The Board of Directors of the respective Petitioner Companies believe that the Scheme is in the best interests of the respective Companies and their respective customers, employees, lenders, shareholders, and all other stakeholders of the respective Companies.
6. The Appointed Date of the **Scheme** is **1<sup>st</sup> April 2023**.
7. The Joint Company Petition has been filed in consonance with the order of the Tribunal dated 18<sup>th</sup> October 2023, passed in the connected Company Scheme Application bearing C.A. (CAA)/ 86/ (MB)/ 2023.
8. It is submitted that the Petitioner Companies have complied with all requirements as per directions of this Tribunal and they have filed necessary Affidavits of compliance. Moreover, the Petitioner Companies

undertake to comply with all the statutory requirements, if any, as may be required under the Companies Act, 2013 and the Rules made there under. The said undertaking is accepted.

**Rationale of the Scheme:**

9. The rationale of the Composite Scheme of Arrangement as mentioned in the scheme is as follows:

*"The Amalgamating Company MEL was formerly engaged in the business of providing clearing and settlement services to the Amalgamated Company in respect of all the four segments namely, Currency Derivatives, Equity Derivatives, Equity Cash Market & Debt Segments, and also facilitates settlement of OTC deals on corporate bonds, certificate of deposits, commercial paper and structured debt instruments. Subsequently, in 2018 SEBI allowed interoperability amongst clearing corporations i.e. it allowed market participants to consolidate their clearing and settlement functions at a single clearing corporation, irrespective of the stock exchange on which the trade is executed.*

*Post introduction of interoperability, MEL had lost most of its business to other clearing corporations inspite of its effort to gain business share by entering into interoperability arrangements with the Indian Clearing Corporation Limited (ICCL) & NSE Clearing Limited (NCL) to extend its clearing and settlement services for trades executed at National Stock Exchange of India Limited (NSE) and BSE Limited (BSE) in addition to MSE. Profit after Tax of MEL has reduced over the years from INR 6.83 crores in FY 19 to INR (6.72) crores in FY 22.*

*Apart from the services under interoperability, MEL was providing clearing and settlement services to Indian Commodity Exchange Limited (ICEX) in Commodity Derivative segment and Mutual Fund segment, which contributes major income for MEL. In May, 2022 SEBI has withdrawn recognition of ICEX as Stock exchange due to insufficient Net Owned Fund ("NOF"). Securities Appellate Tribunal (SAT) in June 2022 granted time to ICEX to build necessary NOF and directed that the business will remain suspended till NOF restored to statutory limit. Suspension of business of ICEX and agreement with ICEX for providing Clearing and Settlement services has also expired effective September 2, 2022. Hence, besides having no business of Clearing and Settlement from Interoperability and now no business from ICEX, MEL shall have no Clearing and Settlement Business, the core purpose for which it was Incorporated and capitalized by its main parent company*

and its other Shareholders. Considering the above, MEL is not able to operate profitably and gain market share, the Board of Directors of MEL have decided to discontinue the clearing corporation business and merge the company with its parent company i.e. MSE for continuance of other eligible business in MSE. SEBI registration for MEL for acting as clearing corporation agent has also been expired as of date.

The management of the respective Companies are of the view that the amalgamation proposed in this Scheme is, in particular, expected to have the following benefits:

- a. Reduction in management overlaps and elimination of legal and regulatory compliances and associated costs due to operation of multiple entities.
- b. Optimization of the allocated capital and availability of funds which can be deployed more efficiently to pursue the operational growth opportunities.
- c. Amalgamation will result in pooling of financial, managerial, technical and human resources, thereby creating stronger base for future growth and value accretion for the stakeholders.
- d. The combined financial strength is expected to further accelerate the scaling up of the operations of the Amalgamated Company.
- e. The consolidation of funds and resources will lead to optimization of working capital utilization and stronger financial leverage given the simplified capital structure, improved balance sheet, optimized management structure and consolidation of cross location talent pool.

Further, Amalgamating entity is also undertaking Capital Reduction for reduction of 51,99,545 equity shares constituting 4.15% of its share capital owing to the following reasons/ rationale-

- i. To comply with SEBI direction wherein 63 Moons Technologies Limited was declared not a "fit and proper person" to hold shares in Amalgamating Company and shall cease to be entitled to voting rights in the Amalgamating Company in respect of shares held by them.
- ii. To distribute cash to its shareholders in proportion to their shareholding, thereby, providing exit opportunities from an illiquid investment.

iii. *Proposed capital reduction will result in 100% shareholding of MEL with MSE and resultant ease of compliances."*

10. Post reduction of share capital, the Transferor Company shall become wholly-owned subsidiary company of the Transferee Company i.e. the entire paid up equity share capital of the Transferor Company shall be beneficially held by the Transferee Company and no new equity shares of the Transferee Company shall be issued and allotted in respect of shares held by the Transferee Company in the Transferor Company. Upon the Scheme becoming effective, the entire share capital of the Transferor Company shall be cancelled and extinguished without any further act, deed or instrument as an integral part of this Scheme.

11. **Consideration:**

**For reduction of share capital**

In consideration for the cancellation of the share capital, the Transferor Company shall pay INR 10/- per share to the shareholders against cancellation of their respective shareholding in the Transferor Company. Consideration price of INR 10 per share has been determined basis the valuation report issued by Registered Valuer Niranjana Kumar (IBBI Registration No. -IBBI/ RV/ 06/ 2018/ 10137) and fairness opinion issued by Kunvarji Finstock Private Limited, SEBI Registered Category I Merchant Banker (Registration Number - INM000012564).

**For amalgamation of Transferor Company with the Transferee Company:**

After the share capital reduction of the Transferor Company, it shall become wholly owned subsidiary company of the Transferee Company as the entire paid up equity share capital of the Transferor Company shall be beneficially held by the Transferee Company.

Therefore, no new equity shares of the Transferee Company shall be issued and allotted in respect of shares held by the Transferee Company in the Transferor Company. Upon the Scheme becoming effective, the entire share capital of the Transferor Company shall be cancelled and extinguished without further act.

12. The Valuation Report and the Fairness Opinion are annexed to the Company Scheme Petition.
13. The Transferee Company is a recognized Stock Exchange with permission to operate in currency derivatives, equity and equity derivatives and the main object of the Transferor Company was to act as central counterparty to provide novation and clearing & settlement services to various Exchanges. However, recognition of Transferor Company as Clearing Corporation was not renewed by Securities and Exchange Board of India (SEBI) and hence effective October 3, 2022, Transferor Company has ceased to be SEBI recognized entity. Consequent to such de-recognition, object clause of the Transferor Company was amended to act as the technical and management consultants in relation to all aspects of data processing, data processing systems, computer systems, application and systems software, process control systems, computers and all the branches of computer science in India and abroad.

**14. Meetings of the Petitioner Companies:**
