**Mumbai, August 1, 2021:** We anticipate various frivolous and false complaints by anonymous persons being circulated to media / press in order to destabilize and create disability in the ongoing operations of the Exchange.

We would like to inform you that MSE being a Market Infrastructure Institution (MII) as recognized and governed by SEBI is of national importance and Corporate Governance at the Exchange is followed in the letter and spirit.

It is pertinent to inform you that there are few past disgruntled employees who are using various fora to spread unsubstantiated, baseless and frivolous matters against the Exchange. You are requested to not to entertain such people / groups.

We humbly urge you to please not publish or circulate any such content about the Exchange, without our prior written consent, as it is not a matter of 'public interest' and would gravely impact the Exchange, Capital Market and Shareholders.
