LETTER FROM MANAGEMENT

Dear Shareholders and Friends,

Financial year 2021-22 was a year of setbacks and recoveries. Past couple of years have been one of the most challenging and a new learning to the global industry. We take this opportunity to rebuild in resilience.

Although the effect of COVID has been substantially reduced on the real estate and infrastructure sector, the Company focused on improving disruption of supply chains, all accompanied by mounting costs and increased volatility.

As an organization we are much more growth captivated than before. The expansion of our 3rd phase Mysore project is progressing rapidly. We are adding few more new projects in Maharashtra. We expect to demonstrate continued growth in our financials over the next few years. Our intention is to become synonymous with Industrial Infrastructure creation in the country.

The Company's Equity Shares got listed in the Metropolitan Stock Exchange of India Limited in May 2018 and has been complying with applicable SEBI Regulations along with all relevant corporate laws applicable to the Company till date. Resolving investor grievances and concerns is of utmost importance to our Company and systems have been put in place to have the same redressed on a real time basis.

We request members holding shares in physical form are requested to dematerialize their shares into electronic form by sending a demat request to their concerned Depository Participants (DP).

Your Company will continue to seek more opportunities to grow and build long-term value for all stakeholders. I take this opportunity to thank all our shareholders, customers, business associates, employees and the members of the Board for their unflinching support during the year and look forward to meet you all at the virtual Annual shareholder's meeting.

Best Regards

2. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company's Internal Financial Control framework is commensurate with the size and the nature of its operations. These have been designed to provide reasonable assurance about recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use, executing transactions with proper authorization and ensuring compliance of Corporate Policies.

3. BUSINESS OUTLOOK

The Global output has contracted as a result of gloomy developments during the year. The economic situation was showing the sign on steady recovery but revitalization of the pandemic and prevailing geo-political tensions have decelerated the recovery. Supply disruptions, rising food, energy and crude prices have pushed the inflation to the record levels.

Indian economy was one of the key drivers of global economic recovery with a healthy growth rate. However, due to adverse macroeconomic conditions and rising inflationary trends, growth in the Indian economy is expected to be adversely impacted.

According to the World Bank report, growth in India slowed in the first half of 2022 as activity was disrupted both by a surge in COVID-19 cases, accompanied by more-targeted mobility restrictions and by the war in Ukraine. The recovery is facing headwinds from rising inflation.

Despite the above factors, Karnataka still stays as one of the most attractive locations for future investments. Karnataka is considered a pioneer in the field of industrialization in India. In the era of economic liberalization since 1991, the State has been spearheading the growth of Indian industry, particularly in terms of high technology industries, such as, electrical and electronic industries, information and communication technology industries, bio-technology industries and also now in nano technology industries. In order to consolidate its leadership position, the Government of Karnataka has taken giant steps to provide a major thrust to infrastructure development through increased private initiatives. In pursuance of this objective, all the stakeholders are working closely with the Commerce & Industries Department in identifying such projects. In pursuance of this growth oriented policies, the proposed project is planned in one of the premier industrial locations in Mysore.

The State Government of Karnataka has decided to develop five Tier-2 cities beyond Bengaluru and set up an industrial township in Mysore. As part of the 'Beyond Bengaluru' proposal, the government wants to push for industrialisation in Mysore, Mangalore, Hubballi-Dharwad, Belagavi and Kalaburagi. Mysore plays a vital role in industrialisation attracting huge investments. The Mysore district is well established in promoting industry & tourism in Karnataka. In recent years Mysore has registered good micro, small & medium enterprises (MSME) growth as per the District Industries Centre (DIC), Mysore. The Mysore city development is moving fast in terms of establishing manufacturing and service enterprises. It is observed that a large number of projects which are cleared under DLSWCC, SLSWCC & HLSWCC are waiting the allotment of appropriate land.

The current industrial areas development process in Karnataka is largely Government driven. The main stakeholders, including, Karnataka Industrial Area Development Board (KIADB) and Karnataka Small Scale Industries Development Corporation (KSSIDC) acquire land and develop industrial areas/estates on their own and later either operate and manage these industrial areas/estates on their own or hand it over to the respective industrial association. While KIADB and KSSIDC have been successfully developing industrial areas/estates over the years, large set of Government resources are channelled into the development of the same. While the above two entities acquire the requisite lands, there has been limited exploitation of the potential land value with infrastructure creation on these land parcels and as such it is necessary to explore the route of private sector participation in the development of new industrial areas. Private sector participation would also ensure that the expertise in development and management of these industrial areas/estates is brought in and that the facilities provided are world class in nature.

COVID-19 IMPACT ON BUSINESS OUTLOOK

The company is recovering from the impact of COVID-19 pandemic, the businesses have started to revive and is expected achieve greater targets both in terms of operational and financial parameters.

OUR PROJECT

With the above background, JCK Infrastructure Development Limited ('Developer') is currently developing a world class industrial area/estate at the campus of KIADB Belagola Industrial Area, Mysore which is spread over approximately 68 acres with cross-functional sector experience in developing and maintaining projects across the country. The Company has successfully completed Phase I project and Phase II projects. In addition to these, the Company has commenced Phase III project. Further we are adding new projects in Maharashtra. With the quality of the infrastructure being developed, it is regarded as a model industrial area through private sector participation. The said land is ideal for development of small and medium enterprises as it is part of the pre-existing and well established Belagola Industrial area.

Our Project also has the following key objectives:

- i. To drastically reduce gestation period of projects for the MSME Sector by providing a plug-and-play solution.

- ii. To create a thriving community of young industries with massive potential for employment generation.

We also provide service offering for the below classification of industries:

- i. Cottage and Micro Industries
- ii. Small Industry
- iii. Medium Industry
- iv. Warehousing
- v. Civic Amenities/ Truck parking
- vi. Parks and Open Space.

4. RISK CONCERNS AND THREATS

The following risks are faced by the Company:

- **Capital Intensive Model**

The Company focuses on joint development business model effectively sharing the associated risks and benefits attached to the industrial development projects, thus achieving capital rationing across multiple projects.

Selective distressed opportunities which are evaluated for outright purchases.

- **Dealing with Multi Government Bodies for approvals.**

The Company has full-time-best-in-class legal and liaison team and is also associated with expert consultants to obtain all the necessary approvals/licenses and comply with all the regulatory requirements in the shortest possible time.

- **Access to skilled and unskilled labour.**

The Company focuses on industrial area development in close proximity to residential catchment areas leading to easing labour availability.

- **Natural and man-made disasters**

Natural disasters include earthquakes, fires, droughts and floods and man-made disasters include acts of terrorism and war.

- **Land related risks**

For any infrastructure development Company, land is a primary input and non-availability of an appropriate parcel of land at a strategic place at a reasonable price can lead to an increase in its prices. Such a situation with its resultant increase in the price of land can have an adverse impact on the company's performance. Further, availability of land, its use and development are subject to approvals by various local authorities under applicable local laws and regulations. This makes the price of land volatile. A drop in land prices may erode the book value carrying the cost of land. This in turn could effect a company's profitability.

5. ENVIRONMENTAL PROTECTION AND SUSTAINABILITY

Environmental Protection is also one of the key areas which the Company focuses upon. The Company has obtained necessary consent/approvals from Karnataka State Pollution Control Board, Department of Forest, Department of Ecology and Environment as applicable.

Ensuring a healthy and safe work environment involves developing safe, high quality and environment friendly processes, working practices and activities that prevent or reduce the risk of harm for the people working in that environment. This also involves complying with environmental regulations such as managing waste or air emissions for reducing the Company's carbon footprint

6. CAUTIONARY STATEMENT

Certain statements made in the Management Discussion and Analysis Report relating to the Company's objectives, projections, outlook, expectations, estimates and others may constitute 'forward looking statements' within the meaning of applicable laws and regulations. Actual results may differ from such expectations whether expressed or implied. Several factors could make significant difference to the Company's Operations. These include climatic and economic conditions affecting demand and supply, government regulations, taxation, and natural calamities over which the Company does not have any direct control.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF JCK INFRASTRUCTURE DEVELOPMENT LIMITED

Opinion

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements **M/s. JCK INFRASTRUCTURE DEVELOPMENT LIMITED** (“the Company”), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”)

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its Profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA's) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No	Key Audit Matter	How our audit addressed the key audit matter
1.	<p>Revenue Recognition</p> <p>The Company's accounting for recognition of revenue from sale of Industrial Land, which is now being recognized at a point in time upon the Company satisfying its performance obligations of the underlying asset.</p> <p>Judgement in identifying performance obligations and determining when "control" of the asset underlying the performance obligation is transferred to the customer and the transition method to be applied, the same has been considered as key audit matter.</p>	<p>Our key audit procedure includes the following:</p> <p>We have read the Company's revenue recognition accounting policies and assessed compliance of the policies.</p> <p>We obtained and understood revenue recognition process including identification of performance obligations of the asset underlying the performance obligation to the customer.</p> <p>We performed test of details on a sample basis and inspected the underlying customer contracts/ agreements evidencing the transfer of the asset to the customer based on which revenue is recognised over a period of time.</p> <p>We tested, revenue related transactions with the underlying customer agreements and or sale deed and evidencing the transfer of the asset to the customer based on which revenue is recognized.</p>
2.	<p>Trade receivables</p> <p>Trade receivables are recognized at their anticipated realizable value which is the original invoiced amount Valuation of trade receivables is a key audit matter in the audit, due to size of the trade receivables balance and the high level of management judgement used in determining the impairment provision</p>	<p>For trade receivables and managements estimation for trade receivables, impairment provisions, our key audit procedure includes the following:</p> <p>We obtained management confirmation on trade receivables outstanding</p> <p>We analyzed the ageing of trade receivables and</p> <p>We obtained the list of long outstanding receivables of these through enquiring with the management and by obtaining sufficient corroborative evidences to support the conclusions.</p>

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities selection and application of appropriate accounting policies making judgments and estimates that are reasonable and prudent and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern concept basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- ix. a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in the repayment of loans or borrowings or in the payment of interest thereon to any lender.
- b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any authority.
- c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the Order is not applicable.
- d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) The Company has not made any investment in or given any new loan or advances to any of its associates during the year and hence, reporting under clause (ix)(e) of the Order is not applicable. The Company does not have any subsidiaries or joint ventures.
- f) The Company has not raised any loans during the year and hence reporting on clause (ix)(f) of the Order is not applicable.
- x. a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under clause (x) (a) of the Order is not applicable.
- b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.
- xi. a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) As per the information provided and represented to us by the Management, there were no whistle blower complaints received by the Company during the year.

- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- xiv. a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its director and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence reporting under clause (xvi)(a), (b), (c) and (d) of the Order is not applicable.
- xvii. The Company has not incurred any cash losses in the financial year and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceeding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year. Accordingly, reporting under clause (xx) of the Order is not applicable for the year.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **JCK INFRASTRUCTURE DEVELOPMENT LIMITED** (“the Company”) as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Pursuant to the requirements of Division II to Schedule III, below is the nature and purpose of each reserve:

- a. Securities premium** - Securities premium reserve is used to record the premium received on issue of shares. The reserve is utilised in accordance with the provisions of section 52 of the Companies Act, 2013.
- b. General reserve** - General reserve represents appropriation of profits. This represents a free reserve and is available for dividend distributions. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to the statement of profit and loss.
- c. Capital reserve** - Capital reserve indicates the cash on hand that can be used for future expenses or to offset any capital losses. It is derived from the accumulated capital surplus of a company and is created out of its profit.
- d. Retained earnings** - Retained earnings comprises of prior and current year's undistributed earnings after tax

NOTES FORMING PART OF FINANCIAL STATEMENTS

1. CORPORATE INFORMATION

The Company was incorporated on 20th August, 1979 as a Limited Company under the Companies Act, 1956. The name of the company was changed to JCK Infrastructure Development Limited on 29th October 2014. The Company is primarily engaged in the business of undertaking construction or directs the management of construction of industrial and other property buildings.

The Financial Statements are approved for issue by the Company's Board of Directors on May 25, 2022

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION

The Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules 2015 notified under Section 133 of the Companies Act("the Act"), 2013 and other relevant provisions of the Act.

The Financial Statements are prepared under historical cost convention except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below, in accordance with the Generally Accepted Accounting Principles in India and comply in all material respects with the accounting standards specified under the section 133 of the Act.

All the Assets and Liabilities have been classified as Current or Non-Current as per the Company's normal operating cycle. Based on the nature of the products and the time between the acquisition of assets for processing and their realisation in Cash and Cash Equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of Current / Non-Current classification of Assets and Liabilities.

3. USE OF ESTIMATES

The preparation of the financials statements in conformity with accounting principles generally accepted in india requires the management to make judgements estimates and assumptions that effect the reported amount of assets and liabilities as of the Balance Sheet date, reported amount of revenues and expenses for the year and disclosure of contingent liabilities as of the Balance Sheet date. These estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about the assumptions and estimates may result in outcomes requiring a material adjustment to the carrying amount of assets and liabilities in future periods.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

4. PROPERTY, PLANT AND EQUIPMENT

Property, Plant and Equipment are stated at cost less accumulated depreciation and impairment in value, if any. Cost includes purchase price, (inclusive of import duties and non-refundable purchase taxes, after deducting trade discounts and rebates), other costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management and an initial estimate of the costs of dismantling, removing the item and restoring the site on which it is located, if any.

If the Company has acquired a Property, Plant and Equipment on deferred term basis and terms are beyond normal credit terms, property plant and equipment will be recognized on cash price equivalent, i.e. discounted amount

The cost of Assets not ready for use as at the Balance Sheet date are disclosed under Capital Work-In- Progress.

The cost of replacement spares / major inspection relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably. When parts of an item of property plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Assets costing individually upto `10,000/- are fully depreciated in the year of purchase.

4.1 Depreciation

Depreciation on Property, Plant and Equipment (Tangible assets) is generally computed on a pro-rata basis on the basis of the estimated life specified in Schedule II of the Companies Act, 2013 under Straight line method. The useful life of assets prescribed in Schedule II to the Companies Act, 2013 are considered for the purpose of Computation of Depreciation. However, If the management's estimate of the useful life of a fixed asset at the time of acquisition of the asset or of the remaining useful life on an annual review is different from that envisaged in the aforesaid schedule, depreciation is provided at such a rate based on the useful life / remaining useful life as technically advised.

5. REVENUE RECOGNITION

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognized.

(i) Revenue towards property development is recognized in accordance to the Guidance note “Accounting For Real Estate Transactions (Revised-2012)” issued by ICAI

(ii) Revenue from sale of goods is recognized when significant risks and rewards of ownership of the goods have passed to the buyer, usually when goods are dispatched or on delivery, as per the terms of sale. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

(iii) Interest on Fixed Deposit has been recognized on Accrual Basis.

(iv) Share in profits/Loss from partnership firm will be accounted on receipt of Audited financial statement.

6. EMPLOYEE BENEFITS

6.1 Provident Fund

The Company contributes to a recognized provident fund, which is as a defined contribution scheme. The contributions to Provident Fund and its administration charges are accounted for on an accrual basis and recognized in the Profit & Loss Account.

6.2 Defined Benefit Plan

Gratuity and Leave Encashment to eligible employees will be provided as per the policy of the company.

7. CASH AND CASH EQUIVALENTS

The Company’s cash and cash equivalents consist of cash on hand and in banks and term deposits with banks with an original maturity of more than or up to twelve months. For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and term deposits with banks, net of outstanding overdrafts that are repayable on demand and are considered part of the Company’s cash management system.

8. BORROWING COST

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds

9. TAXES

The Company's major tax jurisdictions is in India. Uncertainties exist with respect to the interpretation of complex tax regulations, changes in tax laws, and the amount and timing of future taxable income of the Company's operations in India. Given the wide range of international business relationships and the long-term nature and complexity of existing contractual agreements, differences arising between the actual results and the assumptions made, or future changes to such assumptions, could necessitate future adjustments to tax income and expense already recorded. The Company establishes provisions, based on reasonable estimates, for possible consequences of audits by the tax authorities of the respective countries in which it operates and reflects uncertainties relating to income taxes, if any. The amount of such provisions is based on various factors, such as experience of previous tax audits and differing interpretations of tax regulations by the taxable entity and the responsible tax authority. Such differences of interpretation may arise on a wide variety of issues depending on the conditions prevailing in the respective company's domicile. A tax assessment could involve complex issues, which can only be resolved over extended time periods.

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that future taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits.

10. IMPAIRMENT

a. Financial assets (other than at fair value)

For financial assets measured at amortised cost, debt instruments at fair value through other comprehensive income, trade receivables, contract assets and other financial assets, the Company assesses at each date of balance sheet whether the asset is impaired. Ind AS 109 ('Financial instruments') requires expected credit losses to be measured through a loss allowance. Expected credit loss is the difference between the contractual cash flows and the cash flows that the entity expects to receive, discounted using the effective interest rate. The Company recognises lifetime expected losses for all contract assets and/or all trade receivables. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the lifetime expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition. The Company provides for impairment upon the occurrence of the triggering event.

b. Non-financial assets

• Tangible and Intangible assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual

asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit ('CGU') to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the standalone statement of profit and loss.

11. FINANCIAL INSTRUMENTS

Non-derivative financial instruments

Non-derivative financial instruments consist of the following:

- financial assets, which include cash and cash equivalents, deposits with banks, trade receivables, investments in equity and debt securities and eligible current and non-current assets;
- financial liabilities, which include loans and borrowings, finance lease liabilities, bank overdrafts, trade payables, eligible current and non-current liabilities.

Non-derivative financial instruments are recognised when the Company becomes a party to the contract that gives rise to financial assets and liabilities. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Subsequent to initial recognition, non-derivative financial instruments are measured as described below.

Financial assets at amortised cost

Financial assets (except for debt instruments that are designated at fair value through Profit or Loss (FVTPL) on initial recognition) are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

Financial assets are measured at FVTPL unless it is measured at amortised cost or at FVTOCI on initial recognition. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are immediately recognised in standalone statement of profit and loss. Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in the standalone statement of profit and loss. The gain or loss on disposal is recognized in the standalone statement of profit and loss.

Interest income is recognized in the standalone statement of profit and loss for FVTPL debt instruments. Dividend on financial assets at FVTPL is recognized when the Company's right to receive dividend is established.

Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest rate method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

12. FAIR VALUE HIERARCHY

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

13 RETIREMENT BENEFITS

(i) Provident Fund - The Company contributes to a recognized provident fund, which is as a defined contribution scheme. The contributions to Provident Fund and its administration charges are accounted for on an accrual basis and recognized in the Profit & Loss Account.

(ii) Defined Benefit Plan

Gratuity and Leave Encashment to eligible employees will be provided as per the policy of the company.

14. CONTINGENT LIABILITIES

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made. The Company does not recognize any contingent liability but discloses its existence in the Financial Statements.

15. PROVISIONS

Provisions are recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

16. EARNINGS PER SHARE

Basic Earnings per share are calculated by dividing the net Profit or Loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) and by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

17. PARTICULARS OF LOANS , GUARANTEES AND INVESTMENTS

The details of Loans and Investments and guarantees covered under the provisions of Section 186 of the Act are given in the Notes to the Financial Statements forming part of Annual Report.

The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020, Circular no. 02/2022 dated May 05, 2022 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2022, or become due to conduct their AGMs on or before 31.12.2022, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 and Circular No. 02/2022 dated May 05, 2022.

THE INSTRUCTIONS TO SHAREHOLDERS FOR REMOTE E-VOTING AND JOINING THE MEETING THROUGH VC/OAVM ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-voting system in case of shareholders holding shares in physical mode and non individual shareholders in demat mode.

- (i) The voting period begins on September 26, 2022 (9 AM) and ends on September 28, 2022 (5 PM). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the September 22, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of

Depositories / Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-voting system in case of individual shareholders holding shares in demat mode.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.
