

Press release

Mumbai, August 23, 2021 : The Exchange has noticed some unregulated platforms/websites offering trading in certain unregulated derivative products called Contracts for Difference (CFD) / Binary Options.

Investors falling prey to the promises of high/ exorbitant returns by these websites/platforms may eventually lose money heavily. Hence, Investors are advised to refrain from dealing/investing in unregulated products such as Contracts for Difference (CFDs) / Binary Options offered by such unregulated internet-based trading platforms.

Issued in the interest of investors
