INDEPENDENT AUDITORS' REPORT

To the Members of **Morning Glory Leasing and Finance Limited**

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Morning Glory Leasing and Finance Limited** (“the Company”), which comprise the balance sheet as at **31st March 2022**, and the statement of Profit and Loss, including other comprehensive income, statement of cash flows and statement of change in equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting Standards prescribed under section 133 of the Act read with Companies Accounting Standards Rules 2021 (‘AS’) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit including other comprehensive income, statement of change in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters, that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statement of the financial year ended March 31, 2022. These matter were address in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter, our description of how our audit addressed the matter is provided in that context. There is no uncertainty on the company's ability to continue as going concern. The company has prepared its financial statements on a going concern basis.

Information other than the Financial Statements and Auditors' Report thereon

The Company's management and Board of Directors are responsible for the preparation and presentation for the other information. The other information comprise the information included in the annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information (Board Report) and, in doing so, consider whether the Board Report is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, statement of change in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. Read with the Companies (Indian

Accounting Standards) Rule, 2015, as amended This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness such controls.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v) Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those changed with governance, we determine those matters that were of most significance in the audit of the standalone financial statement for the financial year ended March,31,2022 and are therefore the key audit matters. We describe these matters in auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013. We give in the Annexure -1 a statement on the matters specified in paragraphs 3 and 4 of this Order:
2. As required by Section 143(3) of the Act, we report that:
 - (A) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (B) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (C) The Balance Sheet, the Statement of Profit and Loss, including the statement of Other Comprehensive income, the Cash Flow Statement and Statement of Change in Equity dealt with by this Report are in agreement with the books of account.
 - (D) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Accounts Standard) Rules, 2021.
 - (E) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - (F) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, the company is exempt from getting an audit opinion on internal financial control.
 - (G) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company does not have pending litigations, which would impact its financial position.
 - (ii) The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- (iv) (a) The management has represented that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- (v) The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
- (vi) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, in our opinion and according to the information and explanations given to us, the limit prescribed by section 197 for maximum permissible managerial remuneration is not applicable to a private limited company.

MORNING GLORY LEASING & FINANCE LTD.
Financial Year 2021-2022

Notes forming part of the Financial Statements

Note 1 Corporate Information

Morning Glory Leasing & Finance Limited (the “Company”) is a public Company domiciled in India and is incorporated under the provisions of Companies Act applicable in India. Its Shares are listed with the Metropolitan Stock exchange Of India Limited, Mumbai. The registered office of the Company is located at IRIS HOUSE 16 BUSINESS CENTRE NANGAL RAYA NEW DELHI-110046. The Company is engaged in the business of providing commercial finance and leasing services and investment in shares.

Note 2 Significant Accounting Policies

2.1 Basis of preparation

The financial statements are prepared under the historical cost convention on accrual basis of accounting to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 notified under Companies (Indian Accounting Standard) Rule, 2015 and Companies (Indian Accounting Standard) (Amendment) Rule, 2016 and the relevant provisions thereof.

2.2 Summary of Significant accounting policies

a) Current versus non-current classification

The company presents assets and liabilities in the balance sheet based on current/non current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- expected to be realized with in twelve months after reporting period, or
- Cash or cash equivalent unless rested from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- Held primarily for the purpose of trading
- it is due to be settled with in twelve months after reporting period, or
- There is no unconditional right so defer the settlement of liability for least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

b) Fair Value Measurement

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Fair Value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the Principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The Principal or the most advantageous market must be accessible by the company.

The fair Value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non- financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follow, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1- Quoted(unadjusted) market Prices in active markets for identical assets or liabilities
- Level 2- Valuation techniques for which the lowest level inputs that is significant to the fair value measurements is directly or indirectly observable.
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair Value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfer have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's directors determine the policies and procedures for the both recurring fair value measurement, such as derivative instrument and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

At each reporting date, the board analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per company's accounting policies. For this analysis, the Board members verify the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

On an interim basis, the members of board present the valuation results to the audit committee and the company's independent auditors. This includes a discussion of the major assumptions used in the valuations.

For the purpose of fair values disclosures, the company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the assets and liability and the level of the fair values hierarchy as explained above.

This note summarized accounting policy for fair value. Other fair value related disclosures are given in the relevant notes:

- Disclosures for valuation method , significant estimates and assumptions
- Financial instruments (including those carried at amortized cost)

c) **Property, Plant & Equipment and Intangible Assets**

Property, Plant & Equipment and intangible assets are reported at historical cost less accumulated depreciation. Profit or loss on sale, disposal or discard of Property, Plant & Equipment, if any is recognized in the year of sale, disposal or discard.

d) **Depreciation/Amortization**

1. **Tangible Assets**

Depreciation on Property, Plant & Equipment is provided to the extent of depreciable amount as per written down method in accordance with schedule II of Companies Act, 2013. Where during any financial year, any addition has been made to any asset, or where any asset has been sold, discarded, demolished or destroyed, the depreciation on such assets is calculated on a pro rata basis from the date of such addition or as the case may be, up to date on which such asset has been sold, discarded, demolished or destroyed.

2. **Intangible Assets**

There is no intangible asset in the company. Hence no comment is required.

e) **Inventories**

There are no inventories in the company. Hence no comment is required.

f) **Investments**

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments.

Current investments are carried at the lower of cost or fair value. Long term investments are carried at cost less permanent diminution in value, if any.

g) **Revenue Recognition**

Sales are recognized on transfer of significant risks & rewards which takes place on dispatch of goods to the customer. Sales exclude taxes and are net of returns and discounts.

Income from stock of investments in interest bearing securities and loans & advances is accounted for on accrual basis.

Dividend

Dividend income from stock of investments in shares is recognized accruing as income of that year in which dividend is declared by the companies in their respective Annual General Meetings.

Rendering of Services

Revenue from rendering of services is recognized when the performance obligation to render the services are completed as per contractually terms.

Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing cost consists of interest and other costs that equity incurs in connection with borrowing of funds.

h) **Leases**

Lease arrangements, where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognized as an operating lease and lease rentals thereon are charged to the Statement of Profit and Loss.

i) **Employee benefits**

Contribution to Defined Contribution schemes such as Provident Fund, leave encashment and for gratuity liability to employees etc. are charged to the Statement of Profit and Loss as and when incurred.

j) **Foreign Exchange Transactions**

Transactions in foreign currency are recorded at the exchange rates prevailing on the date of transactions. Monetary assets and liabilities denominated in foreign currency are restated at the prevailing year end rates. The resultant gain/loss upon

such restatement along with the gain/loss on account of foreign currency transactions are accounted in the Statement of Profit and Loss.

k) Taxation

Current tax is determined as the amount of tax payable in respect of taxable income in accordance with relevant tax rates and tax laws.

Deferred tax is recognized, subject to the consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognized only to the extent there is virtual certainty and convincing evidence that there will be sufficient future taxable income available to realize such assets.

m) Impairment of Assets

Regular review is done to determine whether there is any indication of impairment of the carrying amount of the Company's fixed assets. If any such indication exists, impairment loss i.e. the amount by which the carrying amount of an asset exceeds its recoverable amount is provided in the books of accounts. In case there is any indication that an impairment loss recognized for an asset in prior accounting periods no longer exists or may have decreased, the recoverable value is reassessed and the reversal of impairment loss is recognized as income in the Statement of Profit and Loss.

n) Provisions and Contingencies

A provision is recognized when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources would be required to settle the obligation, and in respect of which a reliable estimate can be made.

A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made.

o) Financial Instruments

Financial instrument is any contract that gives rise to financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

All financial assets are recognized initially at fair value plus, in the case financial assets not recorded at fair value through profit and loss, transaction costs that are attributable to the acquisition of the financial asset. Purchase or sales of financial assets that require delivery of assets within a time established by regulation or convention in the market place (regular day trades) are recognized on the trade date i.e. the date that the Company commits to purchase or sell the assets.

Financial Liabilities

Financial Liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables as appropriate.

All financial liabilities are recognized initially at fair value and in case of loans and borrowings and payable, net of directly attributable transaction costs. The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and financial guarantee contract.
