**Indian Economy**

India continues to consolidate its position as a major global economic powerhouse. Retaining its rank as the fifth-largest economy, it remains the fastest- growing among large economies and is projected to become the third-largest economy by 2027, surpassing a GDP milestone of US\$5 trillion, trailing only the USA and China. For CY2025, India's growth is forecast to remain robust at 6.2%, supported by resilient domestic demand. India's export performance has shown impressive momentum over the past decade. In FY 2025, total exports reached ₹ 69.1 trillion (US\$825 billion), marking a 6% increase compared to ₹ 65.2 trillion (US\$778 billion) in FY 2024. Over this period, India's share in global merchandise trade improved from 1.66% to 1.81%, elevating its global ranking from 20th to 17th position. India's foreign exchange reserves experienced notable fluctuations in FY 2024-25. Reserves peaked at an all-time high of US\$704 billion in September 2024, before easing by 6.5% to US\$659 billion by March 2025, partly due to the Reserve Bank of India's interventions aimed at curbing excessive volatility in the Indian Rupee. The country's digitalisation journey has been transformative, reshaping economic activity at an unprecedented pace. By 2030, the digital economy is projected to account for one-fifth of India's GDP, outpacing the growth of traditional sectors. According to the State of India's Digital Economy Report 2024, India now ranks as the third-most digitalised economy globally and 12th among G20 nations in terms of digital adoption by individual users. The Union Budget 2025-26 has been crafted to sustain growth while maintaining fiscal prudence. With measures to simplify regulations, support MSMEs, enhance exports, and attract investments, the budget lays down a clear roadmap towards Viksit Bharat 2047. Its emphasis on tourism, healthcare, and manufacturing is expected to generate employment opportunities. Furthermore, a targeted fiscal deficit of 4.4% for FY 2026 underscores the government's commitment to fiscal consolidation, debt sustainability, and macroeconomic stability, encouraging greater private sector participation.

**Indian Economy Outlook**

India is expected to remain relatively shielded from global headwinds, maintaining its strong growth trajectory. The country's long-term structural growth drivers remain intact, supported by favourable demographics, stable governance, and ongoing infrastructure development. As per the IMF's World Economic Outlook Report, India will continue to lead as the fastest-growing major economy, with growth underpinned by an expanding services sector, a strengthening manufacturing base, and supportive government policies aimed at improving infrastructure and rationalising tax regimes.

**Capital Markets - Industry Overview**

India continues to hold its place as the fourth-largest equity market globally, with a market capitalisation exceeding US\$4.0 trillion.

**Market Performance in FY 2024-25**

The Indian equity market closed FY 2025 with modest gains, despite notable foreign portfolio investor (FPI) outflows in the latter half of the year. The Nifty index delivered positive returns, outperforming certain Asian benchmarks such as Nikkei 225 and the Korea Composite Stock Price Index, while the Hang Seng Index topped regional charts with a remarkable 39.8% return. Midcap and smallcap indices on the NSE and BSE had a strong finish to the year, fuelled by market recovery, heightened retail participation, and attractive valuations. The Nifty Midcap150 and Nifty500 rose 7.6% and 5.4%, respectively, while the BSE Smallcap index gained 8% and the midcap index advanced 5.6%. By comparison, the Sensex posted a 5.1% increase during the same period. Despite earlier concerns over valuations and market volatility, renewed optimism in the broader markets helped sustain momentum in these segments.

## Global Economy

The global economy demonstrated resilience through 2024 (Calendar Year 2024), recording an expansion of 3.2%, according to the IMF World Economic Outlook (April 2025). However, escalating trade frictions and increasing policy unpredictability are expected to weigh heavily on global growth momentum. For CY2025, the world economy is projected to moderate to 2.8%, followed by 3% in CY2026, which remains well below the historical average of 3.7% (2000–2019) due to ongoing structural challenges. While robust real income gains and easing interest rates supported economic activity, weaker public expenditure, subdued consumer sentiment, and fluctuating external demand constrained growth in certain geographies. Within advanced economies, the United States is expected to slow to 1.8% in CY2025, impacted by rising policy uncertainty, softening demand, and trade-related tensions. The euro area is projected to expand 0.8% in 2025, with an improvement to 1.4% in 2026 as financial conditions ease. Other advanced economies are anticipated to maintain steady growth, with income recovery counterbalanced by trade headwinds.

In emerging markets and developing nations, economic growth is likely to ease to 3.7% in 2025, reflecting the effects of recent trade restrictions. China's growth outlook has been revised down to 4% in 2025, amid lingering tariff impacts and prolonged trade-policy uncertainty. In contrast, India is expected to maintain stability, with growth forecast at 6.2% for 2025 and 6.3% for 2026, aided by sustained private consumption, particularly in rural areas. Global trade volumes rose by US\$1.2 trillion in 2024, reaching US\$33 trillion, supported by 9% growth in services trade and 2% in goods trade. Notably, trade in developing economies grew faster than in advanced economies, with China and India outperforming, while several developed nations experienced contractions. However, with the Trump 2.0 administration introducing new tariffs, and the likelihood of reciprocal actions from major trade partners, the global economy faces a phase of elevated trade tensions. Despite this, India's trade outlook remains resilient, backed by a strong services base, proactive domestic reforms, and strategic export diversification into high-value segments such as electronics and pharmaceuticals. Looking ahead, global growth is expected to moderate further to 2.8% in CY2025, shaped by new bilateral tariff regimes and rising geopolitical and policy uncertainties.

### India's NBFC Sector

India, as one of the world's fastest-growing major economies, continues to provide a favourable environment for the expansion of its credit markets. The total NBFC credit outstanding stood at approximately ₹ 52 trillion as of December 2024 and is projected to cross ₹ 60 trillion by FY 2025-26, underscoring the sector's sustained growth trajectory. Within the overall lending landscape comprising banks, NBFCs, and All-India Financial Institutions, NBFCs have consistently maintained a 21–24% share of total credit from FY 2016-17 to FY 2023-24, highlighting their critical role in India's financial ecosystem. As the country works towards becoming a US\$5 trillion economy, the demand for credit will continue to rise, further cementing the importance of NBFCs in driving economic growth and enabling access to finance. Retail loans remain the cornerstone of NBFC growth, accounting for 58% of total NBFC credit as of December 2024. Within this segment, unsecured business loans formed 28% of retail NBFC credit, reflecting rising demand for small-ticket, short-tenure financing. However, the Reserve Bank of India, concerned about the rapid expansion in unsecured personal loans and credit card portfolios, raised risk weights on unsecured retail loans by 25 bps to 125%, prompting tighter risk management practices. In FY 2024-25, certain asset segments, including microfinance, personal loans, credit cards, and unsecured business loans, faced higher stress, resulting in elevated delinquencies and write-offs. Despite these challenges, NBFCs have strengthened their balance sheets over the years, with reduced leverage, improved asset quality, and a strategic shift towards the retail segment.

The sector is also leveraging digital data and technology to enhance credit assessment and improve operational efficiency. Investor confidence remains strong, supported by sustained equity interest and an untapped pool of overseas debt capital offering additional growth avenues. With this stable foundation and adaptive capabilities, NBFCs are well-positioned to navigate an evolving regulatory environment while maintaining growth momentum and supporting India's broader economic development.

## **Opportunities and threats**

The RBI has been continually strengthening the supervisory framework for NBFCs in order to ensure sound and healthy functioning and avoid excessive risk taking. It has issued several new guidelines in the recent past. The uncertainties and volatility in the financial market are a continuing threat to the organizational performance. However, the twin features of foresightedness and focused analysis of the market have challenged the threat of adverse performance

(Appointment and Remuneration Personnel) Rules, 2014]*

To  
The Members,  
Chitrakut Holdings Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s Chitrakut Holdings Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

**Auditor's responsibility**

My responsibility is to express an opinion on the compliance of the applicable laws and maintenance of records based on audit. I have conducted the audit in accordance with the applicable Auditing Standards issued by The Institute of Company Secretaries of India. The Auditing Standards require that the Auditor shall comply with statutory and regulatory requirements and plan and perform the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Based on the verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2025 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2025, to the extent applicable, according to the provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made thereunder;

## **INDEPENDENT AUDITORS' REPORT**

To  
The Members of  
**CHITRAKUT HOLDINGS LIMITED**

### **Report on the Audit of the Ind AS Financial Statements**

#### **Opinion**

We have audited the accompanying Ind AS Financial Statements of **CHITRAKUT HOLDINGS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Ind AS financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act, of the state of affairs of the Company as at March 31, 2025, its Profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

#### **Basis for opinion**

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Ind AS financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Other Information**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Report on Corporate Governance but does not include the Ind AS financial statements and our auditor's report thereon. The above mentioned other information are expected to be made available to us after the date of this auditor's report.

Our opinion on the Ind AS financial statements does not cover the other information and accordingly, we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

**Management's responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's responsibilities for the audit of the Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on other legal and regulatory requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we report in "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that are considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared nor paid any dividend during the year. Hence, reporting the compliance with section 123 of the Act is not applicable.
- vi. The company has not maintained an audit trail (edit log) facility in its accounting software as required under Rule 3(1) of the Companies (Accounts) Rules, 2014 (as amended). Accordingly, the requirements specified under the said rule have not been complied with.

**Annexure -A to the Independent Auditors' Report**

Referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirement' of our report of even date to the Financial Statements of the Company for the year ended March 31, 2025:

Based on the audit procedures performed for the purpose of reporting a true and fair view on the Ind AS financial statements of the Company and taking into consideration the information, explanations and written representation given to us by the management and the books of account and other records examined by us in the normal course of audit, we report that:

- i. (a) (A) The company has maintained reasonable records showing full particulars, quantitative details and situation of Property, Plant and Equipment.  
  
(B) The Company does not have any Intangible Assets as on 31<sup>st</sup> March 2025 nor at any time during the financial year ended 31<sup>st</sup> March 2025. Accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.
- (b) The Company has a program of verification to cover all the items of Property, Plant and Equipment in a phased manner which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were physically verified by the management during the year. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanation received by us, as the company owns no immovable properties under Property, Plant & Equipment, the requirement on reporting whether title deeds of immovable properties held in the name of the company is not applicable.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year. Further the Company does not have any Intangible Asset.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii. (a) The management has conducted physical verification in respect of finished goods, stores, spare parts and raw materials at reasonable intervals. In our opinion the frequency of verification, coverage and procedure of such verification by the management is appropriate. No material discrepancies have been noticed on physical verification of stocks as compared to book records.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits from banks or financial institution on the basis of security of current assets during the financial year. Accordingly, reporting under clause 3(ii)(b) of the Order is not applicable to the Company.

iii. (a) The Company is a Non-Banking Finance Company and its principal business is to give loans. Accordingly, the provision of clause 3(iii)(a) of the Order is not applicable to it.

(b) In our opinion and according to the information and explanations given to us, the investments made and the terms and conditions of the grant of all loans provided during the year are, prima facie, not prejudicial to the Company's interest.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the year the company has not provided any guarantees, security or advances in the nature of loans or guarantee to companies, firms, Limited Liability Partnership and other parties.

(c) The Company is a Non-Banking Financial Company ('NBFC'), registered under provisions of the Reserve Bank of India Act, 1934 and rules made thereunder and is regulated by various regulations, circulars and norms issued by the Reserve Bank of India including Master Circular – Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances. In respect of loans and advances in the nature of loans granted by the Company, we report that the schedule of repayment of principal and payment of interest has been stipulated and the repayments/receipts of principal and interest are regular.

(d) The Company, being a NBFC, registered under provisions of RBI Act, 1934 and rules made thereunder, in pursuance of its compliance with provisions of the said Act/Rules, particularly, the Income Recognition, Asset Classification and Provisioning Norms, monitors and report total amount overdue including principal and/or payment of interest by its customers for more than 90 days. In cases where repayment of principal and payment of interest is not received as stipulated, the cognizance thereof is taken by the Company in course of its periodic regulatory reporting. According to the information and explanation made available to us, reasonable steps are taken by the Company for recovery thereof.

(f) The Company is a Non-Banking Finance Company and its principal business is to give loans. Accordingly, the provision of clause 3(iii)(e) of the Order is not applicable to it.

(g) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has granted loans or advances in the nature of loans either repayable on demand or without specifying any terms or period or repayment to following parties:

Particulars	Amount (Rs. Lacs)		
	All parties	Promoters	Related parties

- xv. According to the information and explanations given to us, we are of the opinion that the company has not entered into any non-cash transactions with directors or persons connected with him and accordingly, the provisions of clause 3(xv) of the Order is not applicable.
- xvi. (a) The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and the registration has been obtained by the Company.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without having a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (c) the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) As informed by the Company, the Group to which the Company belongs has no CIC as part of the Group.

- xvii. The Company has not incurred cash losses during the financial year and in the immediately preceding financial year.
- xviii. There has been resignation of the statutory auditors during the year, however, no issues, objections or concerns were raised by the outgoing auditors.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that company is incapable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx. The provisions of section 135 towards corporate social responsibility are not applicable on the company. Accordingly, the provisions of clause 3(xx) of the Order is not applicable
- xxi. The Company did not have any subsidiary, associate or joint venture during the year. Accordingly, reporting under clause 3(xxi) of the Order is not applicable to the Company.

**Annexure B'' to the Independent Auditor's Report of even date on the Ind AS Financial Statements of CHITRAKUT HOLDINGS LIMITED****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **CHITRAKUT HOLDINGS LIMITED** ("the Company") as of March 31, 2025 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes to Financial Statements as on and for the year ended 31st March, 2025

### A. CORPORATE INFORMATION

Chitrakut Holdings Limited having its registered office at 1/1 Camac Street, 3<sup>rd</sup> Floor, Kolkata 700016 is a Non Banking Finance Company (Reg. with RBI) and is engaged in Loan Financing and Investment Shares and Securities.

### B. SIGNIFICANT ACCOUNTING POLICIES

#### B.1 Basis of Preparation

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013. Upto the year ended March 31, 2019, the Company has prepared its financial statements in accordance with the requirement of Indian Generally Accepted Accounting Principles (GAAP), which includes Standards notified under the Companies (Accounting Standards) Rules, 2006 and considered as "Previous GAAP".

The financial statements have been prepared on a historical cost convention on the accrual basis, except for the following assets and liabilities which have been measured at fair value.

- a. Certain financial assets at fair value (refer accounting policy regarding financial instruments).

The financial statements are presented in Indian Rupees (₹ Lakhs).

#### B.2 Summary of Significant Accounting Policies

##### a) Impairment of non-current assets

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset or where applicable the cash generating unit to which the asset belongs exceeds its recoverable amount (i.e. the higher of the net asset selling price less cost to sell and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in the statement of Profit and Loss. The impairment loss recognised in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

##### b) Cash and Cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks, cash in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

##### c) Employee Benefits

Payment of Gratuity Act is not applicable to the company as numbers of employees are less than the minimum required for applicability of Gratuity Act.

##### d) Tax Expenses

The tax expense for the period comprises of current and deferred tax. Tax is recognised in Statement of Profit & Loss, except to the extent that it relates to items recognised in the comprehensive income or directly in equity respectively. In which case, the tax is also recognised in other comprehensive income or equity.

# CHITRAKUT HOLDINGS LIMITED

## Notes to Financial Statements as on and for the year ended 31st March, 2025

### Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the balance sheet date.

### Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

### e) Financial Instruments – Initial recognition, subsequent measurement and impairment

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equally instrument of another entity.

### Financial Assets Initial Recognition and Measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

### Financial Assets – Subsequent Measurement

For the purpose of subsequent measurement financial assets are classified in two broad categories:-

- a) Financial Assets at fair value
- b) Financial assets at amortised cost

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss (i.e. fair value through profit or loss) or recognised in other comprehensive income (i.e. fair value through other comprehensive income)

A financial asset that meets the following two conditions in measured at amortised cost (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

- a) Business Model Test: The objective of the Company's business model is to hold the financial asset to collect the contractual cash flow (rather than to sell the instrument).
- b) Cash Flow Characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

# CHITRAKUT HOLDINGS LIMITED

## Notes to Financial Statements as on and for the year ended 31st March, 2025

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option.

- a) Business Model Test: The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial assets.
- b) Cash Flow characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

Even if an instrument meets the two requirements to be measured at amortised cost or fair value through other comprehensive, a financial asset is measured at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as an accounting mismatch) that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. All other financial assets are measured at fair value through profit or loss.

All equity instruments are measured at fair value in the balance sheet, with value changes recognised through other comprehensive income, except for those equity instruments for which the entity has elected to present value changes in the statement of profit and loss.

### Financial Assets – De-recognition

A financial asset (or where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's statement of financial position) when:

- a) The rights to receive cash flows from the asset have expired or
- b) The Company has transferred its rights to receive cash flow from the asset or has assumed an obligation to pay the received cash flow in full without material delay to a third party under a pass-through arrangement and either i) the company has transferred substantially all the risks and rewards of the asset, or ii) the company has neither transferred nor retained substantially all the risks and rewards of the assets, but has transferred control of the asset.

When the company has transferred its rights to receive cash flow from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying of the asset and the maximum amount of consideration that the company could be required to repay.

### Financial Liabilities – Initial Recognition and Measurement

The financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payable, loans and borrowings including bank overdrafts.

### Financial Liabilities – Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

#### Financial liabilities at fair value through profit or loss

Financial Liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognised at fair value through profit or loss are designated at the initial date of recognition and only if the criteria in Ind AS 109 as satisfied.

#### Financial Liabilities – Loans and Borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using Effective Interest Rate (EIR) Method. Gains and losses are recognised in profit and loss when the liabilities are de-recognition as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation in includes as finance costs in the statement of profit and loss.

#### Financial Liabilities – De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

### f) Revenue Recognition and Other Income

#### Sale of Shares & Securities

Income from Sale of Shares is recognised on the date of transaction.

#### Interest income

For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate to the net carrying amount of the financial asset. Interest income is included in the other income in the statement of profit and loss.

### g) Provisions, contingent liabilities, contingent assets and commitments

Provisions are recognised when the company has a present obligations (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligations and a reliable estimate can be made of the amount of the obligations. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the statement of Profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

## Notes to Financial Statements as on and for the year ended 31st March, 2025

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to be Financial Statements.

Contingent assets are not recognised. However when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

### h) Current and Non-current Classification

A liability is classified as current when it is :

- a) Expected to be settled in normal operating cycle
- b) Held primarily for the purpose of trading
- c) Due to be settled within twelve months after the reporting period or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The company has identified twelve months as its normal operating cycle.

### i) Fair Value Measurement :

The company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either.

- a) In the principal market for the asset or liability or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of non-financial asset takes into account a market participants ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

# CHITRAKUT HOLDINGS LIMITED

## Notes to Financial Statements as on and for the year ended 31st March, 2025

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

- a) Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- b) Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- c) Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

j) Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable rights to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable rights must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company or counterparty.

B.3 Significant Accounting Judgement, Estimates and Assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets, and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future period. The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

Contingencies

Management has estimated the possible outflow of resources at the end of each annual reporting period, if any, in respect of contingencies / claim / litigations against the company as it is not possible to predict the outcome of pending matters with accuracy.

Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

# CHITRAKUT HOLDINGS LIMITED

## Notes to Financial Statements as on and for the year ended 31st March, 2025

### Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent to those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less cost of disposal recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

### Fair Value Measurement of Financial Instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

### **36 CAPITAL MANAGEMENT**

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt.

The gearing ratio at end of the reporting period was as follows:

(₹ in Lakhs)

Particulars	As at 31.03.2025	As at 31.03.2024
Gross Debt	37.35	-

Total Equity (As per Balance Sheet) (B)	732.00	732.00
Net Gearing (A/B)	-	-

### **37 FINANCIAL INSTRUMENTS**

#### **i Valuation**

All financial instruments are initially recognized and subsequently re-measured at fair value as described below:

- The fair value of investment in quoted Equity Shares is measured at quoted price or NAV or cost as available with the management.
- The fair value of the remaining financial instruments is determined using discounted cash flow analysis.
