Notes:-

1. The Register of Members and Share Transfer Register of the Company shall remain closed from Saturday, 24th September, 2022 to Friday, 30th September, 2022 (both days inclusive) for the purpose of taking record of the shareholders at the Annual General Meeting.
2. A member entitled to attend and vote is entitled to appoint a proxy to attend and vote instead of himself and the proxy need not be a member of the company. Pursuant to the provisions of Section 105 of the Companies Act, 2013, a person can act as a proxy on behalf of not more than fifty members and holding in aggregate not more than ten percent of the total Share Capital of the Company. Members holding more than ten percent of the total Share Capital of the Company may appoint a single person as proxy, who shall not act as a proxy for any other Member. Proxy Form, in order to be effective, shall be deposited at the Registered Office of the Company, duly completed and signed, not later than 48 hours before the commencement of the meeting. A Proxy form is annexed to this Notice. Proxy forms submitted on behalf of the limited companies, societies, etc., must be supported by an appropriate resolution / authority, as applicable.
3. Members Corporate are requested to send, a duly certified copy of the Board Resolution pursuant to Section 113 of the Companies Act, 2013 authorising their representative to attend the AGM on their behalf and vote through remote e-voting. The Resolution shall be sent to the Scrutinizer by email through its registered email address to kapahiassociates@yahoo.com or to the Company at n.ktextiles123@gmail.com
4. The Securities and Exchange Board of India (the SEBI) has mandated that securities of listed companies can be transferred only in dematerialised form w.e.f. 1st April, 2019. Accordingly, the Company and its Registrar and Transfer Agents (RTA) have stopped accepting any fresh lodgment of transfer of shares in physical form. Members holding shares in physical form are advised to avail the facility of dematerialization.

Pursuant to SEBI circular dated 25th January, 2022, securities of the Company shall be issued in dematerialized form only while processing service requests in relation to issue of duplicate securities certificate, renewal / exchange of securities certificate, endorsement, sub-division / splitting of securities certificate, consolidation of securities certificates/folios, transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR – 4, the format of which is available on the Company’s website and on the website of the Company’s Registrar and Transfer Agents –Mas Services Limited. It may be noted that any service request can be processed only after the folio is KYC Compliant.

Further, SEBI vide its circular dated 3rd November, 2021, read with clarification dated 14th December, 2021 introduced common and simplified norms for processing investor’s service request by Registrar and Transfer Agent(s) (RTAs) and norms for furnishing PAN, KYC details and Nomination. Accordingly, effective 1st January, 2022, the RTA shall not process any service requests or complaints received from the holder(s) / claimant(s), till PAN, KYC and Nomination documents/details are updated. On or after 1st April, 2023, in case of any of the above cited documents/details are not available in the folios, RTA shall be constrained to freeze such folios. The Company has sent individual letters to all the Members holding shares of the Company in physical form for furnishing the aforesaid details. This communication is available on the website of the Company. In view of this requirement and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to update their KYC details (through Form ISR-1, Form ISR-2 and Form ISR-3, as applicable) and consider converting their holdings to dematerialized form. Members can download Forms to make their service request with RTA from link <https://www.masserv.com/downloads.asp>

or contact the Company's RTAM/s Mas Services Limited at info@masserv.com or assistance in this regard.

As per the provisions of the Act and applicable SEBI Circular, Members holding shares in physical form may file nomination in the prescribed Form SH-13 with Mas Services Limited or make changes to their nomination details through Form SH-14 and Form ISR-3. In respect of shares held in dematerialised form, the nomination form may be filed with the respective DPs. The relevant forms are available on the company website at <http://www.nktil.com/Communication-to-Investor/>

5. Members holding shares in dematerialized mode are requested to intimate all changes pertaining to their name, address, bank details, ECS mandate, nominations, power of attorney, email ID, etc. to their depository participants only and not to the Company or its RTA. The said intimation will be automatically reflected in the Company's records.
6. Shareholders may note that the Income Tax Act, 1961, as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a Company after 1st April, 2020 shall be taxable in the hands of the Shareholders. The Company shall therefore be required to deduct Tax at Source (TDS) at the time of making the final dividend. In order to enable us to determine the appropriate TDS rate as applicable, Members are requested to submit the documents in accordance with the provisions of the Income Tax Act, 1961.
7. Securities and Exchange Board of India ("SEBI") has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore requested to submit the PAN to their Depository Participant(s) with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company's RTA.
8. In terms of Section 72 of the Companies Act, 2013, the shareholders of the Company may nominate a person on whom the shares held by him/them shall vest in the event of his/their death. Shareholders desirous of availing this facility may submit nomination in form SH-13.
9. Members may contact **M/s. MAS SERVICES LIMITED**, the Registrars & Transfer Agents (RTA) for any investor related services. The address and other contact details of RTA are as under:

Certificate of Corporate Governance

To,
The Members
M/s N K Textile Industries Limited

We have examined the compliance with the conditions of Corporate Governance by **M/s N K Textile Industries Limited** (CIN: L17299DL1983PLC163230) ('the Company') for the year ended on March 31, 2022 as stipulated in Regulations 17 to 20 and 22 to 27 and Clause (b) to (i) of Regulation 46(2), and Para C, D and E of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations').

The compliance with conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures (and implementation thereof), adopted by the Company. We share neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion, and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the Management, and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India due to the COVID-19 pandemic, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2022.

We further state that such compliance is neither an assurance on the future viability of the Company, nor on the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of N K TEXTILE INDUSTRIES LIMITED

Report on the Audit of the Standalone financial statements

1. Opinion

We have audited the standalone financial statements of N K TEXTILE INDUSTRIES LIMITED ("the Company"), which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian accounting standards (Ind AS) specified under section 133 of the Act, of the state of affairs of the Company as at March 31, 2022, its Loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone financial statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on our checks and on the basis of information

and explanation from the management we have determined that there are no key audit matters to be communicated in our report.

4. Information other than the standalone financial statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including its Annexure and Shareholder's Information but does not include the standalone financial statements and our auditor's report thereon. The report is expected to be made available to us after the date of this Auditor's Report.

Our Opinion on the standalone financial statements does not cover other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statement, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

5. Responsibility of Management for the Standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore key audit matters. We describe these audit matters in our audit report unless law or regulation precludes public disclosure about the matters and when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Report on Other Legal and Regulatory Requirements

I. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

II. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash flow statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is

disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (i) The Management has represented that, to the best of its knowledge and belief, as disclosed in the note no. 25 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(ii) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the note no. 25 to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations

under sub-clause (i) and (ii) of Clause iv above contain any material misstatement.

v. The company has not declared or paid any dividend during the year.

iii. As required by Section 197(16) of the Act, we report that in our opinion and according to the information and explanations given to us, the Company has not paid any managerial remuneration pursuant to provisions of section 197 to the Act.

ANNEXURE "B" TO INDEPENDENT AUDITOR'S REPORT

Annexure to the Independent Auditors' Report referred to in paragraph 7(II)(f) of our report of even date on the standalone financial statements of N K TEXTILE INDUSTRIES LIMITED for the Year ended 31st March 2022

Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of N K Textile Industries Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the "Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating

effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

N K Textile Industries Limited

Notes to Standalone Financial Statements for the year ended 31 March, 2022

Note 1:

I. Corporate information

N.K. Textile Industries Limited ('the Company') is a company limited by shares, incorporated in India on 9th February 1983. The Company is fully owned by Indian Shareholders. The addresses of its registered office is Omaxe Square, Plot No. 14, 5th Floor, Jasola, New Delhi-110025. The Company is a listed, unregistered core Investment Company (CIC) in terms of Notification No. DNBR. PD.003/03.10.119/2016-17 dated 25th August, 2016 issued by RBI as amended. Hence, the Company is not required to get Registration as Non-Banking Financial Company.

II. Statement of compliance

These standalone financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended.

III. Basis of preparation and presentation

a. Basis of preparation and presentation

The financial statements are presented in Indian Rupees. The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

b. Use of Estimates

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balance of assets and liabilities, revenues and expenses and disclosures relating to contingent liabilities.

The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results may differ from these estimates. Any revision to the accounting estimates or difference between the estimates and the actual results are recognised in the periods in which the results are known/materialise or the estimates are revised.

IV. Significant accounting policies

a. Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is recognised when (or as) Company satisfies a performance obligation by transferring promised goods and services.

Interest Income

Interest income on fixed deposits is accounted for on accrual basis.

Dividend income

Dividend income from shares/ mutual funds is recognised for when the right to receive it is established.

b. Cash Flow Statement

Cash flow statement is prepared using the indirect method, whereby, profit/(loss) before tax is adjusted for the effects of transition of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, investing, and financial activities of the Company are segregated based on the available information.

c. Exceptional Items

On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company, is such that its disclosure improves an understanding of the performance of the Company. Such income or expense is classified as an exceptional item and accordingly disclosed in the Notes to Accounts.

d. Taxation

Current tax

Provision for current tax for the period is based on taxable income computed in accordance with the provisions of the Income-tax Act, 1961.

The tax currently payable is based on taxable profits for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. Current Tax related to Other Comprehensive Income items are recognised in Other Comprehensive Income schedule.

Deferred tax

Deferred tax resulting from "temporary differences" between book and taxable profit is accounted for using the tax rates and laws that have been enacted as on balance sheet date. The deferred tax asset is recognised and carried forward only to the extent that there is reasonable certainty that the asset will be realised in future. Deferred tax that relates to items that are recognised in other comprehensive income is recognised in other comprehensive income.

e. Finance Costs

Finance costs comprise interest expense on loans and borrowings. Borrowing costs that are not directly attributable to the acquisition, construction or production of a qualifying asset are recognised in the Statement of Profit and Loss using effective interest rate (EIR). Borrowing cost may include exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

f. Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

g. Earnings per share (EPS)

Basic earnings per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to dilutive potential equity shares, if any.

h. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When the provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of time value is material).

i. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, (in the case of financial assets not recorded at fair value through profit or loss) transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

Financial assets at amortised cost:

A financial asset is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets at Fair Value Through Other Comprehensive Income (FVTOCI):

A financial asset is classified as at the FVTOCI if both of the following criteria are met unless the asset is designated at fair value through profit or loss under fair value option.

- (a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial asset, and
- (b) The asset's contractual cash flows represent SPPI.

Financial assets at Fair Value Through Profit or Loss (FVTPL):

FVTPL is a residual category for financial assets. Any asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

Equity investments:

All equity investments, except investments in subsidiaries and associates and non-current investment in unquoted equity shares, in scope of Ind AS 109 are measured at fair value, with all changes recognized in the Statement of profit and loss. The investments in shares of subsidiaries and associates valued at cost. Non-current investments in unquoted equity shares are measured at fair value, with all changes recognized in the other comprehensive income.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment

The company assesses on forward looking basis the expected credit losses associated with its assets carried at amortized cost and FVOCI instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Financial liabilities**Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

i. Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable;

- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable;

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved, wherever required, for valuation of significant assets, such as properties and unquoted financial assets, and significant liabilities, such as contingent consideration. Involvement of external valuers is decided upon annually by the Board of directors and the selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The Board of directors, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

At each reporting date, the board of directors analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the board of directors verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The board of directors, in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the fair value hierarchy as explained above.

18 Financial instruments

A Fair value hierarchy

The Company determines fair values of its financial instruments according to the following hierarchy:

Level 1: Valuation based on quoted market price: financial instruments with quoted prices for identical instruments in active markets that the Company can access at the measurement date.

Level 2: Valuation based on using observable inputs: financial instruments measured using inputs, other than quoted prices included within level 1, that are observable for such items, directly or indirectly.

Level 3: Valuation technique with significant unobservable inputs: financial instruments valued using valuation techniques where one or more significant inputs are unobservable. The main items in this category are unquoted equity instruments. The fair valuation of the major unquoted equity investment has been carried out by an independent valuer using the asset approach valuation technique. The valuer has used significant inputs like market data, growth projections, future cash flow discounting, P/E multiple, etc.

The following table provides an analysis of financial instruments that are measured at fair value and have been grouped into Level 1, Level 2 and Level 3 below:

Note for Financial assets

The fair value of the financial assets are determined at the amount that would be received to sell an asset in an orderly transaction between market participants.

B Financial risk management objectives and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by its Senior Management.

Market rate risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments, deposits and foreign currency receivables, payables, loans and borrowings.

The Company manages market risk through its finance department, which evaluates and exercises independent control over the entire process of market risk management. The finance department recommends risk management objectives and policies, which are approved by Senior Management. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest in order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, the finance department undertakes the interest rate risk management exercise from time to time.

The Company is not exposed to significant interest rate as at the respective reporting dates.

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of trade receivables.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss in the subsequent reporting period. The management believes that there are no significant exposure of credit risk due to the nature of company's business.

Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by Senior Management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

- 19 The Company has made detailed assessment of its liquidity position for the next few months and of the recoverability of carrying values of its assets comprising of investments as at the Balance sheet date, and based on the internal and external information upto the date of approval of these financial statements including economic forecasts, has concluded that no material adjustments are required to be made in the financial results. The Company has performed sensitivity analysis on the assumptions used herein.

Based on the current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets. The company is of the opinion that there is certainty that company will be able to meet its all-financial commitments in

1. Qualified Opinion

We have audited the accompanying Consolidated financial statements of N K Textiles Industries Limited (hereinafter referred to as "the Holding Company") and its subsidiary (the holding Company and its subsidiary together referred to as "the group") and its associate (Refer Note No 1(II) of the attached consolidated financial statements) comprising of the Consolidated Balance sheet as at 31st March, 2022, the Consolidated Statement of Profit and Loss and Other Comprehensive Income, the consolidated Statement of Changes in Equity and the Consolidated Cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements/consolidated financial statements and on the other financial information of the subsidiary and associate referred below in other matter paragraph, *except for the effects of the matters described in the 'Basis for Qualified Opinion' paragraph below*, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian accounting standards (Ind AS) specified under section 133 of the Act, of the consolidated state of affairs of the Group and its associate as at March 31, 2022, their consolidated profit and other comprehensive income, consolidated changes in equity and their consolidated cash flows for the year ended on that date.

2. Basis for Qualified Opinion

Attention is drawn to note no 36 to the Consolidated financial statements stating that audited financial statements of one associate for the year ended 31 March 2022 have not been made available and accordingly Group's share of net profit of Rs 1,52,107.20 thousand and Rs. 42,116.00 thousand and share in other comprehensive income of Rs 45,124.80 thousand and Rs. 21,382.00 thousand for the current year and previous year respectively, included in consolidated Statement of Profit and Loss is based on unaudited financial statements of that associate and is subject to audit.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated financial statements* section of our report. We are independent of the Group and its associate in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Emphasis of matter

We draw attention to the note no. 28 to the consolidated financial statements which describes the changes in the basis of fair value of partly paid-up shares in the subsidiary company, resulting in increase of other comprehensive income by ₹ 2,50,266.68 thousand. Our opinion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on our checks and on the basis of information and explanation from the management we have determined that there are no key audit matters to be communicated in our report.

5. Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statement in terms of requirements of the Companies Act, 2013 that give a true and fair view of the Consolidated financial position, Consolidated financial performance, Consolidated changes in equity and Consolidated cash flows of the Group including its Associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its Associate and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the

preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are also responsible for overseeing the financial reporting process of the Group and of its associate.

6. Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material

uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are independent auditors. For the other entities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore key audit matters. We describe these audit matters in our audit report unless law or regulation prohibits public disclosure

about the matters and when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Other Matter

We did not audit the financial statements/consolidated financial statements/financial information of one subsidiary (including its subsidiary), whose financial statements/financial information reflect total assets of Rs. 47,82,341.35 thousand as at 31st March, 2022, total revenue of Rs. 77,471.63 thousand and net cash inflows amounting to Rs.11750.92 thousand for the year ended on that date as considered in the consolidated financial statements. These financial statements/financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary, and our report in terms of sub-section (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the reports of such other auditor.

Our opinion on the consolidated financial statements, and our report on the legal and regulatory requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors and the financial statements/financial information certified by the Management.

The consolidated financial statements also include the Group's share of net profit and other comprehensive income of Rs. 1,52,107.20 thousand and Rs. 45,124.80 thousand respectively for the year ended 31st March, 2022 in respect of one associate, based on unaudited financial statements, which has not been audited by their auditors as yet. Our opinion on the consolidated financial statements, has been modified in respect of the above matter (refer paragraph 2 above).

8. Report on Other Legal and Regulatory Requirements

- I. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statement have been kept so far as it appears from our examination of those books and the reports of other auditors.
 - c. The consolidated Balance Sheet, the consolidated Statement of Profit and Loss and Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Cash flow statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

- d. In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2022 taken on record by the Board of Directors of the Holding Company and on the basis of the reports of the statutory auditors of its subsidiary company, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of section 164(2) of the act except in case of associate, where reports of their statutory auditor is not yet available as mentioned in paragraph 7 above.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Holding company and subsidiary company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". The financial statement of associate has yet not been audited as such associate is not considered in internal financial controls over financial reporting under section 143 (3)(i).
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The group and its associate does not have pending litigations hence, there is no impact on the consolidated financial position.
 - ii. The group and its associate does not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary and associate.
 - iv. (i) The respective Managements of the Company and its subsidiaries, which are companies incorporated in India whose financial statements have been audited under the Act,(associate is not yet audited), have represented to us and the other auditors of such subsidiaries, respectively that, to the best of their knowledge and belief, as disclosed in the Note No. 34 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries, to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries, ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(ii) The respective Managements of the Company and its subsidiaries, which are companies incorporated in India whose financial statements have been audited under the Act, (associate is not yet audited), have represented to us and the other auditors of such subsidiaries, respectively that, to the best of their knowledge and belief, as disclosed in the note no. 34 to the financial statements, no funds have been received by the Company or any of such subsidiaries, from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clause (i) and (ii) of Clause (iv) above contain any material misstatement.

V. The holding company and its subsidiaries, which are companies incorporated in India whose financial statements have been audited under the Act has not declared or paid any dividend during the year.

II. As required by Section 197(16) of the Act, we report that in our opinion and according to the information and explanations given to us, the holding company and subsidiary company have not paid any managerial remuneration pursuant to provisions of section 197 to the Act.

ANNEXURE " A " TO THE INDEPENDENT AUDITORS' REPORT

Annexure to the Independent Auditors' Report referred to in paragraph 8(f) of our report of even date on the consolidated financial statements N K TEXTILES INDUSTRIES LIMITED for the Year ended 31 March, 2022

Report on the Internal Financial Controls with reference to the consolidated financial statements under Section 143(3)(i) of the Companies Act, 2013 ("the Act")

Opinion

In conjunction with our audit of consolidated financial statements of the N K TEXTILES INDUSTRIES LIMITED ("the Holding Company"), as of and for the year ended 31 March 2022, we have audited the internal financial controls with reference to the consolidated financial statements of the Holding Company and its subsidiary company, as of that date.

In our opinion, the Holding Company and its subsidiary company have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. (the "Guidance Note")

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of Holding and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the "Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of Holding and its subsidiary companies based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial

controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in term of their reports referred to in other matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on internal financial controls over financial reporting of Holding and subsidiary companies.

Meaning of Internal Financial Controls with reference to the consolidated financial statements

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to the consolidated financial statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting, may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

N K Textile Industries Limited

Notes to Consolidated Financial Statements for the year ended 31 March, 2022

Note 1:

I. Corporate information

N.K. Textile Industries Limited ('the Company') is a company limited by shares, incorporated in India on 9th February 1983. The Company is fully owned by Indian Shareholders. The addresses of its registered office is Omaxe Square, Plot No. 14, 5th Floor, Jasola, New Delhi-110025. The Company is a listed, unregistered core Investment Company (CIC) in terms of Notification No. DNBR. PD.003/03.10.119/2016-17 dated 25th August, 2016 issued by RBI as amended. Hence, the Company is not required to get Registration as Non-Banking Financial Company.

II. Basis of Consolidation and equity accounting

The consolidated financial statements include financial statements of the following subsidiaries and associate of N K Textile Industries Limited, consolidated in accordance with Ind AS 110 'Consolidated Financial Statements' and Ind As 28 'Investment in Associates and Joint Venture'. The consolidated financial statements comprise financial statements of N K Textile Industries Limited ('the Parent Company') and its subsidiaries and associates (collectively, the 'Group') for the year ended 31st March, 2021.

Name of the company	Country of Incorporation	% of shareholding of Parent Company	Consolidated as
Rajputana Developers Limited (RDL)	India	81.88%	Subsidiary
Super Investment (India) Limited (88.61% subsidiary of RDL)	India	88.61%	Subsidiary
HMA Udyog Private Limited	India	40%	Associate

Note: Consolidated financial statement of RDL were considered for consolidation

✓ **Subsidiaries:**

Subsidiaries are all entities over which group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are consolidated from the date on which control is obtained by the Group. They are deconsolidated from the date the control ceases.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income, expenses and cash flows. Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and parent's portion of equity of each subsidiary. Intragroup transactions, balances and unrealized gains or losses on transactions between Group companies are eliminated.

Non-controlling interests in the results and equity of subsidiaries are shown separately in consolidated statement of profit and loss, consolidated statement of change in equity and the consolidated balance sheet respectively.

✓ **Associate:**

Associates are all entities over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control over those policies. This is generally the case where group holds between 20% to 50% of the voting power. Investment in associates are accounted using the equity method of accounting, after initially being recognised at cost.

III. Statement of compliance

The consolidated financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended.

IV. Basis of preparation and presentation

a. Basis of preparation and presentation

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

The financial statements are presented in Indian Rupees. The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

b. Use of Estimates

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balance of assets and liabilities, revenues and expenses and disclosures relating to contingent liabilities.

The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results may differ from these estimates. Any revision to the accounting estimates or difference between the estimates and the actual results are recognised in the periods in which the results are known/materialise or the estimates are revised.

IV. Significant accounting policies

a. Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is recognised when (or as) Company satisfies a performance obligation by transferring promised goods and services.

Interest Income

Interest income on fixed deposits is accounted for on accrual basis.

Dividend income

Dividend income from shares/ mutual funds is recognised for when the right to receive it is established.

b. Cash Flow Statement

Cash flow statement is prepared using the indirect method, whereby, profit/(loss) before tax is adjusted for the effects of transition of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, investing, and financial activities of the Company are segregated based on the available information.

c. Exceptional Items

On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company, is such that its disclosure improves an understanding of the performance of the Company. Such income or expense is classified as an exceptional item and accordingly disclosed in the Notes to Accounts.

d. Taxation

Current tax

Provision for current tax for the period is based on taxable income computed in accordance with the provisions of the Income-tax Act, 1961.

The tax currently payable is based on taxable profits for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. Current Tax related to Other Comprehensive Income items are recognised in Other Comprehensive Income schedule.

Deferred tax

Deferred tax resulting from "temporary differences" between book and taxable profit is accounted for using the tax rates and laws that have been enacted as on balance sheet date. the deferred tax asset is recognised and carried forward only to the extent that there is reasonable certainty that the asset will be realised in future. Deferred tax that relates to items that are recognised in other comprehensive income is recognised in other comprehensive income.

e. Finance Costs

Finance costs comprise interest expense on loans and borrowings. Borrowing costs that are not directly attributable to the acquisition, construction or production of a qualifying asset are recognised in the Statement of Profit and Loss using effective interest rate (EIR). Borrowing cost may include exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

f. Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

g. Earnings per share (EPS)

Basic earnings per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to dilutive potential equity shares, if any.

h. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When the provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of time value is material).

i. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, (in the case of financial assets not recorded at fair value through profit or loss) transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

Financial assets at amortised cost:

A financial asset is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets at Fair Value Through Other Comprehensive Income (FVTOCI):

A financial asset is classified as at the FVTOCI if both of the following criteria are met unless the asset is designated at fair value through profit or loss under fair value option.

- (a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial asset, and
- (b) The asset's contractual cash flows represent SPPI.

Financial assets at Fair Value Through Profit or Loss (FVTPL):

FVTPL is a residual category for financial assets. Any asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

Equity investments:

All equity investments, except investments in subsidiaries and associates and non current investment in unquoted equity shares, in scope of Ind AS 109 are measured at fair value, with all changes recognized in the Statement of profit and loss. The investments in shares of subsidiaries and associates valued at cost. Non current investments in unquoted equity shares are measured at fair value, with all changes recognized in the other comprehensive income.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment

The company assesses on forward looking basis the expected credit losses associated with its assets carried at amortized cost and FVOCI instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L.

However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

j. Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable;
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable;

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved, wherever required, for valuation of significant assets, such as properties and unquoted financial assets, and significant liabilities, such as contingent consideration. Involvement of external valuers is decided upon annually by the Board of directors and the selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The Board of directors, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

Each reporting date, the board of directors analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting

policies. For this analysis, the board of directors verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents. The board of directors, in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

28 Earlier both the subsidiary company has used fair value per share incase of partly paid up shares by using the below formula:

Fair value of partly paid up shares = Fair value of fully paid up share multiplied by paid up amount and divided by full value per share

During the year, the Company has changed the basis of fair value per share in case of partly paid up shares and has considered the fair value of fully paid up shares minus the uncalled amount.

The above change in basis of fair value has resulted in increase of other comprehensive income by ₹ 2,50,266.68 thousands, had the previous basis of fair value been adopted.

29 Financial instruments

A Fair value hierarchy

The Company determines fair values of its financial instruments according to the following hierarchy:

Level 1: Valuation based on quoted market price: financial instruments with quoted prices for identical instruments in active markets that the Company can access at the measurement date.

Level 2: Valuation based on using observable inputs: financial instruments with quoted prices for similar instruments in active markets or quoted prices for identical or similar instruments and financial instruments valued using models where all significant inputs are observable.

Level 3: Valuation technique with significant unobservable inputs: financial instruments valued using valuation techniques where one or more significant inputs are unobservable. Equity investments designated under FVTOCI has been valued using the asset approach valuation technique.

The following table provides an analysis of financial instruments that are measured at fair value and have been grouped into Level 1, Level 2 and Level 3 below:

B Financial risk management objectives and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by its Senior Management.

Market rate risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments, deposits and foreign currency receivables, payables, loans and borrowings.

The Company manages market risk through its finance department, which evaluates and exercises independent control over the entire process of market risk management. The finance department recommends risk management objectives and policies, which are approved by Senior Management. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest in order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, the finance department undertakes the interest rate risk management exercise from time to time.

The Company is not exposed to significant interest rate as at the respective reporting dates.

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of trade receivables.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss in the subsequent reporting period. The management believes that there are no significant exposure of credit risk due to the nature of company's business.

Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by Senior Management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

30 The Company has made detailed assessment of its liquidity position for the next few months and of the recoverability of carrying values of its assets comprising of investments as at the Balance sheet date, and based on the internal and external information upto the date of approval of these financial statements including economic forecasts, has concluded that no material adjustments are required to be made in the financial results. The Company has performed sensitivity analysis on the assumptions used herein.

Based on the current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets. The company is of the opinion that there is certainty that company will be able to meet its all-financial commitments in next one year.
