Decision of the Board at its meeting held on November 04, 2014 on recommendations made by the Advisory Committee at its meeting held on September 24, 2014.

Sr. No.	Advisory Committee Suggestion	Management comment	Board Decision
1	Exchange may concentrate on reviving volumes in the CD Segment on priority and only after the same is stabilized, it could look into the business development for other segments	This was already being done by Business Development department.	The Board noted the same.
2	Transaction fee slabs may be rationalized and more linked with volumes, subject to compliance with relevant requirements of SEBI.	Circular dated September 30, 2014 had been issued regarding changes in transaction fee to be charged from members.	The Board noted the same.
