In accordance with, the said circulars of MCA, SEBI and applicable provisions of the Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), the 36<sup>th</sup> AGM of the Company shall be conducted through VC / OAVM. The deemed venue for the AGM shall be the Registered Office of the Company. Participation of members through VC / OAVM will be reckoned for the purpose of quorum for the AGM as per section 103 of the Companies Act, 2013. This notice is sent to all the members whose name appears as on 08<sup>th</sup> August, 2025 (cut-off date) in the Register of Members.
2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. The Annual Report 2024-25 is being sent through electronic mode only to those members whose email addresses are registered with the Company/Depository Participant(s). Pursuant to circular no. 09/2024 dated 19<sup>th</sup> September, 2024 issued by MCA, dispatch of Physical copy of Annual Report is dispensed.
4. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
5. The relevant explanatory statement pursuant to section 102 of the Companies Act, 2013 in respect of the Special Businesses as set out above is annexed hereto and form part of this notice.
6. Additional Information, pursuant to regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, In respect of the directors seeking appointment/ re-appointment at the AGM, is furnished as annexure to the Notice.
7. Members, who have not registered their e-mail address so far, are requested to register their e- mail address for receiving all communication including Annual Report, Notices,

Financial Results, Circulars, etc. from the Company electronically.

Members seeking further information on the Accounts or any other matter contained in the Notice are requested to write to the Company at least 7 days before the meeting so that relevant information can be kept ready at the meeting.

Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their Depository Participants in case the shares are held in electronic form and in case the shares are held in physical form, to the Company's Registrar and Share Transfer Agents.

8. The Notice for the Annual General Meeting and the Annual Report will be available for inspection at the Registered Office of the Company on all working days in business hours up to the date of Annual General Meeting. The above said shall also be available on the Company's website at [www.cremicaagro.com](http://www.cremicaagro.com).
9. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit PAN to their Depository Participants with whom they are maintaining their demat account.

Member holding shares in physical form can submit their PAN details to the Company at the Registered Office of the Company.

10. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
11. The Register of Members and Share Transfer Books shall remain closed from 06.09.2025 to 12.09.2025 (Both days inclusive) (Record date- 05<sup>th</sup> September, 2025).

The Company has fixed its first cut-off date as 08<sup>th</sup> August, 2025 for the purpose of dispatch of Notice of AGM along with Annual report. Any person who acquires shares after the first cut-off date but before the record date i.e 05<sup>th</sup> September, 2025 may obtain the ID-password from the Company's RTA i.e MUFG Intime India Private Limited (Formerly known as M/s Link Intime India Private Limited).

12. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM

through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to [contact@cremicaagro.com](mailto:contact@cremicaagro.com) with a copy marked to [instameet@linkintime.co.in](mailto:instameet@linkintime.co.in).

13. The Board of Directors has appointed **Mr. Anuj Bansal, Partner of Anuj Bansal & Associates, Practising Company Secretaries** as the **Scrutinizer** for conducting the voting and remote e-voting process in accordance with the law and in a fair and transparent manner and she has consented to act as scrutinizer.
14. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company. The Scrutinizer shall, prepare and present a consolidated report of the total votes cast in favour or against, if any, to the Chairman or any other Key Managerial Personnel who shall countersign the same and declare the results of the voting within 48 hours of conclusion of Annual General Meeting.
15. The results declared along with the report of Scrutinizer shall be placed on the website of the Company immediately after the declaration of results by the Chairman or any other Key Managerial Personnel. The results shall also be forwarded to the Stock Exchange within 48 hours of the conclusion of Annual General Meeting.
16. Any person who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request at [rnt.helpdesk@linkintime.co.in](mailto:rnt.helpdesk@linkintime.co.in). However, if he / she is already registered with MUFG Intime India Pvt. Ltd (Formerly known as M/s Link Intime India Private Limited) for remote e-voting then he / she can use his / her existing user ID and password for casting the vote.
17. The business set out in this Notice shall be conducted through e-voting. In compliance with the provisions of the Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to offer e-voting facility as an alternate to all its Members to enable them to cast their votes electronically instead of casting their vote at the Meeting.
18. The members may cast their votes through electronic voting system (remote e- voting). The remote e-voting period will commence at 9.00 a.m. on Tuesday, 09<sup>th</sup> September, 2025 and will end at 5.00 p.m. on Thursday, 11<sup>th</sup> September, 2025. In addition, the

facility for e-voting shall also be made available during the AGM. Members participating in the AGM through Video Conference/ Other Audio Visual Means who have not cast their vote by remote e-voting shall be eligible to cast their vote through e-voting during the AGM. Members who have voted through remote e- voting shall be eligible to participate in the AGM; however, they shall not be eligible to vote at the meeting.

19. Members may join the 36<sup>th</sup> AGM through VC/OAVM Facility by following the procedure as mentioned below which shall be kept open for the Members from 10:45 a.m. IST i.e. 15 minutes before the time scheduled to start the 36<sup>th</sup> AGM and the Company may close the window for joining the VC/OAVM Facility 15 minutes after the scheduled time to start the 36<sup>th</sup> AGM. Members may note that the VC/OAVM Facility allows participation of at least 1,000 Members on a first-come-first-served basis. The large shareholders (i.e. shareholders holding 2% or more shareholding), promoters, institutional investors, directors, key managerial personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, auditors, etc. can attend the 36<sup>th</sup> AGM without any restriction on account of first-come-first-served principle.
20. As per Regulation 40 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, securities of listed companies can be transferred only in dematerialized form except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact their Depository Participant with whom they are maintaining their de-mat account.

**EXPLANATORY STATEMENT UNDER SECTION 102 IN RESPECT OF BUSINESS SET OUT IN ITEM NO. 3 OF THE NOTICE CONVENING THE ANNUAL GENERAL MEETING**

Though not mandatory, this statement is provided for reference. Since M/s. K C Khanna & Co., (FRN No. 000481N) Chartered Accountants have resigned as the Statutory Auditors of our Company w.e.f. 06.08.2025 due to administrative reasons as they are closing down their Ludhiana office and finding it difficult to conduct audit from their Delhi office. Section 139 of the Companies Act, 2013 states that any casual vacancy in the office of Statutory Auditor needs to be filled within a period of three months.

Accordingly, as per the requirements of the Act and based on the recommendations of the Audit Committee, the board of directors of the company has in its meeting held on August 07, 2025 proposed to appoint M/s. SCV & Co. LLP, Chartered Accountants (Firm's Registration No.: 000235N/N500089), as the Statutory Auditors of the company for a period of five years commencing from the conclusion of 36th AGM till the conclusion of the 41st AGM to be held in the year 2030. M/s. SCV & Co. LLP have consented to the said appointment and confirmed that their appointment, if made, would be within the limits specified under Section 141(3)(g) of the Act. They have further confirmed that they are not disqualified to be appointed as statutory auditors in terms of the provisions of the proviso to Section 139(1), Section 141(2) and Section 141(3) of the Act and the provisions of the Companies (Audit and Auditors) Rules, 2014. Further requirement of ratification of Auditors by members at every annual general meeting has been omitted by the Companies (Amendment) Act, 2017 effective from May 7, 2018. None of the Directors/Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at item No. 3 of the notice.

The Board recommends the resolution set forth in item No. 3 of the notice for approval of the members.

**EXPLANATORY STATEMENT UNDER SECTION 102 IN RESPECT OF BUSINESS SET OUT IN ITEM NO. 4 OF THE NOTICE CONVENING THE ANNUAL GENERAL MEETING**

**APPOINTMENT OF M/S. ANUI BANSAL & ASSOCIATES AS SECRETARIAL AUDITORS OF THE COMPANY**

The Following Explanatory Statement sets out all material facts relating to the Business mentioned under item sr. no. 4 of the accompanying Notice:

Though not mandatory, this statement is provided for reference.

Pursuant to the recent amendments under Regulation 24 A of SEBI (LODR) Regulations, 2015 the board of directors of the company have in their meeting held on May 24, 2025 proposed to appoint M/s. Anuj Bansal & Associates, Practising Company Secretaries as Secretarial Auditors of the company for a period of five years commencing from the year 2025-26 till 2029-30 i.e. from the conclusion of Thirty Sixth (36th) Annual General meeting till the conclusion of the Forty First (41st) Annual General Meeting. M/s. Anuj Bansal & Associates have consented to the said appointment. They have further confirmed that they are not disqualified to be appointed as Secretarial auditors in terms of the provisions of the Regulation 24 A of SEBI (LODR) Regulations, 2015 and as per Section 204 of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 or other applicable provisions of Companies Act, 2013. None of the Directors/Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in the resolution set out at item No. 4 of the notice.

## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **INDUSTRY STRUCTURE AND DEVELOPMENT**

Your Company was engaged in the manufacture of bread and other bakery products. Due to the availability of a vast variety of breads and bakery items having better ingredients, your Company did not do any business during the period under review, so we cannot comment on the performance of the company in comparison with the other companies at large.

### **OPPORTUNITIES AND THREATS**

There are a lot of opportunities related to the Company which can contribute to the rising income and aspiration of consumers, large & profitable domestic and international markets and rural growth in India. The management of the company is exploring assorted opportunities related to food processing and other food-related opportunities to take up in the near future.

Besides above, Untapped geographies in India are also a huge area of opportunity. These opportunities are equally visible to the current and future competitors of your Company and that constitutes the primary threat of intensified competition due to lower industry growth.

### **SEGMENT WISE OR PRODUCT WISE PERFORMANCE**

Since there was no business last year. Therefore, the management cannot comment on this head.

### **FUTURE OUTLOOK**

In the near term, Company is planning to once again start its business. It has formed a very good and abled Board, under whose guidance and abled support it is expected that Company will do well and will attain new targets and goals better than what it used to achieve when it was in full flow.

### **RISKS AND CONCERNS**

In today's complex business environment, almost every business decision requires executives and managers to balance risk and reward. Effective risk management is therefore critical to an organization's success. Globalization, with increasing integration of markets, newer and more complex products & transactions and an increasingly stringent regulatory framework has exposed organizations to newer risks. As a result, today's operating environment demands a rigorous and integrated approach to risk management. Timely and effective risk management is of prime importance to our continued success. Increased competition and market volatility has enhanced the importance of risk management. The sustainability of the business is derived from the following:

- Identification of the diverse risks faced by the company.
- The evolution of appropriate systems and processes to measure and monitor them.
- Risk management through appropriate mitigation strategies within the policy framework.
- Monitoring the progress of the implementation of such strategies and subjecting them to periodical audit and review.
- Reporting these risk mitigation results to the appropriate managerial levels

#### **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

The company has adequate internal control systems and procedures which commensurate with the nature of its business and the size of its operations. The internal control system are adequate to ensure that all assets and resources of the company are safeguarded and protected against loss from unauthorized use or disposition and all transactions are authorized, recorded and reported correctly. The company also ensures compliance with all statutes and regulatory policies and guidelines. Further the company is also having internal audit department which carries out audit work throughout the year. The main objective of such audit is to test the adequacy and effectiveness of internal control systems laid down by the Management and to suggest improvement in the systems.

Besides, an audit committee consisting of three directors has been constituted. All the significant audit observation and follow-up actions thereon are taken care of by the audit committee. The audit committee met four times during the financial year under review.

## **INDEPENDENT AUDITORS' REPORT**

**To the Members of Cremica Agro Foods Limited**

### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the accompanying financial statements of Cremica Agro Food Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements. We have determined that there are no key audit matters to communicate in our report.

#### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises Directors' Report including annexures, if any, thereon, but does not include the financial statements and our auditor's report thereon. The Directors' Report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Director's report including annexures, if any, thereon, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

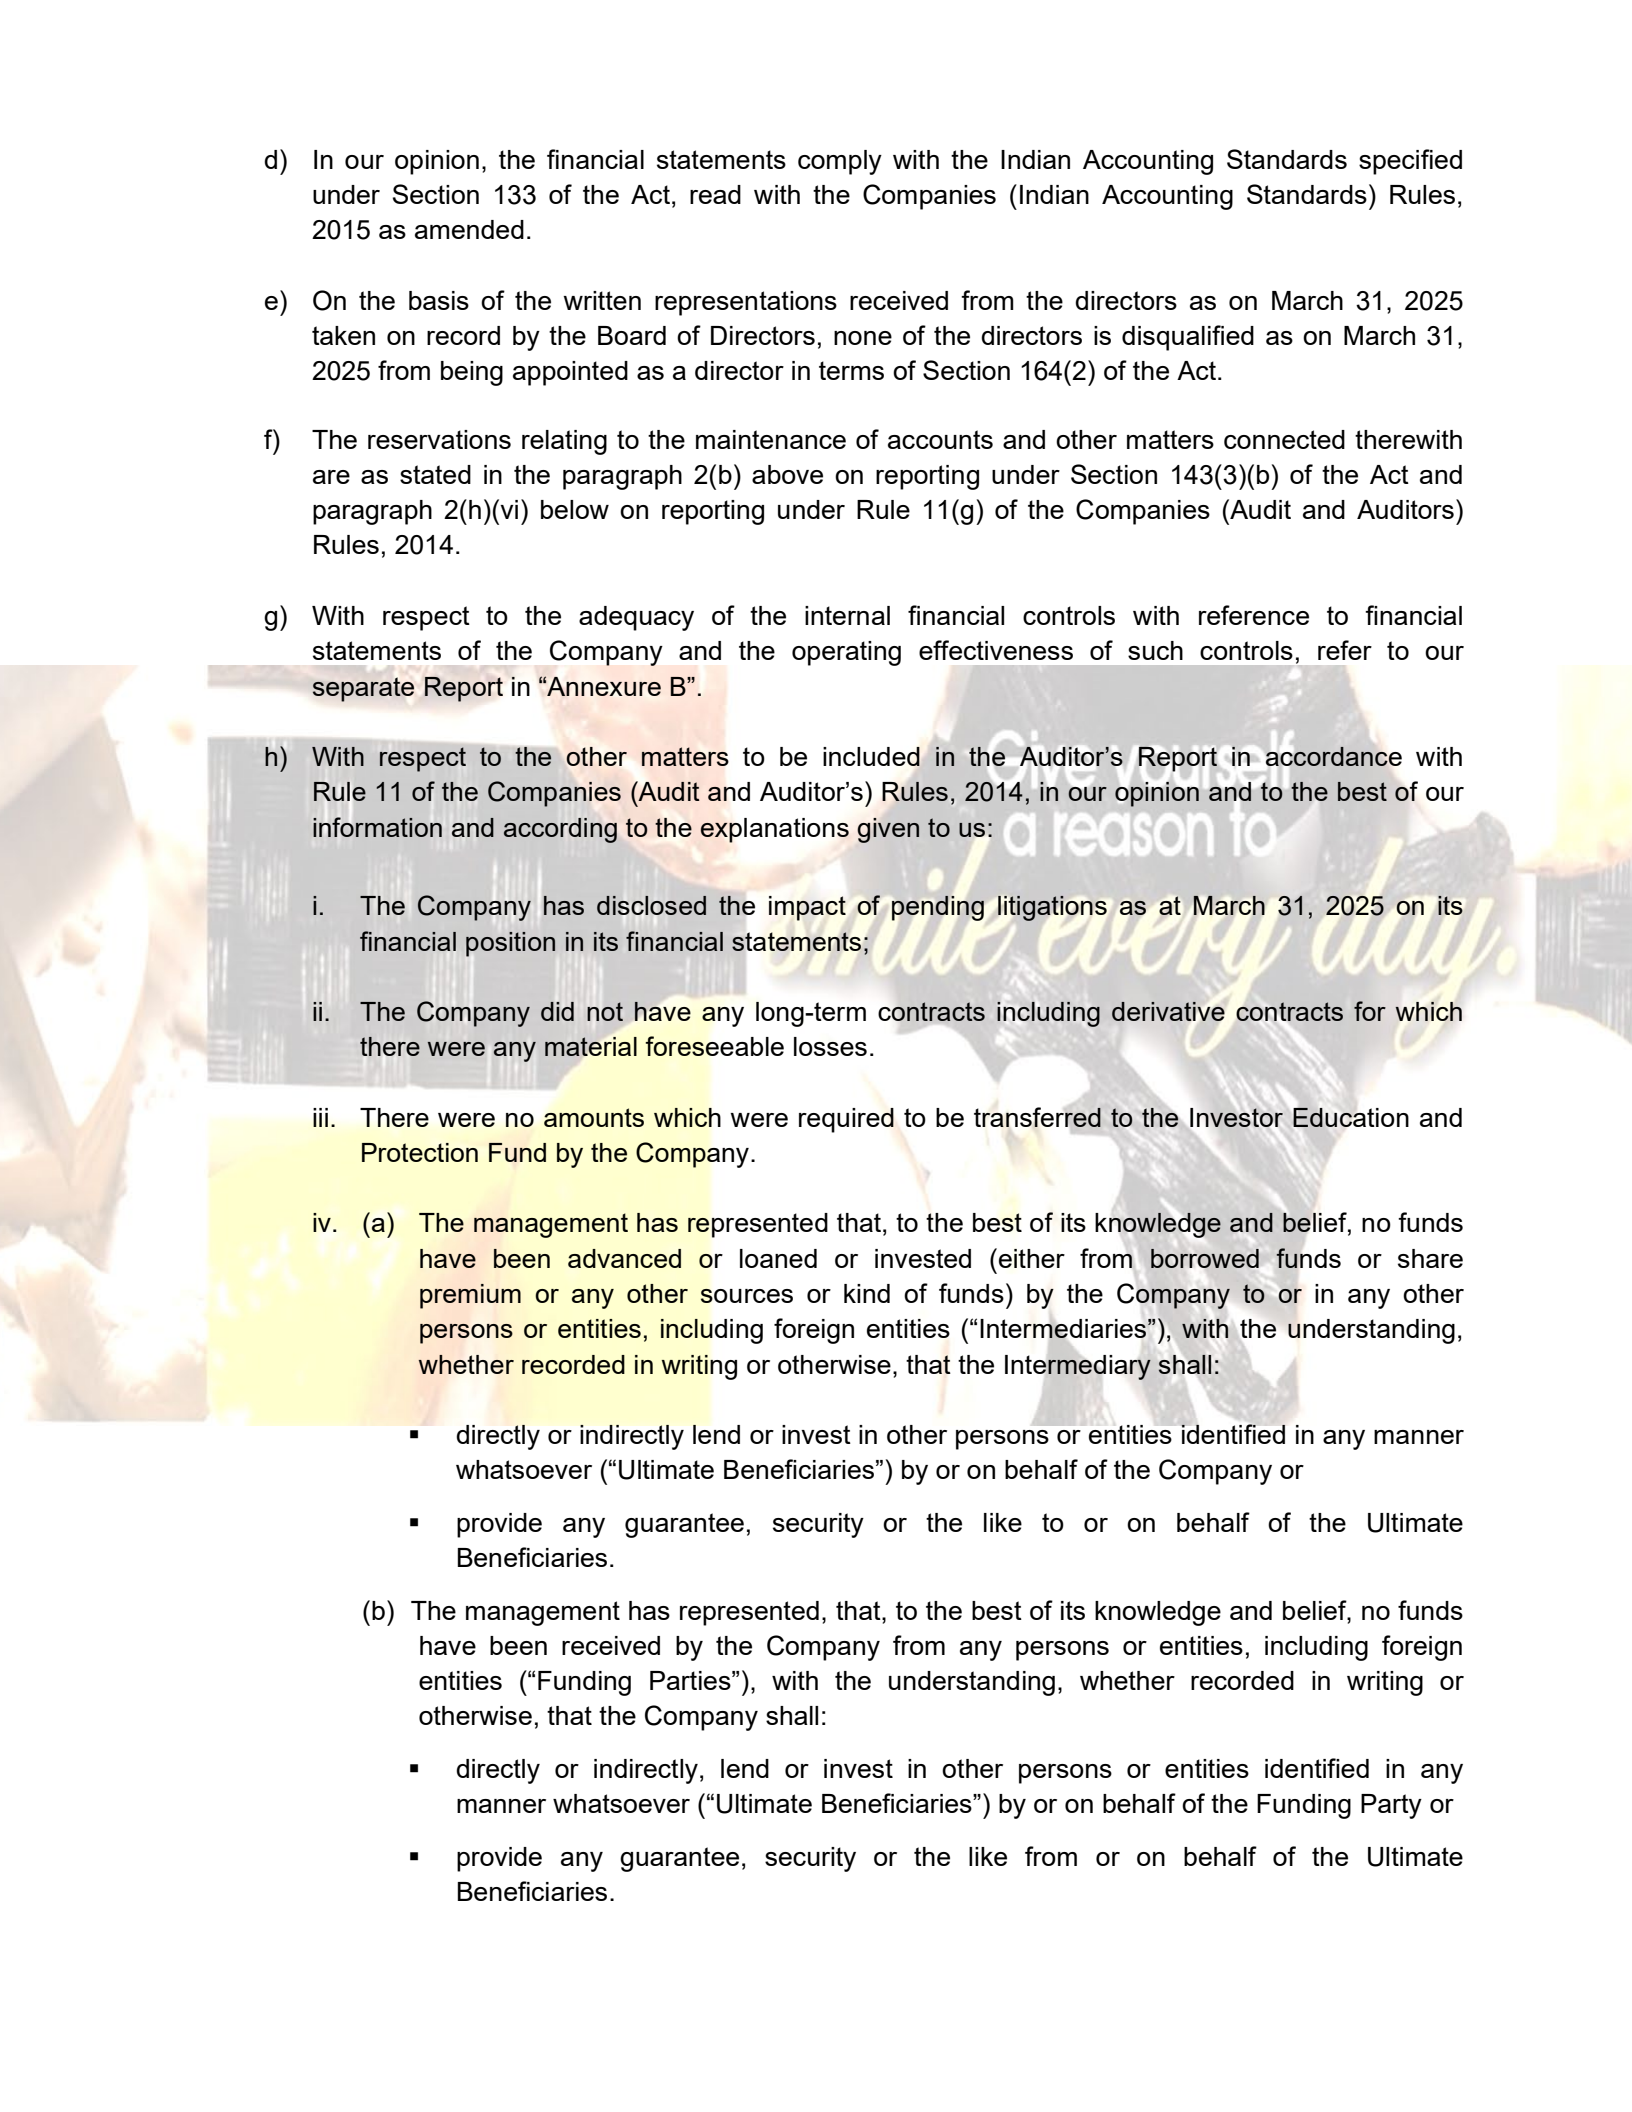

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
  - c) The balance sheet, the statement of profit and loss including other comprehensive income, statement of changes in equity and the statement of cash flows dealt with by this report are in agreement with the books of account.

- 
- d) In our opinion, the financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.
- e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f) The reservations relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations as at March 31, 2025 on its financial position in its financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
    - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
    - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
  - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
    - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
    - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.

- (c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv) (a) and (iv) (b) contain any material mis-statement.
- v. The company has not declared and paid any dividend during the year.
- vi. Based on our examination and according to the information and explanations given to us, the feature of recording audit trail (edit log) facility was not enabled for the year ended March 31, 2025 in the accounting software used by the Company for maintaining its books of account.
3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, we report that no remuneration has been paid by the Company to its directors during the year and accordingly provisions of section 197 of the act are not applicable.

- (xvii) The company has not incurred cash losses in the financial year covered by our audit and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We

further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) In our opinion and according to the information and explanations given to us, the provision of sub section (5) of section 135 of the Act is not applicable to the Company. Therefore, reporting under clause 3(xx) of the Order is not applicable to the Company.

## **Annexure B to the Independent Auditors' report**

**(Referred to in paragraph 2 (g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial control over financial reporting of Cremica Agro Foods Limited ("the Company") as of March 31, 2025 in conjunction with our audit of financial statements of company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial controls with Reference to Financial Statements

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls were operating effectively as at March 31, 2025, based on the internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **Note 1 Corporate Information**

Cremica Agro Foods Limited (hereinafter referred to as “the Company”) is domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company’s registered office is at 455, Sohan Palace, 2nd Floor, The Mall, Ludhiana-141001, Punjab, India. The Company is engaged in the business of manufacturing and trading of food products. The Company is listed on Metropolitan Stock Exchange of India Limited.

The financial statements were approved and authorized for issue by the Company’s Board of Directors on 24<sup>th</sup> May, 2025

## **Note 2 Material Accounting Policies, Significant Accounting Estimates, Judgements and Assumptions and Applicability of New and Revised Ind AS**

### **Note 2.1 Statement of Compliance**

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act.

### **Note 2.2 Basis of Preparation and Measurement**

(i) The financial statements have been prepared on historical cost convention on accrual basis except for certain financial instruments (including derivative instruments) which are measured at fair value at the end of each reporting period as required under Ind AS.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in the financial statements is determined on such a basis, except for measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

(ii) Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(iii) The functional and presentation currency of the Company is Indian rupees and all values are rounded to the nearest thousands unless otherwise stated.

## **Note 2.3 Material Accounting Policies:**

### **2.3.1 Revenue Recognition**

#### **2.3.1 (a) Interest Income**

Interest Income from financial asset is recognized when it is probable that economic benefits will flow to the company and amount of income can be measured reliably. Interest income is accrued on time basis, by reference to principal outstanding and at effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of financial asset to that asset's net carrying amount on initial recognition.

### **2.3.2 Employee Benefits**

#### **2.3.2(a) Short term Employee Benefits:**

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. The amount of short term employee benefits are recognized as an expense on an undiscounted basis in the statement of profit and loss of the year in which the related service is rendered.

#### **2.3.2(b) Post-Employment benefit plans**

##### **(a) Defined Benefit Plan:**

##### **Gratuity**

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees of the Company. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company.

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method.

The Company recognizes the net obligation of a defined benefit plan in its balance sheet as a liability. Re-measurements comprising of actuarial gains and losses, and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are recognised in Other Comprehensive Income which are not reclassified to profit or loss in subsequent periods. All other expenses related to defined benefit plans are recognised in employee benefits expense in the Statement of profit and loss.

##### **(b) Other long term employee benefits- Compensated absences**

Compensated absences, which are not expected to occur within twelve months after the end of the period in which the employee renders the related service, are recognised at the present value of the obligation based on actuarial valuation as on the reporting date, performed by an independent actuary using projected unit credit method.

The expense in respect of other long term employee benefits including re-measurements as a result of past experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

### **2.3.3. Property, plant and equipment**

All other items of Property, plant and equipment are stated at cost or deemed cost applied on transition to Ind AS, less accumulated depreciation and impairment loss, if any. The cost directly

**Cremica Agro Foods Limited (CIN: L15146PB1989PLC009676)**  
**Notes to the financial statements for the year ended 31 March 2025**  
*(All amounts are in rupees '000', unless otherwise stated)*

attributable to acquisition are capitalised until the property plant and equipment are ready for use as intended by the management.

The cost of an item of Property, plant and equipment comprises of:

- (i) Purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates.
- (ii) Any expenditure directly attributable for bringing an asset to the location and the working condition for its intended use and
- (iii) The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in net profit in the statement of profit and loss when incurred.

Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately.

Property, plant and equipment which are not ready for intended use at each balance sheet date are disclosed as "Capital work-in-progress" and advances paid towards the acquisition of Property, plant and equipment outstanding at each balance sheet date are classified as Capital advances under "Other non-current assets". Directly attributable expenditure (including finance costs relating to borrowed funds for construction or acquisition of property, plant and equipment) incurred on projects under implementation are treated as pre-operative expenses pending allocation to the assets

#### **De-recognition of Property, Plant and Equipment**

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. The cost and the related accumulated depreciation are eliminated from the financial statements upon disposal or retirement of the asset and any gain or loss arising thereon is determined as the difference between sale proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

#### **2.3.4 Depreciation**

Depreciation on Property, plant and equipment is provided on straight line method on the basis of useful lives of such assets specified in Schedule II to the Act.

Depreciation method, useful lives and residual values are reviewed periodically, including at each financial year end with the effect of any changes in estimate accounted for on a prospective basis.

#### **2.3.5 Inventories**

Inventories are valued at cost or net realizable value, whichever is lower. The raw materials and other supplies held for use in the production are valued at net realisable value only if the finished products in which they are to be incorporated are expected to be sold below cost.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs necessary to make the sale.

#### **2.3.6 Earnings per Share**

Basic earnings per share is computed by dividing the profit/(loss) for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the profit/(loss) for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

#### **2.3.7 Income Taxes**

Income tax expense comprises current income tax and net change in deferred income tax asset and liability during the year.

Income tax expense is recognised in statement of Profit and Loss except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, as the case may be.

Current tax is the tax payable/receivable on the taxable profit/loss for the year using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and any adjustment to taxes in respect of previous years. Interest expenses and penalties, if any, related to income tax are included in finance cost and other expenses respectively. Interest income, if any, related to income tax refund is included in other income.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax is recognised in respect of temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at the reporting date using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date

A deferred tax asset is recognized to the extent, it is probable that future taxable profit will be available against where the deductible temporary differences and tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

### **2.3.8 Dividends**

Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the company's Board of Directors.

### **2.3.9 Leases**

#### **Company as a lessee**

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and leases for which underlying asset is of low value. For these short-term leases and leases for which underlying asset is of low value, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

### **2.3.10 Provisions, Contingent Liabilities and Contingent Assets**

- (i) Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Where some or all of the expenditure required to settle a provision is expected to be reimbursed by another party, the reimbursement is recognised when, and only when, it is virtually certain that reimbursement will be received if the Company settles the obligation. The reimbursement is treated as a separate asset. The expense relating to a provision is presented in the statement of profit or loss net of any reimbursement.

- (ii) A contingent liability is not recognised in the financial statements, however, is disclosed, unless the possibility of an outflow of resources embodying economic benefits is remote. If it becomes probable that an outflow of future economic benefits will be required for an item dealt with as a contingent liability, a provision is recognised in the financial statements of the period (except in the extremely rare circumstances where no reliable estimate can be made).
- (iii) A contingent asset is not recognised in the financial statements, however, is disclosed, where an inflow of economic benefits is probable. When the realisation of income is virtually certain, then the asset is no longer a contingent asset, and is recognised as an asset.
- (iv) Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

### **2.3.11 Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### **2.3.11(a) Initial Recognition and measurement**

The company recognises the financial assets and financial liabilities when it becomes party to the contractual provision of the instruments. All financial assets and liabilities are recognised at fair value on initial recognition except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition of financial assets and or issue of financial liabilities that are not recognized at fair value through profit or loss, are added to or reduced from the fair value of the financial assets or financial liabilities, as appropriate. Transaction cost directly attributable to the acquisition of financial assets and financial liabilities recognized at fair value through Profit or Loss are recognised immediately in the Statement of Profit and Loss.

Transaction cost directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognised immediately in the statement of profit and loss.

#### **2.3.11(b) Subsequent measurement**

For the purposes of subsequent measurement, financial instruments are classified as follows:

##### **Non-derivative financial instruments**

###### **\* Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Cremica Agro Foods Limited (CIN: L15146PB1989PLC009676)**  
**Notes to the financial statements for the year ended 31 March 2025**  
*(All amounts are in rupees '000', unless otherwise stated)*

Interest income for such instruments is recognised in profit or loss using the effective interest rate (EIR) method, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's gross carrying amount.

The carrying amounts of financial assets that are subsequently measured at amortised cost are determined based on the effective interest method less any impairment losses.

**\*Financial assets at fair value through other comprehensive income**

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income for such instruments is recognised in profit or loss using the effective interest rate (EIR) method, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's gross carrying amount.

Fair value movements are recognised in the other comprehensive income (OCI) until the financial asset is derecognised. On de-recognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the profit or loss.

**\*Financial assets at fair value through profit or loss**

A financial asset is subsequently measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income. Such financial assets are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Dividend and interest income from such instruments is recognized in the statement of profit and loss, when the right to receive the payment is established.

Fair value changes on such assets are recognised in the statement of profit and loss.

**\*Financial liabilities**

Financial liabilities are classified as at fair value through profit or loss when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

All other financial liabilities are subsequently measured at amortized cost using the effective interest method unless at initial recognition, they are classified as measured at fair value through profit and loss.

Financial liabilities carried at fair value through profit or loss, are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Interest expense for the financial liabilities subsequently measured at amortized cost is recognised in profit or loss using the effective interest rate (EIR) method.

### **\*Equity Instruments**

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received. Incremental costs directly attributable to the issuance of equity instruments and buy back of equity instruments are recognized as a deduction from equity, net of any tax effects.

### **2.3.11(c) De-recognition of financial instrument**

a) A financial asset (or, a part of a financial asset) is primarily derecognized when the contractual right to the cash flows from the financial asset expires, or the company transfers its right to receive cash flow from the financial assets and substantially all the risks and rewards of ownership of the asset to another party.

On de-recognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received/receivable is recognised in the profit or loss.

b) A financial liability (or a part of financial liability) is derecognized when obligation specified in the contract is discharged or cancelled or expires.

On de-recognition of a financial liability, the difference between the carrying amount of the financial liability de-recognised and the consideration paid/payable is recognised in profit or loss.

### **2.3.11(d) Offsetting financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

### **2.3.11(e) Impairment of Financial Assets**

Financial assets that are carried at amortised cost and fair value through other comprehensive income (FVOCI) are assessed for possible impairments basis expected credit losses taking into account the past history of recovery, risk of default of the counterparty, existing market conditions etc. The impairment methodology applied depends on whether there has been a significant increase in credit risk since initial recognition.

Expected Credit Losses are measured through a loss allowance at an amount equal to:

\* The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

\* Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of financial instruments).

For trade receivables or any contractual right to receive cash or another financial asset that result from transaction that are within the scope of Ind AS 115 and Ind AS 116, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

For other assets, the company uses 12 months ECL to provide for impairment loss where no significant increase in credit risk is. If there is significant increase in credit risk full lifetime ECL is used.

#### **2.3.11(f) Write off**

The gross carrying amount of a financial asset is written off when the Company has no reasonable expectations of recovering the financial asset in its entirety or a portion thereof.

#### **2.3.12 Impairment of Non-financial assets**

Property, plant and equipment, other intangible assets and other non-financial assets are tested for impairment whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

The assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period. When an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, however that the increased carrying amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognised for the asset in prior years. The reversal of an impairment loss is recognised in the statement of profit and loss.

Impairment is reviewed periodically including at the end of each financial year.

#### **2.3.13 Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company have been identified as being the Chief operating decision maker by the management of the Company.

#### **2.3.14 Cash and cash equivalents**

The Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with the original maturity period of three months or less, which are subject to an insignificant risk of changes in value and all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

### **2.3.15 Statement of Cash flows**

The statement of cash flows is prepared in accordance with the Indian Accounting Standard (Ind AS) - 7 "Statement of Cash flows" using the indirect method for operating activities whereby profit for the period is adjusted for the effects of transaction of a non-cash nature, and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

#### **Note 2.4: Current – Non-Current Classification**

All assets and liabilities have been classified as current and non-current on the basis of the following criteria:

##### ***Assets***

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in, the company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within twelve months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or use to settle a liability for at least twelve months after the reporting date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

##### ***Liabilities***

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within twelve months after the reporting date; or
- d) there is no unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterpart, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities

All other liabilities are classified as non-current

##### ***Operating cycle***

Operating cycle is the time between the acquisition of assets for processing/servicing and their realisation in cash or cash equivalents. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current or non-current classification of assets and liabilities.

**Note 2.5: Significant Accounting Estimates, Judgements and Assumptions**

The preparation of financial statements in conformity with Indian Accounting Standards (Ind AS) require management to make judgements, estimates and assumptions in the application of accounting policies that affect the reported amount of income, expenses, assets and liabilities.

The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis and the effect of revision to accounting estimates is recognized prospectively from the period in which the estimate is revised.

**Critical accounting estimates, Judgements and assumptions**

**i. Income taxes**

Significant judgement is required in determination of provision for current tax and deferred tax e.g. determination of taxability of certain incomes and deductibility of certain expenses etc. The carrying amount of income tax assets/liabilities is reviewed at each reporting date. The factors used in estimates may differ from actual outcome which could lead to signification adjustment to the amounts reported in financial statements

**ii. Defined Benefit Plans and other post-employment benefits**

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future, salary increases, mortality rates etc. Due to the complexities involved in the valuation and its long-term nature, the obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

**Note 2.6 Applicability of New and Revised Ind AS**

Ministry of corporate affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. MCA has not notified any new standards or amendment to the existing standards applicable to the company as at March 31, 2025.

#### B. Fair value measurement

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are measured, subsequent to initial recognition, at fair value.

The below is the fair value measurement hierarchy used by the Company to determine the fair value of financial instruments, grouped into Level 1 to Level 3. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

Level 1: Quoted prices(unadjusted) in active market for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

## II. Financial risk management

This note explains the risks arising from financial instruments to which company is exposed and policies and framework adopted by the company to manage these risks.

The Company has exposure to the following risks arising from financial instruments:

- credit risk;
- liquidity risk; and
- market risk

### Risk management framework

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's internal auditor oversees how management monitors compliance with the Company's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the management.

### i. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations resulting in a financial loss to the Company. At the end of reporting period, the Company is exposed to credit risk arising from cash and cash equivalents and deposits with banks which are held with banks which have high credit rating. The Company considers that its cash and cash equivalents have low credit risk based on the external credit ratings of the counterparties.

The Company's maximum exposure to credit risk as at 31st March, 2025 and 31st March, 2024 is the carrying value of the financial assets.

#### Allowance for Expected credit loss and its movement

### ii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the cash flow generated from operations to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows. In addition, the Company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios and maintaining debt financing plans.

<b>Total</b>	<b>62345</b>	<b>62345</b>	<b>0</b>	<b>0</b>	<b>62345</b>

The approach of the Company to manage liquidity is to ensure, as far as possible, that these will have sufficient liquidity to meet their respective liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risk damage to their reputation

#### iii. Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of adverse changes in market rates and prices such as currency risk, interest rate risk, other price risk.

##### (a) Currency Risk

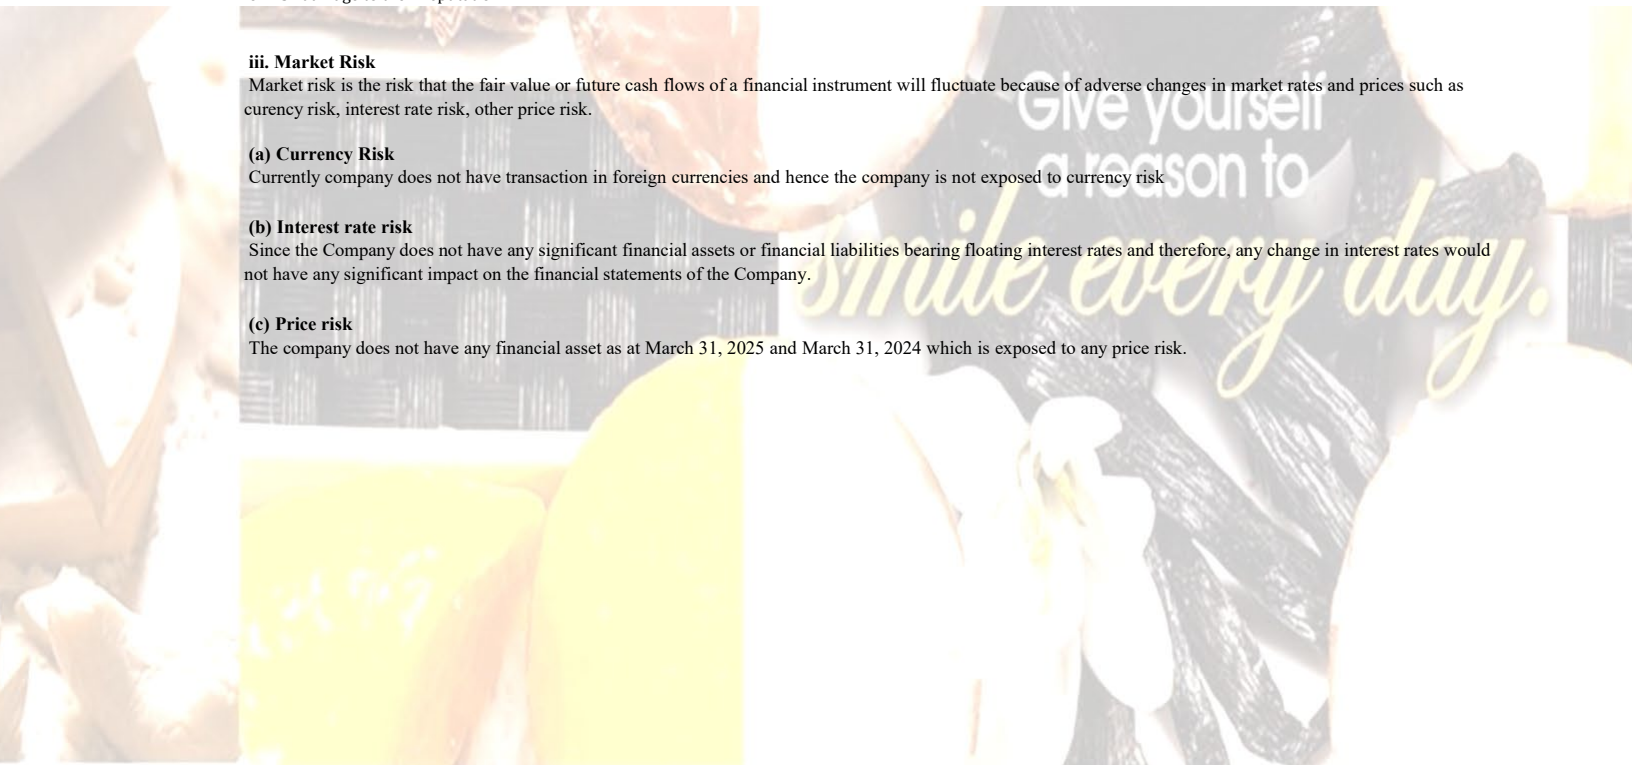

Currently company does not have transaction in foreign currencies and hence the company is not exposed to currency risk.

##### (b) Interest rate risk

Since the Company does not have any significant financial assets or financial liabilities bearing floating interest rates and therefore, any change in interest rates would not have any significant impact on the financial statements of the Company.

##### (c) Price risk

The company does not have any financial asset as at March 31, 2025 and March 31, 2024 which is exposed to any price risk.

## 26 Capital management

The primary objective of the Company's Capital Management is to maximize the return to shareholders and also maintain an optimal capital structure to reduce cost of capital. The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business.

For the purposes of the Company's capital management, capital includes equity share capital, and all other reserves attributable to the equity shareholders.

The Company monitors capital using a ratio of 'Net debt' to 'Total Equity'. For this purpose, net debt is defined as total interest-bearing loans and borrowings less cash and cash equivalents. The company does not have any debt as at the end of reporting period.

The Company is not subject to any externally imposed capital requirements.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2025 and 31 March 2024.

As a part of its capital management policy, the company ensures compliance with all covenants and other capital requirements related to its contractual obligations.
