FROM THE DESK OF MANAGING DIRECTOR

Dear Stakeholders,

I take this opportunity to thank all of you and my dear colleagues for providing steadfast support at every turn of our journey during the year. We have, together, lived through one of the most trying phases of the pandemic. I hope you and your families are well and safe. It is my privilege to write to you and present the Annual Report for the FY 2021-2022.

I hope this letter of mine finds you safe and in the best of health and spirit.

Having undergone a degrowth in FY 2020-2021, the global economy registered robust growth in FY 2021-2022 supported by a strong demand recovery post the vaccination rollout and withdrawal of restrictions imposed at the height of the pandemic. As the world was emerging from the pandemic, the war in Ukraine was triggered another geopolitical crises, creating significant macro uncertainities. As elsewhere in the world, economic recovery in India was supported by well-considered fiscal and monetary policy measures. India's GDP is estimated to have expanded 8.7% in FY 2021-2022 against a contraction of 6.6% in FY 2020-2021.

We are now ready to grow and diversify through a combination of new and downstream businesses. Our endeavor is to drive scale and future growth, derisk the business through diversification, strengthen the balance sheet and generate operational synergies through strategic re-structuring initiatives.

The strong economic recovery has been mirrored in the strong uptick in India's steel industry, bolstered by pent-up demand. Supported by government spending on infrastructure and the revival of the automotive sector, India is expected to witness robust steel demand growth of 7-8% in 2022. Although rising raw materials prices, inflation and supply-side pressures might moderate this growth, the long-term demand drivers for the steel industry remain strong.

Further, it is also pertinent to mention that *Rakan (Private) I.T.I under the flagship of Rakan Group of Institutions* which is established with the aim to inculcate technological skills amongst youth to empower them for gainful employment through technical & vocational education; and to enhance productivity of formal & non-formal sector of economy by having close interaction with the Industry. With immense pride and conviction, we would like to place on record our sincere appreciation to the Management

team of I.T.I. for their unique and immense devotion and dedication in taking the institution to new heights and making it a brand altogether. Various eminent companies and industries have tied-up with the institution in recruiting the exceptionally talented and skilled youth of our institution thereby fulfilling our aspiration of becoming the top I.T.I. institution of the city.

During the year, the Company has progressed on its journey to make products structurally, financially & culturally future ready. The Company has demonstrated better performance in new product development and people practices. The year also saw us accelerate our digital transformation journey and resolutely adopt Industry practices and technology. Digital will be a key enabler in strengthening our competitiveness by improving efficiencies and deepening relationships with our customers, people and business partners through enhanced convenience and experience.

The Management is leaving no stone unturned in fighting the impact levied by the outbreak of the pandemic in such unprecedented times where the world at large was struggling for survival.

Albeit the difficult environment, *Rakan Steels Limited* is trying to comprehend the situation meticulously and planning out innovative strategies to improve the growth prospects and combat for the reduced revenue. Moreover, it is impossible without the faith and trust of our beloved and precious shareholders.

A big thank you to my colleagues at Rakan Steels Limited, the Board and investors for being by our side and helping us steer through the many challenges towards newer horizons. Looking ahead, I am optimistic of the opportunities of the work we are doing for our clients and hope that we fulfill every aim and goal that we have always cherished and aspired of.

I solicit your continued cooperation.

With my warmest regards,

Sd/-Kannan Agarwal (Managing Director)

MANAGEMENT'S DISCUSSION ANALYSIS REPORT

I. OVERVIEW

The Management's Discussion and Analysis Report is an integral part of Board's Report and convey the Management's perspective on the external environment and steel industry, as well as strategy, operating and financial performance, material developments in human resources and industrial relations, risks and opportunities and internal control systems and their adequacy in the Company during FY 21-22. This should be read in conjunction with the Company's financial statements, the schedules and notes thereto and other information included elsewhere in the Annual Report. The Company's financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') complying with the requirements of the Companies Act, 2013, as amended and regulations issued by the Securities and Exchange Board of India ('SEBI') from time to time.

II. GLOBAL ECONOMY

MACRO ECONOMIC CONDITION

Global economy has rebounded from contraction in 2020 to register a growth of around 6.1% in 2021. This was driven by pick up in investment, trade, consumer spending and improvement in services. As the year progressed, pace of recovery began to moderate on account of slowdown in China due to regulatory pressures on its real estate sector and 'Zero COVID Policy'. COVID continues to be an overhang on global economies and has led to persistent stress on supply chains, energy and so on. The global economy entered 2022 in a weaker position than previously expected. As the new Omicron COVID-19 variant spreads, some countries have reimposed mobility restrictions.

ECONOMIC OUTLOOK

In 2022, Global growth is expected to moderate to around 3.6%, a 0.8 percentage point lower growth than what was envisioned in the last World Economic Outlook (WEO) of January 2022, largely reflecting forecast markdowns in USA and China. In USA, a revised assumption of removing the Build Back Better fiscal policy package from the baseline, earlier withdrawal of monetary accommodation, and continued supply shortages have induced a downgrade in the outlook by 1.2 percentage points.

In China, pandemic-induced disruptions related to the zero-tolerance COVID-19 policy and protracted financial stress among property developers have induced a 0.8 percentage-point downgrade.

III. STEEL INDUSTRY

GLOBAL STEEL INDUSTRY

According to the World Steel Association ('WSA'), total global crude steel production was 1,951 MnT in 2021, a 3.7% increase compared to 2020. This is primarily due to economies opening after wide scale vaccinations, gradual commencement of economic activity, and significant change in retail consumer behavior mainly in automotive and construction sectors. Further, increase in raw material prices mainly concerning coking coal, iron ore and oil & fuel have pushed the market prices of steel.

Global steel industry witnessed recovery in 2021 after being impacted by COVID-19 pandemic in 2020, due to revival in end-market demand. The resumption of operations across major steel-consuming sectors such as construction and engineering following the easing of lockdowns and restrictions led to an uptick in steel demand and thereby, drove an upswing in steel prices and fuelled them to historic highs.

<u>INDIAN STEEL INDUSTRY</u>

Despite the impact of second wave during early part of the financial year, economic activity has continued to recover primarily driven by government induced apex growth. The manufacturing sector has been in expansionary mode compared to contraction a year ago. Moving to services sector, growth was subdued but it has gained momentum since Q4FY22 post decrease in the number of COVID infections and increase in – vaccination rate. India GDP grew by 8.7 %in FY22 compared to a contraction of 6.6% in FY21 .Inflation though continues to remain elevated at 5.3%. India's steel industry has also suffered the production loss due to lockdown last year and recovered gradually since then, initially driven by export followed by gradual recovery in domestic demand.

IV. OPERATIONAL PERFORMANCE

The second wave of COVID-19 pandemic with record number of infections resulted in Oxygen shortage coupled with emotional crisis throughout the country. During these difficult times, the company remained committed to all its stakeholders and rolled out various people centric policies policies to support its employees, their families and the proximate communities. The Company is also fully aware of the fact that a diverse & inclusive environment establish a sense of belonging amongst employees. Further, to leverage the power of diversity & inclusion, initiatives. The Company imbibes the culture

of customer-centricity across its value chain and strives towards enhanced customer experience.

V. FINANCIAL PERFORMANCE

During the year, the Income of the Company amounted to Rs. 3382.269 (in '00000) in comparison to the Income of the last year which amounted to Rs. 2340.000 (in '00000). Your Company earned a profit during the year amounted to Rs. 07.16 (in '00000) in comparison to last year's profit which amounted to Rs. 11.51 (in '00000).

VI. <u>RISK AND OPPORTUNITIES</u>

FY22 has been a roller-coaster ride, starting with oxygen crisis during the second wave of COVID-19, drop in auto production due to semi-conductor shortage, volatility in coal & energy prices in the subsequent quarters and finally ending on tensed geo-political scenario resulting in shift in trade dynamics. High raw material prices have pushed steel prices and aided in maintaining margins at last year's level.

The Company through the ERM framework has identified several strategic, macroeconomic, financial, operational, regulatory, and other risks. Post the identification of these risks, the Company has also assessed these risks and developed short term and long-term plans to mitigate or reduce these risks. Additionally, the Company is focusing on building the capability of its employees to enable each manager to act as a risk manager. The company aim to optimise our digital infrastructure and continuously initiate policies and procedures to ensure data privacy and stringently follow best practices in terms of password policy, continuous awareness and sensitisation of users, VPN (Virtual Private Network) based secure access for core transactions.

The steel industry is labour-intensive, where the shop floor personnel are subjected to various risks associated with high temperature, hazardous material handling, human-machine interface, etc. Inconsistent adherence to process and workforce safety requirements, safety laws and regulations, may have adverse impact on business continuity and operations. COVID-19 contagion poses risk to the workforce health and safety and may lead to business disruptions.

VII. <u>INTERNAL CONTROL SYSTEM & THEIR ADEQUACY</u>

The Board of Directors of the Company is responsible for ensuring that Internal Financial Controls have been laid down in the Company and that such controls are adequate and

operating effectively. The Company has an adequate internal control system to manage the business operations effectively and efficiently. The internal audit department closely monitors the compliance of all operations with prescribed business standards. The audit team supervises all internal processes and recommends necessary changes to ensure quick remediation of deviations, if any. Any variance from the budget is flagged off to the senior management which advises modification to ensure strict adherence to compliances. Periodic monitoring and effective implementation of recommendations ensure high business compliance with adequate adherence to rules and regulations that govern the Company. The controls also ascertain the reliability of financial controls and strict adherence to compliance as per applicable laws and regulations. The internal control system ascertains optimal utilisation of all resources and proper documentation of financial transactions.

VIII. <u>HUMAN RESOURCE & INDUSTRIAL RELATIONS</u>

As on March 31, 2022, the Company had 16 employees on Roll. The Company strongly believes in the policy of hiring the right talent for the right position at the right time, with a focus to improve employee productivity. The Company is committed in sharing value with its employees and deals with them as partners of the Company. The Company has ensured harmonious and productive relations with its unions and community through effective Industrial Relations management. This is largely attributed to the Management's concern for its employees and the proactive and cooperative attitude of the employees.

IX. STATUTORY COMPLIANCES

The Managing Director, after obtaining confirmation from each of the departments, reports to the Board on a quarterly basis regarding the compliance with the provisions of various statutes, applicable to the Company. Due systems and processes are in place to ensure effectiveness of this tool.

X. DISCLAIMER

The statements and projections made in this report may vary depending on the economic conditions, government policies, and other factors beyond the control of the Company. Company is not under any obligation to amend, modify or revise any statement.

GLOBAL HEALTH PANDEMIC FROM COVID-19

This present study primarily emphasizes to seek the COVID-19 adverse impacts posing health challenges and global economic crisis. The second wave of COVID-19 pandemic struck like a storm in the very first quarter of FY22 throughout the country with record number of infections. While India was facing issue of limited medical oxygen availability due to high demand, steel plants played a crucial role in strengthening India's fight against COVID by diverting industrial oxygen to healthcare centres. This pandemic continues to hit the global economies adversely. Many countries are reporting the third and forth waves of infections. The actions taken by various governments to contain the pandemic, such as closing of borders and lockdown restrictions, have resulted in significant disruption to people and businesses. Consequently, market demand and supply chains have been affected. While operational robustness was visible in the company's performance in FY22, your company has demonstrated its endeavour to exceed customer's expectation through number of initiatives viz. Reduction in customer compliants to benchmark level; Your Company has also put in place effective strategies to create a constructive work culture that values and care for employees.

In addition, volunteerism is getting actively visualised across the company with enthused participation by employees and their families.

STANDALONE FINANCIAL STATEMENTS FOR THE F.Y. 2021-2022

INDEPENDENT AUDITOR'S REPORT

To,

The Members,

M/s RAKAN STEELS LIMITED,

NH-2 (1km from Bara Toll Plaza)

Umran, Rania, Kanpur Dehat- 209311

Report on the Financial Statements

We have audited the accompanying financial statements of **M/s RAKAN STEELS LIMITED**, ("the Company") as at **31**st **March 2022** which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act and the Rules made there under including the accounting standards and matters which are required to be included in the audit report.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and its profit/loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditors' Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the order to the extent applicable.
- 2) As required by section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of the audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.

Annexure-B to the Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")

We have audited the internal financial controls over financial reporting of **M/s Rakan Steels Limited** ("the Company") as of 31st March, 2022 in the conjunction with our audit of financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control system over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, is reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements in accordance with generally accepted accounting principles, and that the receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

<u>Inherent Limitations of Internal Financial Controls Over Financial Reporting</u>

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal financial controls over financial reporting to future period are subject to the risk that the

internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Description of the nature and purpose of each reserve within equity is as follows:

- a. Securities Premium Reserve: Securities premium reserve is credited when shares are issued at premium. It can be used to issue bonus shares, to provide for premium on redemption of shares or debentures, write-off equity related expenses like underwriting costs, etc.
- b. **General Reserve:** It is a free reserve which is created by appropriation from profits of the current year and/or undistributed profits of previous years, before declaration of dividend duly complying with any regulations in this regard.
- c. **Capital Reserve:** Capital Reserve is the reserve created by investment made in plant and machinery in accordance with the then applicable Government Policies. It can be used for acquiring plant and machinery and other capital investments.

Notes to the Ind AS financial statements for the year ended March 31, 2022

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

a) Basis of preparation and compliance with Ind AS

For all periods upto the year ended March 31, 2016, the Company prepared its financial statements in accordance with Generally Accepted Accounting Principles (GAAP) in India and complied with the accounting standards (Previous GAAP) as notified under Section 133 of the Companies Act, 2013 read together with Rule 7 of the Companies (Accounts) Rules, 2014, as amended, to the extent applicable, and the presentation requirements of the Companies Act, 2013.

In accordance with the notification dated February 16, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (Ind AS) notified under Section 133 read with Rule 4A of Companies (Indian Accounting Standards) Rules, 2015, as amended, and the relevant provisions of the Companies Act, 2013 (collectively, "Ind ASs") with effect from April 1, 2016 and the Company is required to prepare its financial statements in accordance with Ind ASs for the year ended March 31, 2017 and succeeding years.

The financial statements for the year ended March 31, 2022 (the "Ind AS Financial Statements") have been prepared in accordance with Ind AS.

b) Basis of measurement

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including derivative financial instruments which have been measured at fair value as described below and defined benefit plans which have been measured at actuarial valuation as required by relevant Ind ASs.

Fair value measurement

Fair value for measurement and /or disclosure purpose in these financial statements is determined on such a basis, except for share based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimizing the use of unobservable inputs.

c) Functional and presentation currency

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency.

All financial information presented in Rupees has been rounded to the nearest rupee.

Notes to the Ind AS financial statements for the year ended March 31, 2022

SIGNIFICANT ACCOUNTING POLICIES

The Company has applied following accounting policies to all periods presented in the Ind AS Financial Statement

a) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, net of discounts, volume rebates, outgoing sales taxes and other indirect taxes excluding excise duty.

Excise duty is a liability of the manufacturer which forms part of the cost of production, irrespective of whether the goods are sold or not. Since the recovery of excise duty flows to Company on its own account, revenue includes excise duty. However, GST is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the Government. Accordingly, it is excluded from revenue.

Revenue from sales is recognised when all significant risks and rewards of ownership of the commodity sold are transferred to the customer, which generally coincides with delivery. Revenues from sale of by products are included in revenue.

b) Property, Plant and Equipment

(i) Property, plant and equipment

The Company has applied Ind AS 16 with retrospective effect for all of its property, plant and equipment as at the transition date, viz., 1 April 2015. The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, attributable borrowing cost and any other directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the present value of the expected cost for the decommissioning and removing of an asset and restoring the site after its use, if the recognition criteria for a provision are met.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met when significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income/other expenses in statement of profit and loss.

An item of property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds

and the carrying amount of the asset) is included in the statement of profit and loss, when the asset is derecognised. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(ii) Depreciation

Assets in the course of development or construction and freehold land are not depreciated. Other property, plant and equipment are stated at cost less accumulated depreciation and any provision for impairment. Depreciation commences when the assets are ready for their intended use. Depreciation is calculated on the depreciable amount, which is the cost of an asset less its residual value. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset on a written down value basis over its expected useful life (determined by the management based on technical estimates), as follows:

The estimated useful lives of assets are as follows:

- Buildings 60 years
- Plant and equipments 15 years
- Furniture and fixtures 8 years
- Vehicles 8 years
- Office equipments 5 years
- Laboratory equipments 5 years
- Electrical Installations and equipments 10 years
- Computer and data processing units 3-10 years
- Individual items of assets costing upto Rs. 5,000 are fully depreciated in the year of acquisition.

When significant spare parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Depreciation methods, useful lives and residual values are reviewed at each financial year end and changes in estimates, if any, are accounted for prospectively.

c) Intangible assets

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. The useful lives of intangible assets are assessed as either finite or indefinite. The Company currently does not have any intangible assets with indefinite useful life. Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

d) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Expenses and assets are recognised net of the amount of sales/ value added taxes paid, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
- When receivables and payables are stated with the amount of tax included, the net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

h) Retirement Benefits

The company has not provided for any retirement benefits including gratuity.

i) Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

j) Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

k) Use of Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

14. VOTING THROUGH ELECTRONIC MEANS

I. In compliance with provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company is pleased to provide its members a facility to exercise their right to vote in the Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services provided by National Securities Depository Limited (NSDL):

The instructions for e-voting are attached:

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING ARE AS UNDER:-

The remote e-voting period begins on September 27, 2022 at 09:00 A.M. and ends on September 29, 2022 at 05:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Log-in to NSDL e-Voting system at https://www.evoting.nsdl.com/

Step 2: Cast your vote electronically on NSDL e-Voting system. Details on Step 1 is mentioned below:

How to Log-in to NSDL e-Voting website?

- 1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile.
- 2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.
- 3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at https://eservices.nsdl.com/ with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below:

Manner of holding shares i.e. Demat	Your User ID is:
(NSDL or CDSL) or Physical	
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12************ then your user ID is 12************************************
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

- 5. Your password details are given below:
 - a) If you are already registered for e-Voting, then you can user your existing password to login and cast your vote.

- b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
- c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered
- 6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) **Physical User Reset Password**?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
- 7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
- 8. Now, you will have to click on "Login" button.
- 9. After you click on the "Login" button, Home page of e-Voting will open.

Details on Step 2 is given below:

How to cast your vote electronically on NSDL e-Voting system?

- 1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
- 2. After click on Active Voting Cycles, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
- 3. Select "EVEN" of company for which you wish to cast your vote.
- 4. Now you are ready for e-Voting as the Voting page opens.

- 5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
- 6. Upon confirmation, the message "Vote cast successfully" will be displayed.
- 7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
- 8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

- Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to fcsvaibhav@gmail.com with a copy marked to evoting@nsdl.co.in.
- 2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
- 3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800-222-990 or send a request at evoting@nsdl.co.in

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAAR (self attested scanned copy of Aadhaar Card) by email to support@rakansteels.co.in.
