Jaspreet Arora an Independent Director of the Company was appointed at the Annual General Meeting of the Company held on 30th September, 2014, to hold office for five consecutive years for a term up to March 31, 2019. Sub-section (11) of Section 149 of the Act provides that Independent Directors shall not hold office for more than two consecutive terms. The Board of Directors of the Company and the Nomination and Remuneration Committee have evaluated the performance of the Independent Directors and on the basis of the said evaluations have concluded that the Independent Directors fulfill their responsibilities towards the Company in a professional and ethical manner, actively participate in discussions during the Board and Committee meetings and act objectively and constructively while bringing an independent opinion during deliberations at the said meetings. It is now proposed that the Independent Directors of the Company be appointed for a second term of five consecutive years, commencing from April 1, 2019 up to March 31, 2024.

Smt. Jaspreet Arora is not disqualified from being appointed as Directors in terms of Section 164 of the Act and have given her consent to act as Director. The Company has also received declarations from the above Director that she meets with the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (‘Listing Regulations’).

The Company has also received separate notices in writing from a member, proposing the candidature of each of the aforementioned Director for the office of Director of the Company.

In the opinion of the Board, she also fulfill the conditions for her reappointment as Independent Directors as specified in the Act and the Listing Regulations. She is independent of the management. No other director or Key managerial personnel or their relatives is interested or concerned in the proposed special resolution no. 1 referred to above.

Details of the Director as required to be provided pursuant to Regulation 36(3) of the Listing Regulations and SS – 2 (Secretarial Standards on General Meetings) are provided as an Annexure to this Notice.

Item No. 2

Special Resolution

The Board of Directors of the Company, pursuant to the provisions of section 196, 197 and 203 read with Part II of Schedule V and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) or any re-enactment(s) thereof, for the time being in force appointed Shri A. K. Sureka (DIN:00060206) as the Managing Director of the Company w.e.f. 1st July, 2018 who would be liable to retire by rotation on the same remuneration for a fresh term of One year. **Shri A. K. Sureka** was appointed as the Managing Director w.e.f. 01st July, 2013 on the terms and remuneration approved by the members in their 43rd Annual General Meeting for a period of Five years.

Nature of expertise in specific functional area- Shri A.K. Sureka has over 20 years of rich experience in Steel Industry & Finance apart from excellence in overall management and joined the Board as promoter director wef. 01st August, 2005.

The Board of Directors considers that that in view of the background and experience of Shri A.K. Sureka it would be in the interest of the Company to appoint him as the Managing Director of the Company.

The Board therefore, recommends the Resolution under reference for the approval of shareholders.

Except Shri A.K. Sureka and Shri V.K. Sureka, being his father, no other director or Key managerial personnel or their relatives is interested or concerned in the proposed special resolution no. 2 referred to above.

Details of the Directors as required to be provided pursuant to Regulation 36(3) of the Listing Regulations and SS – 2 (Secretarial Standards on General Meetings) are provided as an Annexure to this Notice.

Item No. 3

Special Resolution

The Board of Directors of the Company, pursuant to the provisions of section 196,197 and 203 read with Part II of Schedule V and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) or any re-enactment(s) thereof, for the time being in force appointed Shri O.P. Bhardwaj (DIN:00060405) as Director (Commercial) of the Company w.e.f. 1st July, 2018 who would be liable to retire by rotation on the revised remuneration for a fresh term of two year. Shri O.P. Bhardwaj was appointed as the Director (Commercial) w.e.f. 01st July, 2013 on the terms and remuneration approved by the members in their 43rd Annual General Meeting for a period of Five years.

Nature of expertise in specific functional area- Shri O.P. Bhardwaj has over 37 years of rich experience in Pipe Industry & Finance apart from excellence in overall management and joined the Board as director wef. 01st December, 2003.

The Board of Directors considers that that in view of the background and experience of Shri O.P. Bhardwaj it would be in the interest of the Company to appoint him as Director (Commercial) of the Company.

The Board therefore, recommends the Resolution under reference for the approval of shareholders.

No other director or Key managerial personnel or their relatives is interested or concerned in the proposed special resolution no. 3 referred to above.

Details of the Directors as required to be provided pursuant to Regulation 36(3) of the Listing Regulations and SS – 2 (Secretarial Standards on General Meetings) are provided as an Annexure to this Notice.

Item No. 4

Special Resolution

Section 180 (1) (a) of the Companies Act, 2013 provides that the Board / Committee of directors of a Public Company shall not, except with the consent of the Company in the General Meeting sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company or where the Company owns more than one undertaking, of the whole or substantially the whole of any of such undertakings. The strategy of the Company is to grow business and growth in business requires funds/finance. In order to increase funds/finance, the Company would resort to borrowings from time to time for the purpose of its business by way of different types of loans, Debentures, Bonds, Securities, Deposits, financial assistance from various financial/investment institution(s), bank(s), insurance Company(ies), Corporate Body(ies), Mutual Fund(s), funds, Trustee(s), Trusts and other persons / investors apart from working Capital facilities from Banks in the ordinary course of business.

This would require securities to be given to the lenders, on the assets, properties of the Company by creating mortgage, pledge, hypothecation, lien, charge of any nature or otherwise of the Company's assets and properties of the Company as the case may be. This in turn necessitates the enhanced creation of security by suitable modes of charges on all or some of the movable and/or immovable properties of the Company, both present and future in favour of the lenders. The proposed resolution set out in this Notice seeks to authorise the Board/Committee of directors to mortgage and/or charge the assets and/or properties of the Company to secure loans, debentures, securities, bonds, financial assistance, credit facilities obtained/to be obtained, from lenders, upto Rs. 400 Crores (Rupees Four Hundred Crores).

The Board recommends the passing of the resolution set out in this Notice as a Special Resolution by the share holders of the Company. None of the Directors, Key Managerial Personnel of the Company and their relatives thereof are interested or concerned financial or otherwise in the resolution set out in this Notice except to the extent of their holding in Securities of the Company.

As per Companies Amendment Act, 2017 Proviso to Section 110(1) has been inserted. Now that any item of business required to be transacted by means of postal ballot under clause (a), may be transacted at a general meeting by a company which is required to provide the facility to members to vote by electronic means under section 108 in the manner provided in that section

Item No. 5
Ordinary Resolution

In the light of provisions of the Companies Act, 2013, the Board of Directors of your company seeks to obtain overall consent of the shareholder with monetary annual limits that the Board of Directors may enter into with its Related Parties (as defined under the Companies Act, 2013) from time to time for the financial year 2018-19 and beyond depending upon the business exigencies as it would be in compliance of and consistent with the requirement of obtaining prior approvals of the shareholders for each and every Related Party transactions.

All prescribed disclosures as required to be given under the provisions of Companies Act, 2013 and the Companies (Meeting of the Board and the Powers) Rules, 2014 are given in Resolution no. 09 under Special Business of the Notice in the tabular format for the kind perusal of the members.

Members are hereby informed that pursuant to the second proviso of section 188(1) of Companies Act, 2013, no member of the company shall vote on such Ordinary resolution to approve any contract or arrangement which may be entered into by the company, if such member is a related party.

The Board of Directors of your company has approved this item in the Board Meeting held on 05th September, 2018 and recommends the Resolution as set out in the Notice for the approval of members of the Company as an Ordinary Resolution.

Except Promoter Directors and Key Managerial Personnel of the Company and their relatives, no other Director is concerned or interested in the Resolution.

Item No.- 6
Ordinary Resolution

The Board, on the recommendation of the Audit Committee, has approved the appointment and remuneration of the Cost Auditors to conduct the audit of the cost records of the Company for the financial year ending March 31, 2019 as per the following details:

Sl.No.	Name of the Cost Auditor	Industry	Amount of Fee
1	M/s Nisha Vats & Co.	Steel	Rs. 25000

In accordance with the provisions of Section 148 of the Act, read with the Companies (Audit and Auditors) Rule, 2014, the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution set out at Item No. 6 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending March 31, 2019.

None of the Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at item No. 6 of the Notice.

3. Shri. Dhiraj Arora (Non-Executive Independent Director): Member

During the year 2017-2018, Stakeholders Committee met twice and provided status updates to the Board of directors of the company.

VIGIL MECHANISM / WHISTLE BLOWER POLICY

Your directors have established a Vigil (Whistle Blower) Mechanism and formulated a Policy in order to provide a framework for responsible and secure whistle blowing/vigil mechanism. The Vigil (Whistle Blower) Mechanism aims to provide a channel to the Directors and employees to report genuine concerns about unethical behavior, actual or suspected fraud or violation of the codes of conduct or ethic policy. This mechanism also provides for adequate safeguards against victimization of Directors and employees who avail of the mechanism and also provide for direct access to the Chairman of the Audit Committee in exceptional cases.

During the year 2017-2018, no such report were made to the Chairman of Audit Committee.

PREVENTION OF SEXUAL HARASSMENT POLICY

The Company has in place a Prevention of Sexual Harassment policy in line with the requirements of the Sexual Harassment of Women at the Workplace (Prevention, Prohibition and Redressal) Act, 2013. An Internal Complaints Committee has been set up to redress complaints received regarding sexual harassment. All employees are covered under this policy.

During the year 2017-2018, no complaints were received by the Company related to sexual harassment and hence no complaint is pending as on 31.03.2018 for redressal.

MATERIAL CHANGES AND COMMITMENTS

Company continued developing housing project on separate land through partnership firm in which company has 99% profit/loss sharing. The Company has temporarily suspended activities of development of its land at Faridabad and same will be taken up in the near future.

Company has also undertaken trading in special equipments apart from trading and fabrication activities.

CHANGE IN THE NATURE OF BUSINESS, IF ANY

There is no change in the nature of business of your Company during the year under review.

INTERNAL FINANCIAL CONTROLS

The Company has identified all key internal financial controls, which impacts the financial statements, as part of Standard Operating Procedures (SOPs). The SOPs are designed for all critical processes across all plants, warehouses and offices wherein financial transactions are undertaken. The SOPs cover the standard processes, risks, key controls and each process is identified to a process owner. The financial controls are tested for operating effectiveness through management ongoing monitoring and review process and independently by the Internal Audit. In our view the Internal Financial Controls, effecting the financial statements are adequate and are operating effectively.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has a proper and adequate internal control system to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and those transactions are authorised, recorded and reported correctly. The audit observations and corrective action taken thereon are periodically reviewed by the audit committee to ensure effectiveness of the internal control system. The internal control is designed to ensure that the financial and other records are reliable for preparing financial statements and other data, and for maintaining accountability of persons. Apart from the above the company has engaged M/s. Sharad Jain & Co., Chartered Accountants (FRN 019054N) New Delhi to conduct Internal Audit during the year 2018-19.

RISK & CONCERNS

At JST, all key functions and divisions are independently responsible to monitor risk associated within their respective areas of operations such as marketing, trading, finance, purchase, legal and other issues like health, safety and environment.

Steel is a globally traded commodity and its price are subject to international market forces of demand and supply and other factors that influence price volatility. Manufacturing of M.S and TMT Bar and Trading in other steel products presently constituting the major proportion of JST's revenue, changes in domestic as well as global prices will have an impact on the company's performance.

Your company has identified the following risks with possible impact on the company and the mitigation plans of the company:

Key Risk	Impact on the Company	Mitigation Plans
Commodity Price/availability Risk	Risk of price fluctuation on the basic material like HR Coils, MS Bar, Steel & Tubes etc.	Any volatility in the prices or disruption in availability of these materials can impact the profitability of the Company. However, JST has strong relationships with the raw material suppliers and availability of optimum level of raw material.
Interest Rate-risk.	Any increase in interest rate can affect the finance cost.	Dependence on debt is minimum and we have sufficient funds with Banks to settle the entire debt in case need arises.
Compliance risk.	Any default can attract heavy penal provisions.	By regularly monitoring and reviewing of changes in the regulatory framework and timely compliance thereof.

AUDITORS

Pursuant to the provisions of section 139 of the Companies Act, 2013, the members at the 37th Annual General Meeting of the Company held on 07th September 2017 appointed M/s. HUMS & Associates, Chartered Accountants Delhi with firm registration no. 022230N as the Statutory Auditors of the Company from the conclusion of 47th Annual General Meeting till the conclusion of 52nd Annual General Meeting, covering one term of five consecutive years on a remuneration as may be mutually agreed upon between Shri A.K. Sureka Managing Director and the aforesaid Auditors, subject to ratification by the members at each intervening Annual General Meeting. In view of the amendment to the said section 139 through the Companies (Amendment) Act, 2017 notified on 7 May 2018, ratification of auditors' appointment is no longer required.

The statutory audit report for the year 2017-18 does not contain any qualification, reservation or adverse remark or disclaimer made by statutory auditor.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31st MARCH 2018
[Pursuant to section 204(1) of the Companies Act, 2013 and rule
No.9 of the Companies (Appointment and Remuneration Personnel)
Rules, 2014]

To,
The Members,
M/S Jotindra Steel & Tubes Limited
14/3, Mathura Road,
Faridabad-121 004
(Haryana)

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s Jotindra Steel & Tubes Limited (CIN: L27104HR1970PLC005240) (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the company M/s Jotindra Steel & Tubes Limited's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

INDEPENDENT AUDITOR'S REPORT

To The Members of Jotindra Steel and Tubes Limited

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying Standalone Ind AS financial statements of **JOTINDRA STEEL AND TUBES LIMITED**, which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the 'Standalone Ind AS financial statements').

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, we consider internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its Profit and its cash flow for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- I. As required by the Companies (Auditor's Report) Order, 2017 ("the Order"), issued by the Central Government of India in terms of sub-section(11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- II. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

ANNEXURE `B' TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")

(Referred to Paragraph 2(f) of Report on Other Legal and Regulatory Requirements of our Report of even date)

We have audited the internal financial controls over financial reporting of **JOTINDRA STEEL AND TUBES LIMITED** as of 31 March 2017 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that **(1)** pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; **(2)** provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and **(3)** provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

37 Gratuity and other post employment benefit plans

(a) Defined benefit plan

(i) Gratuity

The Company has a defined benefit for gratuity. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The Company provides for the liability in its books of accounts based on the actuarial valuation.

The following tables summarize the components of net benefit expense recognized in the statement of profit and loss and the funded status and amounts recognized in the balance sheet for the respective plans.

The principal assumptions used in determining gratuity benefit obligations for the Company's plan are shown below:

	March 31, 2018	March 31, 2017	April 1, 2016
Discount rate	7.75%	7.50%	8.00%
Increase in compensation cost	5.00%	5.00%	5.00%
Attrition rate	2.00%	2.00%	2.00%

The estimates of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Changes in the present value of the defined benefit obligation are as

	March 31, 2018	March 31, 2017	April 1, 2016

40 Joint venture project

Company has entered into a collaboration agreement for development of company's land and adjoining land belonging to director of the company and has applied for grant of license for development of affordable group housing on that land. The cost incurred has been kept as Construction Work in Progress.

41 Operating segments

The management reviews the performance of their products line-up. However all the products are similar in nature. Thus, the management has considered aggregating all the products as one reportable operating segment. Accordingly, the figures appearing in these financial statements relate to the single operating segment.

The company operates in India and therefore caters to the needs of the domestic market. Therefore, there is only one geographical segment and hence, geographical segment information is not required to be disclosed.

42 Capital management

For the purpose of the Company's capital management, capital includes issued equity share capital and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value of the Company.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's policy is to keep the gearing ratio less than 55%. The Company includes within net debt, interest bearing loans and borrowings less cash and cash equivalents.

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Borrowings	1,37,24,94,643	1,47,19,14,531	48,26,68,596
Current maturities of long term debt	7,73,44,469	9,59,87,738	4,67,35,286
Trade payables	77,39,77,480	71,93,41,548	91,22,32,623
Interest payable	4,67,410	6,43,325	5,63,318
Less: Cash and cash equivalents	42,75,340	29,79,608	5,68,15,391
Net debt (A)	2,22,00,08,662	2,28,49,07,534	1,38,53,84,431
Total equity (including other equity)	2,26,06,81,347	2,22,03,72,215	2,18,93,33,150
Capital and net debt (B)	4,48,06,90,010	4,50,52,79,749	3,57,47,17,581
Gearing ratio [(A)/(B)]	50%	51%	39%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2018 and March 31, 2017.

The management assessed that cash and cash equivalents, trade receivables, security deposits, loans to related parties and others, trade and other payables and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

Security deposits- The security deposits have been fair valued based by applying DCF method using a discount rate representative of the Company's current rate of borrowings. They are classified as level 2 fair value in the fair value hierarchy due to the inclusion of unobservable inputs, including counterparty credit risk.

Fixed rate borrowings - The carrying value and fair value of fixed rate borrowings has been considered the same since the loans are for shorter period and interest rate approximates its fair value.

Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

Specific valuation techniques used to value financial instruments include:

- (i) the use of quoted market prices or dealer quotes for similar instruments
- (ii) the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities.

Financial risk management objectives and policies

The Company's financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include security deposits, trade receivables, and cash and cash equivalents and other financial assets that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's management oversees the management of these risks. The Company's management reviews and agrees policies for managing each of these risks, which are summarised below.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. The financial instruments affected by market risk are its term loans from banks and financial institutions, foreign currency exposures and investments in mutual funds.

The sensitivity analysis in the following sections relate to the position as at March 31, 2018 and March 31, 2017.

The sensitivity analysis have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt are constant. The analysis exclude the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations.

Assumptions made in calculating the sensitivity analysis - The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial liabilities held at March 31, 2018 and March 31, 2017.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's primarily has fixed interest rate loans, hence its exposure to the risk of changes in market interest rates shall not be material.

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities. However the Company does not deal in foreign currency, hence the exposure is limited.

Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks, security deposits and other financial instruments.

Trade Receivables

Customer credit risk is managed by each unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored for any expected default in repayment.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in the financial statements. The Company does not hold collateral as security.

Financial instruments and cash deposits

Credit risk from balances with banks is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

The Company's maximum exposure to credit risk for the components of the balance sheet at March 31, 2017 and March 31, 2016 is the carrying amounts as illustrated in financial statements

Liquidity risk

Liquidity risks are managed by the Corporate Treasury. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans and equity shares. The Company attempts to ensure that there is a balance between the timing of outflow and inflow of funds. The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low since Company has access to a sufficient variety of sources of funding.

The Company is not subject to any restrictions on the use of its capital that could significantly impact its operations. In light of these facilities, the Company is not exposed to any liquidity risk.

47 Transition to Ind AS:

First time adoption of Ind AS

These financial statements, for the year ended March 31, 2018, are the first the Company has prepared in accordance with Ind AS. For periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on March 31, 2018, together with the comparative period data as at and for the year ended March 31, 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at April 1, 2016, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at April 1, 2016 and the financial statements as at and for the year ended March 31, 2017.

Exemptions applied by the Company

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has applied the following exemptions:

(i) Property, plant and equipment

Since there is no change in the Company's functional currency on the date of transition to Ind ASs, it has elected to continue with the previous Gaap carrying value for all of its property, plant and equipment (including Capital work in progress), as recognised in the financial statements as at the date of transition to Ind ASs, as its deemed cost on the date of transition.

(ii) Assets classified as held for sale

The Company holds certain assets which are held for sale as on the transition date, hence the Company has classified such assets under held for sale and elected to show them at their fair value less cost to sell as on the transition date, which is lower than the assets carrying value. The loss has been recognised in retained earnings as on the transition date.

(iii) Estimates

The estimates at April 1, 2016, March 31, 2017 and at March 31, 2018 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustments to reflect any differences in accounting policies) apart from the following items where application of Indian GAAP did not require estimation:

(a) Impairment of financial assets based on expected credit loss model

The estimates used by the Company to present these amounts is in accordance with Ind AS reflect conditions at April 1, 2016, the date of transition to Ind AS, March 31, 2017 and as of March 31, 2018.

a Security deposits paid

Under Indian GAAP, the security deposits paid for operating lease are shown at the transaction value whereas under Ind AS, the same are initially fair valued and subsequently recorded at amortized cost at the end of every financial reporting period. The difference between the transaction and fair value is recognized as deferred rent and is amortized over the period of the lease term (along with current and non-current classification). Further, interest is accrued on the fair value of the security deposits. As a result, security deposits are decreased by INR 388,687 (April 1, 2016 - INR 507,859). and other income has increased by INR 119,173 on account of accretion of interest. (Deferred rent of INR 132,485 amortised till March 2017 to statement of profit and loss.)

b Investment in mutual funds

Under Indian GAAP, the mutual fund investments are recorded at cost or net realisable value, whichever is lower. However under Ind AS, the investments are measured at fair value through profit and loss. As a result of the fair valuation, the investments in mutual fund stand increased by INR 86,354 (April 1, 2016 - Decreased by INR 33,580).

c Assets held at realisable value

Under IGAAP, the held for sale assets are shown at their carrying value. However under Ind AS, the held for sale assets are measured at lower of their carrying value or fair value less cost to sell. As a result of the fair valuation, the held for sale assets as on April 1, 2016 has been decreased by INR 46,250,781. Further losses booked on sale of assets held for sale has been reversed for the period March 31. 2017.

d Provision for debtors

Under IGAAP, provision for expected credit loss is recommendatory. However under Ind AS the provision for expected credit loss is mandatory. As a result a provision for bad and doubtful debts has been created for INR 3,255,827 (April 1, 2016: INR 1,576,053).

e Defined benefit liabilities

Under Indian GAAP, the Company recorded the entire cost of its defined benefit plans (gratuity), including actuarial gain and loss in statement of Profit and Loss. Under Ind AS, remeasurements gain/loss of such liabilities (comprising of actuarial gain and loss, the effect of the asset ceiling, and the return on plan assets) are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through Other Comprehensive Income (OCI). As a result, the actuarial gain on gratuity plan amounting to INR 152,371 have been reclassified from employee benefit expense to OCI.

2. Statement of compliance

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 1, 2017 as amended by Companies (Indian Accounting Standards) Rules, 2016. Previous periods have been restated to Ind AS. In accordance with Ind AS 101 First time Adoption of Indian Accounting Standard, the Company has presented a reconciliation from the presentation of financial statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") to Ind AS of Shareholders' equity as at March 31, 2017 and April 1, 2016 and of the comprehensive net income for the year ended March 31, 2017. These financial statements for the year ended 31 March, 2018 are the first the Company has prepared in accordance with Ind AS. Refer to note xxx for information on how the Company adopted Ind AS.

These financial statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by Companies (Indian Accounting Standards) Rules, 2016 read with Section 133 of the Companies Act, 2013.

3. Basis of preparation

These financial statements have been prepared on a historical cost basis, except for:

- (i) Certain financial instruments which are measured at fair value at the end of each reporting period.
- (ii) Net defined benefit (assets) / liabilities measured at fair value of plan assets less present value of defined benefit obligation.

The financial statements are presented in Indian Rupees which is also the Company's functional currency and all values are rounded to the nearest rupee, except when otherwise indicated.

4. Critical accounting estimates and judgements

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions, that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

Impairment testing: Property, plant and equipment that are subject to amortisation/depreciation are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

Impairment of investments: The Company reviews its carrying value of investments carried at cost or amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

Income taxes: Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge in the Statement of Profit or Loss.

Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.

Defined benefit plans: The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit

method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each Balance Sheet date.

Fair value of financial instruments: When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the present valuation technique. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Impairment of financial assets: The Company is exposed to credit risk from its financing activities, including deposits with banks, security deposits, trade receivables and other financial instruments. Credit risk from balances with banks is managed by the Company's management in accordance with the Company's policy. Provision for security deposit is measured using 12 month expected credit losses. Customer credit risk is managed by each unit as per the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored for any expected default in repayment. An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The Company does not hold collateral as security.

5. Significant accounting policies

a) Revenue recognition :

Income from Operations

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue is measured at the fair value of the consideration received or receivable.

Sales are inclusive of excise duty, goods & service tax and net of discounts/returns. Exports sales include Goods Invoiced against confirmed orders and cleared from Excise and Custom Authorities, also goods exported as third party exporter and exchange fluctuations. In respect of fabrication and erection activities, bills raised for extra work, over run charges and other miscellaneous claims are accounted for on the basis of certainty of realisation. Bills/final bills of Job Work done by the company are accounted for on the basis of certification by the principals and correspondingly the liability for job work done by the sub contractors are accounted for at the same time.

Export incentives in cash are recognized as income on Export being made. Benefits receivable under various schemes like Advance Licenses, Target Plus, Duty Free Import Authorisation etc. are recognized on certainty of their utilization and realization.

Other items of Revenue are recognized in accordance with the Indian Accounting Standard (Ind AS-18) accordingly, wherever there are uncertainties in the ascertainment/ realization of income are recognised at the time of receipt of payment thereof.

Interest income

Interest income is accrued on a time proportion basis using the effective interest rate method.

Dividend Income

Dividend income is recognized when the Company's right to receive the amount is established.

b) Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation (other than freehold land) and accumulated impairment losses, if any.

All property, plant and equipment are initially recorded at cost. Cost includes the acquisition cost or the cost of construction, including duties and non-refundable taxes, expenses directly related to bringing the asset to the location and condition necessary for making them operational for their intended use and, in the case of qualifying assets, the attributable borrowing costs. Initial estimate of costs of dismantling and removing the item and restoring the site on which it is located is also included if there is an obligation to restore it.

Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

Capital work in progress represents projects under which the property, plant and equipment are not yet ready for their intended use and are carried at cost determined as aforesaid.

Depreciation on property, plant and equipment is provided on a Straight-line basis using the rates prescribed in Schedule II to the Companies Act, 2013. The identified components are depreciated over the useful lives; the remaining asset is depreciated over the life of principal assets.

The assets' useful lives and residual values are reviewed at the Balance Sheet date and the effects of any changes in estimates are accounted for on a prospective basis.

The company has used the following useful life to provide depreciation on its fixed assets.

Particulars	Life in Years
Land	NA
Building	60 & 30
Residential flats	60
Plant and machinery	15
Electrical Installations	10
Building Equipment	12,15 & 9
Furniture and Fixture	10
Refrigeration & Air Conditioners	10
Office Equipment	5
Computer	3 & 6
Solar Plant	25
Vehicle	8 & 10
Commercial Vehicle	8

c) Assets taken on lease:

A Lease in which a significant portion of the risks and rewards of ownership are not transferred to the Company is classified as operating lease. Payments made under operating lease are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with the expected general inflation to compensate for the lessor's expected inflationary cost increases.

d) Assets classified as held for sale:

Non-Current Assets (PPE) are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use.

Such assets are generally measured at the lower of their carrying amount and fair value less cost to sell. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognised in profit or loss.

Once classified as held for sale, Property, Plant & Equipment are no longer depreciated.

e) Financial instruments

I. Financial assets

Initial recognition and measurement

Financial assets are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss directly attributable transaction costs. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

Classification

- Cash and Cash Equivalents - Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.
 - Debt Instruments - The Company classifies its debt instruments as subsequently measured at amortised cost, fair value through Other Comprehensive Income or fair value through profit or loss based on its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.
- i. Financial assets at amortised costs:

Financial assets are subsequently measured at amortised cost if these financial assets are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest. Interest income from these financial assets is included as a part of the Company's income in the Statement of Profit and Loss using the effective interest rate method.

- ii. Financial assets at fair value through Other Comprehensive Income (FVOCI)

Jotindra Steel and Tubes Limited

Notes to financial statements for the year ended March 31, 2018

Address: 14/3, Mathura Road, Faridabad- 121003 Haryana; Email: jotindra@jotindra.com

Financial assets are subsequently measured at fair value through Other Comprehensive Income if these financial assets are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest. Movements in the carrying value are taken through Other Comprehensive Income, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains or losses which are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognized in Other Comprehensive Income is reclassified from Other Comprehensive Income to the Statement of Profit and Loss. Interest income on such financial assets is included as a part of the Company's income in the Statement of Profit and Loss using the effective interest rate method.

iii. Financial assets at fair value through profit or loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on such debt instrument that is subsequently measured at FVTPL and is not part of a hedging relationship as well as interest income is recognised in the Statement of Profit and Loss.

- Equity Instruments - The Company subsequently measures all equity investments (other than the investment in subsidiaries, associates and joint ventures which are measured at cost) at fair value. Where the Company has elected to present fair value gains and losses on equity investments in Other Comprehensive Income ("FVOCI"), there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in the Statement of Profit and Loss as other income when the Company's right to receive payment is established.

At the date of transition to Ind AS, the Company has made an irrevocable election to present in Other Comprehensive Income subsequent changes in the fair value of equity investments that are not held for trading.

When the equity investment is de-recognised, the cumulative gain or loss previously recognised in Other Comprehensive Income is re-classified from Other Comprehensive Income to the Retained Earnings directly.

De-recognition

A financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset. Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

II. Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial liabilities at initial recognition. All financial liabilities are recognised initially at fair value, plus, in the case of financial liabilities not at fair value through profit or loss directly attributable transaction costs.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised, and through the amortisation process.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the financial statement if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

III. Impairment of financial assets

The Company assesses, at each reporting date, whether a financial asset or a group of financial assets is impaired. Ind AS-109 on Financial Instruments, requires expected credit losses to be measured through a loss allowance. For trade receivables only, the Company recognises expected lifetime losses using the simplified approach permitted by Ind AS-109, from initial recognition of the receivables. For other financial assets (not being equity instruments or debt instruments measured subsequently at FVTPL) the expected credit losses are measured at the 12 month expected credit losses or an amount equal to the lifetime expected credit losses if there has been a significant increase in credit risk since initial recognition.

f) Inventories

Loose Tools	- At cost
Stores, Spares and Packing Material	- At lower of cost or net realisable value
Raw Material	- At lower of cost or net realisable value
Work-in-process	- At lower of cost or net realisable value
Finished Goods	- At lower of cost or net realisable value
Scrap	- At estimated realisable value

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Cost of raw material, components and stores & spares is determined on first in first out/ weighted average basis. Cost of finished goods & work-in-process comprises of materials, labour and other related overheads including depreciation.

g) Foreign currency translation:

The functional currency of the Company is Indian rupee.

- i. Transactions in foreign currency has been translated into Indian Rupees at the exchange rates prevailing at the date of transaction, any variation in receipt or payment has been adjusted in exchange gain/loss account, Assets and Liabilities outstanding as at year end have been converted into the Indian Rupees at year end exchange rates.
- ii. Non-monetary assets and liabilities are translated at the rate prevailing on the date of transaction. Net variation arising out of the said transactions are adjusted to the costs of the respective non-monetary assets or liabilities, in the case of fixed assets up-to the date of installation.
- iii. The operations of foreign branches of company are integral in nature and financial statements of these branches are translated using the same principles and procedures as of its head office.

- iv. In case of forward exchange contract or other financial instruments, the gain or loss is computed by multiplying the foreign currency amount of the forward exchange contract by the difference between the forward rate available at the end of the year and the contracted forward rate.

h) Employee benefits

- **Short term obligations:** The costs of all short-term employee benefits (that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service) are recognised during the period in which the employee renders the related services. The accruals for employee entitlements of benefits such as salaries, bonuses and annual leave represent the amount which the Company has a present obligation to pay as a result of the employees' services and the obligation can be measured reliably. The accruals have been calculated at undiscounted amounts based on current salary levels at the Balance Sheet date.
- **Defined contribution plan (Provident fund):** The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary), which is recognised as an expense in the Statement of Profit and Loss during the year. The Company is generally liable for annual contributions and recognises such contributions as an expense in the year in which the corresponding services are rendered by the Employee.
- **Defined benefit plan (Gratuity):** The Gratuity plan provides for lump sum payment to vested employees on retirement, death or termination of employment of an amount based on the respective employee's last drawn salary and tenure of employment. The Company accounts for the net present value of its obligations for gratuity benefits, based on an independent actuarial valuation, determined on the basis of the projected unit credit method, carried out as at the Balance Sheet date. Actuarial gains and losses are recognised immediately in the Other Comprehensive Income and reflected in retained earnings and will not be reclassified to the Statement of Profit and Loss.
- **Compensated absences:** Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the Balance Sheet date.

The discount rates used for determining the present value of obligation under defined benefit plans, is based on the market yields on Government securities as at the balance sheet date, having maturity periods approximating to the terms of related obligations.

i) Income taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in

statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current Tax

Current tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the applicable tax rates and the prevailing tax laws. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill, an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax liabilities are generally recognized for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax liabilities and assets are measured at tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period. Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Minimum Alternative Tax ("MAT") credit forming part of Deferred tax assets is recognized as an asset only when and to the extent there is reasonable certainty that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a reasonable certainty to the effect that the Company will pay normal income tax during the specified period.

j) Earnings per share

Basic earnings per share is computed by dividing the profit or loss after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share.

k) Provisions and contingent liabilities

Provisions are recognised when the Company has a binding present obligation. This may be either legal because it derives from a contract, legislation or other operation of law, or constructive because the Company created valid expectations on the part of third parties by accepting certain responsibilities. To record such an obligation it must be probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation. The amount recognised as a provision and the indicated time range of the outflow of economic benefits are the best estimate (most probable outcome) of the expenditure required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation, Non-current provisions are discounted if the impact is material.

Disputed liabilities and claims against the company including claims by Taxation Authorities pending in appeals, are treated as contingent liabilities. Claims against the company are reduced by counter claims of the company in order to determine the contingent liabilities.

l) Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year are classified by operating, investing and financing activities.

m) Investment in subsidiaries, associates & joint ventures

Investment in subsidiaries, associates & joint ventures are stated in the Balance Sheet at cost.
