The Board had appointed M/s Aditi Agarwal & Associates, Company Secretaries, New Delhi [COP No. 10512] to conduct Secretarial Audit pursuant to the provisions of Section 204 of the Act for the Financial Year 2018-19. Secretarial Auditors of the Company has been re-appointed at the Board Meeting of the Company held on May 15, 2019. The Company has received a certificate from the Secretarial Auditors to the effect that their re-appointment, if made, would be in accordance with the provisions of the Companies Act, 2013.

There were following observations of Secretarial Auditors in their Secretarial Audit Report in Form MR-3, being attached with the Directors' Report and the respective explanation to the same by the Board of Directors of the Company, is reproduced herein below:

- i) *Form IEPF-2 for filing of statement of unclaimed & unpaid amounts which should be filed within 90 days of Annual General Meeting dated 29.08.2018, has not been filed till date, however, the Form IEPF-2 relating to Annual General Meeting dated 08.09.2017 has been belatedly filed on 09.05.2019.*

The Company Secretary of the Company has informed the Board that the final list of shareholders whose dividend remained unclaimed/unpaid for Financial Year 2017-18, has to be provided by the RTA. Hence, the delay. The Board of Directors instructed the Company Secretary to strictly adhere to the legal provisions and finalise and file e-Form IEPF-2 in co-ordination with RTA. Further, Company Secretary was asked to seek reason for delay from RTA.

- ii) *Pursuant to the provision of Section 124 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer And Refund) Rules, 2016, a Company whose dividend remains unpaid/unclaimed for a period of seven consecutive years shall be required to transfer such shares to the special purpose DEMAT Account, accordingly, the Company was required to transfer such shares into Demat Account of IEPF. We have been informed that during the Financial Year 2017-18 and 2018-19, the Company had received request from certain shareholders claiming their unpaid dividend for past years and therefore the Company was in process of identifying the shareholders who have not encashed the dividend warrants for a continuous period of last seven years and hence, Form IEPF-4 for filing of statement of shares transfer to IEPF could not be filed. Further, the Company has now published the newspaper advertisement on 11.05.2019 in Financial Express (English Edition) and Hari Bhoomi (Hindi Edition) in relation to the Transfer of shares of the Company to Demat account of IEPF Authority, in respect of which dividends have not been paid or claimed for seven consecutive years or more.*

*Further, the Company has also submitted an application before the IEPF Authority seeking extension of time in order to comply the above mentioned requirement under the IEPF rules, 2016, stating therein the reasons of delay.*

The Board has taken all proactive steps under the supervisions and guidance of Hon'ble Shri G.S. Singhvi, the former Judge of Supreme Court of India and duly appointed Chairman of the Company, by the Hon'ble National Company Law Tribunal, New Delhi. Accordingly, following steps were already taken by the Board:

- (a) Appointment of Independent consultant to provide fair report and identification of shares required to be transferred to IEPF fund.
- (b) Appointment of Company Secretary of the Company as Nodal Officer to comply with the provisions related to the IEPF.
- (c) Newspaper advertisement published in Financial Express (English Edition) and Hari Bhoomi (Hindi Edition) in relation to the transfer of shares of the Company to Demat account of IEPF Authority.

Application cum request letter duly submitted with the IEPF Authority for seeking extension of time in order to comply the requirements mentioned under IEPF rules, 2016. The said Application is pending with the IEPF Authority.

iii) *The Cost Audit Report in Form CRA-3 has not been filed with the Registrar of Companies in e-Form CRA-4 for the Financial Year 2017-18.*

The Board of Directors instructed the Company Secretary to file e-Form CRA-4 with the Registrar of Companies.

#### **INVESTOR EDUCATION AND PROTECTION FUND (IEPF)**

Pursuant to the provision of Section 124 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer And Refund) Rules, 2016, a Company whose dividend remains unpaid/unclaimed for a period of seven consecutive years shall be required to transfer such shares to the special purpose DEMAT Account, accordingly, the Company was required to transfer such shares into Demat Account of IEPF. During the Financial Year 2017-18 and 2018-19, the Company had received request from certain shareholders claiming their unpaid dividend for past years and therefore was in process of identifying the shareholders who have not encashed the dividend warrants for a continuous period of last seven years. The Company has got published the newspaper advertisement on 11.05.2019 in Financial Express (English Edition) and Hari Bhoomi (Hindi Edition) in relation to the Transfer of shares of the Company to Demat account of IEPF Authority, in respect of which dividends have not been paid or claimed for seven consecutive years or more.

6. In case the Company has failed to spend the two per cent of the average net profit of the last three financial years or any part thereof, the company shall provide the reasons for not spending the amount in its Board report.

The aim of the Company is committed to discharge its social responsibility as a good corporate citizen and to contribute for the social and economic development of the communities specifically for the weaker sections of the society. During the Financial Year 2018-2019, the Company has undertaken the CSR activities by contributing to the duly identified and evaluated projects, viz. Delhi State Council of Women (a government organisation), Child Heart Foundation, Goonj Foundation, Handicapped Children's Rehabilitation Association, EK TARA Foundation, Bhai Jaitajee Foundation India, etc. for the education, betterment and development of the needy and unprivileged children of the society and towards the safety and personal rights of women. Further, the Company is under process in accessing the genuine projects in detail, thereby to meet out its objective of helping the society at large so that total amount for CSR shall be spent in future by the Company.

During the Financial Year 2018-19 the minimum amount of expenditure required to be done by the Company, on CSR activities is Rs. 34,67,000/- approx. (i.e. atleast 2% of the average net profits of the Company made during the three immediately preceding Financial Years) which has been calculated in accordance with the Section 198 of the Companies Act, 2013 However, due to inadequacy of appropriate proposal for spending the prescribed CSR amount the Committee in its Meeting held on March 15, 2019 has approved and recommended Rs.13,51,000/- approx. towards CSR Expenditure taking into account the proposals as received from various agencies engaged in CSR Activities.

Subsequently, on March 29, 2019 the members of the CSR Committee had passed circular resolution for authorising Ms. Gurleen Kaur and Mr. Ramesh Chandra Jain, Members of the Committee for analyzing the appropriate proposals received after March 15, 2019 on the basis of merits and CSR Policy basis and recommend to the Board for spending remaining CSR expenditure for the Financial Year 2018-19.

Henceforth, the contribution for CSR activities of the Company is on progressive basis

7. A responsibility statement of the CSR Committee that the implementation and monitoring of CSR Policy, is in Compliance with CSR objectives and Policy of the Company.

Yes, in compliance with CSR objectives & policy.

## ANNEXURE “D” TO THE DIRECTOR'S REPORT

### MANAGEMENT DISCUSSION AND ANALYSIS REPORT

#### INDUSTRY STRUCTURE AND DEVELOPMENTS

FRICK INDIA LIMITED was incorporated as a public limited company in 1962 in collaboration with Frick Company USA, one of the world's oldest and largest manufacturers of industrial refrigeration & air-conditioning equipment. Frick India is now independent and has diversified and developed into one of the top-ranking companies and its equipment is rated amongst the world's best.

Today, Frick India Limited is the largest equipment manufacturer and turnkey solution provider for Industrial refrigeration in India.

The Company also installs turnkey projects and uses their 51 years of experience in industrial refrigeration compressor manufacturing in good stead to give energy efficient and reliable refrigeration systems in India and 45 other countries across the world. Its manufacturing facilities are located at Faridabad (Haryana), an industrial township in the periphery of the national capital & are spread over a 22 acre multi-block complex.

Frick India has unmatched advantage of providing a single source responsibility for turnkey refrigeration and air-conditioning systems covering design, manufacture, packaging, installation and service to standard specifications as well as custom-built to meet customers' special requirements. With collaboration and technologies from U.K., Japan, U.S.A. and Europe, Frick India also provides on line Frick Energy Management System (FEMS) for almost all Industrial Refrigeration Applications. The Company is presently manufacturing a lot of equipments like various types of Compressors, and packages Condensers, Air handling units, Liquid re-circulation pump, Ice-making equipment, Plate & blast freezers, Packages chillers etc. used in Food / Chemical Industry.

Frick India Limited has been awarded "WINNER" in REFCOLD India 2018 EMERSON AWARD on 22nd November 2018 at Gandhinagar, Gujarat. This Award was presented by ISHRAE (The Indian Society of Heating, Refrigerating and Air Conditioning Engineers) and Nuremberg Messe during their prestigious exhibition Refcold 2018 in Gandhinagar Gujarat. Frick India Limited has also been awarded for Designing, Manufacturing and Commissioning the Hassan Dairy and Ice Cream Refrigeration plant. Hassan Dairy has been awarded the Best Dairy in the Refrigeration Section.

The long-term outlook of the global refrigeration and air conditioning compressors market remains positive with the market value expected to increase at a CAGR of 4.1% during the forecast period (2018 - 2028). The refrigeration and air conditioning compressors market has been experiencing significant growth for years now, particularly in China and India. Growing demand for refrigerators, display cases and air conditioners in developing countries is contributing to the substantial demand for refrigeration and air conditioning compressors in these regions.

#### OPPORTUNITIES AND THREATS

Cold storage industry annually grows by 12-15 per cent in bulk storage capacity. As consumer preference and habits for food ranging from vegetables, fruits and eatables, cold storage would combine to be grown. We see expansion of frozen vegetable capacity as major difference prevailed in season and off season price. Frick India equipment and application are widely used in food related refrigeration applications. Frick India can produce customized refrigeration plants for :

- Pre-Cooling (98% RH)
- Controlled/ Modified Atmosphere Cold Storages
- Cold Stores for Fruits & Vegetables
- Ripening Rooms
- High Humid Ware Houses

- IQF
- Frozen Stores
- Chilling Units
- Distribution Rooms

Frick India Limited vide its products and manufacturing facilities at present has been serving following industries:

- i. Dairies and Ice cream Industries
- ii. Food and Agriculture Industries
- iii. Beverages and Brewery Industries
- iv. Refrigeration System For Chemical & Pharmaceutical Industries
- v. Refrigeration System For Meat Poultry & Sea Food Industry
- vi. Air-Conditioning
- vii. Low Temperature Application

The consumption of ready-to-eat products, beverages, and frozen food has increased considerably worldwide in the recent years, which is further boosting the demand for commercial refrigeration equipment. Rising disposable income, along with the increasing impact of western lifestyle has fueled the acceptance of such products among the large middle-class consumers of developing countries. The changed food consumption trend is being supported by rapid expansion of supermarkets, hypermarkets, and food and restaurant chains around the world.

The increased number of such stores has also forced small grocery retailers and unorganized restaurants to upgrade their infrastructure, with improved electronic appliances including commercial refrigeration equipment. Frick India has been providing refrigeration solution to almost all the vital industries, related to Food and Agriculture, Dairy Production, Meat, Fisheries and Livestock, Beverages and Breweries.

India ranks first in the world in production of fruits and second in vegetables, accounting roughly 10 and 15 per cent, respectively, of total global production. The estimated annual production of fruits and vegetables in the country is about 130 million tonnes accounting to 18 per cent of our agricultural output. India have a strong and dynamic food processing sector playing a vital role in diversifying the agricultural sector, improving value addition opportunities and creating surplus food for agro-food products.

Major vegetables grown are Potato, Onion, Tomato, Cauliflower, Cabbage, Bean, etc. The major fruits grown in India are Mangos, Grapes, Apple, Apricots, Orange, Banana, Papaya, etc., accounts for 40 percent of the national fruit production and India is one of the leading exporters of fresh table grapes to the global market. The changing food habits are discernible. There has been a positive growth in ready –to-serve beverages, fruit juices and pulps, processed fruits and vegetables products and fruits, pickles and chutneys, etc.

Nearly one third of our horticultural produce, especially fruits and vegetables are wasted, mainly on account of poor cold storage and other storage facilities. Wastage of fruits and vegetables due to poor post-harvest management and lack of cold chain facilities have been estimated to cost up to Rs 500 billion annually. The country also experiences wide fluctuations in prices of horticultural produce, particularly potatoes and onions. The cold storages will help boost exports of agricultural and allied produce, marine produce etc.

Various scheme has also been implemented by NABARD/NCDC/NHB. National Horticulture Board towards construction, expansion and modernization of cold storages for horticulture products, to promote setting up of cold storages in the country for reducing post harvest losses.

The Government which subsidises a major portion of the farmers' costs in an effect to uplift them also loses money in this wastage. Hence proper cold chain infrastructure is the need of the hour. Frick India proposes appropriate technologies for Indian Cold Chain where high-value fruits and vegetables can be kept for longer periods thereby adding some value

for the farmers. Fresh and frozen fruits, vegetables are other perishable food commodities which require a cold stream, right from harvesting to consumption, to maintain quality, nutritive value and hygienic safety of the products. Any break in this cold-chain can cause heavy loss due to biological deterioration. The Company has been providing refrigeration solution to almost all the vital industries, related to Food and Agriculture, Dairy Production, Meat, Fisheries and Livestock, Beverages and Breweries, Chemical and Pharmaceutical Industry etc.

Manufacturing has emerged as one of the high growth sectors in India. Prime Minister of India, Mr. Narendra Modi, had launched the 'Make in India' program to place India on the world map as a manufacturing hub and give global recognition to the Indian economy. India is expected to become the fifth largest manufacturing country in the world by the end of year 2020. In the present scenario, owing to the necessity for boosting the industrial strength of India, there are a lot of processes requiring refrigeration equipments.

## **PRODUCT WISE PERFORMANCE**

Ammonia is still the refrigerant of choice for large cold storage facilities. Newly developed Liquid Ammonia Hermetically Sealed Pump is performing well and has less power consumed also. It has been launched in both National and International market. Frick has installed vapour ammonia absorption system with aqueous ammonia for low temperature (Freezers) application working well with better COP and low steam consumption. Frick has launched Glycol Floor Heating System for Cold storage and Frozen applications in the market.

Frick Screw Compressors as installed in the market are performing well, it saves 2 to 5% power than other competitor's compressors due to "No pump Technology" and "Variable VI" in the latest market. Frick has manufactured National biggest Cl2 liquification equipments (650 TPD) with single unit installed which is performing well.

Frick is supplying "ASME" certified pressure vessels and heat exchangers in the international market also. The specialty of Frick Reciprocating compressor is that it saves 1 to 3% of power consumption than others. Frick gas cooled compressor is giving outstanding performance and is less in oil consumption (less than 10 ppm) with coalescing oil separators.

Frick aluminum Air cooling units are spreads in the ammonia international markets giving good performance, less power than SS coils. Frick evaporative condensers are less water consumption with silent operation. Frick India has developed PUF panel with different sizes for Cold Storage, Freezers & Air conditioning applications.

Frick India has been providing refrigeration solution to almost all the vital industries, related to Food and Agriculture, Dairy Production, Meat, Fisheries and Livestock, Beverages and Breweries, Chemical and Pharmaceutical Industry etc.

- ❖ The main products are:
- ❖ Rotary Twin Screw Compressor Blocks
- ❖ Rotary Twin Screw Compressor Packages
- ❖ High Speed Reciprocating Compressors
- ❖ Liquid Overfeed System
- ❖ Evaporative Condensers
- ❖ Two Stage Compound Reciprocating Compressor

- ❖ Frigid Coils 'S' Series (Stainless Steel Tubes & Aluminum Fins)
- ❖ Frigid Coils "A" Series (Aluminum Tubes & Aluminum Fins)

## RISK AND CONCERNS

In any business, risks and prospects are inseparable. Frick is a well known entity and is also exposed to various risks and uncertainties and has access to opportunities across its global presence. The performance, future prospects and cash flow generation could be materially impacted by any of these risks or opportunities. As a responsible management, the Company's principal endeavor is to maximize returns. The Company continues to take all steps necessary to minimize its expenses through detailed studies and interaction with experts. Further, there are constant review meeting at management level to discuss and analyze various near term and long-term risk and formulate plans to mitigate the same.

### Input Cost Risks

### Legal and Compliance risks

**Risk:** Legal and compliance risks relate to risks arising from outcome of legal proceedings, government action, regulatory action, which could result in additional costs.

**Concern:** Company has ensured compliance of all laws applicable to the Company and effectively monitors through efficient compliance management system.

## OUTLOOK

The outlook for the Company for the coming years continues to be positive. Most of the customers have indicated robust growth plans which augurs well for the growth of the Company. While Make-in-India, National Manufacturing Policy (NMP), and Goods & Services Tax (GST) implementation are expected to aid the growth of core sectors thus contributing to new demand for screw compressors, initiatives pertinent to energy efficiency will drive the services market. The Company is confident of capitalising on future growth opportunities driven by its strong capabilities and credentials, and intends to continue investing in marketing, brand building and new product development, as well as nurturing the current areas of the business of the Company.

Introduction of sustainable compressors for commercial refrigeration application is a key trend identified in the global refrigeration and air conditioning compressors market across the globe.

The GDP growth is expected to accelerate moderately to 7.5 per cent in Fiscal Year 19-20, driven by continued investment strengthening, particularly private-improved export performance and resilient consumption, the World Bank has said.

## **ANNEXURE "F" TO THE DIRECTORS' REPORT**

### **COMPLIANCE CERTIFICATE ON CORPORATE GOVERNANCE**

**To,  
The Members of  
FRICK INDIA LIMITED**

We have examined the compliance of conditions of Corporate Governance by Frick India Limited, for the Financial Year ended 31 March, 2019 as stipulated in Regulations 17, [17A], 18, 19, 20, 22, 23, 25, 26, 27 and clauses (b) to (i) of sub regulation (2) of regulation 46 and para C and D of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as SEBI Listing Regulations, 2015).

The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in the SEBI Listing Regulations, 2015. My examination was limited to a review of procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and the management, we hereby certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned SEBI Listing Regulations, 2015, during the Financial Year ended March 31, 2019.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

  - (u) The Air (Prevention and Control of Pollution) Act, 1981 and the rules made thereunder;
  - (v) The Environment Protection Act 1986 and the rules made thereunder;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standard-1 and Secretarial Standard-2 as issued by The Institute of Company Secretaries of India and notified by Central Government.
- (ii) The Listing Agreement (to the extent applicable during audit period) entered into by the Company with Metropolitan Stock Exchange of India and SEBI LODR.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

**We further report that**

The Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors. During the audit period, Mr. Jaswinder Singh Jassal Independent Director of the Company has resigned w.e.f. August 13, 2018 due to his Pre-occupation and Professional Commitments, however, no other changes have been taken place in the composition of the Board of Directors. The Board Composition is intact as per the applicable provisions of SEBI (LODR) Regulations, 2015.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

**We further report that** there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**We further report** that during the audit period, we have observed that:

- i) Form IEPF-2 for filing of statement of unclaimed & unpaid amounts which should be filed within 90 days of Annual General Meeting dated 29.08.2018, has not been filed till date, however, the Form IEPF-2 relating to Annual General Meeting dated 08.09.2017 has been belatedly filed on 09.05.2019.
- ii) Pursuant to the provision of Section 124 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer And Refund) Rules, 2016, a Company whose dividend remains unpaid/unclaimed for a period of seven consecutive years shall be required to transfer such shares to the special purpose DEMAT Account, accordingly, the Company was required to transfer such shares into Demat Account of IEPF. We have been informed that during the Financial Year 2017-18 and 2018-19, the Company had received request from certain shareholders claiming their unpaid dividend for past years and therefore the Company was in process of identifying the shareholders who have not encashed the dividend warrants for a continuous period of last seven years and hence, Form IEPF-4 for filing of statement of shares transfer to IEPF could not be filed. Further, the Company has now published the newspaper advertisement in Financial Express (English Edition) and Hari Bhoomi (Hindi Edition) in relation to the Transfer of shares of the Company to Demat account of IEPF Authority, in respect of which dividends have not been paid or claimed for seven consecutive years or more.
- iii) The Cost Audit Report in Form CRA-3 has not been filed with the Registrar of Companies in e-Form CRA-4 for the Financial Year 2017-18.

**INDEPENDENT AUDITOR'S REPORT****To the Members of Frick India Limited****Report on the Audit of the Financial Statements****Opinion**

We have audited the accompanying financial statements of Frick India Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (herein after referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, its total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended March 31, 2019. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Responsibility of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Other matters:**

Attention is invited to note no. 44 (B) (8) of the financial statements regarding, managerial remuneration paid/provided to Managing Director in excess of limit prescribed under section 197 and Schedule V by Rs.33.19 Lakhs the same is subject to approval by the shareholders in ensuing general meeting.

Our Opinion is not modified in respect of above matter.

**Annexure – A to the Independent Auditors' Report**

The Annexure referred to in Independent Auditors' Report to the members of the Frick India Limited on the financial statements for the year ended 31<sup>st</sup> March 2019, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
  - (b) The fixed assets have been physically verified by the management according to the program of periodical verification in phased manner which in our opinion is reasonable having regard to the size of the company and the nature of its fixed assets. The discrepancies noticed on such physical verification were not material.
  - (c) According to the information and explanations given to us and on the basis of our examination of records of the Company, the title deeds of immoveable properties are held in the name of the Company.
- ii) The inventories of the Company (except stock in transit, which has been verified from receipt of material) have been physically verified by the management at reasonable intervals (read with Note no. 51) and the procedures of physical verification of inventory followed by the Management are reasonable in relation to the size of the Company and nature of its business. The discrepancies noticed on such physical verification of inventory as compared to book records were not material and have been properly dealt with in the books of accounts.
- (iii) The Company has not granted any loans during the year, secured or unsecured, to Companies, Firms, Limited Liability Partnerships or other parties required to be covered in the register maintained under section 189 of the Act. Therefore the provisions of clause 3(iii)(a),(b) and (c) of the Order are not applicable.
- (iv) According to the information, explanations and representations given to us and based upon audit procedures performed, we are of the opinion that in respect of loans, investments, guarantees and securities, the Company has complied with the provisions of section 185 and 186 of the Act.
- (v) As per the information and explanations provided to us, the Company has not accepted any public deposits from public within the provision of Section 73 to 76 of the Act or any other relevant provisions of the Act and Rules framed thereunder (to the extent applicable). Therefore, the provisions of clause 3(v) of the Order are not applicable to the Company. We have been informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or other Tribunal in this regard.
- (vi) We have broadly reviewed the books of account maintained by the company pursuant to the rules made by the Central Government for the maintenance of the cost records under section 148(1) of the act in respect of the company's products to which the said rules are made applicable and are on the opinion that prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the said records with a view to determine whether they are accurate or complete.
- (vii) (a) According to the records of the company, the company is regular in depositing undisputed statutory dues including

provident fund, employees' state insurance, income tax, sales tax, service tax, custom duty, excise duty, value added tax, entry tax, goods and service tax, cess and other material statutory dues, with the appropriate authorities to the extent applicable and there are no undisputed statutory dues payable for a period of more than six months from the date they become payable as at 31<sup>st</sup> March 2019.

- (b) According to the records and information & explanations given to us, there are no dues in respect of income tax, sales tax, service tax, goods and service tax, duty of excise and value added tax that have not been deposited with the appropriate authorities on account of any dispute except:-

Name of the statute	Nature of dues	Period to which amount relates	Amount Involved (Rs. in Lakhs)	Forum where dispute is pending
Bhubaneswar Works Contract Tax Act, Odissa	Works Contract tax	01.04.1990 to 31.03.1992	0.82	Matter pending before Tribunal
Kolkata West Bengal Sales tax Act	Sales Tax	01.04.1975 to 31.03.1976	0.32	Appeal pending before Tribunal
West Bengal Sales Tax Act		01.04.1976 to 31.03.1977	1.05	Appeal pending before Appellate Authority
Income Tax Act, 1961	Income Tax	AY 2005-06	16.84	Appeal pending with ITAT
	Income Tax	AY 2006-07	8.09	Appeal pending with ITAT
	Income Tax	AY 2007-08	5.04	Appeal pending with ITAT
	Income Tax	AY 2009-10	35.04	Appeal pending with ITAT
	Income Tax	AY 2010-11	0.49	Appeal pending with ITAT
	Income Tax	AY 2016-17	0.95	CIT (Appeals)

- (viii) In our opinion, on the basis of audit procedures and according to the information and explanation given to us, the company has not defaulted in repayment of loans and borrowings to financial institutions and banks. The company has neither taken any loan from the government (State and Central) nor having any outstanding debentures during the year.
- (ix) On the basis of information and explanation given to us, term loans have been applied for the purposes for which they were obtained. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments).
- (x) Based on the audit procedures performed and on the basis of information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) On the basis of records and information and explanations made available and based on our examinations of the records of the company, the company has paid / provided managerial remuneration, in accordance with the requisite approvals mandated under Section 197 read with Schedule V of the Act {This is to be read with Note no. 44(B)(8) and foot note to Note no. 44(B)}.
- (xii) On the basis of information and explanation given to us, the Company is not a Nidhi Company. Accordingly, reporting under clause 3 (xii) of the said order is not applicable.

- (xiii) As per the information and explanations and records made available by the management of the company and audit procedures performed, for the related parties transactions entered during the year, the company has complied with the provisions of section 177 and 188 of the Act, where applicable. As explained and as per the records / details, the related party transactions have been disclosed in the financial statements as required by the applicable accounting standards (refer Note no. 44).
- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- (xv) According to the information and explanations given to us and based on our examination of the records, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, clause 3(xv) of the Order is not applicable.
- (xvi) According to the information and explanation given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

#### **Annexure – B to the Independent Auditors' Report**

##### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Frick India Limited ("the Company") as of 31<sup>st</sup> March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

##### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

##### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether

adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, (read with note no. 49(a), 49(b) and 51 of the Financial statements) an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019****1. COMPANY OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES****I. Company Overview**

Frick India Limited (the 'Company') is a public limited Company domiciled in India with its registered office located at 21.5 Km., Main Mathura Road, Faridabad -121003. (Haryana). The Company is listed on the Metropolitan Stock Exchange of India Limited. The Company is engaged in the business of manufacturing of industrial refrigeration & air-conditioning equipment. These financial statements were approved and adopted by board of directors of the Company in their meeting held on May 15, 2019.

**II. Basis of Preparation of financial statements and Significant accounting judgements, estimates and assumptions****(i) Basis of Preparation of financial statements:**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Companies Act, 2013 and relevant amendments rules issued thereafter. The Company has consistently applied the accounting policies used in the preparation of its financial statements.

These financial statements have been prepared and presented under historical cost convention on accrual basis, except for the items that have been measured at fair value as required by relevant Ind AS. The financial statements are presented in Indian Rupees which is the Company's functional and presentation currency and all amounts are rounded to the nearest lakhs and two decimals thereof, except as otherwise stated.

**(ii) Significant accounting judgements, estimates and assumptions**

The preparation of these financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies, the accounting disclosures made and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Continuous evaluation is done of the estimates and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

**(III) Significant Accounting Policies****a. Property, Plant and Equipment****(i) Recognition and Measurement**

Property, plant and equipment are measured at acquisition cost net of tax/duty credits availed, (if any), less accumulated depreciation and accumulated impairment losses, (if any). Cost includes expenses directly attributable to bringing the Asset to their location and conditions necessary for it to be capable of operating in the manner intended by the management. Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress". Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets.

Subsequent cost are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that is future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to Statement of profit or loss during the period in which they are incurred.

The cost and related accumulated depreciation are eliminated from the financial statements, upon sale and disposition of the assets and the resultant gains or losses are recognized in the statement of profit and loss.

Assets costing Rs. 7500/- or less are charged to revenue in the year of purchase.

The Depreciation methods, useful lives and residual values are reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

**(ii) Depreciation**

Depreciation on Property, Plant and Equipment has been provided on written down value method as per the useful life of assets, as estimated by the management, which is in line with Schedule II to the Companies Act, 2013. The estimated useful lives of the assets are as follows:

Building	:	30/60 years
Jig & Dies	:	8-15 years
Plant and Equipments	:	15 years
Electrical Fitting & instalation	:	10 years
Furniture and fixtures	:	10 years
Vehicles	:	8/10 years
Office equipment	:	5 years
Computers	:	3/6 years
Refrigeration equipments	:	5 years

**b. Intangible Assets**

Intangible Assets are recognised, if the future economic benefits attributable to the assets are expected to flow to the company and cost of the asset can be measured reliably. Such intangible assets are measured at cost less any accumulated amortization and impairment losses, if any.

Intangible assets with finite lives are amortised on a straight-line basis over the period of their expected useful life.

Estimated useful life by major class of intangible assets are as follows:

Computer Software: 3 years

Design & Development: 5 years

The amortization period and the amortization method for an intangible asset with finite useful life is reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

**c. Research and development**

Revenue Expenditure pertaining to research is charged to the statement of profit & Loss.

Development costs of products are charged to the statement of profit and loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalized.

**d. Inventories**

Inventories are valued as under:

a. Raw materials, components, construction materials, stores, spares and loose tools at lower of cost or net realisable value.

b. Work-in-progress at lower of material cost plus labour cost or net realisable value.

c. Finished goods are valued at lower of cost or net realisable value. Cost includes related overheads.

d. Contract jobs in progress at sites are valued at lower of Cost or net realisable value.

Cost is computed on First in First out basis. The net realisable value is the estimated selling price in ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

**e. Cash and Cash Equivalents**

Cash and Cash equivalents includes cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

**f. Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

**a) Financial Assets**

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. Financial assets include cash and cash equivalents, trade and other receivables, investments in securities and other eligible current and non-current assets.

**Initial Measurement**

An Initial recognition, all financial assets are measured at fair value. Transaction costs that are directly attributable to

the acquisition of financial assets, which are not at fair value through profit or loss, are added to the fair value of underlying financial assets on initial recognition. Trade receivables that do not contain a significant financing component are initially measured at their transaction price.

#### **Subsequent Measurement**

Such financial assets are subsequently classified under following three categories according to the purpose for which they are held. The classification is reviewed at the end of each reporting period.

##### **i. Financial assets at amortised cost**

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates. These financial assets are intended to be held until maturity. Therefore, they are subsequently measured at amortised cost by applying the Effective Interest Rate (EIR) method to the gross carrying amount of the financial asset. The EIR amortisation is included as interest income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

##### **ii. Financial assets at Fair value through other comprehensive Income**

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates, as well as held for selling. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognised in Other Comprehensive Income (OCI). Interest income calculated using the effective interest rate (EIR) method, impairment gain or loss and foreign exchange gain or loss are recognised in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from the OCI to Statement of Profit and Loss.

##### **iii. Financial assets at Fair value through profit or loss**

At the date of initial recognition, Financial assets are held for trading, or which are measured neither at Amortised Cost nor at Fair Value through OCI. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognised in the Statement of Profit and Loss.

#### **Trade Receivables**

A Receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. All debts and advances are reviewed by the management at the year end by taking into account their age, performance of job, complaints received from customers and other factors. Provision is made by the management after taking into consideration all relevant facts.

#### **Investment in equity Shares**

Investments in Equity Securities are subsequently measured at fair value through Profit and Loss. Any subsequent fair value gain or loss is recognized through Profit or Loss.

#### **Investments in mutual Funds**

Investments in Mutual Funds are subsequently measured at fair value through Profit and Loss. Any subsequent fair value gain or loss is recognized through Profit or Loss Account.

#### **Investments in bonds**

Investments in bonds are subsequently measured at fair value through Profit and Loss. Any subsequent fair value gain or loss is recognized through Profit or Loss Account.

#### **Derecognition**

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

#### **Impairment**

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets,

expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

**b) Financial Liabilities**

The Company recognizes financial liabilities when it becomes a party to the contractual provisions of the instrument.

Financial liabilities include long-term and short-term loans and borrowings, trade and other payables and other eligible current and non-current liabilities.

**Initial Measurement**

All financial liabilities are recognized initially at fair value. Transaction costs that are directly attributable to the release of financial liabilities, which are not at fair value through profit or loss, are added to the fair value of underlying financial liabilities on initial recognition. Trade payables that do not contain a significant financing component are initially measured at their transaction price.

**Subsequent Measurement**

The measurement of financial liabilities depends on their classification, as described below:

**i. Financial liabilities at Fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss. Financial liabilities at fair value through profit or loss are at each reporting date with all the changes recognized in the Statement of Profit and Loss.

**ii. Financial liabilities measured at amortised cost**

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method ("EIR"). Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortisation is included in finance costs in the Statement of Profit and Loss.

**Loans and borrowings**

Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

**Trade and other payables**

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

**Derecognition**

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

**g. Impairment of Non-Financial Assets**

The carrying amount of Property, plant and equipments, Intangible assets are reviewed at each Balance

Sheet date to assess impairment if any, based on internal / external factors. An asset is treated as impaired, when the carrying cost of asset exceeds its recoverable value, being higher of value in use and net selling price. An impairment loss is recognised as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed, if there has been an improvement in recoverable amount.

#### **h. Revenue Recognition**

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

An entity shall account for a contract with a customer when all of the following criteria are met:

- the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform the irrevocable obligations;
- the entity can identify each party's rights regarding the goods or services to be transferred;
- the entity can identify the payment terms for the goods or services to be transferred;
- the contract has commercial substance (i.e. the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and
- it is probable that the entity will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer.

In evaluating whether collectability of an amount of consideration is probable, an entity shall consider only the customer's ability and intention to pay that amount of consideration when it is due. The amount of consideration to which the entity will be entitled may be less than the price stated in the contract if the consideration is variable because the entity may offer the customer a price concession

#### **Sale of goods**

Revenue from sale of product is recognised at the point in time when control of the asset is transferred to the customer, usually on dispatch of the goods from the factory/storage area/port respectively. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Effective 01 April 2018, the company has adopted Indian Accounting Standard (Ind AS) 115 'Revenue from contracts with customers' using the cumulative catch-up transition method and accordingly comparative amount have not been retrospectively adjusted. There is no material impact of adoption of Ind AS 115.

#### **Other income**

- a. Interest income is accrued on a time basis by reference to the principal outstanding and the effective interest rate.
- b. Dividend income is accounted in the period in which the right to receive the same is established, which is generally when shareholders approve the same
- c. Export Incentives and Insurance Claims are accounted for on receipt basis.
- d. Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

#### **I. Employee Benefits**

##### **a) Defined contribution plans**

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, employee pension scheme, provident fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

##### **b) Defined benefit plans**

Retirement benefits in the form of gratuity and Leave Encashment are considered as defined benefit plan and determined on actuarial valuation using the Projected Unit Credit Method at the balance sheet date. Actuarial Gains or Losses through re-measurement of the net obligation of a defined benefit liability or asset is recognized in Other

Comprehensive Income. Such re-measurements are not reclassified to Statement of Profit and Loss in subsequent periods. Other costs are accounted for in the statement of Profit and Loss.

**c) Short Term Employee Benefits:**

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized during the period in which the employee renders related service.

**d) Other Employee Benefits:**

Entitlements to annual leave and sick leave are recognized when they accrue to employees. Sick leave can only be availed while annual leave can either be availed or encashed subject to a restriction on the maximum number of accumulation of leave. The Company determines the liability for such accumulated leaves using the Projected Accrued Benefit method with actuarial valuations being carried out at each Balance Sheet date.

**j. Job Expenses**

The expenses incurred on various jobs by our customers and others for which the claims bills are received in succeeding years have been provided for on estimate basis. The claim exceeding the amount of provisions are accounted for in the year in which settled.

**k. Claims realised**

Claims realised for material lost or damaged are credited to Purchases in the year of settlement.

**l. Borrowing Cost**

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized, (if any). All other borrowing costs are expensed in the period in which they occur.

**m. Income Taxes**

Income tax is comprised of current and deferred tax. Income tax expense is recognized in the Statement of Profit and Loss, except to the extent it relates to items directly recognized in equity or in other comprehensive income.

**Current tax:**

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

**Deferred tax:**

Deferred tax is recognized using balance sheet approach on temporary differences between the tax bases of assets and liabilities and carrying amounts of assets and liabilities for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary

differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

#### **Off-setting of assets and liabilities**

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

#### **n. Provisions and Contingent Liabilities**

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding to settle such obligation and the amount of such obligation can be reliably estimated.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

#### **o. Segment Reporting:**

The Company is primarily engaged in the business of manufacture, supply and execution of Industrial Refrigeration and Air conditioning systems. As the basic nature of these activities is governed by the same set of risks and returns, therefore, has only one reportable segment.

#### **p. Cash Flow statement:**

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

#### **q. Foreign Currency**

##### **Initial Recognition:**

The financial statements are presented in Indian rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

##### **Transactions and balances**

Transactions in foreign currencies are initially recorded by the Company at its functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in the Statement of profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/ (losses).

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of

the item (i.e., translation differences on items whose fair value gain or loss is recognized in OCI or profit or loss are also recognized in OCI or profit or loss, respectively)

**r. Earnings per Share**

Basic earnings per share is calculated by dividing the net profit attributable to the equity holders of the company by the weighted average number of ordinary shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**s. Lease**

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date, whether fulfillment of the arrangement is dependent on the use of a specific asset or assets or the arrangement conveys a right to use the asset, even if that is not explicitly specified in an arrangement.

**Company as a lessee:**

Lease payments under operating leases are recognized as an expense on a straight line basis in the Statement of Profit and Loss over the lease term.

**t. Fair Value Measurements**

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability.
- OR
- In the absence of principal market, in the most advantageous market for the asset or liability. The principal or most advantageous market must be accessible by the Company.
- All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;
- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
  - Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
  - Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### 37. FINANCIAL RISK MANAGEMENT:-

#### Financial Risk Factors

The Company's financial liabilities comprise borrowings and trade & other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade receivables, cash and short-term deposits that arise directly from its operation. The company's activities are exposed to a variety of financial risk from its normal business operation. The key financial risks include market risk (including foreign currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

#### I. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to fluctuation in market prices. Market risk comprise three types of risk: currency rate risk, interest rate risk and other price related risks. Financial instruments affected by market risk includes borrowings, investments, trade payables, trade receivables and loans.

#### (a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Borrowings at variable rates exposes to cash flow risk. With all other variables held constant, the following table demonstrates composition of fixed and floating rate borrowing of the company and impact of floating rate borrowings on company's profitability.

Investment in Bonds	148.31	152.07

**II. Credit risk**

Credit risk arises from the possibility that counter party may not be able to settle their obligation as agreed. Credit risk primarily arises from financial assets such as trade receivables, other balance with banks, loans and other receivables.

**Trade Receivables:** - The maximum exposure to credit risk is from trade receivable which are unsecured. The company periodically assesses the credit quality of counter parties, taking into the financial condition, current economic trends, past experiences and other factors.

The company has a well-defined sales policy to minimize its risk or credit defaults. Outstanding receivables are regularly monitored and assessed. Impairment analysis is performed based on historical data at each reporting date on an individual basis.

Financial assets are written off when there is no reasonable expectation of recovery, such as customer failing to engage in a repayment plan with the company. Where financial assets have been written off, the company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in Profit or loss.

**Other Financial Assets:** Credit Risk arising from investment in mutual funds and other balance with bank is limited and there is no collateral held against these because the counter parties are banks and recognized financial institutions with high credit rating assigned by the international credit rating agencies.

**III. Liquidity Risk**

Liquidity risk is the risk, where the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due.

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments

The following methods and assumptions were used to estimate the fair values:

1. Cash and short-term deposits, trade receivables, loans, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
2. Fair value of Investments in quoted mutual funds and equity shares are based on quoted market price at the reporting date.

**Fair Value Hierarchy**

All financial assets and liabilities for which fair value is measured in the financial statements are categorized within the fair value hierarchy, described as follows:

Level 1 - Quoted prices in active markets.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable, either directly or indirectly.

Level 3 - Inputs for assets or liabilities that are not based on observable market data.

The following table presents the fair value measurement hierarchy of financial assets and liabilities, which have been measured subsequent to initial recognition at fair value

The Company provides product warranty to its customers. Provision is made for estimated warranty claims in respect of product sold which are still under warranty at the end of the reporting period. Management estimates the provision based on historical warranty claim information and any recent trend that may suggest future claims could differ from historical amounts.

**56. Standards issued but not yet effective:****(i) Ind AS 116- Leases:**

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS116, Leases. Ind AS116 will replace the existing leases Standard, Ind AS17 Leases. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

This Ind AS will come into force from annual periods beginning on or after April 1, 2019. The Company is evaluating the requirement of this Ind AS and the effect of this on the financial statements will be given in the due course.

**(ii) Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments :**

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected

value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates. The amendment will come into force from annual periods beginning on or after April 1, 2019. The Company is evaluating the requirement of the amendment and the effect of this on the financial statements will be given in the due course.

**(iii) Amendment to Ind AS 12 – Income taxes:**

On March 30, 2019, Ministry of Corporate Affairs issued amendments in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

The amendment will come into force from annual periods beginning on or after April 1, 2019. The Company is evaluating the requirement of the amendment and the effect of this on the financial statements will be given in the due course.

**(iv) Amendment to Ind AS 19 – plan amendment, curtailment or settlement:**

On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

The amendment will come into force from annual periods beginning on or after April 1, 2019. The Company is evaluating the requirement of the amendment and the effect of this on the financial statements will be given in the due course.
