Special Resolution

Item No. 9

At an Annual General Meeting of the members of the Company held on 30th July, 2012, members approved appointment and remuneration payable to Mr. E. Purushotham, Managing Director, for a period of Three years from 01st August, 2012 to 31st July, 2015. The remuneration was then fixed considering the estimated profitability of the Company.

However due to non commencement of supplies to USA and European countries on account of audit issues raised by the regulatory authorities from European Directorate Quality Management (EDQM) and USFDA, the operations of the company were adversely affected resulting into substantial drop in turnover by more than 50% and consequent loss incurred by the Company. Remuneration paid to Mr. E. Purushotham and Mr. E. Swapnil, other whole-time Director as per earlier approval exceeded 10% of the net profits of the Company. As a result excess remuneration of Rs. 30 Lacs was paid to Mr. E. Purushotham for Financial Year 2013-14.

While company's application was under process, Central Government directed to recover the excess remuneration for Financial Years from 2010-11, 2011-12 and 2012-13 paid in excess of 5% of net profits under Companies Act. Accordingly Company submitted applications to the government for waiver of the excess remuneration paid to Mr. E. Purushotham, Managing Director for Financial Years from 2010-11, 2011-12, 2012-13 and 2013-14.

Details of excess remuneration paid:

Period	Total Remuneration paid	Entitlement under the provisions of Companies Act,2013	Excess Remuneration to be waived off
01/04/2010 to 31/03/2013	32,036,480	21,758,101	10,278,379
01/04/2013 to 31/03/2014	7,200,000	4,200,000	3,000,000
Total	39,236,480	25,958,101	13,278,379

Pursuant to the Section 197 of the Act as amended under Companies (Amendment) Act, 2017, any application pending with the Central Government under Section 197 on 12th September 2018 (Effective Date of Amendment Act coming into force) will automatically abate on the Effective Date and companies have to seek approval from the members of the company within a period of 1 (one) year from the Effective Date. Since on the Effective Date, applications made by the Company for approval for waiver of excess remuneration paid to Mr. E. Purushotham were pending, approval of the members is now being sought. In this regard the company further declares that it has not committed any default in repayment of its debts to any of its secured creditors.

In compliance with the provisions of Section 197 of the Act (as amended), the terms of remuneration specified in the resolution are placed before the Members for their approval in relation to the waiver of recovery of excess remuneration paid to Mr. E. Purushotham.

Except Mr. E. Purushotham , Mr. E. Swapnil and Mrs. E. Vaishnavi, none of the Key Managerial Personnel of the Company and their relatives are concerned or interested in the resolutions.

Directors recommend Resolution for your approval.

6. Human Resource Development (HRD) & Industrial Relations

The Company continues to have cordial and harmonious relations with its employees. Your Directors place on record their appreciation for the commitment, dedication and hard work put in by the employees of the Company.

With an aim to expand product range and operations, the Company has made several new appointments to its existing team in various departments. The Company is constantly enhancing the skill set of its manpower to build a human capital base to support future growth.

7. Quality, Safety & Environment

The Company has an experienced and accomplished professional to head the Quality Assurance function. Under his supervision, the quality team is actively engaged in overhauling quality systems and procedures to improve regulatory compliance.

The company is working continuously to reduce waste generation and environmental load. Due to various initiatives, the company is recycling 7300 kL of water per annum, reducing environmental load as well as fresh water consumption. In addition, the company is engaging and training employees to continuously improve working practices to meet zero accident level.

8. Research and Development (R&D)

For accelerating the pace of development of new products and improving processes of existing products, the company has set up a state-of-the-art. Research and Development Laboratory in Hyderabad which has commenced operations from 08th April, 2019.

9. Corporate Governance

Corporate Governance deals with ethical conduct, integrity and accountability. Good Corporate Governance involves a commitment of the Company to run the business in a legal, ethical and transparent manner, runs from the top and permeates throughout the organization. It is a key element improving the economic efficiency of Organization.

The Company has complied with the mandatory requirements of the code of Corporate Governance as detailed in clause 17 to 27 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

As per Listing Regulations, a separate section on Corporate Governance forms part of this report. A Certificate from Statutory Auditors confirming compliance of Corporate Governance forms part of this Report.

Corporate Governance Report is enclosed as a part of the Annual Report along with the certificate from the Statutory Auditors, M/s. N. R. Waghchaure & Associates, Chartered Accountants, Solapur confirming compliance to the code of Corporate Governance as stipulated Para E of schedule V of the Securities and Exchange Board of India (Listing obligations and Disclosure requirements) Regulations, 2015.

Certificate of the CEO/CFO, confirming the correctness of the financial statements, compliance with the Company's Code of Conduct and the Audit Committee in terms of Regulation 17 of the Listing Regulations is attached in the Corporate Governance report and forms part of this report.

10. Internal Control Systems

The Company has adequate internal control procedures commensurate with the size of the company and the nature of its business with regard to purchases of inventory, fixed assets and with regard to the sale of goods. However, to improve these systems, the company is planning to implement a suitable ERP system in FY 2018-2019.

11. Management Discussion and Analysis

11.1 Business of the Company and Future Outlook:

The company clocked a healthy 42% growth in revenue mainly on the back of growth in the domestic market. The domestic business experienced a robust 57% increase due to strong volume growth in key products. Exports grew 21% to touch Rs 50.47 crore on account of better price realization in export markets. The company experienced upward pressure on raw material prices due to disruption in global supply chains attributes to adverse events in China. This has led to higher raw material costs in the current financial year. However, the growth rate of variable and semi variable costs was controlled, resulting in higher profit realization as compared to previous financial year.

The company is glad to have repaid all its long term loans with banks including a significant portion of Working Capital Term Loan (WCTL) that was not due in the current year. By managing better receivable and payable cycles, the working capital requirement was also kept in tight control, which resulted in lowering interest cost.

For FY 2019 - 20, the company sees top line growth coming through increased volumes of high value products, which were launched in the previous year. Although capacity utilization has increased in FY 2018 - 19, the company's existing capacity is enough to handle our projected growth in product volumes for FY 2019 - 20. Hence, there is no capital expenditure planned for increasing capacity. All capital expenditure planned in FY 2019 - 20 will be for debottlenecking and improving productivity. Owing to higher capacity utilization and better productivity, the company is expecting the profit growth to be robust in FY 2019 - 20.

The Company is registering its products in several countries directly and through our reputed customers. This will build a strong base for future export growth.

A state-of-the-art Research and Development center has started its operations in Hyderabad. A qualified and experienced team of scientists is currently working on developing API products for commercial launch in FY 2019 - 20.

11.2 Opportunities and Threats

The crackdown on chemical industry due to safety and pollution concerns in China has created a supply shortage of several feedstock and other chemicals globally. The current supply disruption of key raw materials for various API from China has created a lot of uncertainty for the industry. Firstly, there is uncertainty about prompt availability of raw materials. We are mitigating this risk by addition of newer vendors. We may have to marginally increase buffer stock of some materials. Secondly, there is an upward pressure on raw materials prices. However, some of this potential cost increase can be passed on to customers by revision of prices of finished goods.

The Chinese crackdown has created a lot of opportunities for Indian manufacturers including our company. We are manufacturing in house certain materials, which were earlier sourced from China. This backward integration has not only helped us secure supply of key raw materials, but also helped us reduce cost of finished products significantly. We are continuously working on manufacturing strategic raw materials.

12. Board of Directors

12.1 Directors

The Board of Directors is chaired by Executive Promoter Chairman and has an optimum combination of Executive, Non- Executive and Independent Directors.

INDEPENDENT AUDITORS' REPORT

To,

The Members of Smruthi Organics Limited

Standalone Financial Statements

We have audited the accompanying standalone Ind AS financial statements of Smruthi Organics Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including other comprehensive Income), the Cash Flow Statement and the statement of changes of equity for the year ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, profit or loss (financial performance including other comprehensive Income and cash flows and changes in the equity) of the Company in accordance with the accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Standalone Ind AS financial statement in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including Ind AS of the state of affairs (Financial Position) of the Company as at March 31, 2019, and its loss (Financial performance including other comprehensive Income) and its cash flows and the changes in equity for the year ended on that date

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order) issued by the Central Government in terms of sub-section (11) of section 143 of the Act, we give in Annexure A, a statement on matters specified in paragraphs 3 and 4 of the said order .
2. As required by Section 143 (3) of the Act, we report that:
 - 2.1 We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - 2.2 In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - 2.3 The Balance Sheet, the Statement of Profit and Loss, Cash Flow Statement and statement of changes in equity dealt with by this Report are in agreement with the books of account.
 - 2.4 In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015.
 - 2.5 In the course of our audit we have not come across any transactions or matters which have any adverse effects on the functioning of the company.
 - 2.6 On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - 2.7 With respect to the adequacy of the internal financial control over financial reporting of the company and operating effectiveness of such controls.
 - 2.8 With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in Standalone Ind AS financial statement.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 2(g) under the heading of " Report on other legal and regulatory requirements of our report of even date."

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Smruthi Organics Limited ("the Company") as of 31st March 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes To the Standalone Financial Statement
as on 31.03.2019

1. Background

Smruthi Organics Limited (the company') is a company limited by shares, incorporated and domiciled in India. The company is engaged in the manufacture of Active Pharmaceutical ingredients (API's) i.e. Bulk Drugs and Drug Intermediates.

2. Significant accounting policies

System of Accounting

First-time adoption of Ind AS Pursuant to the Companies (India Accounting Standard) Rules, 2015,

The Company has adopted 31st March 2019 as reporting date for second time adoption of India Accounting Standard (Ind AS) and consequently 1st April 2016 as the transition date for preparation of financial statements. The financial statements for the year ended 31st March 2019, are prepared in accordance with Ind AS. Upto the Financial year ended 31st March 2018, the Group prepared its financial statements in accordance with the Accounting Standards notified under the Section 133 of the Companies Act 2013, read together with Companies (Accounts) Rules 2014 (Previous GAAP).

For preparing these financial statements, opening balance sheet was prepared as at 1st April 2017 i.e., the date of transition to Ind AS. The figures for the previous periods and for the year ended 31st March 2018 have been restated, regrouped and reclassified, wherever required to comply with Ind AS and Schedule III to the Companies Act 2013 and to make them comparable.

This note explains the principal adjustments made by the Group in restating its financial statements prepared in accordance with Previous GAAP, including the balance sheet as at 1st April 2017 and the financial statements as at and for the year ended 31st March 2018.

Exemptions

On transition to Ind AS, the group has applied the following exemptions:

1. Group has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1st April 2017 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.
2. Group has elected to continue with the carrying value of all of its intangible assets recognised as at 1st April 2017 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.
3. Ind AS 102 Share based payment has not been applied to equity instruments in share based

ii. Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the followings:

- " Certain financial assets and liabilities that are measured at fair value; (refer accounting policy regarding financial instruments)
- " Defined benefit plans - plan assets measured at fair value

lii Current and non-current classification

An asset is classified as current if:

- I It is expected to be realized or sold or consumed in the Company's normal operating cycle;
- ii It is held primarily for the purpose of trading;
- iii It is expected to be realized within twelve months after the reporting period; or
- iv It is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A Liability is classified as current if

- i It is expected to be settled in normal operating cycle;
- ii It is held primarily for the purpose of trading;
- iii It is expected to be settled within twelve months after the reporting period;
- iv It has no unconditional right to defer the settlement of the liability for at least twelve months after reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between acquisition of assets for processing and their realization in cash and cash equivalents. Based on the nature of products and time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities

2.2 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker. The chairman and Managing Director has been identified as being the Chief Operating Decision Maker.

The Segment results are as under

(Rs. in Lakhs)

Sr.No.	Particulars	Total
1	Gross revenue	15716
2	Net Revenue	13829
3	Segment expenses	12853
4	Profit before interest, depreciation and tax	1748
5	Segment Profit/Loss before tax	976
6	Tax Expenses (DTL)	290
7	Profit /Loss (-) after tax	686

2.3 Foreign Currency Transactions

i. Functional and presentation currency

Item included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency') The financial statements are presented in Indian rupee (₹), which is Smruthi Organics functional and presentation currency.

ii Transactions and balances

Foreign Exchange Transactions are translated into the functional currency using the exchange rates at the dates of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary liabilities denominated in foreign currencies at year end exchange rate are generally recognized in statement of profit and loss.

Non-monetary items that are measured in items of historical cost in a foreign currency, using the exchange rate at the date of the transaction. Non- monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on liabilities carried at fair value are reported as part of the fair value gain or loss.

2.4 Revenue recognition

i) Revenue from Sale of Goods

Revenue from Sale of Goods is recognized when all the significant risk and rewards of ownership have been transferred to the buyer, revenue can be measured reliably, the costs incurred can be measured reliably, it is probable that the economic benefits associated to the transaction will flow to the entity and there is no continuing management involvement with the goods. Transfer or risks and rewards vary depending on the individual terms of contract of sale. Revenue from sale of goods is stated inclusive of GST and net of returns, trade allowances, rebates, GST and amounts collected on behalf of third parties.

ii) Interest Incomes

For all financial instruments measured at amortized cost, interest income is recognized using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period where appropriate, to the net carrying amount of the financial asset. Interest income is included in Other Income in the Statement of Profit and Loss.

2.5 Income Taxes

The income tax expense or credit for the period is the tax payable on the current period taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated as the company is under MAT under section 115JB of the Income Tax Act.

Income Tax is computed after adjustments of Other Comprehensive income (Foreign Exchange fluctuation amount).

Deferred income tax is provided in full, using the liability method, on temporal difference arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets realized or the deferred income tax liability is settled

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses

Deferred tax liabilities are not recognized for temporary differences between the carrying amount and tax bases of investments in subsidiaries where the Company is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets are not recognized for temporary difference between the carrying amount and tax bases of investments in subsidiaries where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilized.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balance relate to the same taxation, authority. Current tax assets and liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the assets and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively

Deferred Tax Assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly MAT is recognized as deferent tax asset in the Balance sheet when the asset can be measured reliably and it is probable that the future entomic benefit associated with the asset will be realized. During the year revised DTL of last four years is calculated and Rs. 269 Lakhs is debited to Profit & Loss Account by crediting the DTA.

2.6 Impairment

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss will be recognized for the amounts by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash- generating units). Non- financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

2.7 Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowing in current liabilities in the balance sheet.

2.8 Trade Receivables

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment.

During the year under audit the company has debited Rs. 54,02,454/- as a Bad Debts.

2.9 Inventories

Cost of raw materials and stores comprise of cost of purchase. Cost of work-in-progress and finished goods comprises direct materials labour and an appropriate preparation of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also include all other cost incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated costs of completion and the estimated necessary to make the sale. Items held for use in production of inventory are not written below cost if the finished product in which there will be incorporated are expected to be sold at or above cost.

2.10 Investments and Other Financial Assets

i) Classification

The company classifies its financial assets in the following measurements categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortized cost.
- The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.
- For assets measured at fair values, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instrument, this will depend on the business model in which the investment is held. For investment in equity instruments, this will depend on whether the company has an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The company reclassifies debt investments when and only when its business model for managing those assets changes.

ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

iii) Impairment of Financial Assets

For trade receivable only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

2.11 Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet where there is a legally enforceable right to offset the recognized amount and there is an intention to settle on a net basis the assets and settle the liabilities simultaneously. The legally enforceable right must not be contingent on further events and must be enforceable in the normal courses of business and in the event of default, insolvency or bankruptcy of the company or the counter party.

2.12 Property, Plant and Equipment

Property, Plant and Equipment Leasehold land is carried at historical costs. All other items of property, plant and equipment are stated at cost less accumulated depreciation and impairment loss, if any.

Cost includes cost of acquisition, installation or construction, other direct expenses incurred to bring the assets to its working condition and finance costs incurred up to the date the asset is ready for its intended use and excludes GST eligible for credit / setoff.

Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the same are depreciated separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit or loss as incurred.

Capital work-in-progress in respect of assets which are not ready for their intended use are carried at cost, comprising of direct costs, related incidental expenses and attributable interest. All identifiable Revenue expenses including interest incurred in respect of various projects / expansion, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work-in-Progress. Capital expenditure on tangible assets for research and development is classified under property, plant and equipment and is depreciated on the same basis as other property, plant and equipment.

Property, plant and equipment are eliminated from financial statements, either on disposal or when retired from active use. Losses arising in the case of the retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence.

Depreciation for Company

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Property, plant and equipment is provided on written down value method, over the useful life of the assets, as specified in Schedule II to the Companies Act, 2013. Property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis. Buildings constructed on leasehold land are depreciated based on the useful life specified in Schedule II to the Companies Act, 2013, where the lease period of the land is beyond the life of the building. In other cases, building constructed on leasehold lands are amortised over the primary lease period of the lands. The asset's residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

2.13 Trade and Other Payables

These amounts represent liabilities for goods provided to the company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

2.14 Borrowings

Borrowings are initially recognized at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In the case the fee is deferred until the draw down occurs.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

2.15 Provision

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the liability. The increase in the provisions due to the passage of time is recognized as interest expenses.

2.27 Critical Estimates and Judgments

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Managements also needs to exercise judgment in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgment or complexity and of item which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statement.

The areas involving critical estimates or judgments are :

- I. Estimation of current expense and payable
- II. Estimation of defined benefit obligations
- III. Allowance for uncollected accounts receivable and advances-Trade receivable do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrevocable amounts. Individual trade receivable are written off when management deems them not to be collectible.

Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

2.28 Corporate Social Responsibility (CSR) Expenditure

The Company has made provision of Rs. 2213731/- for F.Y. 2014-15, out of which Rs. 507603/- is spent up to 31.3.2019. Balance of Rs.1706128 is to be spend under CSR.

CSR contribution : The company is not liable to pay CSR contribution as per Section 198 of the Companies Act 2013 as there is a net loss in computation of average profit of last three succeeding years.

2.29 Risk Exposure

Through its defined benefit plans, the company is exposed to a number of risk, the most significant of which are detailed below

Interest Rate Risk: The plan exposes the Company to the risk of change in interest rate of the borrowings

Salary Escalation Risk: The present value of the defined benefit is not calculated with the assumption of salary increase rate of plan participants in future.

Demographic Risk: The Company has to use certain mortality and attrition in assumption in valuation of the liability. The company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

2.30 Asset Liability Mismatching or Market Risk

The Company operates internationally and a major portion of the business is transacted in several currencies and consequently the company is exposed to foreign exchange risk to the extent that there is mismatch between the currencies in which its sales and purchases from overseas suppliers in various foreign currencies. Market Risk is the risk that changes in market prices such as foreign exchange rates will effect groups income or value of its holding financial assets / instruments.

2.31 Financial Risk Management Objectives and Policies

The Company's activities expose it to a variety of financial risks, market risk, credit risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's financial liabilities comprise of borrowings, trade payable and other liabilities to manage its operation and financial assets includes trade receivables and other receivables etc. that arise from its operations

2.32 Credit Risk

Credit risk refers to the risk of default on its obligation by the customer / counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is carrying value of respective financial assets. Trade receivables and unbilled revenue are typical unsecured and are derived from revenue earned from customers.

Credit risk has always been managed by each business segment through credit approvals establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in normal course of business. On account of adoption of Ind AS 109 the Company uses expected credit loss model to assess the impairment loss or gain.

2.33 Liquidity Risk

The Company's principle sources of liquidity are cash and cash equivalents, current investments and the cash flow that is generated from operations. The Company believes that the working capital is sufficient to meet its current requirements. Accordingly no liquidity risk is perceived. The Company closely monitors its liquidity position and maintains adequate source of funding.
