HIGHLIGHTS OF INDUSTRY

The Indian Non-Banking Financial Companies (NBFC) sector remains a critical pillar of financial inclusion and economic growth. Over the years, NBFCs have demonstrated remarkable endurance, expanding their prominence within the financial ecosystem.

NBFCs have remained instrumental in widening credit outreach in underserved areas, especially in Tier-II and Tier-III cities, enabled by the rise of fintech partnerships and embedded finance ecosystems. NBFCs are likely to rebalance their funding mix, increasing reliance on bank loans and reducing their dependence on short-term commercial papers.

During FY 2024–25, the NBFC sector strategically focused on regulatory compliance and Tech adoption, with a strong push towards expanding financial inclusion in Tier-II and Tier-III cities. Customer-centric initiatives remained a core priority, complemented by a growing emphasis on sustainability and ESG-linked financing. The year also witnessed accelerated technology-driven transformation and the diversification of funding sources to ensure resilience and long-term growth.

**REMUNERATION POLICY
(FOR THE DIRECTORS, KEY MANAGERIAL
PERSONNEL AND OTHER EMPLOYEES)**

1. Regulatory Requirement

Pursuant to Section 178 and other applicable provisions of Companies Act, 2013, (Act) and rules made thereunder and Regulations 19 of SEBI (LODR) Regulation 2015, the Nomination and Remuneration Committee ("Committee") shall formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the directors, key managerial personnel and other employees.

The Policy has been framed by the Nomination and Remuneration Committee of the Board of Directors and based on its recommendation, approved by the board of directors of the Company. The policy may be reviewed by the Nomination and Remuneration Committee of the Board of Directors.

2. Purpose

Remuneration Policy ("Policy") provides a framework for remuneration to be paid to the members of the Board of Directors ("Board") and Key Managerial Personnel ("KMP") of the Company (collectively referred to as "Executives"). The expression KMP shall have the same meaning as defined under the provisions of Act. The Policy also provides a framework for identification of persons who are qualified to become directors.

3. Objectives

- a) The remuneration policy seeks to enable the company to provide a well- balanced and performance- related compensation package, taking into account shareholder interests, industry practices and relevant Indian corporate regulation.
- b) The remuneration policy will ensure that the interests of Executives are aligned with the business strategy and risk tolerance, objectives, values and long-term interests of the company and will be consistent with the "pay-for-performance" principle.
- c) The remuneration policy will ensure that remuneration to Executives involves a balance between fixed pay and incentive (by way of increment/bonus/ promotion/any other form) reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

4. Principles of Remuneration and Criteria for determining Remuneration

- a) The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors and KMP of the quality required to run the company successfully;
- b) Relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- c) Remuneration to directors, key managerial personnel and senior management involves a balance between short and long term performance objectives appropriate to the working of the company and its goals.

The criteria for determining the remuneration shall be broadly guided by:

- d) Requisite qualification, commensurate with the Job profile.
- e) Characteristics and Skills.
- f) Experience in business, government, academics, technology, human resources, social responsibilities, finance, law etc. and in such other areas as may be considered relevant or desirable to conduct the Company's business in a holistic manner and as may be decided by Committee
- g) Director should possess high level of personal and professional ethics, integrity and values. They should be able to balance the legitimate interest and concerns of all the Company's stakeholders in arriving at decisions, rather than advancing the interests of a particular constituency.
- h) Directors must be willing to devote time and energy in carrying out their duties and responsibilities effectively. They must have the aptitude to critically evaluate management working.
- i) In case of other employees other than director, KMP, the criteria will be decided by the Companies Management.

5. Remuneration to Executives

- (a) Executives may be paid remuneration by way of fixed salary and allowances as per Company rules subject to the provisions of companies Act, 2013.
- (b) Personal benefits Executives may have access to benefits /perquisites as per the rules and regulations of the Company. Executives may also be entitled to retirement benefits such as provident fund, gratuity and/or such other benefits as per the rules of the Company.
- (c) The Remuneration of other employee other than Executives will be decided by the HR department of the Company in accordance with the skill and qualification.

6. Remuneration to non-executive directors

Non - Executive may be paid remuneration by way of sitting fee and reimbursement of expenses for participation in the Board and other meetings and commission and/or such other payments as may be permitted by the law applicable to such payments. Such payments shall be subject to the provisions of Companies Act, 2013.

7. Amendments to this Policy

The Nomination and Remuneration Committee is entitled to amend this policy including any amendment or discontinuation of one or more incentive programmes introduced in accordance with this Policy.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**INDUSTRY AND ECONOMIC SCENARIO**

The role of NBFCs is important to the economy, when a large part of the population still lives in rural/semi-urban areas. With an economic revival is pegged to the growth of rural and suburban economies, NBFCs' role in deposit mobilization and credit extension can hardly be overemphasized. The role of NBFCs as an effective intermediary has been well recognized, with the core strengths of NBFCs being strong customer relationships, excellent understanding of regional dynamics, well-developed collection systems and personalized services. In this function, they are supposed to be playing a complimentary role to banks rather than being competitors, reaching out in areas where banks have a limited presence.

At the same time, NBFCs have built a niche for themselves in terms of product profile, by providing the growth and development of their respective business sectors. NBFCs bring the much-needed diversity to the financial sector, thereby diversifying risks, increasing liquidity in the market, thus promoting financial stability and bringing efficiency to the financial sector. The role of NBFCs can't be undermined in the financial inclusion agenda.

OPPORTUNITIES

Taking into consideration the rise in non-performing assets (NPA), banks are being cautious in relation to credit worthiness of the customers and deny loans for the same. Due to this, credit gap is made. However, in the case of NBFCs, they charge high rate of interest, within the guidelines of the government. The customers accept to pay additional interest rate for loan to the NBFCs in order to skip any complications of complying with the requisites of the banks that are put on them.

Also, keeping in regard the financial needs of the people and the structure of the banks, for the interest of the people the government has exempted NBFC from harsh rules and regulations that are imposed on the other financial institutions, such as in the case of banks. The NBFCs enjoy the flexibility in rules relating to restrictions, paper work, thereby making it suitable for the entrepreneurs to show their interest in NBFC. One such example where the government has provided the opportunities to the NBFC to establish their place in the market is the foreign investment that is permitted to NBFCs up to 100%. There are continuing advantages for the NBFCs, are government takes initiative to implement rules to help in the growth of NBFC.

THREATS

The due diligence is important to optimize the default risk. Since the customers who avail borrowings from NBFCs do not have any credit history, it becomes quite difficult to verify their financial credentials. There NBFCs have to take up additional resources for on-ground visits, reference checks, and etc. all of this adds to the operational cost and becomes difficult to service this segment.

Further, since, new to credit customers do not have any experience on getting financial services, they may not naturally engage with the NBFC to take loans for their business or personal requirements. Therefore, to attract the customers, the NBFCs have to spend additional resources in educating and financial literacy and awareness. On the other hand, once these customers are made aware of the benefits of obtaining a loan from an NBFC, there is an extreme likelihood to convert the lead into real business.

OUTLOOK

India's economic outlook remains strong, driven by stable domestic consumption, rising infrastructure investment and a dynamic services sector. Inflation is expected to stabilise enabling a more accommodative monetary policy, while robust credit growth and strong banking fundamentals continue to support private sector expansion and capital formation.

The digital economy and formalisation of financial services continue to unlock new opportunities, particularly in Tier-II and Tier-III markets, while a booming start-up ecosystem continues to prosper. With a youthful workforce, accelerating digital adoption and targeted policy reforms in manufacturing, MSMEs and favourable taxation are expected to enhance productivity and long-term competitiveness. Over the coming decade, India is expected to play a pivotal role in shaping global economic momentum, contributing meaningfully to innovation, supply chain diversification and sustainable development worldwide.

Digital transformation is one of the significant trends that has affected the financial services industry, including NBFCs in India. With the proliferation of smartphones and the internet, digital platforms have become a crucial medium for providing financial services. NBFCs have been quick to adopt digital technologies to enhance customer experience, streamline operations, and reduce costs.

SEGMENT REPORTING

The Company is engaged in a single line of business, i.e., investment activities, which is considered as its sole operating and reportable segment. In view of this, segment-wise reporting is not applicable.

The management continues to focus on optimizing returns from its investment portfolio while ensuring prudent risk management and compliance with applicable regulatory guidelines.

RISK AND CONCERNS

The Company operates in a dynamic financial environment and is exposed to various risks inherent in the investment and non-banking financial services industry. The key risks and concerns include:

1. **Market Risk:**
The Company's investments are subject to market fluctuations, changes in economic conditions, interest rate movements, and geopolitical developments, which may impact portfolio performance and returns.
2. **Credit Risk:**
Exposure to debt instruments or counterparties may carry the risk of default, adversely affecting income and capital.
3. **Liquidity Risk:**
The Company may face challenges in liquidating investments or raising funds promptly without significantly impacting valuations, especially during periods of market stress.
4. **Regulatory Risk:**
As a Non-Banking Financial Company (NBFC) registered with the Reserve Bank of India (RBI), the Company operates within a robust regulatory framework. Any changes in RBI policies, guidelines, or compliance requirements may impact its operations, profitability, or strategic direction.
5. **Operational Risk:**
This includes the risk of loss arising from inadequate or failed internal processes, people, systems, or external events, including cyber threats and data security issues.

6. Concentration Risk:

A concentrated exposure to a particular sector, company, or asset class may increase the Company's susceptibility to sector-specific risks.

INTERNAL CONTROL SYSTEM AND INTERNAL AUDIT

The Company has implemented a comprehensive internal control framework to ensure operational efficiency, regulatory compliance and accurate Financial reporting. The Internal Audit Department (IAD) plays a crucial role in strengthening Governance, Risk and Compliance (GRC) by conducting independent and objective evaluations. These assessments enhance transparency, accountability and trust across the organisation. The internal audit function operates under a clear and comprehensive internal audit charter, supported by a risk based audit policy that defines the department's purpose, structure, authority and responsibilities. Adopting a risk based approach, the IAD focusses on high and medium-risk areas, ensuring effective resource allocation and addressing potential vulnerabilities. The risk-based Internal Audit Framework also offers independent assurance to the Board's Audit Committee, tailored to the Company's scale, complexity and operations. The audit plan, developed based on activity risk profiles, is reviewed and approved annually by the Audit Committee, which also evaluates audit findings and performance.

To enhance audit quality and efficiency, while ensuring extensive data coverage, the IAD utilises advanced data analytics tools. Additionally, recognising the evolving industry scenario, Information Systems (IS) audits have become a key component of the internal audit function. This comprehensive audit strategy not only strengthens risk management practices but also reinforces the Company's ability to navigate technological advancements and emerging challenges.

An Internal Auditor has been appointed pursuant to Section 138 of the Companies Act, 2013, to independently assess the internal processes and report findings to the management and Audit Committee.

INDEPENDENT AUDITOR’S REPORT

TO THE MEMBERS OF

MARBLE FINVEST LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying annual Financial Statements of Marble Finvest Limited (CIN: L65910CH1984PLC021285) (the “Company”) for the year ended March 31, 2025, which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025 and its Profit and its Cash Flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.no.	Key Audit Matter	Auditors' Response
1.	Revenue Recognition: Refer note 3 of material accounting policies and 14 of the Financial Statements. The Company earns revenue primarily from interest income on loans and advances, processing fees, and other ancillary income. Revenue recognition involves application of the Effective Interest Rate (EIR) method as per Ind AS 109, which requires significant judgment in estimating prepayments, loan modifications, and allocation between interest income and fees. Considering the significance of revenue to the financial statements and complexities involved in applying EIR principles, there is a risk of inappropriate recognition of interest income and fees, which may materially affect the financial results. Accordingly, this matter is considered a key audit matter.	Principal Audit Procedures: • Evaluated the design and tested the operating effectiveness of internal controls over revenue recognition, including controls around the implementation of the EIR method. • Assessed the Company's accounting policy for revenue recognition with the requirements of Ind AS 109. • On a sample basis, tested loan agreements to assess the effective interest rate computation, classification between interest and fees, and recalculated interest income recognized. • Performed analytical procedures on interest income and fee income, including trends and yield analysis, to identify unusual variances. • Evaluated adequacy of related disclosures in the standalone financial statements.
2.	Valuation of Investments (Fair Value Measurement) Refer note 6 of material accounting policies and note 4 of the Financial Statements. The Company holds significant investments in equity securities, which are required to be measured at fair value as per Ind AS 109. For quoted investments, fair value is based on observable market prices; however, for unquoted investments, valuation requires the use of complex models and significant management judgment in areas such as discount rates, expected cash flows, and credit risk assumptions. Given the magnitude of balances, involvement of complex valuation techniques, reliance on external market inputs, and inherent estimation uncertainty in unquoted investments, the valuation of investments is considered a key audit matter.	Principal Audit Procedures: • Evaluated the design and tested operating effectiveness of internal controls over fair valuation of investments. • Assessed the Company's accounting policies for compliance with Ind AS 109 requirements. • For quoted investments, verified the fair values with published market prices as at the balance sheet date. • For unquoted investments, with the involvement of valuation specialists, assessed the appropriateness of the valuation methodologies used and tested key assumptions such as discount rates, cash flow forecasts, and credit risks. • Compared assumptions to market observable data, where available, and evaluated the sensitivity analysis performed by management. • Assessed adequacy of disclosures relating to fair value measurement, valuation techniques, and key assumptions in the standalone financial statements.

Emphasis of Matter

We draw attention to the following matters:

(a) Note No. 27 (c) of the financial statement, where the company has addressed the impact of changes in the fair value of its unquoted investments in accordance with IND AS-109, "Financial Instruments." The valuation has been derived under Rule 11UA of the Income Tax Act, 1962, as of January 24, 2025. The management has used this valuation to calculate the fair market value of its investments as of March 31, 2025.

(b) Note No. 27(b) of the Financial statements, where the company has addressed that bank account having balance of Rs. 6.14 Lakhs has been freezed due to non-updation of KYC documents.

Our opinion is not modified for the above matters.

Information Other than Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or

error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit, we report that:
 - a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of accounts as required by law have been kept by the company so far as it appears from our examination of those books.
 - c) The Balance Sheet, Statement of Profit and Loss (including other comprehensive income), Statement of Cash Flows and Statement of Changes in Equity dealt in by this Report are in agreement with the books of account;
 - d) The aforesaid Financial Statements comply with all the Accounting Standards specified under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. In our Opinion the Company has disclosed the impact of all pending litigations on its financial position in its financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses if any on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The Company has neither declared nor paid any dividend during the year.
- vi. Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trial has been preserved by the company as per the statutory requirements for the record retention.

ANNEXURE ‘B’ TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Marble Finvest Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Marble Finvest Limited** (“the Company”) as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

MATERIAL ACCOUNTING POLICIES	
1	Corporate Information Marble Finvest Limited is a listed Non-Banking Financial Company registered u/s 45-IA of the Reserve Bank of India Act since 2001. The company is listed on Metropolitan Stock Exchange of India. The company is engaged in investment activities. The Company is a non-deposit taking non-banking financial company (NBFC) registered with the Reserve Bank of India (RBI) with effect from 18th October, 2001 with Registration No. B.06.00525 RBI, The Company has been reclassified as NBFC Investment and Credit Company (NBFC-ICC).
2	Preparation of Financial Statements (A) Basis of Accounting The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and the Master Direction – Non-Banking Financial Company – Non-Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 ('the NBFC Master Directions') issued by RBI. The financial statements have been prepared on a going concern basis. The Company uses accrual basis of accounting except in case of significant uncertainties. (B) Presentation of Financial Statement The Company presents its Balance Sheet in order of liquidity. The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.
3.	Interest Income Revenue is recognized when it can be reliably measured and when all significant risks and rewards/ownership are transferred to the customer.
3.(b)	<u>Expenditure</u> Expenditure is accounted for on accrual basis and provision is made for all known losses and liabilities.
4.	Taxes Incomes are recognised net of the Goods and Services Tax/Service Tax, wherever applicable.
5.	Cash and Cash Equivalents Cash and cash equivalents include cash on hand, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

6.	Financial instruments A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments. All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognises the financial instruments on settlement date. Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.
7.	Initial measurement All financial assets are recognised initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss.
8.	Subsequent measurement For the purpose of subsequent measurement, financial assets are classified as follows: (a) Equity instruments designated at FVOCI All equity investments in scope of Ind AS 109 'Financial Instruments' are measured at fair value. The Company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in other comprehensive income. The classification is made on initial recognition and is irrevocable.
9.	Financial Assets The Company transfers its financial assets through the partial assignment route and accordingly derecognises the transferred portion as it neither has any continuing involvement in the same nor does it retain any control. If the Financial instruments (Contd.) Company retains the right to service the financial asset for a fee, it recognises either a servicing asset or a servicing liability for that servicing contract. A service liability in respect of a service is recognised at fair value if the fee to be received is not expected to compensate the Company adequately for performing the service. If the fee to be received is expected to be more than adequate compensation for the servicing, a service asset is recognised for the servicing right at an amount determined on the basis of an allocation of the carrying amount of the larger financial asset.

10.	Financial liabilities Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial asset to another entity, or a contract that may or will be settled in the entity's own equity instruments i.e. financial liabilities are trade payables. Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial asset
11.	Initial measurement All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include other payables. All fair value changes of the equity instruments are recognised in OCI and not available for reclassification to profit or loss, even on sale of investments. Equity instruments at FVOCI are not subject to an impairment assessment.
12.	Taxes (i) Current Tax Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current tax relating to items recognised outside profit or loss is recognised in correlation to the underlying transaction either in OCI or directly in other equity. (ii) Deferred tax Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilised. Deferred tax assets arising from temporary timing difference are recognized to the extent there is virtual certainty that the asset will be realized in future. Deferred tax relating to items recognised outside profit or loss is recognised either in OCI or in other equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority. (iii) Income Tax Provision for current income tax is made after taking credit for allowances and exemptions. In case of matters under appeal, due to disallowance or otherwise, provision is made when the said liabilities are accepted by the Company.

	Minimum Alternate Tax (MAT) paid in a year is charged to Statement of Profit and Loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e. the period for which MAT credit is allowed to be carried forward.
13.	Property Plant and Equipment Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, consistent with the criteria specified in Ind AS 16 'Property, Plant and Equipment'.
14.	Depreciation on Property Plant and Equipment (a) Depreciation is provided on a pro-rata basis for all tangible assets on straight line method over the useful life of assets, except buildings which is determined on written down value method. (b) Useful lives of assets are determined by Schedule II – Part C of the Companies Act, 2013 where the useful life is as assessed and certified by a technical expert.
15.	Provisions and contingent liabilities The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Provision of retirement benefits including gratuity is made as and when the employees become entitled to receive such benefits. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
16.	Investments Investments are classified into current and long-term investments. Current investments except for current maturities of long-term investments are stated at the lower of cost and quoted/ fair value. Long term investments are stated at cost less any provision for other than temporary diminution in value.
17.	Cash Flow Statement Cash flows are reported using the indirect method, whereby profit/ (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.
18.	Foreign Currency Transactions Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the date of the transaction. Monetary items denominated in foreign currencies outstanding at the year-end are translated at exchange rate applicable as on that date. Non-monetary items are valued at the exchange rate prevailing on the date of transaction. Any income or expense on account of exchange difference either on settlement or on translation is recognized in the statement of Profit and Loss.

30. Fair Value Measurement (Ind-AS 113):- Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

1. **Level-1 Inputs:** Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date. A quoted price in an active market provides the most reliable evidence of fair value and shall be used without adjustment to measure fair value whenever available.
2. **Level-2 Inputs:** Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. If the asset or liability has a specified (contractual) term, a Level 2 input must be observable for substantially the full term of the asset or liability.
3. **Level-3 Inputs:** Level 3 inputs are unobservable inputs for asset or liability. Unobservable inputs shall be used to measure fair value to the extent that relevant observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date. However, the fair value measurement objective remains the same i.e. an exit price at the measurement date from the perspective of a market perception that holds the asset or owes the liability. Therefore, unobservable inputs shall reflect the assumptions that market participants would use when pricing the asset or liability, including assumptions about risk.

31. Financial Risk

The Company's principal financial liabilities, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables and cash and cash equivalents that are derived directly from its operations.

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company is exposed to market risk, credit risk and liquidity risk.

The Company's senior management oversees the management of these risks. The senior professionals working to manage the financial risks and the appropriate financial risk governance framework for the Company are accountable to the Board of Directors and Audit Committee. This process provides assurance to Company's senior management that the Company's financial risk-taking activities are governed by appropriate policies and procedures and that financial risk are identified, measured and managed in accordance with Company policies and Company risk objective.

The Board of Directors reviews and agrees policies for managing each of these risks which are summarized as below:

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity price risk. Financial instruments affected by market risks include loans and borrowings, deposits and investments. The sensitivity analyses in the following sections relate to the position as at March 31 2024. The analyses exclude the impact of movements in market variables on; the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities. The sensitivity of the relevant Profit and Loss item is the effect of the assumed changes in the respective market risks. This is based on the financial assets and financial liabilities held as of March 31, 2025.

- 23.** SEBI vide its circular dated January 25, 2022 read with Regulation 40 of SEBI (LODR) Regulations, 2015, the requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialised form with a depository. Provided that transmission or transposition of securities held in physical or dematerialised form shall be effected only in dematerialised form.

SEBI, through its Circular No. SEBI/HO/MIRSD/MIRSD-PoD/P/CIR/2025/97 dated July 2, 2025 (“Circular”), has introduced a mechanism providing a Special Window for Re-lodgement of Transfer Requests of Physical Shares. Under this Circular, all physical share transfer deeds that were lodged with the Company or its Registrar and Transfer Agent (“RTA”) prior to the discontinuation of the physical mode of transfer (i.e., before April 1, 2019), and were rejected or returned due to deficiencies in documentation—where the requisite documents were to be re-lodged by the earlier cut-off date of March 31, 2021—can now be re-lodged during a new special window. This special window period will remain open for six months from July 07, 2025 to January 06, 2026. During this period, shareholders may re-lodge their previously rejected or returned transfer requests with the required documents. Please note that all such securities will be transferred only in dematerialised form, in accordance with SEBI’s mandate.

In compliance with the said Circular, the Company has initiated this special window and published a public notice on its official website and on the BSE portal. Additionally, the announcement has been published in the “Financial Express” (an English National Daily) and “Jansatta” (a regional daily) on July 30, 2025.

Shareholders who were previously unaware of this provision are hereby informed through this notice, and are encouraged to take necessary action within the stipulated time frame if they are eligible under the scheme.

- 24.** The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the pan to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their pan details to the company/RTA.
