile segment, incurred a loss of Rs 8.20 lakh from investment & financing activities and earned a profit of Rs 6.94 lakh from other activities.

BUSINESS SEGMENT

During the year, the Company was operating into following Business segments -

- Trading of Grey & Synthetic Fabric
- Trading / Investment in Shares & Securities
- Deploying surplus funds into Treasury Operations

OPPORTUNITIES

Textile Industry

The Indian textile sector considers the Union Budget 2017-18 to be growth oriented as it will enable the manufacturing sectors to grow at a faster rate. The budget's focus on areas like infrastructure development and youth skills development, and tax reduction for MSME industrial units will boost the local economy and create additional jobs.

"The main demand of the association of continuing the existing tax structure including the service tax and optional Cenvat route extended for textile industry till the GST is implemented has been considered in the budget," said M Senthilkumar, chairman, The Southern India Mills' Association (SIMA).

"The budget's strong focus on human development and youth skills development will directly improve the manufacturing sector," said BK Goenka, Chairman, Welspun Group.

Financing & Capital Market activities

The country's financial services sector consists of the capital markets, insurance sector and non-banking financial companies (NBFCs). India's gross domestic savings (GDS) as a percentage of Gross Domestic Product (GDP) has remained above 30 per cent since 2004. It is projected that national savings in India will reach US\$ 1,272 billion by 2019. Over 95 per cent of household savings in India are invested in bank deposits and only 5 per cent in other financial asset classes.

The asset management industry in India is among the fastest growing in the world. Corporate investors accounted for around 45.9 per cent of total AUM in India, while High Net-worth Individuals (HNWI) and retail investors account for 28.6 per cent and 22.9 per cent, respectively. In the Asia-Pacific, India is among the top five countries in terms of HNWI's

India's equity market turnover has increased significantly in recent years. The annual turnover value in the National Stock Exchange (NSE) witnessed a CAGR of 20.7 per cent between FY96 and FY15 to reach US\$ 718 billion. During the month of October 2016, the mutual fund equity schemes attracted a net inflow of US\$ 1.40 billion

The Government of India has taken various steps to deepen the reforms in the capital markets, including simplification of the Initial Public Offer (IPO) process which allows qualified foreign investors (QFIs) to access the Indian bond markets.

THREATS & CONCERNS

Textile Segment

The Goods and Service Tax (GST) will bring a paradigm shift in indirect taxation regime thereby auguring an era where transparency in tax compliance will lead to the improved revenue to the Exchequer leading to overall growth of the economy. Indian textile Industry the second largest industrial sector after Agriculture in terms of employment generation and is a priority sector identified by our Hon'ble Prime Minister since textile industry plays a very important role in the development of Indian economy with respect to GDP. On one side its organized sector consists of large scale Fibre Yarns. In apparel and garment manufacturers which implement modern state of art machinery and techniques on the other side its unorganized or decentralized sector representing about 76% of textile production consists of smaller units. Apart from this hundreds of thousands of textile traders spread across the country. To bring this gigantic number of units made up of production units and traders into making them tax compliant is a mammoth task. In case it is not successful it could prove to be detrimental to the organized sector which has invested huge amounts of money and could bring additional flow of investment to a halt. It may be recalled that the textile industry which was flourishing till 1980s was brought to its knees by the unorganized sector which is due to the nature of small composition of units. They do not come under the ambit of labour laws like Provide Fund and Employees State Insurance Schemes meant for the benefit of the employees and also evade taxes. As a result hundreds of composite mills closed down in 1980s as most of the unorganized sector was concentrated in power loom and fabric finishing sector who by their very nature of being small in size could get away without being tax compliant. Another big challenge is the long-value chain of the textile industry of which about 90% is in the unorganized sector. This could prove to be the biggest challenge as most of the small weaving units may have a turnover below the threshold limit and there is a serious possibility of the VAT chain being broken. The absence of fibre-neutrality in India is also posing a threat to Indian synthetic textile industry.

Financing & Capital Market Segment

One of the daunting challenges before the Indian capital markets is expanding the investor base and provides them access to high quality financial services. With a population of more than a billion, a mere 1% of the population participates in capital markets, and of that only a fraction is active. Trading volumes in Indian Capital Markets are lower as compared to other markets such as United States, the United Kingdom, Germany, China etc.

Similarly, Indian households invest much less in equity markets than do their developed market counterparts, particularly in the United States and the United Kingdom. As a result, retail equity ownership (non-promoter) amounts to only around 10 percent of total equity ownership, and has come down by 3 per cent over the last seven years. While corporates see markets to raise low cost risk capital, investors see liquid secondary markets for exit options. The regulated markets have grown significantly, but the markets need greater depth and liquidity.

Another challenge faced by the investors is the costs involved in trading (brokerage, commission, taxes etc.), which are comparatively higher in India than in developed markets. The investor participation is fairly shallow considering the size of the economy

HUMAN RESOURCES

The Company recognizes that its success is deeply embedded in the success of its human capital. During 2016-2017, the Company continued to strengthen its HR processes in line with its objective of creating an inspired workforce. The employee engagement initiatives included placing greater emphasis on learning and development, launching leadership development programme, introducing internal communication, providing opportunities to staff to seek inspirational roles through internal job postings, streamlining the Performance Management System, making the compensation structure more competitive and streamlining the performance-link rewards and incentives.

CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

The provision of the Section 135 and Schedule VII of the Companies Act, 2013 as well as the provisions of the Companies (Corporate Social Responsibility Policy) Rules, 2014 effective from April 1, 2014 relating to CSR Initiatives are not applicable to the Company.

COMPLIANCE

The Compliance function of the Company is responsible for independently ensuring that operating and business units comply with regulatory and internal guidelines. The Compliance Department of the Company is continued to play a pivotal role in ensuring implementation of compliance functions in accordance with the directives issued by regulators, the Company's Board of Directors and the Company's Compliance Policy. The Audit Committee of the Board reviews the performance of the Compliance Department and the status of compliance with regulatory/internal guidelines on a periodic basis.

The Company has complied with all requirements of regulatory authorities. No penalties/strictures were imposed on the Company by stock exchanges or SEBI or any statutory authority on any matter related to capital market during the last three years.

q. Dematerialization of Shares & Liquidity

The Company's Equity Shares are in Demat trading segment and the Company had established connectivity with both NSDL & CDSL by signing the necessary agreements.

Procedures for dematerialization / rematerialization of Equity Shares:-

Shareholders seeking demat / remat of their shares need to approach their Depository Participants (DP) with whom they maintain a demat account. The DP will generate an electronic request and will send the physical share certificates to Registrar and Share Transfer Agents of the Company. Upon receipt of the request and share certificates, the Registrar will verify the same. Upon verification, the Registrar will request NSDL/CDSL to confirm the demat request. The demat account of the respective share holder will be credited with equivalent number of shares. In case of rejection of the request, the same shall be communicated to the shareholder.

In case of remat, upon receipt of the request from the shareholder, the DP generates a request

and verification of the same is done by the Registrar. The Registrar then requests NSDL or CDSL to confirm the same. Approval of the Company is being sought and equivalent numbers of shares are issued in physical form to the shareholder. The share certificates are dispatched within 15 days from the date of issue of Shares.

The Shares of Company are traded on BSE, MSEIL & CSE. 91.04% of the Company's Equity Share Capital held under Public category has been dematerialized up to 31st March 2017.

r. Nomination

Individual Shareholders holding shares singly or jointly in physical form can nominate a person in whose name the shares shall be transferable in case of death of the registered shareholder(s). Nomination facility in respect of shares held in electronic form is also available with the depository participants as per the bye-laws and business rules applicable to NSDL and CDSL. Nomination form SH-13 ([Pursuant to section 72 of the Companies Act, 2013 and rule 19(1) of the Companies (Share Capital and Debentures) Rules 2014] can be obtained from the Company's Registrar and Share Transfer Agent. It is also available on Public domain.

s. Electronic Clearing Service

The Securities and Exchange Board of India (SEBI) has made it mandatory for all companies to use the bank account details furnished by the Depositories for depositing dividends. Dividend will be credited to the Members' bank account through NECS wherever complete core banking details are available with the Company. In case where the core banking details are not available, dividend warrants will be issued to the Members with bank details printed thereon as available in the Company's records. INDEPENDENT AUDITORS' REPORT

To
The Members of Khoobsurat Limited

Report on the Financial Statements

We have audited the accompanying financial statements of M/s. Khoobsurat Limited, which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements to give a true and fair view of the financial position, financial performance and the cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act and the Rules made thereunder, including the accounting standards and matters which are required to be included in the audit report.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 2(f) of the Independent Auditors' Report of even date to the members of Khoobsurat Limited on the financial statements for the year ended March 31, 2017

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of Khoobsurat Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes on Financial Statements for the Period ended 31st March 2017

(All amounts in Rs, except share data and unless otherwise stated)

Note 1**Company Information & Accounting Policies****Company Information**

The company is incorporated on 17th April, 1982 at Calcutta, West Bengal, India. It is a Public limited company by its shares. The company operates in Textiles. The activities of the company include trading in textiles, investing in shares & other securities and other related activities.

Accounting Policies**Basis of Preparation of Financial Statements**

These financial statements have been prepared to comply in all material aspects with Generally Accepted Accounting Principles in India (Indian GAAP), the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and other accounting principles generally accepted in India, to the extent applicable.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

Use of Estimates

The preparation of the financial statements in conformity with the generally accepted principles requires the management to make estimates and assumptions that effect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent assets and liabilities. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from that estimates and assumptions used in preparing the accompanying financial statements. Any differences of actual results to such estimates are recognized in the period in which the results are known / materialized.

Cash Flow Statement

Cash flow statement has been prepared in accordance with the "indirect method" as explained in the AS-3 issued by the Institute of Chartered Accountants of India.

Fixed Assets & Depreciation Tangible Assets

Tangible assets are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditures related to an item of tangible asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Items of fixed assets that have been retired from active use and are held for disposal are stated at the lower of their book value or net realisable value and are shown separately in the financial statements under Other Current Assets. Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the profit and loss account.

"Depreciation is provided on a pro-rata basis on the Written Down Value Method at the rates prescribed under Schedule II to the Companies Act, 2013 with the exception of the following:- assets costing Rs.

5,000 or less are fully depreciated in the year of purchase."

Intangible Assets & Amortisation

Intangibles assets are stated at cost less accumulated amortisation. These are being amortised over the estimated useful life, as determined by the management. Leasehold land is amortised over the primary period of the lease.

Revenue Recognition

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized.

- a) Income is recognized on accrual basis as sale takes place.

Other Income Recognition

"Interest on investments is booked on a time proportion basis taking into account the amounts invested and the rate of interest." "Dividend income on investments is accounted for when the right to receive the payment is established."

Purchase

Purchase is recognized on passing of ownership.

Expenditure

Expenses are accounted for on accrual basis and provision is made for all known losses and liabilities.

Investments

"Current investments are stated at the lower of cost and fair value. Long-term investments are stated at cost. A provision for diminution is made to recognise a decline, other than temporary, in the value of long-term investments. Investments are classified into current and long-term investments." "Investments that are readily realisable and are intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non current investments."

Cash & Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into cash and have original maturities of three months or less from the date of purchase, to be cash equivalents.

Impairment of Assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there is a change in the estimated recoverable value.

Taxation

Provision for current Income Tax is made on the taxable income using the applicable tax rates and tax laws. Deferred tax assets or liabilities arising on account of timing differences between book and tax profits, which are capable of reversal in one or more subsequent years is recognized using tax rate and tax laws that have been enacted or subsequently enacted. Deferred tax asset in respect of unabsorbed depreciation and carry forward losses are not recognized unless there is sufficient assurance that there will be sufficient future taxable income available to realize such

losses.

Earnings per Share

"Basic earning per share is calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period." "The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares."

Stock in Trade

"Stocks are valued at cost or market value, whichever is lower. The comparison of Cost and Market value is done separately for each category of stock."

Contingent Liabilities & Provisions

"A provision is recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made. Provision is not discounted to its present value and is determined based on the best estimate required to settle the obligation at the year end date." "These are reviewed at each year end date and adjusted to reflect the best current estimate." "Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made."

Other Notes and Additional Information forming part of Financial Statements

- i) In the opinion of the management, current assets, loans and advances and other receivables have realizable value of at least the amounts at which they are stated in the accounts
