MANAGEMENT DISCUSSION AND ANALYSIS REPORT

This Management Discussion and Analysis Report addresses the expectations and Projections of the company for its future, about its Market Position, Market Development and Penetration, Expenditure, Financial Results, Risks and Concerns etc. However, the expectations shared herein are not limited to the Company's Growth. The Company's actual results, performance or achievements could differ from those shared herein.

Along with this noticeable acceleration in the growth rate of the Indian economy, India's per capita income has increased at a rapid pace, levitating India into the middle-income category thus strengthening the economy even further from its roots. Simultaneously, the rising consumer demand has provided a further growth avenue for Indian firms making the domestic economy more robust.

However, while the long-term story remains positive, there are challenges in the short-term that will need to be addressed. These include high inflation, rising commodity prices, all time high oil prices, increasing fiscal deficits, global uncertainties and a variable domestic political scenario. However, given the structural shifts that have already taken place across the economy, we believe that we today stand on a strong foundation that will support sustained growth despite the short-term challenges that may emerge time and again.

On the other hand, our Management declares that, the financial statements have been prepared in compliance with the requirements of the Companies Act, 2013 guidelines issued by the Securities Exchange Board of India (SEBI) and the Generally Accepted Accounting Principles (GAAP) in India.

Capital Market

The Indian financial sector is demonstrating sustained momentum. In recent years, reforms in the equity capital markets including continuous strengthening of the regulatory environment by SEBI, market-determined prices and allocation of resources, screen-based nation-wide trading, T+2 settlement, scripless settlement and electronic transfer of securities, rolling settlement and derivatives trading have greatly improved the efficiency of trading and settlement. The industry is also becoming more vibrant, with new categories of products and services being offered to meet the needs of an emerging economy.

In addition, the growth of the economy and Indian corporations has coincided with a sharp increase in foreign direct investment, including significant participation from private equity firms, a marked increase in investment in the real estate sector, increasing M&A activity, strong equity IPO market and a growing demand for credit from both corporations and consumers. With it, there has been a proliferation in the presence of intermediaries such as investment banks and securities firms that closely monitor the performance of the markets and provide extensive fundamental and technical research on the economy, sectors and companies. All of this has contributed significantly to the growth of the Indian capital markets.

Equity Market

The equity market comprising Private Equity, Primary Offerings and Secondary Offerings has emerged as one of the most preferred mode of fund mobilization for India Inc. Real estate, infrastructure, banking and financial services were the dominant sectors attracting about 55% of the total private equity investments.

The Indian equity markets have witnessed a strong rally since 2003 with the benchmark BSE Sensex crossing the 21,000 mark in January 2008 from 12,500 in March 2007 setting a historical high. Though the markets have seen some correction since then, the underlying drivers for the market, viz. strong domestic economic growth and growing corporate profitability remain intact, leading to committed international and domestic investor interest.

Industry Overview

The Company with its full capacity is venturing in to the business of Investment. The Company is carrying out business of Investment & Financial Services and to invest in and acquire and hold and deal in Shares, stocks, debenture stocks, bonds, obligations and securities issued or guaranteed by any company constituted or carrying on business in India or elsewhere.

SHALIMAR AGENCIES LIMITED

CIN : (L51226TG1981PLC114084)

All our established businesses continued to grow well and the new businesses have secured a strong foundation. We believe that our presence in diverse lines of business across asset classes enables us to reduce risks arising market cyclicality. We have built a diversified operating model where some of the services are naturally hedged against each other, limiting the impact of cyclical market movements, allowing us to be poised to deliver strong growth in improved market conditions.

Outlook

We continue to remain optimistic about the long-term India story and the opportunities that it will offer across sectors. The financial services sector is expected to grow rapidly in an expanding economic environment. However, in the short-term from time-to-time there will be challenges that will temper the outlook in the interim term. The economic environment and the capital markets in India have done extremely well over the last five years and some level of moderation is likely to take place in the short-term given the current macro-economic trends in both domestic and international markets.

Human Resources

The Company recognizes that its people have played a big role in making what the Company is today and therefore it accords top priority to attract and retain talent. The Company puts great emphasis on training and development of its employees to enhance efficiency. The Company believes in providing a fair compensation in line with industry norms and rewards them for good performance.

Risk and Concerns

The company has in place a robust risk management framework with overall governance and oversight from the Audit Committee and Board of Directors. Risk Assessment is conducted periodically & Company has a mechanism to identify, assess, mitigate and monitor various risks to key business objectives. Risk Assessment is a combination of bottom-up and top-down view of key risks facing the business across all segments and functions. All the risks were reviewed and assigned probability of materialisation and potential impact based on deliberations with business leaders and independent assessment. Mitigation plans are designed, implemented and monitored on quarterly basis.

Internal Control System

The Company has an adequate internal audit and control system. The Internal audits are conducted by firms of Chartered Accountants, ably supported by an internal team staffed with qualified and experienced people. All operational activities are subject to internal audits at frequent intervals.

The existing audit and inspection procedures are reviewed periodically to enhance their effectiveness, usefulness and timeliness. The Company has a centralized Compliance Department which ensures compliance with all the applicable laws. In addition, it provides advice on general regulatory matters including formulating policies on prevention of Insider Trading, etc.

Cautionary Statement

Statements in this Management Discussion and Analysis Report may be forward looking statements: within the meaning of applicable securities laws and regulations. These statements are based on certain assumption and expectations of future events. Actual results could differ materially from those expressed or implied. Important facts that could make a difference at Company's operations include economic conditions affecting domestic demand and supply conditions, finished goods prices, changes in government regulations and tax regime etc. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements on the basis of subsequent developments, information or events.

SECRETARIAL AUDIT REPORT

(For The Financial Year Ended 31st March, 2018)

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
SHALIMAR AGENCIES LIMITED,
Hyderabad.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Shalimar Agencies Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

Auditor's Responsibility:

Maintenance of Secretarial Records is the responsibility of the Management of the company. Our responsibility is to express an opinion on existence of adequate board process and compliance management system, commensurate to the size of the company, based on these secretarial records as shown to us during the said audit and also bases on the information furnished to us by the officers and the agents of the company during the said audit.

We have followed the audit practices and processes as were appropriate to the best of understanding to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the process and practices, we followed, provide a reasonable basis for our opinion.

We have not verified the correctness, appropriateness and bases of financial records, books of accounts and decisions taken by the board and by various committees of the company during the period under scrutiny. We have checked the board process and compliance management system to understand and to form an opinion as to whether there is an adequate system of seeking approval of respective committees of the board, of the board, of the members of the company and of other authorities as per the provisions of various statutes as mentioned hereinafter.

Wherever required we have obtained the management representation about the compliance of the law, rules and regulations and happening of events, etc.

The compliance of the provisions of corporate and other applicable laws, rules, regulations and standards is the responsibility of the management. Our examination was limited to the verification of compliance procedures on test basis.

Our report is neither as assurance as to the future viability of the company nor of the efficiency or effectiveness or accuracy with which the management has conducted the affairs of the company.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Shalimar Agencies Limited ("The Company") for the period ended on 31st March, 2018 according to the provisions of:

INDEPENDENT AUDITOR'S REPORT

To the Members of M/s Shalimar Agencies limited

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of **M/s. Shalimar Agencies limited** ("the Company"), which comprises the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (Including other Comprehensive Income) and Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information. (herein after referred to as "Ind AS Financial Statement")

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation and presentation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance(including the other comprehensive income), cash flows and Statement of Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements:

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS of the financial position of the Company as at 31st March 2018, and its financial performance including other comprehensive income, its cash flow and changes in the equity for the year ended on that date.

Annexure B to the Independent Auditor's Report

Report on the Internal Financial Controls under clause (i) of the Sub-section 3 of the Section 143 of the Companies Act, 2013 ('The Act')

We have audited the internal financial controls over financial reporting of Shalimar Agencies Limited ('the company') as of 31st march 2018 in conjunction with our audit of Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our Audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the standards on Auditing deed to be prescribed under section 143(10) of the Act to the extent applicable to an Audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. These standards and guidance note require that we comply with ethical requirements and plan and performed the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's Judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion and the company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be deducted. Also, Projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2018, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute Of Chartered Accountants of India.

Shalimar Agencies Limited

Notes and other explanatory information to financial statements for the year ended March 31, 2018

1. Corporate Information

The Shalimar Agencies Limited was incorporated on 04th June, 1981 under companies Act 1956 in the name and style as Shalimar Agencies Limited as a Public Limited Company and obtained a Certificate of Commencement of Business on 17th June, 1981 having Registered Office situated at Durga Enclave , Banjara Hills, Hyderabad. The Company is in the business of dealing in Shares, Bonds and Securities.

2. Basis of preparation

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(i) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015, 2016 & 2017 and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- (i) Certain financial assets and liabilities (including derivative instruments) and contingent consideration that is measured at fair value;
- (ii) Assets held for sale – measured at fair value less cost to sell; and

2.1 Summary of significant accounting policies

Significant Accounting Estimates and Judgments

Estimates, assumptions concerning the future and judgments are made in the preparation of the financial statements. They affect the application of the Company's accounting policies, reporting amounts of assets, liabilities, income and expense and disclosures made. Although these estimates are based on management's best knowledge of current events and actions, actual result may differ from those estimates.

The critical accounting estimates and assumptions used and areas involving a high degree of judgments are described below:

Critical judgments made in applying accounting policies

ii. Intangible Assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably.

Financial Assets

Financial assets comprise of investments in equity and debt securities, trade receivables, cash and cash equivalents and other financial assets.

iii. Initial recognition:

All financial assets are recognised initially at fair value. Purchases or sales of financial asset that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the assets.

Subsequent Measurement:

(ii) Financial assets measured at amortised cost:

Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortised cost using effective interest rate (EIR) method. The EIR amortization is recognised as finance income in the Statement of Profit and Loss.

The Company while applying above criteria has classified the following at amortised cost:

- a) Trade receivable
- b) Cash and cash equivalents
- c) Other Financial Asset

ii) Financial assets at fair value through other comprehensive income (FVTOCI):

Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, selling the financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at FVTOCI.

Fair Value movements in financial assets at FVTOCI are recognised in other comprehensive income.

Equity instruments held for trading are classified as at fair value through profit or loss (FVTPL). For other equity instruments the company classifies the same as at FVTOCI. The classification is made on initial recognition and is irrevocable. Fair value changes on equity investments at FVTOCI, excluding dividends are recognised in other comprehensive income (OCI).

(iii) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss if it does not meet the criteria for classification as measured at amortised cost or at fair value through other comprehensive income. All fair value changes are recognised in the statement of profit and loss.

(iv) Investment in subsidiaries, joint ventures & associates are carried at cost in the separate financial statements.

Impairment of Financial Assets:

Financial assets are tested for impairment based on the expected credit losses.

(i) Trade Receivables

An impairment analysis is performed at each reporting date. The expected credit losses over life time of the asset are estimated by adopting the simplified approach using a provision matrix which is based on historical loss rates reflecting current condition and forecasts of future economic conditions. In this approach assets are grouped on the basis of similar credit characteristics such as industry, customer segment, past due status and other factors which are relevant to estimate the expected cash loss from these assets.

(ii) Other financial assets

Other financial assets are tested for impairment based on significant change in credit risk since initial recognition and impairment is measured based on probability of default over the life time when there is significant increase in credit risk.

De-recognition of financial assets

A financial asset is derecognized only when:

The company has transferred the rights to receive cash flows from the financial asset or

The contractual right to receive cash flows from financial asset is expired or

Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset and transferred substantially all risks and rewards of ownership of the financial asset, in such cases the financial asset is derecognized. Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is also derecognized if the company has not retained control of the financial asset.

SHALIMAR AGENCIES LIMITED

CIN : (L51226TG1981PLC114084)

IV. Cash and Cash equivalents

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with an original maturity of three months or less. Deposits with banks subsequently measured at amortized cost and short term investments are measured at fair value through Profit & Loss account.

V. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated.

Property, Plant and Equipment

All items of property, plant and equipment are initially recorded at cost. The cost of an item of plant and equipment is recognized as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Cost includes its purchase price (after deducting trade discounts and rebates), import duties & non-refundable purchase taxes, any costs directly attributable to bringing the asset to the location & condition necessary for it to be capable of operating in the manner intended by management, borrowing costs on qualifying assets and asset retirement costs. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

The activities necessary to prepare an asset for its intended use or sale extend to more than just physical construction of the asset. It may also include technical (DPR, environmental, planning, Land acquisition and geological study) and administrative work such as obtaining approvals before the commencement of physical construction.

The cost of replacing a part of an item of property, plant and equipment is capitalized if it is probable that the future economic benefits of the part will flow to the Company and that its cost can be measured reliably. The carrying amount of the replaced part is derecognized.

Costs of day to day repairs and maintenance costs are recognized into the statement of profit and loss account as incurred.

Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, estimated useful lives and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de recognition of the asset is recognised in the profit or loss in the year the asset is derecognized.

Assets under installation or under construction as at the Balance Sheet date are shown as Capital Work in Progress.

Depreciation

Depreciation is provided on Straight Line Method, as per the provisions of schedule II of the Companies Act, 2013 or based on useful life estimated on the technical assessment. Asset class wise useful lives in years are as under:

Computers and equipment	3 to 6
Furniture & fixtures	10 to 15

Fully depreciated plant and equipment are retained in the financial statements until they are no longer in use.

In respect of additions / deletions to the fixed assets / leasehold improvements, depreciation is charged from the date the asset is ready to use / up to the date of deletion.

VII. Share Capital

Equity shares are classified as equity.

The equity share capital of the company as on 31st march 2018 is 30,01,000 equity shares of Rs. 10/- each fully paid up .

During the year 2017-18 the company has not allotted any equity shares.

VIII. Financial Liabilities

Initial recognition and measurement

Financial liabilities are recognized when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The company determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value plus any directly attributable transaction costs, such as loan processing fees and issue expenses.

IX. Inventories

Inventory of shares have been valued at cost or market price which ever is less.

X. Related Party Disclosures

The Company furnishes the details of Related Party Disclosures as required by Companies Act 2013 and Indian Accounting Standard (IND AS)- 24.

XI. Income Taxes

Income tax expense is comprised of current and deferred taxes. Current and deferred tax is recognized in net income except to the extent that it relates to a business combination, or items recognized directly in equity or in other comprehensive income.

Current income taxes for the current period, including any adjustments to tax payable in respect of previous years, are recognized and measured at the amount expected to be recovered from or payable to the taxation authorities based on the tax rates that are enacted or substantively enacted by the end of the reporting period.

Provisions , Contingent Liabilities and Contingent Assets

Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense and is recorded over the estimated time period until settlement of the obligation. Provisions are reviewed and adjusted, when required, to reflect the current best estimate at the end of each reporting period.

Contingent Liabilities

Contingent liability is disclosed in case of

A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;

A present obligation arising from past events, when no reliable estimate is possible;

A possible obligation arising from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company where the probability of outflow of resources is not remote.

SHALIMAR AGENCIES LIMITED

CIN : (L51226TG1981PLC114084)

Contingent Assets

Contingent assets are not recognized but disclosed in the financial statements when as inflow of economic benefits is probable

XIII. Earnings per Share

Basic earnings per share are calculated by dividing:

The profit attributable to owners of the company

By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

The after income tax effect of interest and other financing costs associated with dilutive potential equity shares

The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.
