A PERSON CAN ACT AS A PROXY ON BEHALF OF MEMBERS UP TO AND NOT EXCEEDING FIFTY AND HOLDING IN THE AGGREGATE NOT MORE THAN TEN PERCENT OF THE TOTAL SHARE CAPITAL OF THE COMPANY. FURTHER, A MEMBER HOLDING MORE THAN TEN PERCENT OF THE TOTAL SHARE CAPITAL OF THE COMPANY CARRYING VOTING RIGHTS MAY APPOINT A SINGLE PERSON AS PROXY AND SUCH PERSON SHALL NOT ACT AS PROXY FOR ANY OTHER PERSON OR MEMBER. THE INSTRUMENT APPOINTING PROXY, DULY FILLED, STAMPED AND SIGNED, MUST BE DEPOSITED AT THE REGISTERED OF THE COMPANY NOT LESS THAN 48 HOURS BEFORE THE TIME OF HOLDING THE MEETING. IN THIS NOTICE, THE TERMS MEMBER(S) OR SHAREHOLDER(S) ARE USED INTERCHANGEABLY.
2. The Explanatory Statements and reasons for the proposed Special Resolutions pursuant to Section 102 read with Section 110 of the Act setting out material facts are appended herein below. Details in terms of Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations) form part of the Explanatory Statement forming part of this Notice.
3. Corporate members intending to send their authorized representatives to attend the meeting are requested to send the Company a certified copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the meeting.
4. The Register of Members and Share Transfer books of the Company shall remain closed from Friday, 20<sup>th</sup> September, 2024 to Thursday, 26<sup>th</sup> September, 2024 (both days inclusive).
5. Members/proxies/authorized representatives are requested to bring the duly filled attendance slip to attend the Annual General Meeting along with their copy of Annual Report.
6. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote at the meeting.

7. Members who are holding shares in the demat form are requested to bring their Depository ID Number and Client ID Number to facilitate easier identification for attendance at the meeting.
8. Members holding shares in physical form are requested to inform the Company's Registrars and Transfer Agents, M/s. S.K Infosolutions Pvt. Ltd. (RTA), D/42, Katju Nagar Colony, ground floor, near South City Mall, Kolkata - 700032, immediately of any change in their address and bank details. Members holding shares in dematerialized form are requested to intimate all changes with respect to their address, bank details, mandate etc. to their respective Depository Participants. These changes will then be automatically reflected in the Company's records. This will help the Company to provide efficient and better service to the Members.
9. In terms of SEBI Notifications, requests for effecting transfer of securities (except in case of transmission or transposition of securities) are not being processed from April 1, 2019 unless the securities are held in the dematerialized form with the depositories. Therefore, the Shareholders are requested to take action to dematerialize the Equity Shares of the Company promptly. Members holding shares in physical form are advised to avail of the facility of dematerialization.
10. Members desirous of asking any questions at the Annual General Meeting and desiring any information as regards the Accounts are requested to write to the Company at least ten days before the date of Annual General Meeting so as to enable the Management to keep the information ready.
11. Keeping in view the "Green Initiative in Corporate Governance" of Ministry of Corporate Affairs, the Company proposes to continue to send notices / documents including annual reports, etc. to the members in electronic form. Members who have still not registered their email addresses are requested to register their email addresses, in respect of electronic holdings with the Depository through the concerned Depository Participants and in respect of physical holdings with the Company's Registrar and Share Transfer Agents, S.K Infosolutions Pvt. Ltd., D/42, Katju Nagar Colony, ground floor, near South City Mall, Kolkata - 700032. Further, the documents served through email are available on the Company's website [www.jrdfinance.com](http://www.jrdfinance.com).
12. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) and Bank particulars by every participant in the securities market. Effective from 1<sup>st</sup> January 2022, any service requests or complaints received from the members will not be processed by RTA till the aforesaid details / documents are provided to RTA. On or after 1<sup>st</sup> April 2023, in case any of the above cited details / documents are not available in the Folio(s), RTA shall be constrained to freeze such Folio(s). Relevant details and forms prescribed by SEBI in this regard are available on the website of the Company at <https://www.jrdfinance.com>.
14. Pursuant to section 72 of the Act read with SEBI circular dated 16<sup>th</sup> March 2023, members holding shares in physical form are advised to update their nomination details in the prescribed Form SH-13 or SH-14 or Form ISR-3 (Declaration for opting-out of Nomination). The forms can be downloaded from the website of the Company at <https://www.jrdfinance.com/kyc-update.html>. In respect of shares held in electronic/demat form, the members may contact their respective DP.
15. The Financial Statements of the Company for the financial year ended 31<sup>st</sup> March 2024 and reports of the Board of Directors and the Auditors' Report thereon and all other documents required by law to be annexed or attached to the Financial Statements shall be available for inspection at the Registered Office of the Company on all working days during business hours between 11.00 a.m. and 2.00 p.m. up to the date of ensuing date of Annual General Meeting.

**16. Voting through Electronic means:**

- I.** In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the Securities And Exchange Board of India (Listing Obligations And Disclosure Requirements) Regulations, 2015, the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be considered at the 31<sup>st</sup> Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by Central Depository Services (India) Limited (CDSL).
- II.** The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.

**The process and manner for remote e-voting are as under:**

- i. **ANNEXURE TO NOTICE****EXPLANATORY STATEMENT PURSUANT TO SECTIONS 102 OF THE COMPANIES ACT, 2013****Item No. 3:**

Since the tenure of Mr. Himangshu Mondal (DIN-06984911), who was appointed as an Independent Director of the Company for two consecutive term, is going to be end on 25th September, 2024, the Board of Directors ('Board') of the Company at its meeting held on 13<sup>th</sup> August, 2024, pursuant to the recommendation of the Nomination and Remuneration Committee approved the appointment of Mr. Ganga Sharan Pandey (DIN: 02292513) as an Additional Director of the Company in Non-executive and Independent Category with effect from 26<sup>th</sup> September, 2024, pursuant to provisions of section 161 of the Companies Act, 2013. Pursuant to the provision of Companies Act, 2013, Mr. Ganga Sharan Pandey (DIN: 02292513) will hold office up to the date of ensuing Annual General Meeting. Since the ensuing Annual General Meeting will be held on 26<sup>th</sup> September, 2024, the board proposed to place before the members of the Company his appointment as a non-executive independent director of the Company.

Mr. Ganga Sharan Pandey (DIN: 02292513) is eligible to be appointed as an Independent Director for a term of upto five consecutive years. The Company has received notice under Section 160 of the Act from Mr. G. S. Pandey proposing his candidature as an Independent Director of the Company. The Company has also received a declaration of independence from Mr. G. S. Pandey. Further, he is neither disqualified from being appointed as a Director in terms of Section 164(2) of the Act, nor debarred from holding the office of a director by virtue of any SEBI order or any other authority and has successfully registered himself in the Independent Director's Data Bank maintained by Indian Institute of Corporate Affairs.

Brief profile of Mr. Ganga Sharan Pandey is as follows: Mr. Ganga Sharan Pandey is a distinguished fellow member of the Institute of Chartered Accountants of India, having earned this prestigious designation in 1995. His extensive experience of more than 30 years encompasses a spectrum of practice areas, with a primary focus on Tax advisory both direct and indirect taxation. More details about Mr. Pandey is provided in point no. 26 of this notice.

In the opinion of the Board, Mr. G. S. Pandey fulfils the conditions as set out in Section 149(6) and Schedule IV of the Act and Listing Regulations and is thereby eligible for appointment as an Independent Director. The Board firmly believes that Mr. Ganga Sharan Pandey (DIN: 02292513) innate knowledge and his vast experience, will undoubtedly be beneficial to the Company. The Board of Directors based on the recommendation of the Nomination and Remuneration Committee considers the appointment of Mr. Ganga Sharan Pandey (DIN: 02292513) as a Non-executive and Independent Director in the interest of the Company for a term of consecutive 5 years from 26<sup>th</sup> September, 2024 to 25<sup>th</sup> September, 2029 and recommends the Special Resolution for approval of Members. He will not be liable to retire by rotation.

Except Mr. Ganga Sharan Pandey none of the Promoters, Directors and Key Managerial Personnel of the Company or their relatives is in any way concerned or interested in the above referred resolution.

**Item No. 4:**

The Present Authorized Share Capital of the Company is Rs. 23,50,00,000/- (Rupees Twenty Three Crores Fifty Lakhs Only) divided into 35,00,000 (Thirty Five Lakhs) Equity Shares of Rs. 10/- each and 20,00,000 (Twenty Lakhs) 5% Non-Cumulative Non-Convertible Redeemable Preference Shares of Rs. 100/- each. Further the Company is considering to raise funds through issue of securities in future. Considering all the facts as specified above and to enable any further capital infusion in the future, the Company intends to increase the Authorized Share Capital of the Company as set out in the resolution under Item No. 4 of the Notice. The Board of Directors of the Company at their meeting held on 13<sup>th</sup> August, 2024 have approved the proposal of increasing the authorized capital of the company, subject to approval of members of the Company, from Rs. 23,50,00,000/- (Rupees Twenty Three Crores Fifty Lakhs Only) comprising of 35,00,000 (Thirty Five Lakhs) Equity Shares of Rs. 10/- each and 20,00,000 (Twenty Lakhs) 5% Non-Cumulative Non-Convertible Redeemable Preference Shares of Rs. 100/- each to 25,50,00,000 (Rupees Twenty Five Crores Fifty Lakhs Only) divided into 55,00,000 (Fifty Five Lakhs) Equity Shares of Rs. 10/- each and 20,00,000 (Twenty Lakhs) 5% Non-Cumulative Non-Convertible Redeemable Preference Shares of Rs. 100/- each by creation of 20,00,000 (Twenty Lakhs) additional Equity Shares of Rs. 10/- (Rupees Ten) each, which shall rank pari-passu with the existing Equity Shares in all respects.

The increase in authorized share capital as aforesaid would require consequential amendments to the existing Clause V of the Memorandum of Association of the Company. Further, the increase in authorized share capital and alteration of relevant clause(s) of the Memorandum of Association of the Company are subject to Members' approval in terms of Sections 13, 61 and 64 of the Companies Act, 2013 and any other applicable statutory and regulatory approvals. Accordingly, the approval of the Members of Company is being sought by way of a Special Resolution. A copy of the Memorandum of Association of the Company duly amended will be available for inspection in accordance with the applicable laws.

The Board of Directors recommends the resolutions set out at Item No. 4 for approval of the members as a Special Resolution.

None of the Directors, Key Managerial Personnel of the Company or their relatives is in any way concerned or interested in this Special Resolution.

## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **Economic Outlook**

India has become as one of the fastest growing major economy of the world in spite of the three tumultuous years which witnessed a global pandemic, supply chain disruptions, conflict in Ukraine, and elevated interest rates to counter high inflation. However, even though the experts predicted of global recession due to conflicts in Europe and Gaza and rising tensions in West Asia, it has fortunately not occurred. Indeed, the key indicators have turned positive: inflation is falling across all major countries; unemployment has not risen as economists thought it would; and the major central banks have put an end to monetary tightening, though they have not yet begun reducing their key interest rates. According to the International Monetary Fund (IMF), India's growth forecast has been revised upwards due to better-than expected resilience in its domestic demand. As per the WEO Report published in April 2024, the IMF expects India's GDP to grow by 7.8% in Financial Year 2023-24, up from the 6.3% forecast made on October 31, 2023. Resilience in domestic demand, government initiatives, and structural reforms is driving growth in India, with its GDP projected to remain strong at 6.5% in both Financial Year 2023-24 and Financial Year 2024-25.

The global economic outlook for the financial year 2024 and 2025 presents a mixed picture. While growth is projected to remain stable, supported by government spending across the globe and lower fuel prices, there is a potential downside. The raising of interest rates as a measure to fight inflation presents a complex situation. While it can help restraint price increases, there is a risk of causing recessions. Current examples, such as the UK and Japan entering technical recessions in late 2023, instantiate this dilemma. The risk is further aggravated by external factors like geopolitical tensions and volatility in energy prices. Furthermore, unsustainable government debt and political instability can weaken economies, making them more vulnerable to downturns. However, a bright spot emerges in India. The IMF has revised its growth forecast upwards to 7.8% for Financial Year 2023-24, citing the country's resilient domestic demand. Additionally, the RBI's decision to sustain interest rates allows the Indian economy to maintain its strong momentum. While India's central bank acknowledges inflation concerns, it is taking a multifaceted approach – a combination of monetary and fiscal measures, including interest rate adjustments and export restrictions – to navigate these challenges and manage inflationary pressures effectively.

### **Industry Structure and Developments**

India's NBFC sector has emerged as a powerful financial inclusion and economic growth driver. Key segments like housing finance, microfinance, and consumer finance have fuelled its impressive expansion to a US\$ 326 Bn industry by FY 2023-24. Lower transaction costs, innovative products, quick decision making, customer orientation and prompt service standards have differentiated NBFCs from banks. This growth can be attributed to a rising middle class, supportive Government policies that promote financial inclusion, and a stable macroeconomic environment. Furthermore, NBFCs have leveraged digitalisation to offer faster, more efficient loan options, particularly to the underserved MSME sector. Adoption of digital platforms has enabled NBFCs to broaden their customer base, streamline operations, reduce costs and enhance overall customer experience. This transformation is further accentuated by the role of emerging technologies like artificial intelligence, machine learning, robotic process automation and big data. This digital transformation is a game-changer, and NBFCs are increasingly using super apps to reach and partner with customers, creating a superior customer experience. Technology, data, and analytics are poised to play an even greater role across the NBFC value chain, impacting credit assessment, collections, fraud management, and cyber security.

As NBFCs have become more significant, the RBI has enhanced its regulation of the sector in recent years to address the industry specific issues such as contagion risk in the financial system, oversimplified underwriting processes, concentration of credit risk, exposure towards technology related risks, etc. Accordingly, the RBI, over last few years, has issued various guidelines such as (i) vigil over asset-liability management practices, (ii) maintaining liquidity ratios, (iii) increased reporting requirements, and (iv) scale-based regulations. These have led to NBFCs adopting practices in line with banks. The regulatory vigil is based on four key cornerstones of: (i) responsible financial innovation, (ii) accountable conduct, (iii) responsible governance, and (iv) centrality of the customer. The NBFC sector is an important stakeholder of the Indian financial sector. Strengthened regulation and enhanced oversight are in place to further strengthen the resilience of this key sector. India's strong domestic demand and strong manufacturing and service sectors are expected to propel the economy forward in the year ahead.

This economic momentum translates to a continued strong demand for credit, especially among MSMEs and the retail segment. NBFCs are well positioned to meet these credit needs, having established themselves as a crucial source of financing for underserved populations. Their efficient reach, understanding of diverse financial needs, and swift turnaround times make them key players in financial inclusion.

### **Opportunities and Threats**

The NBFC sector in India has been experiencing significant growth and transformation in recent years, driven by favourable regulatory policies and increasing demand for credit from underserved segments of the population. The Reserve Bank of India (RBI) has introduced various policies & framework to strengthen the supervision and governance of NBFCs. It provides a clear roadmap for the sector, it also presents challenges, such as increased compliance costs and operational challenges for NBFCs, especially smaller players. Additionally, the sector faces competition from traditional banks and new fintech players entering the market. To maintain their competitive edge, NBFCs will need to innovate and differentiate themselves. Overall, while the NBFC sector in India presents significant opportunities for growth, it also faces challenges that need to be addressed. Effective risk management, innovation, and compliance with regulations will be key for NBFCs to capitalise on opportunities and navigate potential threats, ensuring their continued role as a vital source of financing for underserved populations and a driver of economic growth. Despite the challenges, the sector's ability to adapt and embrace change will be critical for its sustained success in the evolving financial landscape.

### **Human Resources**

People remain the most valuable asset of your company. Your company continued to build on its capabilities in getting the right talent to support different products and geographies and is taking effective steps to retain talent. A highly evolved Human Resource Policy has ensured a minimal rate of attrition amongst executives.

### **Internal Control System**

Internal Control measures and systems are established to ensure the correctness of the transactions and safe guarding of the assets. The Company has put in place an adequate internal control system to safeguard all assets and ensure operational excellence. The system also meticulously records all transaction details and ensures regulatory compliance.

Your Management has put in place effective Internal Control Systems to provide reasonable assurance for:

- Safeguarding Assets and their usage.
- Maintenance of Proper Accounting Records and
- Adequacy and reliability of the information used for carrying on business operations.

### **Risks and Concerns**

The very nature of the Company's business makes it subject to various kinds of risks. The Company encounters credit risk and operational risks in its daily business operations. Further the performance of the Company is dependent on the capital markets for its returns. Even though it is envisaged that Indian stock market will continue to do well, global concerns can result in sharp corrections.

### **Cautionary Statement:**

Statement in the Management Discussion and Analysis and Directors Report describing the company's strengths, strategies, projections and estimates are forward-looking statements and progressive within the meaning of applicable laws and regulations. The actual results may vary from those expressed or implied, depending upon economic conditions, Government Policies and other incidental factors.

## **INDEPENDENT AUDITORS' REPORT**

**To the Members of JRD FINANCE LIMITED**

**Report on the Audit of the Standalone Financial Statements**

### **Opinion**

We have audited the standalone financial statements of JRD FINANCE LIMITED ("the Company"), which comprise the standalone balance sheet as at March 31, 2024, and the standalone statement of Profit and Loss (including other Comprehensive Income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profits and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

### **Basis for opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. We did not come across any matter of such material significance to be reported in this section.

### **Information Other than the Standalone Financial Statements and Auditors' Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report and Management Discussion and Analysis Report but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Responsibilities of the Management and those charged with governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the state of affairs (financial position), Profit or Loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. Further to our comments in the annexure referred to in the paragraph above, as required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The standalone balance sheet, the standalone statement of profit and loss including other comprehensive income, the statement of changes in equity and the standalone cash flow statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
  - e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act; and
  - f) Regarding adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal control with reference to financial statements.
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations and hence, there is no disclosure of the same in its financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either
    - v. from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - (b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
    - (c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
  - vi. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
  - vii. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.
4. With respect to the reporting under section 197(16) of the Act to be included in the Auditors' Report, In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid/provided for any managerial remuneration and as such the provisions of section 197 of the Act are not applicable.

- (b) During the year, the Company has not made preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3 (x)(b) of the Order is not applicable.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) In our opinion and according to the information and explanations given to us, no report under sub-section (12) of section 143 of the Act has been filed by the auditors in Form ADT -4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) According to the information and explanations given to us, there were no whistle blower complaints received during the year by the Company.
- (xii) According to the explanation given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.

- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, the transactions with related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.  
 (b) We have considered, during the course of our audit, the reports of the Internal Auditor(s) for the period under audit, issued to the Company during the year till date, in determining the nature, timing and extent of our audit procedures in accordance with the guidance provided in SA 610 "Using the work of Internal Auditors".
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with its Directors and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and the Company has obtained the required registration.  
 (b) According to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities without obtaining a valid CoR from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.  
 (c) According to the information and explanations given to us, the Company is not a Core Investment Company ('CIC ') as defined under the Regulations by the Reserve Bank of India.  
 (d) As per information provided in course of our audit, the Company does not belong to any Group and accordingly clause 3 (xvi) (d) of the Order is not applicable to the Company.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The provisions of Section 135 towards corporate social responsibility are not applicable on the company. Accordingly, the provisions of clause 3(xx) of the Order are not applicable.
- (xvi) The reporting under clause (xxi) is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

## **ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT**

**(Referred to in paragraph (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)**

### **Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls with reference to financial statements of JRD FINANCE LIMITED (“the Company”) as at March 31, 2024 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

#### **Meaning of Internal Financial Controls with reference to financial statements**

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**J R D Finance Limited****Notes to the Ind AS financial Statements for the year ended March 31, 2024**

(All amounts in Indian Rupees in lakhs, except share data and where otherwise stated )

**1 Corporate information**

**J R D Finance Limited** ("the Company"), is a Public Limited company incorporated in Kolkata, under the Companies Act, 1956 and its equity shares are listed on the Metropolitan Stock Exchange of India Limited. The company operates as an Investment and Credit Company (NBFC-ICC) and is registered as a Non-Banking Financial (Non-Deposit Accepting) Company with the Reserve Bank of India vide Registration no.: B-05.05299 dated August 29, 2003.

**2 Basis of preparation****2.1 Statement of Compliance**

a) These financial statements has been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with Section 133 of the Companies Act, 2013 ("the Act"). The Company has complied with Ind AS issued, notified and made effective till the date of authorisation of the financial statements.

b) The financial statements were authorised for issue by the Company's Board of Directors on 29 May 2024.

**Application of new and revised standards:**

Effective April 01, 2021, the company has adopted the amendment vide Companies (Indian Accounting Standards) Amendment Rules, 2021 notifying amendment to existing Ind AS 109 "Financial Instruments" and Ind AS 107 "Financial Instruments: Disclosures" related to practical expedient for modification of financial instruments due to Inter-Bank Offered Rate Reforms. Further, extension on practical expedient to rent concession was further continued under Ind AS 116 "Leases" and amendments were made consequent to issue of Conceptual Framework for financial reporting under Ind AS 102 "Share-based Payment", Ind AS 103 "Business Combinations", Ind AS 106 "Exploration for and Evaluation of Mineral Resources", Ind AS 114 "Regulatory Deferral Accounts", Ind AS 1 "Presentation of Financial Statements", Ind AS 8 "Accounting Policies, Changes in Accounting Estimates and Errors", Ind AS 34 "Interim Financial Reporting", Ind AS 37 "Provisions, Contingent Liabilities and Contingent Assets" and Ind AS 38 "Intangible Assets".

There were other minor/clarificatory updates under Ind AS 101 "First-time Adoption of Indian Accounting Standards", Ind AS 104 "Insurance Contracts", Ind AS 105 "Non-current assets held for sale and discontinued operations", Ind AS 111 "Joint Arrangements", Ind AS 115 "Revenue from Contracts with Customers", Ind AS 12 "Income Taxes", Ind AS 16 "Property, Plant and Equipment", Ind AS 27 "Separate Financial Statements", Ind AS 28 "Investments in Associates and Joint Ventures" and Ind AS 40 "Investment Property".

Revision in these standards did not have any material impact on the profit/loss and earning per share for the year.

**2.2 Recent accounting pronouncements**

On April 04, 2022, Ministry of Corporate Affairs (MCA) has made certain amendments to existing Ind AS vide Companies (Indian Accounting Standard) Amendment Rules, 2022. These amendments to the extent relevant to the company's operation include amendment to Ind AS 16 "Property, Plant and Equipment" which clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment and Ind AS 37 "Provisions, Contingent Liabilities and Contingent Assets" which specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract).

There are other amendments in various standards including Ind AS 101 "First-time Adoption of Indian Accounting Standards", Ind AS 103 "Business Combinations", Ind AS 109 "Financial Instruments", and Ind AS 41 "Agriculture" which have not been listed herein above since these are not relevant to the company.

Even though the company will evaluate the impact of above, none of these amendments as such are vital in nature and are not likely to

**3 Material accounting policies****A) Basis of preparation**

The Financial Statements have been prepared under the historical cost convention on accrual basis excepting certain financial instruments which are measured in terms of relevant Ind AS at fair value / amortized costs at the end of each reporting period.

Historical cost convention is generally based on the fair value of the consideration given in exchange for goods and services.

As the operating cycle cannot be identified in normal course, the same has been assumed to have duration of 12 months. All assets and liabilities have been classified as current or non-current as per the operating cycle and other criteria set out in Ind AS 1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013. Having regard to the nature of business being carried out by the Company, the Company has determined its operating cycle as twelve months for the purpose of current and non-current classification.

The Financial Statements are presented in Rupees in Lakhs and all values are rounded off to the nearest two decimal places as permitted by Schedule - III of the Companies Act, 2013 except otherwise stated.

**J R D Finance Limited****Notes to the Ind AS financial Statements for the year ended March 31, 2024**

(All amounts in Indian Rupees in lakhs, except share data and where otherwise stated )

**Material accounting policies (continued)****B) Functional and presentation currency**

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts presented in Indian Rupees have been rounded-off to two decimal places to the nearest lacs except share data or as otherwise stated.

**C) Fair Value Measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.

Level 3: Inputs for the asset or liability which are not based on observable market data (unobservable inputs).

The company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements who regularly review significant unobservable inputs, valuation

**D) Leases**

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

(i) the contract involves the use of an identified asset

(ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and

(iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options considered for arriving at ROU and lease liability when it is reasonably certain that they will be exercised.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment, whether it will exercise an extension or a termination option. Lease liability and ROU asset are separately presented in the Balance Sheet and lease payments are classified as financing cash flows. Lease liability obligations are presented separately under the head "Financial Liabilities".

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which

**E) Financial assets and financial liabilities**

Financial Assets and Financial Liabilities (financial instruments) are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial Liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within operating cycle of the company or otherwise these are classified as non-current.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value through Profit and Loss (FVTPL) or at Fair Value through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classification of financial instruments are determined on initial recognition.

**(i) Cash and cash equivalents**

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

**J R D Finance Limited****Notes to the Ind AS financial Statements for the year ended March 31, 2024**

(All amounts in Indian Rupees in lakhs, except share data and where otherwise stated )

**Material accounting policies (continued)****(ii) Financial Assets and Financial Liabilities measured at amortised cost**

Financial Assets held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The above Financial Assets and Financial Liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the Financial Asset or Financial Liability to the gross carrying amount of the financial asset or to the amortised cost of financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

**(iii) Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognised directly in other comprehensive income.

(iv) For the purpose of para (ii) and (iii) above, principal is the fair value of the financial asset at initial recognition and interest consists of consideration for the time value of money and associated credit risk.

**(v) Financial Assets or Liabilities at Fair value through profit or loss**

Financial Instruments which does not meet the criteria of amortised cost or fair value through other comprehensive income are classified as Fair Value through Profit or loss. These are recognised at fair value and changes therein are recognized in the statement of profit and loss.

**(vi) Impairment of financial assets**

A financial asset is assessed for impairment at each balance sheet date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

The company measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for loans and advances or contract assets that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

**(vii) Derecognition of financial instruments**

The Company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognized in statement of profit and loss.

On derecognition of assets measured at FVTOCI the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment.

Financial liabilities are derecognized if the Company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

**F. Equity share capital**

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium.

Costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

**G. Provisions, contingent liabilities and contingent assets**

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognised for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities are not recognized and are disclosed by way of notes to the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

Contingent assets are not recognised but disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

**J R D Finance Limited****Notes to the Ind AS financial Statements for the year ended March 31, 2024**

(All amounts in Indian Rupees in lakhs, except share data and where otherwise stated )

**Material accounting policies (continued)****H. Employee benefits**

Employee benefits are accrued in the year in which services are rendered by the employees. Short term employee benefits are recognized as an expense in the statement of profit and loss for the year in which the related service is rendered.

Contribution to defined contribution plans such as Provident Fund etc, are recognised as and when incurred.

Contribution to defined benefit plans consisting of contribution to gratuity are determined at close of the year at present value of the amount payable using actuarial valuation techniques. Actuarial gain and losses arising from experience adjustments and changes in actuarial assumptions are recognized immediately in the Balance Sheet with a corresponding debit or credit to Retained Earnings through Other Comprehensive Income ("OCI") in the period in which they occur.

Other long term employee benefits consisting of Leave Encashment are determined at close of the year at present value of the amount payable using actuarial valuation techniques. The changes in the amount payable including actuarial gain/loss are recognised in the Statement of profit and loss.

**I. Revenue****Interest and Dividend**

The Company follows the accrual method of accounting for recognition of Income excepting in cases of uncertainties of collections, which are recognized on receipt basis.

- Interest Income from financing by way of loan is recognised in terms of the respective agreements with the borrowers using effective interest rate method.

- Dividend from Investments is accounted for when right to receive the same is established.

In accordance with the guidelines issued by the Reserve Bank of India (RBI), incomes against non-performing assets are recognised on receipt basis.

**J. Borrowing Costs**

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property Plant Equipment (PPE) which are capitalized to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

**K. Taxes on Income**

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the income statement except to the extent that it relates to items recognized directly in equity or other comprehensive income.

Current income tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted by the end of the reporting period.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets include Minimum Alternative Tax (MAT) measured in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability and such benefit can be measured reliably and it is probable that the future economic benefit associated with same will be realized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

**L. Earnings per share**

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

**M. Segment reporting**

As the company has no activities other than those of a Non-Banking Financial Company, the segment reporting under Ind AS 108 is not applicable. The company does not have any reportable geographical segment.

(All amounts in Indian Rupees in lakhs, except share data and where otherwise stated )

**Material accounting policies (continued)****4 Critical accounting judgments, assumptions and key sources of estimation and uncertainty**

The preparation of the financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the financial statements have been disclosed below. The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below:

**a) Impairment loss allowances of loans and advances**

Classification of loans and advances are made as per the guidelines prescribed by RBI. Provision against performing (standard) and non-performing assets are made as required in terms of prudential norms prescribed by RBI. Further, assets which are considered non recoverable are fully provided for / written off.

**b) Income taxes**

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

**c) Provisions and Contingencies**

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations/ against the Company as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

Subordinated Liabilities	2,000.00	2,000.00	2,000.00	2,000.00

**Fair Valuation Techniques**

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- The fair value of cash and cash equivalents, loans, current trade payables, current financial liabilities and assets approximate their carrying amount largely due to the short-term nature of these instruments. The management considers that the carrying amounts of financial assets and financial liabilities recognised at nominal cost/amortised cost in the financial statements approximate their fair values.

- The Company's long-term debt has been contracted at floating rates of interest. Fair value of variable interest rate borrowings approximates their carrying value subject to adjustments made for transaction cost. In respect of fixed interest rate borrowings, fair value is determined by using discount rates that reflects the present borrowing rate of the company.

**Fair value hierarchy**

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques:-

**i) Level 1 :-** Quoted prices / published NAV (unadjusted) in active markets for identical assets or liabilities. It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date and financial instruments like mutual funds for which net assets value (NAV) is published by mutual fund operators at the balance sheet date.

**ii) Level 2 :-** Inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices). It includes fair value of the financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the Company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in Level 2.

**iii) Level 3 :-** Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as at balance sheet date:

Particulars	As at March 31	Fair value measurements at reporting date using		
		Level 1	Level 2	Level 3
<b>Financial assets</b>				
Investments	0.22 (0.20)	0.22 (0.20)	- -	- -

(\*) Figures in round brackets ( ) indicate figures as at March 31, 2023

During the year ended March 31, 2024 and March 31, 2023, there were no transfers between Level 1, Level 2 and Level 3.

The Inputs used in fair valuation measurement are as follows:

Fair valuation of Financial assets and liabilities not within the operating cycle of the company is amortised based on the Effective Interest Rate.

**Financial Risk Factors**

The Company's activities are exposed to variety of financial risks. The key financial risks includes market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors reviews and approves policies for managing these risks. The risks are governed by appropriate policies and procedures and accordingly financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

**Market Risk**

Market risk is the risk or uncertainty arising from possible market fluctuations resulting in variation in the fair value of future cash flows of a financial instrument. The major components of Market risks are currency risk, interest rate risk and other price risk. Financial instruments affected by market risk includes investments and trade and other payables.

**Foreign Currency Risk**

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company doesn't have exposure to the risk of changes in foreign exchange rates and hence is not subjected to such risk.

**Interest rate risk**

Interest rate risk arises when there is a mismatch between positions, which are subject to interest rate adjustment within a specified period. The Company's lending and funding activities give rise to interest rate risk.

The immediate impact of variation in interest rate is on the Company's net interest income, while a long term impact is on the Company's net worth since the economic value of the assets, liabilities and off-balance sheet exposures are affected. While assessing interest rate risks, signals given to the market by RBI and government departments from time to time and the financial industry's reaction to them shall be continuously monitored.

Interest Rate Risk arises due to:

- Changes in Regulatory or Market Conditions affecting the interest rates
- Short term volatility
- Prepayment risk translating into a reinvestment risk
- Real interest rate risk.

In short run, change in interest rate affects Company's earnings and in long run it affects Market Value of Equity (MVE) or net worth. It is essential for the Company to not only quantify the interest rate risk but also to manage it proactively. The Company mitigates its interest rate risk by keeping a balanced portfolio of fixed and variable rate loans and borrowings. Further Company carries out Earnings at risk analysis and maturity gap analysis at quarterly intervals to quantify the risk.

With all other variables held constant, the following table demonstrates the impact of the Interest Rate on floating rate portion of loans and borrowings and Advances are given as under:

Particulars	Effect on Profit before tax	
	For the year ended March 31, 2024	For the year ended March 31, 2023
<b>Increase in 50 basis points</b>		
Borrowings- Floating Rate	5.81	7.32
<b>Increase in 50 basis points</b>		
Loans and Advances- Floating Rate	17.80	19.57

A decrease in 0.50 basis point would have an equal and opposite effect on the Company's financial statements.

**Other price risk**

The company's non-current investments which are fair valued through other comprehensive income are dependent upon the volatility of the market and business in which the said company operates.

**Credit Risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily loans or interest accrued balances). The management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. The Company periodically assesses the financial reliability of its borrowers, taking into account the financial condition and current economic trends.

The carrying amount of respective financial assets recognised in the financial statements, (net of impairment losses) represents the Company's maximum exposure to credit risk.

The Company establishes an allowance for impairment that represents its estimate of incurred losses in respect of doubtful loans and advances. Receivables from its borrowers are reviewed/evaluated periodically by the management and appropriate provisions are made to the extent recovery there against has been considered to be remote.

**Financial assets that are neither past due nor impaired**

Cash and cash equivalents are neither past due nor impaired. Cash and cash equivalents with banks are held with reputed and credit worthy banking institutions.

**Liquidity Risk**

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's objective is to maintain optimum level of liquidity to meet it's cash and collateral requirements at all times. The company relies on borrowings and internal accruals to meet its fund requirement. The current committed line of credit are sufficient to meet its short to medium term fund requirement.
