Management Discussions and Analysis Report

Annexure to the Directors' Report for the year ended 31st March, 2019

Industry Trend and Development

Non-Banking Financial Companies (NBFC) made a humble beginning back in the 1960's to serve the need of the investor whose financial requirements were not sufficiently covered by the existing banking system in India. However, between 1980's and 1990's, NBFCs gained good ground and started to persuade a huge number of investors owing to their customer friendly reputation. In the recent years, the NBFC sector in India has witnessed significant change over the past few years and has come to be recognized as a systematically key element of the financial system.

The biggest contribution of NBFCs is their ability to cater to the needs of the Micro, Small & Medium Enterprises (MSMEs) and their understanding of customers' profile, credit needs, ability to innovate and customise products as per their clients' needs. NBFCs have also been successful in pioneering retail asset-backed lending, lending against securities and microfinance. The segment aspires to emerge as a one-stop shop for all financial services; this is evident in its moderate consolidation activities in recent years, a trend expected to continue in the near future.

The Monetary Policies were regulated and constantly revisited by the Regulatory Authorities, during the year under review. The said policies of the Government and the Reserve Bank of India were and are to control inflation and curb inflationary expectations. A large part of the increasing signs of the Indian economy can be attributed to global factors although domestic factors also played a role. Your Company being a NBFC continued to perform well in the current scenario and accept challenges to perform diligently and effectively in order to enhance value to its shareholders and other stakeholders.

Opportunities and Threats

2018 was a blowout year for Non-Banking Finance Companies (NBFC) on all counts. In their bid to step into the space vacated by capital constrained Public Sector Banks (PSBs), NBFCs went on a reckless credit expansion, without taking into account the asset-liability scenario)

Many went bust and out of business in no time, and most others had to run helter-skelter seeking bail-out funds from investors. Credit risk perception has increased significantly, with investors developing cold feet in opening fresh funding taps to the sector. The market too has punished them heavily, with stock prices of the listed non-banks hitting rock bottom.

The situation has changed since then, with some of the measures taken by the Government, stopping the crisis developing into a contagion and spilling over to other sectors. However, NBFCs will take most of this baggage into 2019, as the ground reality remains more or less same, as was in 2018. On the whole, the outlook for the sector for the next year is still looking weak.

But this is not to say that all is lost for them. The gradual improvement in liquidity situation indicates that stabilisation is on the cards over the next few months. The liquidity situation has improved significantly since the last fortnight of September, immediately following the IL&FS default. Availability of funds has improved, and the rate of interest has dropped. However, liquidity can no longer be taken as a given. With the regulatory fist tightening on them, cash will be coming to only solvent NBFCs. To put it simply, liquidity situation for NBFCs with lower creditworthiness may continue to remain tight.

Regardless of recent panic and meltdown in the market values of NBFCs, they are here to stay and will play an important role in the economic growth and financial inclusion. In fact, as the economy becomes larger and grows faster, the need for credit will rise disproportionately. We need both banks and NBFCs to rise to the occasion and provide the economy with its lifeblood, i.e., credit.

Segment-Wise Performance

Your Company has operated in one segment during the financial year 2018-19, hence segment reporting has not been given.

Risk and Concern

The Company recognizes that Risk Management is an integral part of sound management practice and good corporate governance, as it improves decision making and enhances outcomes and accountability. The Management has thus, always been proactive in handling foreseeable risks. The latest regulatory crisis has been a wake-up call. People who have been trying to work on the edge in terms of liquidity or in terms of managing their cost of funds have got a wakeup call and hopefully some balance will be achieved. The experience and knowledge of the industry has also helped your Company to handle unpredicted risks and challenges, faced due to changing economic situations and regulations.

Outlook

After all the negative narrative above, NBFCs will still play a critical role in ensuring capital to a vast array of consumers. They have brought new borrowers into the ambit of formal finance with their underwriting skills and inculcating financial discipline among the borrowers. They are much less leveraged than the PSU Banks, and still account for close to 15% of the incremental credit in the economy, making NBFCs still very important and relevant to the system.

Therefore, to say that this is the end of the road for NBFCs is wrong and grossly misplaced. As good economic agents of change, they should learn that a fall in the pit is a gain in the wit. The gain in the wisdom is to avoid credit ebullience and try to learn to live within their means, and do their business as allowed by their capital base. It is important for them to grow in business while remaining solvent. As business gets tough, the tough among the NBFCs will get going. Therefore, the New Year resolution for NBFCs could be - "better to be safe than sorry". In view of the present economic scenario, although, the Management has decided to concentrate on its traditional business, the Company is always looking for new opportunities and avenues for growth and development.

Discussion on financial performance with respect to operational performance

The following are the significant areas of financial performance during the year under review:

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors Report including Annexures to Directors' Report, Report on Corporate Governance but does not include the Standalone Financial Statements and our auditors' report thereon. The Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report and Report on Corporate Governance are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibility of Management and Those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, statement of profit and loss and cash flows of the Company in accordance with the accounting Standards specified under section 133 of the Act, 2013 read with relevant rules issued there under and other Accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate **internal financial controls**, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one.
- resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the interim consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors Report including Annexures to Directors' Report, Report on Corporate Governance but does not include the Consolidated Financial Statements and our auditors' report thereon. The Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report and Report on Corporate Governance are expected to be made available to us after the date of this auditor's report.

Our opinion on the Consolidated Financial Statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibility of Management and Those charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Act, that give a true and fair view of the consolidated financial position, Consolidated Financial performance and Consolidated Cash Flows of the Company including its Associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the company and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the company and of its associate are responsible for assessing the ability of the Company and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the company and its associate are responsible for overseeing the financial reporting process of the Company and of its associate.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Paragraph 40(b) of this SA explains that the shaded material below can be located in an Appendix to the auditor's report. Paragraph 40(c) explains that when law, regulation or the applicable auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor's responsibilities, rather than including this material in the auditor's report, provided that the description on the website addresses, and is not inconsistent with the description of the auditor's responsibilities below.

As part of an audit in accordance with SAs we exercise professional judgement and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the interim consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the interim consolidated financial statements, including the disclosures, and whether the interim consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditor's such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

Annexure A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Adventz Securities Enterprises Limited ('the Company') as on 31st March, 2019.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safe guarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operative effectiveness.

Our audit of internal Financial Controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion of the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures

that (1) pertain to the maintenance of records that, in responsible detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are records as necessary to permit preparation of financial statements in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future period are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
