EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT 2013:**Item No. 4**

Voluntary Delisting of equity shares having face value of ₹10.00/- (Rupees Ten only) (hereinafter referred to as "Equity Shares") of Oswal Minerals Limited (hereinafter referred to as "Company") from Metropolitan Stock Exchange of India Limited (hereinafter referred to as 'Stock Exchange' / 'MSEI'), where presently the Equity Shares of the Company are listed, as prescribed under Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 (hereinafter referred to as "SEBI Delisting Regulations")

1. As on date, 75,50,400 (Seventy Five Lakhs Fifty Thousand Four Hundred) Equity Shares of the Company are presently listed at MSEI;

2. The Board of Directors of the Company have received an Initial Public Announcement dated Friday, August 6, 2021, from the present promoter and promoter group (as defined under Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018) proposing to voluntarily delist the equity shares of the Company, presently listed at the Stock Exchange (hereinafter referred to as the "Delisting Proposal") in accordance with "SEBI Delisting Regulations";

3. In aforesaid Delisting Proposal, the Promoters and Promoter Group have expressed their intention:

a) To acquire all the Equity Shares held by the public shareholders of the Company as defined under the SEBI Delisting Regulations (hereinafter referred to as "Public Shareholders"), subject to the receipt of all necessary approvals, including relevant third-party consents (hereinafter referred to as "Delisting Offer"); and

b) If the Delisting Offer is successful, voluntarily delist the Equity Shares of the Company from the Stock Exchange, where the Equity Shares of the Company are currently listed each in accordance with the SEBI Delisting Regulations;

4. As of the date of this Initial Public Announcement, the Promoter and Promoter Group collectively, holds 55,56,992 (Fifty Five Lakhs Fifty Six Thousand Nine Hundred and Ninety Two) Equity Shares of the Company, corresponding to 73.60% of the total paid-up Equity Share capital; whereas the Public Shareholders hold 19,93,408 (Nineteen Lakhs Ninety Three Thousand Four Hundred and Eight) Equity Shares which corresponds to 26.40% of the paid-up Equity Share capital of the Company;

5. In the aforesaid Delisting Proposal, the Promoter and Promoter Group have specified the following rationale for the Delisting Proposal:

a) To enable the promoters and promoter group to obtain full ownership of the Company, which in turn will provide enhanced operational flexibility; as the Company will no longer remain listed in India, there will be reduction in dedicated management time to comply with the requirements associated with the continued listings, which can be refocused on the Company's business;

b) The Delisting Proposal will enhance the Company's operational, financial, and strategic flexibility including but not limited to corporate restructurings, acquisitions, exploring new financing structures including financial support from the Promotes; and

c) The long-term business plan involves expanding the operations into new geographies and new business activities, which may have different risk profiles, longer gestation periods compared to the current risk profile of the Company;

d) To provide the Public Shareholders an opportunity to exit from the Company at a price determined in accordance with the Delisting Regulations, providing immediate liquidity given the heightened market volatility.

6. Pursuant to the receipt of the Initial Public Announcement from the Promoters and Promoter Group dated Friday, August 6, 2021, the Board of Directors of the Company, in its meeting held on Saturday, August 14, 2021, took on record the Initial Public Announcement and vide its meeting on Monday, August 23, 2021 appointed CS Tanveer Kaur Tuteja, Practicing Company Secretary bearing Membership Number "7704" and Certificate of Practice Number "8512", Peer Review Company Secretary to carry out due diligence in accordance with Regulation 10 and other applicable provisions of the SEBI Delisting Regulations (hereinafter referred to as "Peer Review Company Secretary"). Further, the Board of Directors of the Company, at its meeting held on Friday, August 27, 2021, inter-alia, took on record the due diligence report dated Thursday, August 26, 2021 (hereinafter referred to as "Due-Diligence Report") issued and submitted by the Peer Review Company Secretary, as tabled before it, and approved and recommended the Delisting Proposal, after having discussed and considered various factors including the Due-Diligence Report and on the information available with the Company, in accordance with Regulation 10(2) of the SEBI Delisting Regulations, certified that:

a) The Company is in compliance with applicable provisions of the securities law;

b) The Acquirers and members of the Promoter Group or their related entities are in compliance with applicable provisions of securities laws in terms of the report of the Peer Review Company Secretary including compliance with Regulation 4 (5) of the SEBI Delisting Regulations;

c) The Delisting Proposal is in the interest of the shareholders of the Company;

and thereafter, approved the proposed delisting in terms of Regulation 10(1) of the SEBI Delisting Regulations subject to receipt of all necessary approvals as may be required for the Delisting Proposal;

7. The exit offer price will be determined through the book building process specified in Schedule II of the SEBI Delisting Regulations. The final price for the proposed delisting will be the price at which Equity Shares accepted through eligible bids during the reverse book building process will take the shareholding of the members of the Promoter Group to 90% of the total issued and outstanding Equity Shares. As per the SEBI Delisting Regulations, the Promoter and Promoter Group shall be bound to accept the Equity Shares tendered or offered in the Delisting Offer, if the discovered price determined through the reverse book building process is equal to the floor price or the indicative price, if any, offered by them. They shall be bound to accept the Equity Shares, at the indicative price, if any offered by them, even if the price determined through the reverse book building process is higher than the floor price but less than the indicative price. If the discovered price is rejected, the Promoters and Promoter Group (as the case may be), may in its/their sole discretion propose a counter-offer, in accordance with SEBI Delisting Regulations;

8. The Public Shareholders of the Company may tender their Equity Shares during the reverse book building process at the floor price or indicative price, if any offered by the Promoters and Promoter Group, or any such price above the floor price or indicative price as they deem fit. The Public Shareholders are requested to note that the floor price or indicative price is neither a ceiling nor the maximum price. If the Equity Shares are delisted in accordance with the SEBI Delisting Regulations, the remaining Public Shareholders, who either do not tender their Equity Shares or whose Equity Shares are not accepted because the price quoted by

MANAGEMENT DISCUSSION AND ANALYSIS**a) Industry Structure And Developments and Outlook**

The global economy was significantly impacted by COVID-19 led disruptions in 2020 resulting in contraction across the leading economies barring China. China has been the only major economy to register a growth of 2.3% in 2020, whilst other economies witnessed a contraction. Although recovery was seen in the second half of 2020 with lifting of lockdowns, it has been inconsistent across countries due to resurgence of infections, varying levels of policy support and access to medical facilities. In view of the same, the International Monetary Fund ('IMF') estimates that the global economy shall contract by -3.5% in 2020 as against a growth of 2.8% in 2019. The steel industry (excluding China) also witnessed a significant decline in production and demand during the first half of 2020. However, an almost equally stronger recovery has been witnessed in the second half of the year. According to World Steel Association ('WSA'), global crude steel production reached 1,864 million tonnes in 2020, down by 0.9% as compared to 2019. China has produced 1,053 million tonnes of crude steel in 2020, up by 5.2% over 2019. India's economy rebounded quickly from one of the world's longest and most stringent lockdowns, which also came with steepest fall in GDP in Q2. Real GDP grew by 0.4% in Q3FY2021 after a contraction in the previous two quarters. Real GDP is estimated to have contracted by 8% in FY 2020-21.

The accelerating rollout of COVID-19 vaccines in many advanced economies has set the stage for rapid recovery in the second half of this year and into 2022. India witnessed a gradual resumption of economic activity from Q2FY2021. India's steel industry has also suffered from production losses due to lockdown in Q1FY2021 and recovered gradually since then, initially driven by exports followed by gradual recovery in domestic demand. The initial recovery was driven by government spending on infrastructure, exports and rural economy. The recovery gained momentum since August 2020 with pickup in consumption demand driven by festive buying and return of urban consumption. However, the growth projections for FY 2021-22 have been revised to be below 11% due to the acute resurgence of the virus in the country, as many cities and states went into lockdown. While the growth will depend upon the trajectory of the pandemic, the overall impact on the economy is expected to be less severe than last year. India is expected to witness a full economic recovery in Q2 FY2022 driven by (a) ongoing vaccination supporting the current recovery momentum; (b) restart of investment cycle with significant spending on infrastructure and (c) continued recovery in consumption supported by urban demand, accentuated by work-from-home and preferences for personal mobility along with rising rural income and affordability. However, normal growth levels would be seen in FY 2022-23 only, provided no further economic disruption occurs and success of the ongoing vaccination drive.

b) Opportunities and Threats**Opportunities**

Government focus on strengthening the domestic manufacturing base under the Atmanirbhar Bharat program presents a strong opportunity for steel consumption in India. The production linked incentive scheme, which intends to incentivise the additional production in India, is expected to boost steel demand in automobile & auto components, consumer durables, solar equipment, telecom, etc. The Government has announced an investment of over INR 1 trillion in infrastructure over the next 5 (five) years. This would be a key growth driver not only for steel but will also be a multiplier of growth across the sectors, boosting steel demand from sectors such as transportation, real estate and urbanization as well. Within the steel industry, current production and consumption levels are indicating a near full recovery. Continuing the current momentum and new capacities coming on stream, India's crude steel production is expected to reach 116 million tonnes in FY2022, growing by 12.5% over last year. India's finished steel demand is also expected to reach 107 million tonnes in FY2022, up by 15% over FY2021, driven by strong infrastructure spending and sustained demand of automotive and consumer durables.

The lifting of the lockdown and liquidity injection has aided economic recovery from sharp contraction in the early half of 2020. Demand for steel started recovering in the Q2 FY2021. If an effective vaccine is successfully distributed by end of 2021, demand will continue to increase in 2022. As a result of suppressed demand in 2020-22, the necessity of stock replenishment and government investments shall increase. Steel consuming sectors were disrupted and recovery in manufacturing will likely to be moderate while construction will continue to be resilient. Steel Production recovery was also led by China in the later half of 2020, recording an all-time high production while rest of the world had a low utilization. China will continue to perform better than forecasts driven by stimulus. While China's demand will remain high, slower recovery will be seen in rest of the world. China's investment in infrastructure has led to a surge in demand for commodities, especially for steel and metal sector.

Threats

Resurgence of infections leading to fresh lockdowns, both localized as well as at regional / national levels resulting in disruption in economic activity.

The outbreak of the COVID-19 pandemic has undoubtedly skewed the outlook and, at least in the short term, there are concerns about downstream demand as a result of the strict lockdown measures which were implemented to protect lives. However, with a change in approach to protecting lives and livelihoods, a recovery in demand is expected sooner rather than later. Key Quality risk factors like inconsistent product quality, erratic quality of raw materials procured, high employee attrition, inadequate training and employee errors etc. impact internally the Industry. External factors like slowdown in product offtake, cyclical nature of steel industry, unfair trade practices and remedial measures, fluctuation in foreign exchange, geographic location etc. influence the Industry growth.

c) Segment Wise And Product Wise Performance

The Company's gross revenues in the F.Y 2020-21 touched an all-time high at Rs. 1,68,257.29 Lakhs as against Rs. 1,62,617.74 lakhs in the F.Y 2020-21. Further, during the year under review the Profit after taxes was at Rs. 579.14 lakhs as against Rs. 117.42 Lakhs in the previous financial year.

The company is engaged primarily in the business of trading in Ferro Alloys & allied products. Hence, there are no separately reportable segments.

d) Risks And Concerns

The global steel output growth momentum stalled since the Q2 of FY2019. Steel production growth rates were down to 3% in the last quarter of FY2020 mainly due to a sharp fall in steel prices and high price of raw materials. This growth rate was thoroughly affected by the COVID-19 pandemic in 2020 and has become negative. COVID - 19 is an unprecedented crisis expected to have a multi-year effect. The lifting of the lockdown and liquidity injection has aided economic recovery from sharp contraction in the early half of 2020. Demand for steel started recovering in H2FY2021. If an effective vaccine is successfully distributed by end of 2021, demand will continue to increase in 2022. As a result of suppressed demand in 2020-22, the necessity of stock replenishment and government investments shall increase.

Steel consuming sectors were disrupted and recovery in manufacturing will likely to be moderate while construction will continue to be resilient. Steel Production recovery was also led by China in the Q2 of 2020, recording an all-time high production while rest of the world had a low utilization. China will continue to perform better than forecasts driven by stimulus. While China's demand will remain high, slower recovery will be seen in rest of the world. China's investment in infrastructure has led to a surge in demand for commodities, especially steel. Healthy revival in India, Iran and Turkey coupled with stable demand in South - East Asia will support recovery in 2021.

Domestic steel prices have witnessed significant uptick in the past few months with resurgence in demand and strong international prices. However, this sharp surge has raised concerns about sustainability with inflation having emerged as a key risk given the supply chain disruption and the excess liquidity. Other than the pandemic, geopolitical tensions abound and have the potential to escalate into a significant event which can adversely impact global economic and financial conditions. The geopolitics of COVID-19 will shape the global business environment as the debate on self-reliance will continue to heat up. Moreover, increasing coronavirus cases in USA and Europe might pose a fresh risk to the global economy.

e) Internal Control System and its adequacy

The Company has implemented proper and adequate system of internal controls commensurate with its size and nature of operations to provide reasonable assurance that all assets are safeguarded, transactions are authorised, recorded and reported properly, applicable statutes and corporate policies are duly complied with. The Company has an Audit Committee with majority of Independent Directors as members. The committee periodically reviews significant audit findings, adequacy of internal control and compliance with Accounting Standards, amongst others. The management duly considers and takes appropriate action on the recommendations made by the Statutory Auditors, Internal Auditors and the Independent Audit Committee of the Board of Directors. During the year, due care has been exercised by the Company with respect to all the requirements of the Company Law and Listing Regulations.

f) Material Developments in Human Resources / Industrial Relations, Including Number of People Employed

While health and well-being of employees remains as an area of importance, it attracted a lot of focus during the last year due to the COVID-19 pandemic. All steps were taken to provide proper healthcare to employees including their families in the times of crisis. The work and the workplace has seen a major shift and remote working was promoted as a new normal to break the chain of the pandemic. Financial security of the direct and indirectly engaged employees was ensured during the time of crisis. Human resource is the Company's greatest strength and a foundation for long-term success. The Company provides continual training to its employees to help them upgrade their skills and seeks to balance individual aspirations with Company goals. The Company recruits judiciously through Industry contacts, job portals and consultants. The Company maintained harmonious relationship with all its workers and there were no strikes or lockouts during the year under review. There were 128 (One hundred twenty eight) permanent employees on the rolls of company as on 31st March, 2021. The Company's continued focus on improving diversity has shown positive result with increase in women employees in the workforce. Industrial relations during the year were harmonious. Employees have contributed significantly towards the growth of the organization.

g) Significant Changes in Key Financial Ratios

In accordance with the SEBI (Listing Obligations and Disclosure Requirements 2018) (Amendment) Regulations, 2018, the Company is required to give details of significant changes (change of 25% or more as compared to the immediately previous financial year) in key sector-specific financial ratios.

The Company has identified the following ratios as key financial ratios :

Sl.No	Particulars	2020-21	2019-20	% Change
1.	Debtors Turnover	4.3914	5.4724	-19.75%
2.	Inventory Turnover	6.1202	12.6867	-51.76%
3.	Interest Coverage Ratio	1.9099	1.2049	58.51%
4.	Current Ratio	1.3566	1.8115	-25.11%
5.	Debt Equity Ratio	8.1210	9.6641	-15.97%
6.	Operating Profit Margin (%)	0.0102	0.0060	69.85%
7.	Net Profit Margin (%)	0.0034	0.0007	376.71%

Ratios where there has been a significant change from fiscal 2020 to fiscal 2021:

Change in Inventory turnover ratio: Inventory in comparison to last year increased as company managed inventory more better manner by purchase of stock at lower cost by considering future demand.

Change in Net Profit Margin: Although the economic impact of the coronavirus pandemic in India has been largely disruptive, the company made incremental net profit due to following reasons. Net profit increased in comparison to last year due to the following:

(i) During the Covid-19 pandemic and stringent nation-wide lockdown also the company maintained same level of turnover, as in previous year China increased its production of low grade steel and hence the demand of minerals and metals increased in India.

(ii) Reduction in Cost of goods sold: In the time of Covid-19 pandemic where suppliers were under pressure to sell out of their stock, your company used best procurement strategy to achieve reduction in material cost due to which the gross profit for the year is increased. The company also hold stock at higher level (purchased at lower price) compared to last year by considering future demand.

(iii) Reduction in labour cost: Though there was scarcity of migrated labour due to pandemic, the company effectively used existing labour force by paying higher rate comparatively for last year to achieve its turnover.

Change in Return on Net Worth as Compared to the Immediately Previous Financial Year along with a detailed Explanation thereof:

Sl. No	Particulars	2020-21	2019-20	% Change
1	Return on Net Worth (Profit Before Tax)	0.2246	0.0534	320.26%
2	Return on Net Worth (Profit After Tax)	0.1624	0.0393	313.13%

Return on net worth computed on Profit before tax and profit after tax for the financial year 2020-21 is higher in comparison to financial year 2019-20 due to increase in net profit for the current year.

Statutory Compliance

The Company has in place adequate systems and processes to ensure that it is in compliance with all applicable laws. The Managing Director makes periodic declarations regarding the compliance with provisions of various statutes after obtaining confirmation from respective process owners. The Company Secretary, being the Compliance Officer, ensures compliance with the relevant provisions of the Companies Act and SEBI regulations.

h) Cautionary Statement

Certain statements in the Management Discussion and Analysis Report describing the Company's objective and predictions may be "forward-looking statements" within the meaning of applicable laws and regulations. Actual results may vary significantly from the forward-looking statements contained in this document due to various risks and uncertainties. ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

1. A brief outline of the Company's Corporate Social Responsibility policy including overview of projects / programs undertaken is as hereunder:

The Company has framed Corporate Social Responsibility (CSR) Policy in accordance with the provisions of the Companies Act, 2013 read with rules & Schedules thereof. The Policy comprises of the Composition of the Committee together with their responsibilities. It enumerates the list of activities for channelizing the amount of expenditure towards Corporate Social Responsibility. CSR Committee has proposed to spend 2% of Company's average net profits made during the three immediately preceding financial years in The Karnataka Marwari Youth Federation, which has an established track record of three years in Promoting healthcare including preventive healthcare activities. The Karnataka Marwari Youth Federation is eligible to channelize the entailed expenditure for CSR activities & in JITO Administrative Training Foundation, which has an established track record of three years in undertaking educational activities. The trust is eligible to channelize the entailed expenditure for CSR activities.

During the F.Y 2020-21, the Board of Directors of the Company had figured a discrepancy towards the computation of CSR calculation, due to which the amount derived for CSR to be spent during the F.Y 2019-20 was Rs. 68,509/- instead of Rs. 948,697/-. However, in the previous year though the Company has spent Rs. 75,000/- (more than the derived amount of Rs. 68,509/-). Nevertheless, during the current Financial year the Company has taken necessary remedies after finding the error in the calculation, and Rs. 20,85,000/- was spent during the F.Y 2020-21, adding the shortfall and actual corpus. The Company is sincere with its responsibilities towards the society and will always be diligent to fulfil its responsibilities towards the society.

AUDITORS' CERTIFICATE ON COMPLIANCE OF CORPORATE GOVERNANCE

{Pursuant to Regulation 34 read with Schedule V to the SEBI (Listing Obligations and Disclosure, 2015 Requirements) Regulations.}

To,
The Shareholders
Oswal Minerals Limited

We have examined the compliance of the conditions of Corporate Governance by Oswal Minerals Limited for the year ended on 31st March, 2021, as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 [collectively referred to as "SEBI Listing Regulations, 2015"]. The Compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to review of the procedures and implementation thereof, adopted by the Company, for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company. In our opinion and to the best of our information and according to the explanations given to us and based on the representation made by the Directors and Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in SEBI Listing Regulations, 2015.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Independent Auditors' Report

To
The Members of **Oswal Minerals Limited**
Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Oswal Minerals Limited ("the Company") which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the **Companies Act, 2013** (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2021, the profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

"We have determined that there are no key audit matters to communicate in our report."

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the company in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the company are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the respective Board of Directors of the companies included in the company are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entity or business activities within the company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entity included in the financial statement.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication..

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, based on our audit we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act.

(e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any

material foreseeable losses.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure - A to the Independent Auditor's Report

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Oswal Minerals Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Oswal Minerals Limited ("the Company") as of 31st March, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that,

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the criteria for internal control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. However, during the year the Management has detected an employee fraud occurred due to management override.

OSWAL MINERALS LIMITED

Notes forming part of the financial statements for the year ended 31st March, 2021

Note No.	Particulars
2.4 Intangible Assets	Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. During the period the company is developing ERP software for business operations and the same is disclosed in financials as Intangible asset under development and the same will be transferred to Intangible asset once it is available for business operations effectively.
2.5 Impairment of Assets	The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets. However, during the year the company has scrapped residual value of some of assets which all are no use to the company and is recognised in profit and loss account.
2.6 Employee Benefits	During the year, Company did not make any contributions towards Employees retirement benefits as the Company has not met the criteria for contributing the same.
2.7 Provisions	Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.
2.8 Revenue Recognition	Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. This involves discounting of the consideration due at the present value if payment extends beyond normal credit terms. Revenue is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably.
2.9 Inventory Valuation	<p>Traded goods are valued at lower of cost and net realizable value including necessary provision for obsolescence. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on FIFO Basis.</p> <p>Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. The comparison of cost and NRV is made on an item by item basis.</p>

OSWAL MINERALS LIMITED

Notes forming part of the financial statements for the year ended 31st March, 2021

Note No.	Particulars
2.10	<p>Cash and cash equivalents (for purposes of Statement of cash flows) Cash comprises cash in hand and demand deposits with Banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.</p> <p>Cash flow Statement Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.</p>
2.11	<p>Foreign currency transactions and translations Transactions in foreign currencies entered into by the Company and its integral foreign operations are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.</p> <p><u>Treatment of transaction and Balances:</u> Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company and its integral foreign operations are recognized as Realised gains and losses on settlement of foreign currency transactions in the Statement of Profit and Loss.</p>
2.12	<p>Related Party Disclosures List of related parties, nature of relation and transactions thereon during the year has been disclosed separately.</p>
2.13	<p>Earnings per Share Basic earnings per share is computed by dividing the profit after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.</p> <p>Diluted earnings per share is computed by dividing the profit after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.</p>
2.14	<p>Income Tax Income Tax for the year comprises current and deferred income tax. Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. During the year the company has availed new tax rate applicable U/s 115BAA taxed at 22% plus surcharge and health and education cess and due which the company has lost the option of availing MAT credit available in balance sheet in future years and hence the same is written off accordingly.</p> <p>Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.</p>

OSWAL MINERALS LIMITED

Notes forming part of the financial statements for year ended 31st March, 2021

Note 22 - Additional information to the Financial Statements

11 Financial Risk Management

The company's activities expose it to Credit Risk, Liquidity risk and Market risk.

Credit Risk:

Credit risk arises when a failure by counterparties to discharge their obligations could reduce the amount of future cash inflows from financial assets on hand at the balance sheet date. In the ordinary course of business, the Company uses various control mechanisms to ensure that the sales are made to customers with reliable history of credit and constantly monitors the payment of trade receivables. Hence, trade receivables are not shown as net of any provision made for impairment of the receivables as it is following trend of complete recoverability from all its customers. Due to this factor the management of the Company believes that no additional credit risk.

Liquidity Risk:

Liquidity risk is defined as the risk when the maturity of assets and liabilities does not match. An unmatched position potentially enhances profitability, but can also increase the risk of losses. The Company has policies and procedures, such as to maintain sufficient amounts in cash and other financial assets with high liquidity, with the objective of minimizing such losses. As at 31st March, 2021, the Company's only financial liabilities comprise trade and other payables which have a maximum maturity term of less than 12 Months.

Market Risk:

(a) Foreign Currency Risk:

Currency risk is the risk that the value of financial assets & liabilities will fluctuate due to changes in foreign exchange rates. Currency risk arises when future commercial transactions and recognized assets and liabilities are denominated in a currency that is not the Company's functional currency. At the year-end the Company had certain receivables denominated in foreign currencies. The main currency, whose fluctuations may have an impact on the results of the Company, is the US Dollar. The management of the Company monitors on a regular basis the fluctuations in exchange rates and acts accordingly to minimize foreign exchange risk.

(b) Interest Rate Risk:

Interest rate risk is the risk that the value of financial instruments will fluctuate due to changes in market interest rates. However, The Company's income and operating cash flows are substantially independent of changes in market interest rates. The Company is exposed to interest rate risk relating to short term lending. Other than cash at bank, which attracts interest at normal commercial rates, the Company has no other significant interest bearing financial assets or liabilities. The Company's management monitors the interest rate fluctuations on a continuous basis and acts accordingly.

12 Capital Management disclosure:

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business.

The objective of Capital Management is to safeguard the company ability to continue as a going concern, so that they can continue to provide returns to shareholders, benefits for other stake holders and maintain an optimal capital structure to reduce the cost of capital.

13 These financial statements have been prepared in the format prescribed by the Schedule III to the Companies Act 2013.

14 In the Quarterly results published on 30th June, 2021, the Company has provided figures as per the Audited statement of Profit and Loss for the year ended 31st March, 2021.
